(b) Each Grantor represents and warrants that fully executed security agreements in the form hereof (or a fully executed short-form agreement in form and substance reasonably satisfactory to the Collateral Agent) and containing a description of all Collateral consisting of Intellectual Property shall have been received and recorded (i) on or before the date of execution of this Agreement with respect to United States Patents, United States registered Trademarks (and Trademarks for which United States registration applications are pending) and United States registered Copyrights owned by the Grantors prior to November 21, 2005 by the United States Patent and Trademark Office and the United States Copyright Office and (ii) within 10 days of the after the execution of this Agreement with respect to United States Patents, United States registered Trademarks (and Trademarks for which United States registration applications are pending) and United States registered Copyrights by the United States Patent and Trademark

SECTION 3.03. Validity of Security Interest. The Security Interest constitutes (a) a legal and valid security interest in all the Collateral securing the payment and performance of the Obligations, (b) subject to the filings described in Section 3.02, a perfected security interest in all Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States or Canada (or any political subdivision of either) pursuant to the Uniform Commercial Code or other applicable law in such jurisdictions and (c) a security interest that shall be perfected in all Collateral in which a security interest may be perfected in the United States Patent and Trademark Office and the United States Copyright Office upon the receipt and recording of this Agreement with the United States Patent and Trademark Office and the United States Copyright Office, as applicable, within the period provided in Section 3.02(b) pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and otherwise as may be required pursuant to the laws of any other necessary jurisdiction. The Security Interest is and shall be prior to any other Lien on any of the Collateral, other than Liens expressly permitted to be prior to the Security Interest pursuant to Section 6.03 of the Credit Agreement.

SECTION 3.04. Absence of Other Liens. The Collateral is owned by the Grantors free and clear of any Lien, except for Liens expressly permitted pursuant to Section 6.03 of the Credit Agreement. No Grantor has filed or consented to the filing of (a) any financing statement or analogous document under the Uniform Commercial Code or any other applicable laws covering any Collateral, (b) any assignment in which any Grantor assigns any Collateral or any security agreement or similar instrument covering any Collateral in the United States Patent and Trademark Office or the United States Copyright Office or (c) any assignment in which any Grantor assigns any Collateral or any security agreement or similar instrument covering any Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document is still in effect, except, in each case, for Liens expressly permitted pursuant to Section 6.03 of the Credit Agreement.

## ARTICLE IV

### Covenants

SECTION 4.01. Records. Each Grantor agrees to maintain, at its own cost and expense, such complete and accurate records with respect to the Collateral owned by it as is

consistent with its current practices and in accordance with such prudent and standard practices used in industries that are the same as or similar to those in which such Grantor is engaged, but in any event to include complete accounting records indicating all payments and proceeds received with respect to any part of the Collateral, and, at such time or times as the Collateral Agent may reasonably request, promptly to prepare and deliver to the Collateral Agent a duly certified schedule or schedules in form and detail reasonably satisfactory to the Collateral Agent showing the identity, amount and location of any and all Collateral.

SECTION 4.02. Protection of Security. Each Grantor shall, at its own cost and expense, take any and all actions necessary to defend title to the Collateral against all persons and to defend the Security Interest of the Collateral Agent in the Collateral and the priority thereof against any Lien not expressly permitted pursuant to Section 6.03 of the Credit Agreement.

SECTION 4.03. Further Assurances. Each Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent, in accordance with, and to the extent consistent with, the terms of the Intercreditor Agreement, may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing statements or other documents in connection herewith or therewith. If any amount payable under or in connection with any of the Collateral shall be or become evidenced by any promissory note or other instrument, such note or instrument shall be immediately pledged and delivered to the Collateral Agent, duly endorsed in a manner satisfactory to the Collateral Agent.

Without limiting the generality of the foregoing, each Grantor hereby authorizes the Collateral Agent, with prompt notice thereof to the Grantors, to supplement this Agreement by supplementing Schedule II, III, IV or V or adding additional schedules hereto to specifically identify any registered asset or item that may constitute Copyrights, Patents or Trademarks; provided, however, that any Grantor shall have the right, exercisable within 30 days after it has been notified by the Collateral Agent of the specific identification of such Collateral, to advise the Collateral Agent in writing of any inaccuracy of the representations and warranties made by such Grantor hereunder with respect to such Collateral. Each Grantor agrees that it will use its best efforts to take such action as shall be necessary in order that all representations and warranties hereunder shall be true and correct with respect to such Collateral within 30 days after the date it has been notified by the Collateral Agent of the specific identification of such Collateral.

