This **PATENT AND TRADEMARK SECURITY AGREEMENT** ("Agreement"), dated as of August 30, 1999, is entered into between **SAFEGUARD BUSINESS SYSTEMS, INC.**, a Delaware corporation ("Borrower") and **FOOTHILL INCOME TRUST, L.P.**, a Delaware limited partnership ("Lender"), in light of the following:

A. Borrower and Lender are, contemporaneously herewith, entering into that certain Term Loan and Security Agreement, dated as of even date (as may hereafter be amended, supplemented or restated from time to time in accordance with the terms thereof, "Loan Agreement"); and

B. Borrower is the owner of certain intellectual property, identified below, in which Borrower is granting a security interest to Lender.

NOW THEREFORE, in consideration of the mutual promises, covenants, conditions, representations, and warranties hereinafter set forth and for other good and valuable consideration, the parties hereto mutually agree as follows:

1. DEFINITIONS AND CONSTRUCTION.

1.1 **Definitions.** All initially capitalized terms used but not defined in this Agreement shall have the meanings assigned to such terms in the Loan Agreement. In addition, the following terms, as used in this Agreement, have the following meanings:

"Code" means the New York Uniform Commercial Code, as amended and supplemented from time to time, and any successor statute.

"Collateral" means:

(i) Each of the trademarks and rights and interest which are capable of being protected as trademarks (including trademarks, service marks, designs, logos, indicia, tradenames, corporate names, company names, business names, fictitious business names, trade styles, and other source or business identifiers, and applications pertaining thereto), which are presently, or in the future may be, owned, created or acquired by Borrower, in whole or in part, and all trademark rights with respect thereto throughout the world, including all proceeds thereof (including license royalties and proceeds of infringement suits), and rights to renew and extend such trademarks and trademark rights;

(ii) Each of the patents and patent applications which are presently, or in the future may be, owned, issued or acquired by Borrower, in whole or in part, and all patent rights with respect thereto throughout the world, including all proceeds thereof (including license royalties and proceeds of infringement suits), foreign filing rights, and rights to extend such patents and patent rights;

(iii) All of Borrower's right to the trademarks and trademark registrations listed on Schedule A, attached hereto, as the same may be updated hereafter from time to time;

(iv) All of Borrower's right, title, and interest, in and to the patents and patent applications listed on Schedule B, attached hereto, as the same may be updated hereafter from time to time;

(v) All of Borrower's right, title and interest to register trademark claims under any state or federal trademark law or regulation of any foreign country and to apply for, renew, and extend the trademark registrations and trademark rights, the right (without obligation) to sue or bring opposition or cancellation proceedings in the name of Borrower or in the name of Lender for past, present, and future infringements of the trademarks, registrations, or trademark rights and all rights (but not obligations) corresponding thereto in the United States, Canada and any other foreign country, and the associated goodwill;

(vi) All of Borrower's right, title, and interest in all patentable inventions, and to file applications for patent under federal patent law or regulation of any foreign country, and to request reexamination and/or reissue of the patents, the right (without obligation) to sue or bring interference proceedings in the name of Borrower or in the name of Lender for past, present, and future infringements of the patents, and all rights (but not obligations) corresponding thereto in the United States, Canada and any other foreign country;

(vii) All general intangibles relating to the foregoing; and

(viii) All proceeds of any and all of the foregoing (including, without limitation, license royalties and proceeds of infringement suits) and, to the extent not otherwise included, all payments under insurance, or any indemnity, warranty, or guaranty payable by reason of loss or damage to or otherwise with respect to the Collateral.

"PPSA" means the Personal Property Security Act (Ontario), as amended and supplemented from time to time, and any successor statute.

"Secured Obligations" means the Obligations (as defined in the Loan Agreement) and the obligations of Borrower hereunder.

1.2 Construction. Unless the context of this Agreement clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, and the term "including" is not limiting. The words "hereof," "herein," "hereby," "hereunder," and other similar terms refer to this Agreement as a whole and not to any particular provision of this Agreement. Any initially capitalized terms used but not defined herein shall have the meaning set forth in the Loan Agreement. Any reference herein to any of the Loan Documents includes any and all alterations, amendments, extensions, modifications, renewals, or supplements thereto or thereof, as applicable. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed or resolved against Lender or Borrower, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by Borrower, Lender, and their respective counsel, and shall be construed and interpreted according to the ordinary meaning of the words used so as to fairly accomplish the purposes and intentions of Lender and Borrower.

2. GRANT OF SECURITY INTEREST.

Borrower hereby grants to Lender a security interest in all of Borrower's right, title, and interest in and to the Collateral to secure the Secured Obligations.

