SECURITY AGREEMENT

THIS SECURITY AGREEMENT (as from time to time amended, modified, supplemented or extended, this "Agreement"), dated as of December 6, 2004, is made by each of the signatories hereto (together with any other entity that may become a party hereto as provided herein, the "Grantors"), in favor of **JPMORGAN CHASE BANK, N.A.**, a national banking association, in its capacity as Administrative Agent ("Secured Party") on behalf of (i) the lenders parties to the Credit Agreement, as hereinafter defined ("Lenders") and (ii) the other Beneficiaries (as such term is defined in the Credit Agreement).

RECITALS

A. As of even date herewith, Windsor Quality Holdings LP, a Delaware limited partnership ("Holdings"), Windsor Quality Food Company Ltd., a Texas limited partnership (the "Borrower"), Secured Party and Lenders have executed a Credit Agreement (such agreement, as may from time to time be amended or supplemented, being hereinafter called the "Credit Agreement") pursuant to which, upon the terms and conditions stated therein, Lenders have agreed to make loans to and extend credit on behalf of the Borrower (collectively, the "Loans").

B. The Lenders have conditioned their obligations under the Credit Agreement upon the execution and delivery by the Grantors of this Agreement, and the Grantors have agreed to enter into this Agreement.

NOW, THEREFORE, in consideration of the premises and in order to induce the Lenders to enter into and extend credit under the Credit Agreement and to induce the other Beneficiaries to extend credit to the Borrower, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by each Grantor, each Grantor hereby agrees as follows:

(f) Subject to the required actions and filings described in Section 2(g), this Agreement creates a valid and perfected first priority security interest in the Collateral (except with respect to Excepted Liens and other Liens permitted by the Credit Agreement), to the extent such Collateral constitutes collateral in which a security interest may be created under the UCC and perfected by the filing of a financing statement, securing the payment of the Secured Obligations.

(g) No authorization, approval, filing or other action by, and no notice to or filing with, any Governmental Authority is required either (i) for the grant by such Grantor of the Security Interests granted hereby or for the execution or delivery of this Agreement by such Grantor or (ii) for the perfection of or the exercise by (except with respect to intellectual property to the extent prohibited by any Governmental Authority) Secured Party of its rights and remedies under this Agreement, other than (A) the filing of a UCC-1 financing statement in the offices specified on Exhibit C, (B) with respect to fixtures, the filing of a UCC-1 financing statement as a fixture filing in each location where such Debtor owns or leases real property, (C) the filing of notices of security interests with the U.S. Patent and Trademark Office and the U.S. Copyright Office, as applicable, and (D) with respect to any vehicle that has a certificate of title, complying with the applicable certificate of title laws of the applicable State.

(c) The Security Interests are granted as security only and shall not subject Secured Party, nor any of the Lenders, to, or transfer or in any way affect or modify, any obligation or liability of any Grantor with respect to any of the Collateral or any transaction in connection therewith.

(d) The inclusion of Proceeds in this Agreement does not authorize the Disposition by any Grantor of any Collateral in any manner prohibited by this Agreement or by the Credit Agreement or other Loan Documents.

(e) The inclusion of Proceeds in this Agreement shall not prevent any Grantor from using the proceeds of any insurance paid in respect of any Collateral to the extent such use is not prohibited by the Credit Agreement or any of other Loan Documents.

(f) To the extent any of the proceeds of the Loans are used to purchase Collateral, the repayment of the Loans shall apply on a "first-in, first-out" basis so that the portion of the Loans used to purchase a particular item of Collateral shall be paid in the chronological order that each Grantor purchased the Collateral.

Section 4. Covenants: Further Assurances

(a) Each Grantor will maintain (i) the location of its chief executive office and (ii) the location where such Grantor keeps or holds records relating to the Collateral at (A) the address of such Grantor provided on Exhibit D, (B) at locations upon which Secured Party has a lien pursuant to a deed of trust, mortgage or similar instrument, or (C) at other locations within other States if, prior to such relocation, such Grantor shall have given Secured Party not less than thirty (30) days' notice thereof.