SECTION 4.04. Inspection and Verification. Subject to the limitations set forth in Section 5.09 of the Credit Agreement, any Agent and such Persons as such Agent may reasonably designate shall have the right, at the Grantors' own cost and expense, to inspect the Collateral, all records related thereto (and to make extracts and copies from such records) and the premises upon which any of the Collateral is located, to discuss the Grantors' affairs with the officers of the Grantors and their independent accountants and to verify under reasonable procedures the validity, amount, quality, quantity, value, condition and status of, or any other

matter relating to, the Collateral, including, in the case of Accounts or Collateral in the possession of any third party, by contacting Account Debtors or the third person possessing such Collateral for the purpose of making such a verification. The Agents shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party (it being understood that any such information shall be deemed to be "Information" subject to the provisions of Section 10.12 of the Credit Agreement).

SECTION 4.05. Taxes; Encumbrances. In accordance with, and to the extent consistent with, the terms of the Intercreditor Agreement, at its option, the Collateral Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Collateral and not permitted pursuant to Section 6.03 of the Credit Agreement, and may pay for the maintenance and preservation of the Collateral to the extent any Grantor fails to do so as required by the Credit Agreement or this Agreement, and each Grantor jointly and severally agrees to reimburse the Collateral Agent on demand for any payment made or any expense incurred by the Collateral Agent pursuant to the foregoing authorization; provided, however, that nothing in this Section 4.05 shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Loan Documents.

SECTION 4.06. Assignment of Security Interest. If at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person to secure payment and performance of an Account, such Grantor shall promptly assign such security interest to the Collateral Agent. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other Person granting the security interest.

SECTION 4.07. Continuing Obligations of the Grantors. Each Grantor shall remain liable to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Collateral, all in accordance with the terms and conditions thereof, and each Grantor jointly and severally agrees to indemnify and hold harmless the Collateral Agent and the Secured Parties from and against any and all liability for such performance.

SECTION 4.08. Use and Disposition of Collateral. None of the Grantors shall make or permit to be made an assignment, pledge or hypothecation of the Collateral or shall grant any other Lien in respect of the Collateral, except as expressly permitted by Section 6.03 of the Credit Agreement. Unless and (in accordance with, and to the extent consistent with, the terms of the Intercreditor Agreement) until the Collateral Agent shall notify the Grantors that (i) an Event of Default shall have occurred and be continuing and (ii) during the continuance thereof the Grantors shall not sell, convey, lease, assign, transfer or otherwise dispose of any Collateral (which notice may be given by telephone if promptly confirmed in writing), the Grantors may use and dispose of the Collateral in any lawful manner not inconsistent with the provisions of this Agreement, the Credit Agreement or any other Loan Document. Without limiting the generality of the foregoing, each Grantor agrees that it shall not permit any Inventory to be in the possession or control of any warehouseman, bailee, agent or processor at any time,

other than Inventory that is in transit by any means, unless such warehouseman, bailee, agent or processor shall have been notified of the Security Interest and each Grantor shall use its best efforts to obtain a written agreement in form and substance reasonably satisfactory to the Collateral Agent to hold the Inventory subject to the Security Interest and the instructions of the Collateral Agent and to waive and release any Lien held by it with respect to such Inventory, whether arising by operation of law or otherwise.

SECTION 4.09. Limitation on Modification of Accounts. None of the Grantors will, without the Collateral Agent's prior written consent, grant any extension of the time of payment of any of the Accounts Receivable, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any Person liable for the payment thereof or allow any credit or discount whatsoever thereon, other than extensions, credits, discounts, compromises or settlements granted or made in the ordinary course of business and consistent with its current practices and in accordance with such prudent and standard practices used in industries that are the same as or similar to those in which such Grantor is engaged.

SECTION 4.10. Insurance. The Grantors, at their own expense, shall maintain or cause to be maintained insurance covering physical loss or damage to the Inventory and Equipment in accordance with Section 5.07 of the Credit Agreement. Subject to the Intercreditor Agreement, each Grantor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent) as such Grantor's true and lawful agent (and attorney-in-fact) for the purpose, during the continuance of an Event of Default, of making, settling and adjusting claims in respect of Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. Subject to the Intercreditor Agreement, in the event that any Grantor at any time or times shall fail to obtain or maintain any of the policies of insurance required hereby or to pay any premium in whole or part relating thereto, the Collateral Agent may, without waiving or releasing any obligation or liability of the Grantors hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Collateral Agent deems reasonably advisable. Subject to the Intercreditor Agreement, all sums disbursed by the Collateral Agent in connection with this Section 4.10, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Grantors to the Collateral Agent and shall be additional Obligations secured hereby.

