INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the "IP Security Agreement") dated as of July 18, 2005, is made by the Persons listed on the signature pages hereof (collectively, the "Grantors") in favor of JPMORGAN CHASE BANK, N.A., in its capacity as Administrative Agent (the "Administrative Agent") for the Lenders (as defined in the Loan Agreement referred to below).

WHEREAS, EDDIE BAUER, INC., a Delaware corporation (the "Borrower"), has entered into a Term Loan Agreement, dated as of June 21, 2005 (as amended, supplemented or otherwise modified from time to time, the "Loan Agreement"), with and among EDDIE BAUER HOLDINGS, INC., a Delaware corporation, the Administrative Agent, GENERAL ELECTRIC CAPITAL CORPORATION, as syndication agent, CREDIT SUISSE, as documentation agent, and the Lenders;

WHEREAS, pursuant to the Loan Agreement, the Lenders have severally agreed to make Loans and other extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Loan Agreement, the Borrower (together with any other entity that may become a party thereto as provided therein, the "Grantors") has executed and delivered a Guarantee and Collateral Agreement, dated as of June 21, 2005, (as amended, supplemented or otherwise modified from time to time, the "Guarantee and Collateral Agreement") in favor of the Administrative Agent for the ratable benefit of the Lenders;

WHEREAS, under the terms of the Guarantee and Collateral Agreement, the Grantors have granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this IP Security Agreement for recording with the U.S. Patent and Trademark Office, the U.S. Copyright Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors agree as follows:

SECTION 1. Definitions. Capitalized terms used herein but not otherwise defined herein have the meaning set forth in the Loan Agreement and/or the Guarantee and Collateral Agreement (collectively the "Loan Documents").

SECTION 2. Grant of Security. Each Grantor hereby assigns and transfers to the Administrative Agent, and hereby grants to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in all of such right, title and interest in and to the following (the "IP Collateral"):

(i) all Patents (including, without limitation, those items set forth on Schedule A hereto;

(ii) all Trademarks (including, without limitation, those items set forth on Schedule B hereto) (provided that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law), together with the goodwill symbolized thereby;

(iii) all Copyrights (including, without limitation, those items set forth on Schedule C hereto);

(iv) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(v) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(vi) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the IP Collateral of or arising from any of the foregoing.

SECTION 3. Security for Obligations. The grant of a security interest in the IP Collateral by the Grantor under this IP Security Agreement secures the payment of all Obligations of such Grantor now or hereafter existing under or in respect of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise.

SECTION 4. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks and any other applicable government officer record this IP Security Agreement.

SECTION 5. Execution in Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 6. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Guarantee and Collateral Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Administrative Agent and the Lenders with respect to the IP Collateral are more fully set forth in the Guarantee and Collateral Agreement

and the Loan Agreement, the terms and provisions of which (including the rights and remedies provided therein) are incorporated herein by reference as if fully set forth herein.

SECTION 7. Governing Law. This IP Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, each of the parties hereto have caused this IP Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