(b) Until the Secured Obligations (other than Specified Obligations) are paid in full and the Commitments terminated, each Grantor agrees that such Grantor will (i) not change the state of such Grantor's organization; and (ii) not change such Grantor's name or identity in any manner, unless such Grantor shall have given Secured Party not less than thirty (30) days prior notice thereof.

(c) Each Grantor hereby authorizes Secured Party to file or to execute and file, as applicable, financing statements or continuation statements without such Grantor's signature appearing thereon. Each Grantor authorizes Secured Party to use the collateral description "all assets" in any such financing statements. To the extent permitted by applicable law, each Grantor agrees that a carbon, photographic or other reproduction of this Agreement or of a financing statement is sufficient as a financing statement and may be filed in any jurisdiction. Each Grantor shall pay the costs of, including out-of-pocket costs incidental to, any recording or filing of this Agreement, or any financing or continuation statements concerning the Collateral.

(d) Except for Inventory and Equipment leased in the ordinary course of each Grantor's business, Inventory in transit and Inventory and Equipment stored in warehouses in the

ordinary course of business, such Grantor will maintain possession of the Collateral at all times, unless otherwise expressly provided by this Agreement or the other Loan Documents or unless Secured Party elects to perfect in any such Collateral by possession of the Collateral itself in addition to the filing of a financing statement or this Agreement.

(e) If any Inventory having a value in excess of \$50,000 is at any time (except for Inventory in transit or temporary absence for repairs or improvements thereto) located on property leased by any Grantor or in the possession or control of any warehouseman, bailee or any of such Grantor's agents or processors, such Grantor shall (i) notify Secured Party and such landlord, warehouseman, bailee, agent or processor of the Security Interests created hereby and, at the request of Secured Party, use reasonable commercial efforts (at minimal cost) to obtain lien waivers or lien subordinations, in form and substance reasonably satisfactory to Secured Party, from the landlord of any such leased property and any such warehouseman, bailee, agent or processor in possession of any such Collateral, and (ii), at the request of Secured Party after an Event of Default, instruct any such landlord, warehouseman, bailee, agent or processor to hold all such Collateral for the account of Secured Party subject to Secured Party's instructions; provided, however, that notwithstanding anything to the contrary herein, Secured Party shall not deliver any instructions to any such landlord, warehousemen, bailee, agent or processor with respect to the Collateral unless as Event of Default has occurred and is continuing.

(f) Each Grantor shall keep full and accurate books and records relating to the Collateral, and stamp or otherwise mark such books and records in such manner as Secured Party may reasonably request to reflect the Security Interests.

(g) Each Grantor will promptly deliver and pledge to Secured Party each instrument evidencing any Collateral, appropriately endorsed to Secured Party provided that so long as no Event of Default under any Loan Document shall have occurred and be continuing, and not waived by Secured Party, such Grantor may retain for collection in the ordinary course any instruments received by it in the ordinary course of business and Secured Party shall, promptly upon request of such Grantor, make appropriate arrangements for making any such other instrument pledged by such Grantor available to such Grantor for purposes of presentation, collection or renewal (any such arrangement to be effected, to the extent deemed reasonably appropriate by Secured Party, against a trust receipt or other like document). Notwithstanding the foregoing or anything to the contrary in this Agreement, unless an Event of Default has occurred and is continuing and Secured Party has so requested, no Grantor shall be required to deliver and pledge to Secured Party any instrument evidencing any Collateral if the fair market value of such instrument is less than \$300,000.

(h) Each Grantor shall use reasonable commercial efforts to cause to be collected from the obligors on the Receivables, as and when due, any and all amounts owing under or on account of the Receivables (including Receivables which are delinquent, such Receivables to be collected in accordance with lawful collection procedures) and apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Receivables, except that, unless an Event of Default has occurred and is continuing and not waived by Secured Party and Secured Party is exercising its rights under this Agreement to collect Receivables, such Grantor may allow in the ordinary course of business as adjustments to amounts owing under its Receivables (i) an extension or renewal of the time or times of payment, or settlement for less than the total unpaid balance, which such Grantor finds appropriate in accordance with sound business judgment, and (ii) a refund or credit due as a result of returned or damaged merchandise or for other valid and reasonable reasons, all in accordance with prudent industry practice and such Grantor's historical collection practices. The costs and expenses (including reasonable attorneys' fees) of collection of the Receivables, whether incurred by any Grantor or Secured Party, shall be borne by the Grantors.