SECTION 4.11. Legend. Each Grantor shall legend, in form and manner reasonably satisfactory to the Collateral Agent, its Accounts Receivable and its books, records and documents evidencing or pertaining thereto with an appropriate reference to the fact that such Accounts Receivable have been assigned to the Collateral Agent for the benefit of the Secured Parties and that the Collateral Agent has a security interest therein.

SECTION 4.12. Covenants Regarding Patent, Trademark and Copyright Collateral.

(a) Each Grantor agrees that it will not, nor will it permit any of its licensees to, do any act, or omit to do any act, whereby any Patent which is material to the conduct of such

Grantor's business may become invalidated or dedicated to the public, and agrees, to the extent practicable, that it shall continue to mark any products covered by a Patent with the relevant patent number as necessary and sufficient to establish and preserve its maximum rights under applicable patent laws.

(b) Each Grantor (either itself or through its licensees or its sublicensees) will, for each Trademark material to the conduct of such Grantor's business, (i) maintain such Trademark in full force free from any claim of abandonment or invalidity for non-use, (ii) maintain the quality of products and services offered under such Trademark, (iii) display such Trademark with notice of Federal or foreign registration to the extent necessary and sufficient to establish and preserve its maximum rights under applicable law and (iv) not knowingly use or knowingly permit the use of such Trademark in violation of any third party rights.

(c) Each Grantor (either itself or through licensees) will, for each work covered by a material Copyright, continue to publish, reproduce, display, adopt and distribute the work with appropriate copyright notice as necessary and sufficient to establish and preserve its maximum rights under applicable copyright laws.

(d) Each Grantor shall notify the Collateral Agent promptly if it knows that any Patent, Trademark or Copyright material to the conduct of its business may become abandoned, lost or dedicated to the public, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or United States Copyright Office or any similar office in Canada) regarding such Grantor's ownership of any Patent, Trademark or Copyright, its right to register the same, or to keep and maintain the same.

(e) In no event shall any Grantor, either itself or through any agent, employee, licensee or designee, file an application for any Patent, Trademark or Copyright (or for the registration of any Trademark or Copyright) with the United States Patent and Trademark Office, United States Copyright Office or any office or agency in any political subdivision of the United States or any similar office in Canada, unless it (i) in the case of any Patent or Trademark, promptly informs the Collateral Agent and (ii) in the case of any Copyright, gives five (5) Business Days prior written notice thereof to the Collateral Agent, and, in accordance with, and to the extent consistent with, the terms of the Intercreditor Agreement, upon request of the Collateral Agent, executes and delivers any and all agreements, instruments, documents and papers as the Collateral Agent may request to evidence the Collateral Agent's security interest in such Patent, Trademark or Copyright, and, in accordance with, and to the extent consistent with, the terms of the Intercreditor Agreement, each Grantor hereby appoints the Collateral Agent as its attorney-in-fact to execute and file such writings for the foregoing purposes (and, prior to the occurrence of any Event of Default or Default, such Grantor shall be notified of such filing), all acts of such attorney being hereby ratified and confirmed; such power, being coupled with an interest, is irrevocable.

(f) Each Grantor will take all necessary steps that are consistent with the practice in any proceeding before the United States Patent and Trademark Office, United States Copyright Office or any office or agency in any political subdivision of the United States or any

similar office in Canada, to maintain and pursue each material application relating to the Patents, Trademarks and/or Copyrights (and to obtain the relevant grant or registration) and to maintain each issued Patent and each registration of the Trademarks and Copyrights that is material to the conduct of any Grantor's business, including timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if consistent with good business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

(g) In the event that any Grantor has reason to believe that any Collateral consisting of a Patent, Trademark or Copyright material to the conduct of any Grantor's business has been or is about to be infringed, misappropriated or diluted by a third party, such Grantor promptly shall notify the Collateral Agent and shall, if consistent with good business judgment, promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, and take such other actions as are appropriate under the circumstances to protect such Collateral.

