## TERMINATION OF SECURITY INTERESTS IN TRADEMARKS AND PATENTS

This Termination of Security Interests in Trademarks and Patents (the "**Termination**") is made and entered into to be effective as of November 4, 2004 (the "**Effective Date**"), by and between Bank One, N.A. ("**Bank One**") and Perio, Inc., an Ohio corporation with a location at 6156 Wilcox Road, Dublin, Ohio 43016 ("**Perio**").

### Background:

1. On or about January 21, 2002, Bank One and Perio entered a Trademark Assignment of Security and a Patent Assignment of Security (collectively, the "**Security Assignments**"). The Security Assignments evidenced Bank One's security interests in certain United States trademark applications and registrations and United States patent applications and issued patents, a listing of which is attached hereto and incorporated herein as the Attachment to Termination of Security Interests in Trademarks and Patents (the "**Trademark and Patent Collateral**"). Each such Security Assignment was subsequently recorded with the United States Patent and Trademark Office.

2. Bank One now desires to terminate its security interests in the Trademark and Patent Collateral.

NOW, THEREFORE, for good and valuable consideration, in consideration of the foregoing and in consideration of the mutual covenants contained herein, Bank One makes the following Termination:

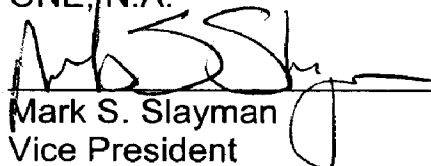

### Termination

Bank One hereby terminates its security interests in the Trademark and Patent Collateral and hereby releases Perio from all obligations in connection therewith.

IN WITNESS WHEREOF, Bank One has caused this Termination to be executed in its respective name by a duly authorized officer, to be effective as of the Effective Date.

BANK ONE, N.A.

By:

  
Mark S. Slayman  
Vice President