(i) Upon the occurrence and during the continuance of any Event of Default not waived by Secured Party, at the request of Secured Party, each Grantor will promptly notify (and such Grantor hereby authorizes Secured Party so to notify) each account debtor or other obligor on each Receivable that such Collateral has been assigned to Secured Party under this Agreement, and that any payments due or to become due in respect of such Collateral are to be made directly to Secured Party or its designee.

(j) Upon the occurrence and during the continuance of any Event of Default, at the request of Secured Party, each Grantor will cooperate with Secured Party to allow Secured Party to obtain control of all deposit accounts, letter-of-credit rights, and electronic chattel paper of such Grantor.

(k) Each Grantor will not create any material chattel paper without placing a legend on the chattel paper reasonably acceptable to Secured Party indicating that Secured Party has a security interest in the chattel paper.

(l) Each Grantor will at all reasonable times and without interruption of such Grantor's business allow Secured Party or any Lender to inspect the Collateral, wherever located.

(m) Each Grantor will, promptly upon request, provide to Secured Party, with sufficient copies for each of the Lenders, all information and evidence Secured Party may reasonably request concerning the Collateral, and in particular the Receivables, to enable Secured Party to enforce the provisions of this Agreement.

(n) If any Grantor shall obtain an interest in any commercial tort claim with a potential value in excess of \$100,000, such Grantor shall within 30 days of obtaining such interest sign and deliver documentation acceptable to Secured Party granting a security interest under the terms and provisions of this Agreement in and to such commercial tort claim.

Section 5. Remedies Upon Events of Default

5.01. Remedies

(a) If any Event of Default has occurred and is continuing, Secured Party may exercise all rights and remedies of a secured party under the UCC (to the extent permitted by law, whether or not the UCC is in effect in the jurisdiction where such rights and remedies are asserted) to collect, enforce or satisfy any of the Secured Obligations then owing, whether by acceleration or otherwise, and in addition and without limiting in any way the foregoing, Secured Party may, without being required to give any notice, except as provided in this Agreement or as may be required by mandatory provisions of law (1) notify all obligors under the Related Contracts or under the Receivables to make all payments to Secured Party and apply such monies, and other cash, if any, then held by Secured Party as Collateral as specified in Section 5.03 and (2) if there shall be no such monies, or cash or if such monies or cash shall be insufficient to pay all the Secured Obligations in full, sell the Collateral or any part thereof at public or private sale, for cash, upon credit or for future delivery, and at such price or prices as Secured Party may deem satisfactory to the extent allowed by law. Without limitation of the foregoing:

(i) Secured Party may be the purchaser of any or all of the Collateral so sold at any public sale (or, if the Collateral is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations, at any private sale) and thereafter hold the same, absolutely, free from any right or claim of whatsoever kind. Each Grantor will execute and deliver such documents and take such other action as Secured Party

deems necessary or advisable so that any such sale may be made in compliance with law. Upon any such sale Secured Party shall have the right to deliver, assign and transfer to the purchaser thereof the Collateral so sold free and clear of any right or claim of any Grantor. Each purchaser at any such sale shall hold the Collateral so sold to it absolutely free from any claim or right of whatsoever kind, including any equity or right of redemption of any Grantor, and each Grantor, to the extent permitted by law, hereby specifically waives all rights of redemption, stay or appraisal which such Grantor has or may have under any law now existing or hereafter adopted. The notice (if any) of such sale required by this Section 5.01 shall (A) in case of a public sale, state the time and place fixed for such sale, and (B) in the case of a private sale, state the day after which such sale may be consummated. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as Secured Party may fix in the notice of such sale, provided that Secured Party shall give each Grantor not less than ten (10) days' prior written notice of the time and place of any sale or other intended disposition of any of the Collateral, except any Collateral which is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market. Each Grantor agrees that such notice constitutes "reasonable notification" and "reasonable authenticated notification" as such terms are used in Article 9 of the UCC. At any such sale the Collateral may be sold in one lot as an entirety or in separate parcels, as Secured Party may determine. Secured Party shall not be obligated to make any such sale pursuant to any such notice. Secured Party may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for the sale, and such sale may be made at any time or place to which the same may be so adjourned.