(h) Upon and during the continuance of an Event of Default, each Grantor shall use its reasonable best efforts to obtain all requisite consents or approvals by the licensor of each Copyright License, Patent License or Trademark License to effect the assignment of all of such Grantor's right, title and interest thereunder to the Collateral Agent or their designees for the benefit of the Secured Parties in accordance with the Intercreditor Agreement.

SECTION 4.13. Deposit Accounts. Each Grantor will, on or before the Effective Date, enter into control agreements in form and substance reasonably satisfactory to the Collateral Agent with each depository bank (other than the Collateral Agent) with which it maintains any deposit accounts (other than, prior to the 2004 Notes First Lien Transition Date, the Notes Collateral Account (each as defined in the Intercreditor Agreement)) and thereafter shall cause all cash held by such Grantor (other than, prior to the 2004 Notes First Lien Transition Date, cash held by such Grantor in a Notes Collateral Account in accordance with the terms of the 2004 Indenture (as in effect on the date hereof) to be maintained in such accounts.

SECTION 4.14. Commercial Tort Claims. If any Grantor shall at any time hold or acquire a commercial tort claim in an amount reasonably estimated to exceed \$1,000,000, the Grantor shall promptly notify the Collateral Agent thereof in a writing signed by such Grantor including a summary description of such claim and grant to the Collateral Agent in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

SECTION 4.15. Electronic Chattel Paper and Transferable Records. If any Grantor at any time holds or acquires an interest in any electronic chattel paper or any "transferable record," as that term is defined in Section 201 of the Federal Electronic Signatures in Global and National Commerce Act, or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction, in an amount exceeding \$1,000,000 such Grantor shall promptly notify the Collateral Agent thereof and, at the request of the Collateral Agent, shall take such action as the Collateral Agent may reasonably request to vest in the Collateral Agent control under NY UCC Section 9-105 of such electronic chattel paper or control under Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or, as the

case may be, Section 16 of the Uniform Electronic Transactions Act, as so in effect in such jurisdiction, of such transferable record. The Collateral Agent agrees with such Grantor that the Collateral Agent will arrange, pursuant to procedures reasonably satisfactory to the Collateral Agent and so long as such procedures will not result in the Collateral Agent's loss of control, for the Grantor to make alterations to the electronic chattel paper or transferable record permitted under NY UCC Section 9-105 or, as the case may be, Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or Section 16 of the Uniform Electronic Transactions Act for a party in control to allow without loss of control, unless an Event of Default has occurred and is continuing or would occur after taking into account any action by such Grantor with respect to such electronic chattel paper or transferable record.

SECTION 4.16. Letter-of-Credit Rights. If any Grantor is at any time a beneficiary under a letter of credit now or hereafter issued in favor of such Grantor in an amount exceeding \$1,000,000, such Grantor shall promptly notify the Collateral Agent thereof and, at the request and option of the Collateral Agent, such Grantor shall, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, either (i) arrange for the issuer and any confirmer of such letter of credit to consent to an assignment to the Collateral Agent of the proceeds of any drawing under the letter of credit or (ii) arrange for the Collateral Agent to become the transferee beneficiary of the letter of credit, with the Collateral Agent agreeing, in each case, that the proceeds of any drawing under the letter of credit are to be paid to the applicable Grantor unless an Event of Default has occurred or is continuing.

### Collections

SECTION 5.01. Cash Management Accounts. (a) Each Grantor will establish and maintain, on or before the Effective Date, (i) one Cash Concentration Account and (ii) one or more Collection Deposit Accounts, in the case of this clause (ii), with the Collateral Agent or with any financial institution selected by such Grantor that (A) is reasonably satisfactory to the Collateral Agent and (B) enters into a Collection Deposit Letter Agreement with respect to the Collection Deposit Accounts of such Grantor with such financial institution. Each financial institution with which a Collection Deposit Account is maintained is referred to herein as a "Collection Deposit Bank".

(b) Each Grantor, commencing on the Effective Date, will deposit on each Business Day all Daily Receipts into either (i) a Collection Deposit Account or (ii) a Cash Concentration Account. Each Grantor shall use all reasonable efforts to prevent any funds that are not Daily Receipts from being deposited into, or otherwise commingled with, the funds held in the Collection Deposit Accounts or the Cash Concentration Accounts.

(c) On each Business Day, all collected funds on deposit in each Collection Deposit Account will be transferred to the applicable Cash Concentration Account to the extent provided in the applicable Collection Deposit Letter Agreement.

