AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

**(TRADEMARKS, TRADEMARK REGISTRATIONS,
TRADEMARK APPLICATIONS AND TRADEMARK LICENSES)**

WHEREAS, Artisan Pictures Inc., a Delaware corporation (the "Borrower"), Artisan Entertainment Inc. (the "Parent") and each other subsidiary of the Borrower of whose name appears at the foot hereof (each a "Subsidiary"; together with the Borrower and the Parent, the "Pledgors"), now own or hold and may hereafter acquire or hold Trademarks (defined as all of the following: all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, logos, other source of business identifiers and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof or similar property rights, and all applications in connection therewith, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state thereof or any other country or any political subdivision thereof, and all reissues, extensions or renewals thereof) including, without limitation, the Trademarks listed on Schedule A annexed hereto, as such Schedule may be amended from time to time by the addition of Trademarks subsequently registered or otherwise adopted or acquired;

WHEREAS, pursuant to that certain Amended and Restated Credit and Guaranty Agreement, dated as of July 9, 1997, as amended and restated as of August 10, 1998 (as the same may be further amended, modified or otherwise supplemented from time to time, the "Credit Agreement"), among the Borrower, the Parent, the other Guarantors named therein, the Lenders named therein (the "Lenders") and The Chase Manhattan Bank, as Administrative Agent and as Fronting Bank (in such capacity, the "Facility Agent"), the Lenders have agreed to make loans to the Borrower;

WHEREAS, pursuant to the Note and Stock Purchase Agreement dated as of July 9, 1997 (the "Note Agreement") among the Borrower, the Parent, Film Holdings Co., and the Guarantors named therein and Canpartners Investments IV, LLC, as initial purchaser, ("Canyon"), the Borrower has agreed to issue \$15,000,000 of 13 ½ % Senior Subordinated Notes due 2004 (the "Subordinated Debt") and agreed to grant security interests in favor of the Canyon and subsequent purchasers of the Subordinated Debt;

WHEREAS, the Grantors, the Facility Agent and Canyon have entered into that certain Intercreditor and Collateral Agency Agreement dated as of July 9, 1997, as amended and restated as of August 10, 1998 (the "Collateral Agency Agreement") pursuant to which, among other things, the Facility Agent (on behalf of the Lenders) and Canyon (the Facility Agent, Lenders, and Canyon are collectively referred to herein as the "Beneficiaries") have appointed The Chase Manhattan Bank as their collateral agent for the purposes of enforcing their respective rights in respect of the Collateral and administering the Collateral in accordance with the terms of the Collateral Agency Agreement (in such capacity, the "Collateral Agent");

WHEREAS, the Pledgors and the Collateral Agent are parties to that Amended and Restated Security Agreement dated as of July 9, 1997, as amended and restated as of August 10, 1998 (as the same may be further amended, supplemented or otherwise modified, renewed or replaced from time to time, the "Security Agreement");

WHEREAS, pursuant to the terms of the Security Agreement, each of the Pledgors has granted to the Collateral Agent (for the benefit of the Beneficiaries) a security interest in all personal property of such Pledgor including, without limitation, all right, title and interest of such Pledgor in, to and under all of such Pledgor's Trademarks and Trademark licenses (including, without limitation, those Trademark licenses listed on Schedule B hereto), whether presently existing or hereafter arising, adopted or acquired, together with the goodwill of the business connected with, and symbolized by, the Trademarks and all products and proceeds thereof and all income therefrom, including, without limitation, any and all causes of action which exist now or may exist in the future by reason of infringement or dilution thereof or injury to the associated goodwill, to secure the payment of the Obligations (such term being used herein as defined in the Security Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Pledgor does, as security for the Obligations, hereby grant to the Collateral Agent (for the benefit of the Beneficiaries) a continuing security interest in all of such Pledgor's right, title and interest in, to and under the following (all of the following items or types of property being collectively referred to herein as the "Trademark Collateral"), whether presently existing or hereafter arising or acquired:

- (i) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including, without limitation, each Trademark referred to in Schedule A annexed hereto;
- (ii) each Trademark license, including, without limitation, each Trademark license referred to in Schedule B annexed hereto, to the extent such Trademark license does not prohibit the licensee from assigning or granting a security interest in its rights thereunder; and

(iii) all products and proceeds of, and income from, any of the foregoing, including, without limitation, any claim by any Pledgor against third parties for the past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark license, or for injury to the goodwill associated with any Trademark.