(ii) In case of any sale of all or any part of the Collateral on credit or for future delivery, the Collateral so sold may be retained by Secured Party until the selling price is paid by the purchaser thereof, but Secured Party shall not incur any liability in case of the failure of such purchaser to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may again be sold upon like notice.

(iii) Secured Party may sell the Collateral without giving any warranties, express or implied, as to the Collateral. Without limiting the foregoing, Secured Party may specifically disclaim any warranties of title, merchantability, fitness for a particular purpose, and other warranties. This procedure will not be considered adversely to affect the commercial reasonableness of any sale of the Collateral.

(iv) Secured Party, instead of exercising the power of sale in this Agreement conferred upon Secured Party, may proceed by a suit or suits at law or in equity to foreclose the Security Interests and sell the Collateral, or any portion thereof, under a judgment or decree of a court or courts of competent jurisdiction.

(v) Secured Party may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral and compliance will not be considered adversely to affect the commercial reasonableness of any sale of the Collateral.

(vi) Secured Party shall have no obligation to marshal any assets in favor of any Grantor or against or in payment of any of the Secured Obligations.

(vii) Secured Party has no obligation to attempt to satisfy the Obligations by collecting them from any other Person liable for them, and Secured Party may release, modify or waive any collateral provided by any other Person to secure any of the Secured Obligations, all without affecting Secured Party's rights against each Grantor.

(b) For the purpose of enforcing any and all rights and remedies under this Agreement, Secured Party will be entitled to (i) require each Grantor to, and such Grantor will, at such Grantor's expense, after an Event of Default, forthwith assemble all or any part of the Collateral as directed by Secured Party and make the Collateral available at a place designated by Secured Party which is, in Secured Party's opinion, reasonably convenient to Secured Party, whether at the premises of such Grantor or otherwise, (ii) to the extent permitted by applicable law and any Related Contract, warehouse agreement, or lease agreement to which any Grantor is a party or lessee, after an Event of Default, enter, with or without process of law and without breach of the peace, any premises where any of the Collateral is or may be located, and without charge or liability to Secured Party seize and remove such Collateral from such premises, (iii) after an Event of Default, have access to and use the books and records of each Grantor relating to the Collateral, and (iv) after an Event of Default, but prior to the disposition of the Collateral, store or transfer the Collateral without charge in or by means of any storage or transportation facility owned or leased by any Grantor, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner and to the extent Secured Party deems appropriate and, in connection with such preparation and disposition, use, without charge, if assignable, any Trademark, Copyright, Patent, license or technical process used by any Grantor.

5.02. Deficiency. Without limiting the obligations of each Grantor to pay the Secured Obligations, if the Proceeds of sale, collection or other realization of or upon the Collateral pursuant to Section 5.01 of this Agreement are insufficient to cover the costs and expenses of such realization and the payment in full of the Secured Obligations, such Grantor shall remain liable for any deficiency.

5.03. Application of Proceeds. Except as otherwise expressly provided in this Agreement or as otherwise required by law, the Proceeds of any collection, sale or other realization of all or any part of the Collateral pursuant to this Agreement, and any other cash at the time held by Secured Party shall be applied by Secured Party to the payment of the Secured Obligations in such order and manner as set forth in Section 10.02(c) of the Credit Agreement.

5.04. Related Contracts. Each Grantor hereby irrevocably authorizes and empowers Secured Party, in Secured Party's sole discretion, if an Event of Default has occurred and is continuing and not waived by Secured Party, to assert, either directly or on behalf of such Grantor, any claims such Grantor may have, from time to time, against any other party to the Related Contracts or to otherwise exercise any right or remedy of such Grantor under the Related Contracts (including the right to enforce directly against any party to a Related Contract all of such Grantor's rights thereunder, to make all demands and give all notices and make all requests required or permitted to be made by such Grantor under the Related Contracts) as Secured Party may deem proper.