(d) On each Business Day, all collected funds on deposit in the Cash Concentration Accounts will be transferred to the Collateral Proceeds Account to be applied by

the Administrative Agent, on behalf of the Borrowers, to prepay Revolving Loans, Swingline Loans and Protective Advances in the manner provided in Section 2.10 of the Credit Agreement, until all outstanding Swingline Loans and Revolving Borrowings have been repaid, and thereafter to be transferred to the General Funds Account, subject to paragraph (f) below.

(e) No Grantor shall have any control over, or any right or power to withdraw any funds on deposit in, any Collection Deposit Account or Cash Concentration Account; provided, however, that any Grantor may instruct any Collection Deposit Bank to withdraw funds from its Collection Deposit Account to honor ACH instructions of such Grantor to transfer funds to the Cash Concentration Account. The Parent Borrower may at any time withdraw any funds contained in the General Funds Account for use, subject to the provisions of the Credit Agreement, for general corporate purposes.

(f) Upon the occurrence and during the continuance of an Event of Default, any funds held in the Collection Deposit Accounts, the Cash Concentration Accounts or the Collateral Proceeds Account may be applied as provided in Section 2.17(b) of the Credit Agreement so long as an Event of Default is continuing. The Collateral Agent will not be required to transfer any funds from the Collateral Proceeds Account to the General Funds Account until all Events of Default are cured or waived.

(g) All payments by any Grantor into any Collection Deposit Account or Cash Concentration Account pursuant to this Article V, whether in the form of cash, checks, notes, drafts, bills of exchange, money orders or otherwise, shall be deposited in the relevant Collection Deposit Account or Cash Concentration Account in precisely the form in which received (but with any endorsements of such Grantor necessary for deposit or collection), and until they are so deposited such payments shall be held in trust by such Grantor for and as the property of the Collateral Agent.

SECTION 5.02. Collections. (a) Each Grantor agrees promptly to notify and direct each Account Debtor and every other Person obligated to make payments with respect to the Accounts Receivable or Inventory to make all such payments directly to a Collection Deposit Account or the applicable Cash Concentration Account (subject to the proviso in the following sentence). Each Grantor shall use all reasonable efforts to cause each Account Debtor and every other Person identified in the preceding sentence to make all payments with respect to the Accounts Receivable or Inventory either directly to a Collection Deposit Account or a Cash Concentration Account; provided that Credit Card Payments shall be made directly to the Cash Concentration Account.

(b) In the event that a Grantor directly receives any Daily Receipts, notwithstanding the arrangements for payment directly into the Collection Deposit Accounts pursuant to Section 5.02, such remittances shall be held for the benefit of the Collateral Agent and the Secured Parties and shall be segregated from other funds of such Grantor, subject to the Security Interest granted hereby, and such Grantor shall cause such remittances and payments to be deposited into a Collection Deposit Account or a Cash Concentration Account, as applicable, as soon as practicable after such Grantor's receipt thereof.

(c) Without the prior written consent of the Collateral Agent, no Grantor shall, under any circumstances whatsoever, change the general instructions given to Account Debtors and other Persons obligated to make payments with respect to the Accounts Receivable or Inventory regarding the deposit of payments with respect to the Accounts Receivable or Inventory in a Collection Deposit Account or a Cash Concentration Account, as applicable. Each Grantor shall, and the Collateral Agent hereby authorizes each Grantor to, enforce and collect all amounts owing with respect to the Accounts Receivable or Inventory for the benefit and on behalf of the Collateral Agent and the other Secured Parties; provided, however, that such privilege may at the option of the Collateral Agent be terminated upon the occurrence and during the continuance of an Event of Default.

## ARTICLE VI

### Power of Attorney

Each Grantor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent ) as such Grantor's true and lawful agent and attorney-in-fact, and in such capacity the Collateral Agent shall have the right, with power of substitution for each Grantor and in each Grantor's name or otherwise, for the use and benefit of the Collateral Agent and the Secured Parties, upon the occurrence and during the continuance of an Event of Default (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts Receivable to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Collateral Agent; and (h) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Collateral Agent were the absolute owner of the Collateral for all purposes; provided, however, that nothing herein contained shall be construed as requiring or obligating the Collateral Agent or any Secured Party to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent or any Secured Party, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby, and no action taken or omitted to be taken by the Collateral Agent or any Secured Party with respect to the Collateral or any part thereof shall give rise to any defense, counterclaim or offset in favor of any Grantor or (unless such action is the result of gross negligence or willful misconduct) to any claim or action against the Collateral Agent or any Secured Party. It is understood and agreed that the appointment of the Collateral Agent as the agent and attorney-in-fact of the Grantors for the purposes set forth above is coupled with an interest and is irrevocable. The provisions of this Section shall in no event relieve any Grantor of any of its obligations hereunder or under any other Loan Document with

