A. Reference is made to the Credit Agreement dated as of September 30, 1997, as amended and restated as of May 31, 2000 (as further amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Borrower, Aspen Industrial, S.A. de C.V., Deutsche Bank, as administrative agent and collateral agent, JPMorgan Chase Bank, as syndication agent, and the lenders party thereto.

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Security Agreement and the Credit Agreement.

C. Section 4.03 of the Security Agreement authorizes the Collateral Agent to supplement the Security Agreement by supplementing Schedule III, IV or V thereto or adding additional schedules thereto to specifically identify any registered asset or item that may constitute Copyrights, Patents or Trademarks. The Borrower, Pierson Industries, Inc. ("Pierson") and Pliant Solutions Corporation ("Pliant Solutions" and together with the Borrower and Pierson, the "Supplementing Grantors") have identified the additional Licenses, Patents and Trademarks set forth on Schedules III, IV and V hereto. Accordingly, the Collateral Agent and the Supplementing Grantors agree as follows:

SECTION 1. Schedules III, IV and V of the Security Agreement are hereby supplemented by the information set forth in Schedule III, IV and V hereto.

SECTION 2. This Supplement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract (subject to Section 7.04 of the Security Agreement), and shall become effective as provided in Section 7.04 of the Security Agreement).

Agreement. Delivery of an executed signature page to this Supplement by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof.

SECTION 3. The Supplementing Grantors hereby represent and warrant that the information set forth on Schedule II attached hereto is true and correct.

SECTION 4. Except as expressly supplemented hereby, the Security Agreement shall remain in full force and effect.

SECTION 5. THIS SUPPLEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION 6. In the event any one or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions..

SECTION 7. The Supplementing Grantors agree that the Collateral Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 9.03 of the Credit Agreement.