5.05. Costs and Expenses. In the event that any Grantor fails to comply with the provisions of the Credit Agreement, this Agreement or any other Loan Document (after any applicable grace period expressly provided in the Credit Agreement, this Agreement or any such other Loan Document) to which such Grantor is a party, such that the value of any Collateral or the validity, perfection, rank or value of any Security Interest is thereby diminished or potentially diminished or put at risk, in the reasonable discretion of Secured Party, Secured Party may, but shall not be required to, effect such compliance on behalf of such Grantor, and such Grantor shall reimburse Secured Party for the costs thereof on demand. All insurance expenses and all expenses of protecting, storing, warehousing, appraising, insuring, handling, maintaining, and shipping the Collateral, any and all excise, property, sales, and use taxes imposed by any state, federal, or local authority on any of the Collateral, or, during the continuance of an Event of Default, in respect of periodic appraisals and inspections of the Collateral to the extent the same may be requested by Secured Party from time to time during the continuance of an Event of Default, or in respect of the sale or other disposition thereof, shall be borne and paid by the Grantors; and if the Grantors fail to promptly pay any portion thereof when due, Secured Party may, at Secured Party's

option, but shall not be required to, pay the same and charge any Grantor's account therefor, and each Grantor agrees to reimburse Secured Party therefor on demand. All sums so paid or incurred by Secured Party for any of the foregoing and any and all other sums for which any Grantor may become liable under this Agreement and all costs and expenses (including reasonable attorneys' fees, legal expenses and court costs) incurred by Secured Party in enforcing or protecting the Security Interests or any of its rights or remedies under this Agreement, shall be payable by the Grantors within 3 Business Days' of Secured Party's demand therefor, together with interest thereon until paid at the lesser of (a) the Post-Default Rate applicable to LIBOR loans, and (b) the Highest Lawful Rate.

5.06. Attorney-in-Fact. Each Grantor hereby irrevocably appoints Secured Party its true and lawful attorney, with full power of substitution, in the name of such Grantor, Secured Party, or otherwise, for the sole use and benefit of Secured Party but at the expense of such Grantor and to the extent permitted by law, to exercise, at any time and from time to time while an Event of Default has occurred and is continuing, all or any of the following powers with respect to all or any of the Collateral: (a) to demand, sue for, collect, receive and give acquittance for any and all monies due or to become due thereon or by virtue thereof, including to assert and collect all claims and assert all rights of such Grantor with respect to all Receivables and under the Related Contracts; (b) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto; (c) to sell, transfer, assign or otherwise deal in or with the same or the proceeds or avails thereof, as fully and effectively as if Secured Party were the absolute owner thereof; and (d) to extend the time of payment of any or all thereof and to make any allowance and other adjustments with reference thereto.

Section 6. Secured Party

6.01. Limitation on Duty of Secured Party in Respect of Collateral. The powers conferred on Secured Party under this Agreement are solely to protect the interest of Secured Party and the Beneficiaries in the Collateral and shall not impose any duty upon Secured Party to exercise any such powers. Except for reasonable care in the custody of any Collateral in Secured Party's possession and the accounting for moneys actually received by Secured Party under this Agreement, neither Secured Party nor any Beneficiaries shall have any duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. Secured Party shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in Secured Party's possession if the Collateral is accorded treatment substantially equal to that which Secured Party accords Secured Party's own property, it being understood that Secured Party shall not be liable or responsible for any loss or damage to any of the Collateral, or for any diminution in the value thereof, by reason of the act or omission of any warehouseman, carrier, forwarding agency, consignee or other bailee selected by Secured Party in good faith. Further, Secured Party has no duty to collect any income accruing on the Collateral or to preserve any rights relating to the Collateral. Secured Party shall have no obligation to clean-up or otherwise prepare the Collateral for sale.