Each Pledgor agrees to deliver updated copies of Schedule A and Schedule B to the Collateral Agent at the end of any quarter in which such Pledgor registers or otherwise adopts or acquires any Trademark not listed on Schedule A hereto or enters into any Trademark license not listed on Schedule B hereto, and to duly and promptly execute and deliver, or have duly and promptly executed and delivered, at the cost and expense of the Pledgors, such further instruments or documents (in form and substance satisfactory to the Collateral Agent), and promptly perform, or cause to be promptly performed, any and all acts, in all cases, as may be necessary, proper or advisable from time to time, in the reasonable judgment of the Collateral Agent, to carry out the provisions and purposes of the Security Agreement and this Trademark Security Agreement, and to provide, perfect and preserve the liens of the Collateral Agent for the benefit of the Beneficiaries under the Security Agreement and this Trademark Security Agreement, in the Trademark Collateral or any portion thereof.

Each Pledgor agrees that if any person, firm, corporation or other entity shall do or perform any acts which the Collateral Agent believes constitute an infringement of any Trademark, or violate or infringe any right of a Pledgor or the Beneficiaries therein or if any person, firm, corporation or other entity shall do or perform any acts which the Collateral Agent believes constitute an unauthorized or unlawful use thereof, then and in any such event, upon 30 days' prior written notice to such Pledgor while an Event of Default (as defined in the Security Agreement) is continuing, the Collateral Agent may and shall have the right to take such steps and institute such suits or proceedings as the Agent may deem advisable or necessary to prevent such acts and conduct and to secure damages and other relief by reason thereof, and to generally take such steps as may be advisable or necessary or proper for the full protection of the rights of the parties. The Collateral Agent may take such steps or institute such suits or proceedings in its own name or in the name of the applicable Pledgor or in the names of the parties jointly. The Collateral Agent hereby agrees to give the applicable Pledgor notice of any steps taken, or any suits or proceedings instituted, by the Collateral Agent pursuant to this paragraph.

This security interest is granted in conjunction with the security interests granted to the Collateral Agent (for the benefit of the Beneficiaries) pursuant to the Security Agreement. Each Pledgor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent (for the benefit of the Beneficiaries) with respect to the security interest in the Trademark Collateral made and granted hereby are subject to, and more fully set forth in, the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Trademark Security Agreement is made for collateral purposes only. At such time as all of the Obligations have been indefeasibly repaid in full, all the Commitments under the Credit Agreement (including any commitment to issue any Letter of Credit) shall have terminated and all Letters of Credit issued under the Credit Agreement shall have expired or been terminated or cancelled, the Collateral Agent (on behalf of the Beneficiaries), shall execute and deliver to such Pledgors, at Borrower's or the applicable Pledgor's expense, without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments as may be necessary or proper to terminate the security interest of the Collateral Agent (for the benefit of the Beneficiaries) in the Trademark Collateral, subject to any disposition thereof which may have been made by the Collateral Agent pursuant to the terms hereof or of the Security Agreement.

The Collateral Agent (on behalf of the Beneficiaries) agrees that there will be no assignment of the Trademark Collateral, other than the security interest described herein, unless and until there shall occur an Event of Default (such term being used herein as defined in the Security Agreement) and the Collateral Agent gives written notice to the applicable Pledgor of its intention to enforce its rights against any of the Trademark Collateral.

So long as no Event of Default shall have occurred and be continuing, and subject to the various provisions of the Security Agreement, the Credit Agreement and the other Fundamental Documents to which it is a party, each Pledgor may use, license and exploit the Trademark Collateral in any lawful manner.

THIS TRADEMARK SECURITY AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED WHOLLY WITHIN THE STATE OF NEW YORK.

Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Security Agreement.

IN WITNESS WHEREOF, the Pledgors have caused this Trademark Security Agreement to be duly executed as of Aug. 14, 1998 by their officers thereunto duly authorized.
