GRANT OF
SECURITY INTEREST IN U.S. TRADEMARK RIGHTS

THIS GRANT OF SECURITY INTEREST IN U.S. TRADEMARK RIGHTS ("Agreement"), dated as of June 27, 2005, is made by HUGHES NETWORK SYSTEMS, LLC, a Delaware limited liability company (the "Borrower"), in favor of BEAR STEARNS CORPORATE LENDING INC., a Delaware corporation, as Administrative Agent (the "Agent") for the banks and other financial institutions or entities (the "Lenders") from time to time parties to the Second Lien Credit Agreement dated as of April 22, 2005, as amended and restated as of June 27, 2005 (as further amended, restated, supplemented, waived or otherwise modified from time to time, the "Credit Agreement"), among Borrower, the Lenders, the Agent, JPMORGAN CHASE BANK, N.A., as syndication agent (in such capacity, the "Syndication Agent"), and J.P. MORGAN SECURITIES INC. and BEAR, STEARNS & CO. INC., as joint lead arrangers and joint book managers (in such capacity, the "Joint Lead Arrangers").

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Loans and other extensions of credit to the Borrower, upon the terms and subject to the conditions set forth therein; and

WHEREAS, in connection with the Credit Agreement, the Borrower executed and delivered a Guarantee and Collateral Agreement, dated as of April 22, 2005, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Guarantee and Collateral Agreement");

WHEREAS, pursuant to the Guarantee and Collateral Agreement, Borrower pledged and granted to the Agent for the benefit of the Agent and the Lenders a continuing second priority security interest in all Intellectual Property, including the Trademarks; and

WHEREAS, Borrower has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrower pursuant to the Credit Agreement, Borrower agrees, for the benefit of the Agent and the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Guarantee and Collateral Agreement.

SECTION 2. Grant of Security Interest. Borrower hereby pledges and grants a continuing second priority security interest in the Trademarks listed on Schedule A hereto, to the Agent for the benefit of the Agent and the Lenders to secure the prompt and complete payment and performance when due of Borrower's Obligations.

SECTION 3. Purpose. This Agreement has been executed and delivered by Borrower for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Lenders in connection with the Guarantee and Collateral Agreement and is expressly subject to the terms and conditions thereof. The Guarantee and Collateral Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect until expiration or termination thereof in accordance with its terms.

SECTION 4. Acknowledgment. Borrower does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Trademarks granted hereby are more fully set forth in the Credit Agreement and the Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict or inconsistency between the terms and conditions of this Agreement and the terms and conditions of the Guarantee and Collateral Agreement, the Guarantee and Collateral Agreement shall prevail.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective duly authorized signatories as of the day and year first above written.