respect to the Collateral or any part thereof or impose any obligation on the Collateral Agent or any Secured Party to proceed in any particular manner with respect to the Collateral or any part thereof, or in any way limit the exercise by the Collateral Agent or any Secured Party of any other or further right which it may have on the date of this Agreement or hereafter, whether hereunder, under any other Loan Document, by law or otherwise.

Notwithstanding anything in this Article VI to the contrary, the Collateral Agent agrees that it will not exercise any rights under the power of attorney provided for in this Article VI unless it does so in accordance with, and to the extent consistent with, the Intercreditor Agreement.

## ARTICLE VII

### Remedies

SECTION 7.01. Remedies upon Default. In accordance with, and to the extent consistent with, the terms of the Intercreditor Agreement, upon the occurrence and during the continuance of an Event of Default, each Grantor agrees to deliver each item of Collateral to the Collateral Agent on demand, and it is agreed that the Collateral Agent shall have the right to take any of or all the following actions at the same or different times: (a) with respect to any Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Collateral by the applicable Grantors to the Collateral Agent, or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any such Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine (other than in violation of any then-existing licensing or contractual arrangements to the extent that waivers cannot be obtained), and (b) with or without legal process and with or without prior notice or demand for performance, to take possession of the Collateral and without liability for trespass to enter any premises where the Collateral may be located for the purpose of taking possession of or removing the Collateral and, generally, to exercise any and all rights afforded to a secured party under the Uniform Commercial Code or other applicable law. Without limiting the generality of the foregoing, in accordance with, and to the extent consistent with, the terms of the Intercreditor Agreement, each Grantor agrees that the Collateral Agent shall have the right, subject to the mandatory requirements of applicable law, to sell or otherwise dispose of all or any part of the Collateral, at public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Collateral Agent shall give the Grantors 10 days' prior written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the NY UCC or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by law, private) sale made pursuant to this Section, any Secured Party may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, in accordance with, and to the extent consistent with, the terms of the Intercreditor Agreement, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver.

SECTION 7.02. Standstill and Enforcement Rights of the Domestic B Agent and the Domestic B Lenders. Notwithstanding any rights or remedies available to the Secured Parties, under any of the Loan Documents, applicable law or otherwise, prior to the Maturity Date, the Domestic B Agent and the Domestic B Lenders shall not exercise any Lien Enforcement Action with respect to any Collateral or exercise any remedies with respect thereto (including, by setoff or notification of account debtors) or commence any legal proceedings against or with respect to any Collateral to facilitate a Lien Enforcement Action; provided, that

(i) if the Domestic B Agent determines in its commercially reasonable judgment that Exigent Circumstances exist with respect to the Obligations owing to the Domestic B Lenders or the Collateral, the Domestic B Agent may instruct the Collateral Agent to take any action to enforce its Liens on the Collateral, or (ii) absent the existence of any Exigent Circumstances, upon the occurrence of an Event of Default under the Credit Agreement (A) the Domestic B Agent may instruct the Administrative Agent to accelerate (to the extent not already due) all indebtedness of the Borrowers thereunder and (B) commencing 120 days after the receipt by the Administrative Agent of the demand to so accelerate (or the earlier acceleration of the Loans), the Domestic B Agent may instruct the Collateral Agent to take any action to enforce its Liens on the Collateral, but in any such case, the Domestic B Agent may only make such demand to the Collateral Agent if the Collateral Agent is not itself diligently pursuing in good faith the exercise of its enforcement rights or remedies against, or diligently in good faith attempting to vacate any stay or enforcement of its Liens on such Collateral. Nothing contained in this Section 7.02 shall restrict the Domestic B Agent from engaging consultants and performing audits, examinations, and appraisals of the Collateral in advance of taking any Lien Enforcement Action.

