Re: Recordal of a Security Interest from Dayton Superior Corporation
to Bankers Trust Company
Recorded on 8/14/00 at Reel/Frame: 002133/0538

Dear Ms. Stewart:

We recently received the enclosed Notice of Disposition of Database Discrepancy dated December 28, 2000 from your office.

We are enclosing a check for \$40 made payable to the Commissioner of Patents and Trademarks. The original Notice of Recordation indicates that the "security interest" was recorded against application number 75892252. However, the above-referenced security interest should have been recorded against application number 75891252. Upon review, it appears that Schedule A (which listed this mark) was sent with the incorrect registration number. We enclose a corrected Schedule A.

In light of the foregoing, we are herewith returning the Notice of Disposition of Database Discrepancy, the original cover sheet, the security interest documents and a copy of Schedule 1. Please record the above-referenced security interest against application number 75891252 and send us a corrected Notice of Recordation as soon as possible.

Please be so kind as to return the attached postcard to acknowledge receipt. Thank you for your assistance.

Best regards,

Vincent Martell
Legal Assistant
