October 25, 2004

Mr. Joseph Meterchick  
Senior Vice President  
PNC Bank  
1600 Market Street  
Philadelphia, PA 19103

Dear Mr. Meterchick:

As you are aware, Metrologic Instruments, Inc. ("Metrologic") terminated in October 2003, that certain Credit Agreement, dated January 8, 2001, as amended, restated and supplemented from time to time by and among PNC Bank, N.A, Metrologic and Adaptive Optics Associates, Inc., a wholly owned subsidiary of Metrologic ("AOA").

In connection with the termination of the Credit Agreement, all ancillary documents and agreements, including without limitation, that certain Patent, Trademark and Copyright Security Agreement (the "IP Security Agreement") by and among PNC Bank, N.A, Metrologic and AOA were also terminated. Metrologic also filed, with your permission, UCC termination statements for all UCC financing statements granting PNC Bank, N.A. (in its own right and as agent for other banks) a security interest in Metrologic's assets.

It recently has come to our attention that the U.S. Patent and Trademark Office and the U.S. Register of Copyrights still has the IP Security Agreement recorded as evidencing a current lien on Metrologic's intellectual property.

Please acknowledge by signing below that the IP Security Agreement and any other document executed in connection with the Credit Agreement granting PNC Bank, N.A. (in its own right and as agent for other banks) a security interest in Metrologic's assets, including intellectual property assets, were terminated effective October 2003.

Please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

Nancy A. Smith  
Vice President and General Counsel  
Metrologic Instruments, Inc.

Agreed and acknowledged this 26th day  
of October, 2004

PNC Bank, N.A.