SECTION 7.03. Grant of License to Use Intellectual Property. In accordance with, and to the extent consistent with, the terms of the Intercreditor Agreement, for the purpose of enabling the Collateral Agent to exercise rights and remedies under this Article at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to the Grantors) to the extent that such license does not violate any then existing licensing arrangements (to the extent that waivers cannot be obtained) to use, license or sub-license any of the Collateral consisting of Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof and sufficient rights of quality control in favor of Grantor to avoid the invalidation of the Trademarks subject to the license. The use of such license by the Collateral Agent shall be exercised, at the option of the Collateral Agent, upon the occurrence and during the continuation of an Event of Default; provided that any license, sub-license or other transaction entered into by the Collateral Agent in accordance herewith shall be binding upon the Grantors notwithstanding any subsequent cure of an Event of Default.

## ARTICLE VIII

### Miscellaneous

SECTION 8.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 10.01 of the Credit Agreement. All communications and notices hereunder to any Grantor shall be given to it at its address or telecopy number set forth on Schedule I, with a copy to the Parent Borrower.

SECTION 8.02. Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interest and all obligations of the Grantors hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit

Agreement, any other Loan Document, any agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Obligations, or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Obligations or this Agreement.

SECTION 8.03. Survival of Agreement. All covenants, agreements, representations and warranties made by any Grantor herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the Secured Parties and shall survive the making by the Lenders of the Loans, and the execution and delivery to the Lenders of any notes evidencing such Loans, regardless of any investigation made by the Lenders or on their behalf, and shall continue in full force and effect until this Agreement shall terminate.

SECTION 8.04. Binding Effect; Several Agreement. This Agreement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon such Grantor and the Collateral Agent and their respective successors and assigns, and shall inure to the benefit of such Grantor, the Collateral Agent and the other Secured Parties and their respective successors and assigns, except that no Grantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the Credit Agreement. This Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

SECTION 8.05. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Grantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

SECTION 8.06. Collateral Agent's Expenses; Indemnification. In accordance with, and to the extent consistent with, the terms of the Intercreditor Agreement, (a) each Grantor jointly and severally agrees to pay upon demand to the Collateral Agent the amount of any and all reasonable expenses, including the reasonable fees, disbursements and other charges of its counsel and of any experts or agents, which the Collateral Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody or preservation of, or the sale of, collection from or other realization upon any of the Collateral, (iii) the exercise, enforcement or protection of any of the rights of the Collateral Agent hereunder or (iv) the failure of any Grantor to perform or observe any of the provisions hereof.

(b) Without limitation of its indemnification obligations under the other Loan Documents, each Grantor jointly and severally agrees to indemnify the Collateral Agent and the other Indemnitees against, and hold each of them harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable fees, disbursements and other charges of counsel, incurred by or asserted against any of them arising out of, in any way connected with, or as a result of, the execution, delivery or performance of this Agreement or any claim, litigation, investigation or proceeding relating hereto or to the Collateral, whether or not any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses have resulted from the gross negligence or willful misconduct of such Indemnitee.

(c) Any such amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Security Documents. The provisions of this Section 8.06 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Collateral Agent or any Lender. All amounts due under this Section 8.06 shall be payable on written demand therefor.

**SECTION 8.07. GOVERNING LAW. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.**

**SECTION 8.08. Waivers; Amendment.** (a) No failure or delay of the Collateral Agent in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Collateral Agent hereunder and of the Collateral Agent, the Issuing Bank, the Administrative Agent, the other Agents and the Lenders under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provisions of this Agreement or any other Loan Document or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Grantor in any case shall entitle such Grantor or any other Grantor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except (i) pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Grantor or Grantors with respect to which such waiver, amendment or modification is to apply, subject to (A) any consent required in accordance with Section 10.02 of the Credit Agreement and (B) to the limitations in the Intercreditor Agreement or (ii) as provided in the Intercreditor Agreement.

**SECTION 8.09. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE**

LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 8.09.

SECTION 8.10. Severability. In the event any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8.11. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract (subject to Section 8.04), and shall become effective as provided in Section 8.04. Delivery of an executed signature page to this Agreement by facsimile transmission or other electronic transmission shall be effective as delivery of a manually executed counterpart hereof.

SECTION 8.12. Headings. Article and Section headings used herein are for the purpose of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 8.13. Jurisdiction; Consent to Service of Process. (a) Each Grantor hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Collateral Agent, the Administrative Agent, the Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against any Grantor or its properties in the courts of any jurisdiction.