6.02. Concerning Secured Party. In furtherance and not in derogation of the rights, privileges and immunities of Secured Party set forth in the Credit Agreement:

(a) Secured Party is authorized to take all such action as is provided to be taken by Secured Party under this Agreement and all other action reasonably incidental thereto. As to any matters not expressly provided for in this Agreement (including the timing and methods of realization upon the Collateral), Secured Party shall act or refrain from acting in Secured Party's reasonable discretion.

(b) Secured Party shall not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Security Interests in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act

on Secured Party's part under this Agreement. Secured Party shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Agreement by any Grantor.

6.03. Appointment of Agents and Attorneys-in-Fact. **SECURED PARTY MAY EMPLOY AGENTS AND ATTORNEYS-IN-FACT IN CONNECTION WITH THIS AGREEMENT AND, TO THE EXTENT PERMITTED BY LAW, SHALL NOT BE RESPONSIBLE FOR THE NEGLIGENCE OR MISCONDUCT (EXCEPT FOR GROSS NEGLIGENCE OR WILLFUL MISCONDUCT) OF ANY SUCH AGENTS OR ATTORNEYS-IN-FACT SELECTED BY SECURED PARTY IN GOOD FAITH.** Without limiting the foregoing, at any time or times, in order to comply with any legal requirement in any jurisdiction, Secured Party may appoint another bank or trust company or one or more other Persons, either to act as co-agent or co-agents, jointly with Secured Party, or to act as separate agent or agents on behalf of Secured Party with such power and authority as may be necessary for the effectual operation of the provisions of this Agreement and as may be specified in the instrument of appointment.

Section 7. Miscellaneous

7.01. No Waiver. No failure on the part of Secured Party to exercise, and no course of dealing with respect to, and no delay in exercising, any right, power or remedy under this Agreement shall operate as a waiver thereof; nor shall any single or partial exercise by Secured Party of any right, power or remedy under this Agreement operate as a waiver thereof; nor shall any single or partial exercise by Secured Party of any right, power or remedy under this Agreement preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies in this Agreement are cumulative and are not exclusive of any remedies provided by law.

7.02. Addresses for Notices. All notices and other communications provided for under or in connection with this Agreement from one party to the other shall be in writing and in accordance with Section 12.02 of the Credit Agreement. Each Grantor or Secured Party may designate another address for the receipt of notices and other communications, provided such new designation is provided in accordance with the terms and conditions contained in the Credit Agreement.

7.03. Amendments, Etc. The terms of this Agreement may be waived, altered or amended only by an instrument in writing duly executed by each Grantor and Secured Party. Any such amendment or waiver shall be binding upon Secured Party, each holder of any of the Secured Obligations and each Grantor.

7.04. Certain Documents. Except as otherwise specifically provided herein, if any agreement, certificate or other writing, or any action taken or to be taken, is by the terms of this Agreement required to be satisfactory to Secured Party, the determination of such satisfaction shall be made by Secured Party or such Secured Party in its sole and exclusive judgment exercised in good faith.

7.05. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the respective successors and assigns of each Grantor, Secured Party and each holder of any of the Secured Obligations; provided, however, that no Grantor shall assign or transfer its rights or obligations under this Agreement without the prior written consent of Secured Party, which consent may be withheld in Secured Party's sole discretion. Any assignment in violation of this Section 7.05 shall be void and without force or effect. In the event of an assignment of all or any of the Secured Obligations, the rights under this Agreement, to the extent applicable to the indebtedness so assigned, may be transferred with such indebtedness. If an assignment is made, each Grantor shall render performance under this Agreement to the assignee. This Agreement shall be binding on each Grantor and its successors and assigns, as well as on all Persons who become bound as a grantor to this Agreement.

7.06. Marshaling of Assets. All rights to marshaling of assets of each Grantor, including any such right with respect to the Collateral, are hereby waived by such Grantor.

7.07. Severability. If any provision hereof is invalid and unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (a) the other provisions of this Agreement shall remain in full force and effect in such jurisdiction and shall be construed in favor of Secured Party in order to carry out the intentions of the parties to this Agreement as nearly as may be possible, and (b) the invalidity or unenforceability of any provision of this Agreement in any jurisdiction shall not affect the validity or enforceability of such provision in any other jurisdiction.