3. REPRESENTATIONS, WARRANTIES AND COVENANTS.

Borrower hereby represents, warrants, and covenants that:

3.1 Trademarks; Patents.

(ii) A true and complete schedule setting forth all patent and patent applications assigned Borrower, together with a summary description consisting of titles, issue date, patent number and names of inventors, is set forth on Schedule B;

3.2 Validity; Enforceability. Each of the patents and trademarks is valid and enforceable, and Borrower is not presently aware of any past, present, or prospective claim by any third party that any of the patents or trademarks are invalid or unenforceable, or that Borrower is infringing any patent or trademark rights of any third person, or of any basis for any such claims;

3.3 Title. Borrower is the sole and exclusive owner of the entire and unencumbered right, title, and interest in and to each of the patents, patent applications, trademarks, and trademark registrations, free and clear of any liens, charges, and encumbrances, including pledges, assignments, licenses, shop rights, and covenants by Borrower not to sue third persons, except for Permitted Liens, as defined in the Loan Agreement;

3.4 Notice. Borrower has used and will continue to use proper statutory notice in connection with its use of each of its material patents and trademarks;

3.5 Quality. Borrower has used and will continue to use consistent standards of high quality (which may be consistent with Borrower's past practices) in the manufacture, sale, and delivery of products and services sold or delivered under or in connection with the trademarks, including, to the extent applicable, in the operation and maintenance of its merchandising operations, and will continue to maintain the validity of the trademarks;

3.6 Perfection of Security Interest. Except for the filing of financing statements in the State of Texas and the Province of Ontario and filings with the United States Patent and Trademark Office and the Canadian Intellectual Property Office necessary to perfect the security interests created hereunder, no authorization, approval, or other action by, and no notice to or filing with, any governmental authority or regulatory body is required and no consent is required from, and no notice required to be given to, any third party either for the grant by Borrower of the security interest hereunder or for the execution, delivery, or performance of this Agreement by Borrower or for the perfection of or the exercise by Lender of its rights hereunder to the Collateral in the United States or in Canada.

4. AFTER-ACQUIRED PATENT OR TRADEMARK RIGHTS.

If Borrower shall obtain rights to any new trademarks, any new patentable inventions or become entitled to the benefit of any patent application or patent or any reissue, division, or continuation, of any patent, the provisions of this Agreement shall automatically apply thereto. Borrower shall give prompt notice in writing to Lender with respect to any such new trademarks or patents, or renewal or extension of any trademark registration, and Borrower may, from time to time, amend Schedules A and B to this Agreement to reflect such after acquired patent and trademarks. Borrower shall bear any expenses incurred in connection with future patent applications or trademark registrations.

5. LITIGATION AND PROCEEDINGS.

Borrower shall commence and diligently prosecute in its own name, as the real party in interest, for its own benefit, and its own expense, such suits, administrative proceedings, or other action for infringement or other damages as are in its reasonable

business judgment necessary to protect the Collateral. Borrower shall provide to Lender any information with respect thereto requested by Lender. Lender shall provide at Borrower's expense all necessary cooperation in connection with any such suits, proceedings, or action, including, without limitation, joining as a necessary party. Following Borrower's becoming aware thereof, Borrower shall notify Lender of the institution of, or any adverse determination in, any proceeding in the United States Patent and Trademark Office or the Canadian Intellectual Property Office, or any United States, state, Canadian, provincial or other foreign court regarding Borrower's claim of ownership in any of the patents or trademarks, its right to apply for the same, or its right to keep and maintain such patent or trademark rights.

6. POWER OF ATTORNEY.

Borrower grants Lender power of attorney, having the full authority, and in the place of Borrower and in the name of Borrower, from time to time following an Event of Default, to take any action and to execute any instrument which Lender may deem necessary or advisable in Lender's discretion, to accomplish the purposes of this Agreement, including, without limitation, as may be subject to the provisions of this Agreement: to endorse Borrower's name on all applications, documents, papers, and instruments necessary for Lender to use or maintain the Collateral; to ask, demand, collect, sue for, recover, impound, receive, and give acquittance and receipts for money due or to become due under or in respect of any of the Collateral; to file any claims or take any action or institute any proceedings that Lender may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce Lender's rights with respect to any of the Collateral and to assign, pledge, convey, or otherwise transfer title in or dispose of the Collateral to any person.

7. RIGHT TO INSPECT.

Borrower grants to Lender and its employees and agents the right to visit Borrower's plants and facilities which manufacture, inspect, or store products sold under any of the patents or trademarks, and to inspect the products and quality control records relating thereto at reasonable times during regular business hours.

9.1 Notification. Lender may notify licensees to make royalty payments on license agreements directly to Lender;

9.2 Sale. Lender may sell or assign the Collateral and associated goodwill at public or private sale for such amounts, and at such time or times as Lender deems advisable. Any requirement of reasonable notice of any disposition of the Collateral shall be satisfied if such notice is sent to Borrower five (5) days prior to such disposition. Borrower shall be credited with the net proceeds of such sale only when they are actually received by Lender, and Borrower shall continue to be liable for any deficiency remaining after the Collateral is sold or collected. If the sale is to be a public sale, Lender shall also give notice of the time and place by publishing a notice one time at least five (5) days before the date of the sale in a newspaper of general circulation in the county in which the sale is to be held. To the maximum extent permitted by applicable law, Lender may be the purchaser of any or all of the Collateral and associated goodwill at any public sale and shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any public sale, to use and apply all or any part of the Secured Obligations as a credit on account of the purchase price of any collateral payable by Lender at such sale.

11.4 Interpretation. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed or resolved against Lender or Borrower, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to fairly accomplish the purposes and intentions of all parties hereto.

11.5 Severability of Provisions. Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

Any party delivering an executed counterpart of this Agreement by telefacsimile also shall deliver a manually executed counterpart of this Agreement but the failure to deliver a manually executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement.

11.8 Fees and Expenses.