(b) Each Grantor hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State court or Federal court of the United States of America sitting in New York City. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 8.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 8.14. Termination. (a) This Agreement and the Security Interest shall continue in effect (notwithstanding the fact that from time to time there may be no Obligations outstanding) until (i) the Credit Agreement has terminated pursuant to its express terms and (ii) all of the Obligations (other than contingent obligations for which no claim has been made) have been indefeasibly paid and performed in full (or with respect to any outstanding Letters of Credit, a cash deposit has been delivered to the Administrative Agent as required by the Credit Agreement) and no commitments of the Agents or the Lenders which would give rise to any Obligations are outstanding. Upon payment in full in cash of the outstanding Obligations and the expiration or termination of the Commitments, the security interest granted hereby shall terminate and all rights to the Collateral shall revert to the Grantors or any other Person entitled thereto. Upon such termination, the Administrative Agent will authorize the filing of appropriate UCC termination statements to terminate such security interests and shall, at the expense of the Grantors, execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence the termination of such security interests or the release of such Collateral, as applicable.

(b) A Grantor shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of such Grantor shall be automatically released in the event that all the capital stock of such Grantor shall be sold, transferred or otherwise disposed of to a Person that is not an Affiliate of the Parent Borrower in accordance with the terms of the Credit Agreement; provided that the Required Lenders shall have consented to such sale, transfer or other disposition (to the extent required by the Credit Agreement) and the terms of such consent did not provide otherwise.

(c) Upon any sale or other transfer by any Grantor of any Collateral that is permitted under the Credit Agreement, provided that the Required Lenders shall have consented to such transaction (to the extent required by the Credit Agreement) and the terms of such consent did not provide otherwise, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 10.02 of the Credit Agreement, the security interest in such Collateral shall be automatically released.

(d) If any of the 2004 Notes First Lien Collateral (as defined in the Intercreditor Agreement) shall become subject to the release provisions set forth in Section 5.1(c) of the Intercreditor Agreement, such Collateral shall be automatically released from the Security Interest to the extent provided in Section 5.1(c) of the Intercreditor Agreement.

(e) In connection with any termination or release pursuant to paragraph (a), (b), (c) or (d) above, the Collateral Agent shall execute and deliver to the Grantors, at the Grantors' expense, all UCC termination statements and similar documents which the Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of termination statements or release documents pursuant to this Section 8.14 shall be without recourse to or warranty by the Collateral Agent.

SECTION 8.15. Additional Grantors. Upon execution and delivery by the Collateral Agent and a Subsidiary of an instrument in the form of Annex 2, such Subsidiary shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of any such instrument shall not require the consent of any Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 8.16. Subject to Intercreditor Agreement. Notwithstanding anything herein to the contrary, the Lien and security interest granted to the Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern.

SECTION 8.17. 2004 Indenture. The Collateral Agent acknowledges and agrees, on behalf of itself and the Secured Parties, that, any provision of this Agreement to the contrary notwithstanding, until the 2004 Notes First Lien Transition Date (as defined in the Intercreditor Agreement), the Grantors shall not be required to act or refrain from acting with respect to any 2004 Notes First Lien Collateral on which the 2004 Trustee (as defined in the Intercreditor Agreement) has a Lien superior in priority to the Collateral Agent's Lien thereon in any manner that would result in a default under the terms and provisions of the 2004 Indenture (as defined in the Intercreditor Agreement).

SECTION 8.18. Reaffirmation of Grantor Obligations. This Agreement constitutes an amendment and restatement of the Prior Security Agreement. Each of the parties hereto acknowledges and agrees that the Obligations represent, among other things, the amendment, restatement, renewal, extension, consolidation and modification of the obligations of Grantors under the Prior Security Agreement. Each of the parties hereto further acknowledges and agrees that this Agreement supercedes and replaces the Prior Security Agreement but does not extinguish the obligations thereunder and that by entering into and performing its obligations hereunder, this transaction shall not constitute a novation. Each of the parties hereto further acknowledges and agrees that the security interest granted to the Prior Administrative Agent for the benefit of itself and the parties entitled to the benefit of the Prior Security Agreement (including, without limitation, each Lender, the Issuing Bank or any Agent party to the Prior Credit Agreement, and their respective successors and assigns) shall remain outstanding and in full force and effect in accordance with the terms hereof and the other Loan Documents and shall continue to secure the Obligations without interruption or impairment of any kind and all such security interests are hereby ratified, confirmed and continued.