7.08. Waivers. Each Grantor hereby expressly waives, to the extent permitted by applicable law (a) notice of the acceptance by Secured Party of this Agreement, (b) notice of the existence or creation or non-payment of all or any of the Secured Obligations, (c) presentment, demand, notice of dishonor, protest, intent to accelerate, right of offset and acceleration, (d) all diligence in collection or protection of or realization upon the Secured Obligations or any thereof, any obligation under this Agreement, or any security for or guaranty of any of the foregoing, and (e) any right such Grantor may have to require Secured Party to pursue any third party for any of the Secured Obligations.

7.09. Rescission and Releases. Each Grantor agrees that, if at any time all or any part of any payment theretofore applied by Secured Party to any of the Secured Obligations is or must be rescinded or returned by Secured Party for any reason whatsoever (including the insolvency, bankruptcy or reorganization of any Grantor or any of its affiliates), such Secured Obligations shall, for the purposes of this Agreement, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by Secured Party, and the security interest granted under this Agreement shall continue to be effective or be reinstated, as the case may be, as to such Secured Obligations, all as though such application by Secured Party had not been made.

7.10. Survival of Representations and Warranties. All representations and warranties contained in this Agreement or made in writing by or on behalf of each Grantor in connection with this Agreement shall survive the execution and delivery of this Agreement and repayment of the Secured Obligations. Any investigation by Secured Party shall not diminish in any respect whatsoever Secured Party's rights to rely on such representations and warranties.

7.11. Security Interest Absolute. All rights of Secured Party to the Security Interests, and all obligations of each Grantor under this Agreement, shall, to the extent permitted by law, be absolute and unconditional, irrespective of:

- (a) any lack of validity or enforceability of the Credit Agreement, the other Loan Documents or any other agreement or instrument relating thereto;
- (b) any change in the time, manner, or place of payment of, or in any other term of, all or any of the Secured Obligations or any other amendment or waiver of or any consent to any departure from the Credit Agreement or the other Loan Documents;
- (c) any exchange, release or non-perfection of any other collateral, or any release or amendment or waiver of or consent to departure from any guaranty, for all or any of the Secured Obligations; or
- (d) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Obligors or a third party grantor of a security interest.

7.12. **Final Agreement of the Parties.** THIS AGREEMENT (INCLUDING THE EXHIBITS TO THIS AGREEMENT), THE CREDIT AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES RELATING TO THE SUBJECT MATTER HEREOF AND THEREOF AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN SECURED PARTY, ON THE ONE HAND, AND THE GRANTORS AND THE OTHER OBLIGORS, ON THE OTHER HAND.

7.13. **Limitation by Law.** All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and that may not be effectively waived by any Grantor and to be limited to the extent necessary so that they will not render this Agreement invalid, unenforceable, in whole or in part, or not entitled to be recorded, registered or filed under the provisions of any applicable law.

7.14. **Termination.** When all Secured Obligations (other than the Specified Obligations) shall have been indefeasibly paid in full (after the termination of all commitments of Secured Party to extend credit to any Obligor pursuant to the Credit Agreement), this Agreement shall automatically terminate without any further action by or on behalf of Secured Party, the Security Interests shall be automatically released and terminated, and Secured Party shall promptly authorize each Grantor to file such instruments evidencing such release and termination as shall be commercially reasonable.

7.15. **Counterparts.** This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument and the parties hereto may execute this Agreement by signing any such counterpart.

7.16. **Governing Law.** THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, EXCEPT AS REQUIRED BY MANDATORY PROVISIONS OF LAW AND EXCEPT TO THE EXTENT THAT THE VALIDITY OR PERFECTION OF THE SECURITY INTERESTS, OR REMEDIES UNDER THIS AGREEMENT, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK.

7.17. **Additional Grantors.** Each Subsidiary of Holdings that is required to become a party to this Agreement pursuant to Section 8.07(c) of the Credit Agreement shall become a Grantor for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form of Annex 1 hereto.
