**TRADEMARK SECURITY AGREEMENT FOR RECORDAL WITH
THE UNITED STATES PATENT AND TRADEMARK OFFICE**

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of May 30, 2007, between each of the undersigned (each, a "Grantor"), and J.P. Morgan Chase Bank, N.A., acting in the capacity as US Administrative Agent for the benefit of itself and the other lenders party to the Credit Agreement referred to below (in such capacity, the "Administrative Agent").

WITNESSETH:

WHEREAS pursuant to the terms of that certain Credit Agreement, dated as of August 18, 2006 (as it may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), by and among Calgon Carbon Corporation (the "Company"), and the other Borrowers named therein (collectively with the Company, the "Borrowers"), the Loan Guarantors party thereto, the Lenders from time to time party thereto (the "Lenders"), the Administrative Agent, J.P. Morgan Europe Limited, as European Administrative Agent, and the other agents party thereto, the Lenders have agreed to extend credit and make certain financial accommodations to the Borrowers.

WHEREAS pursuant to the Pledge and Security Agreement, dated as of August 18, 2006 (as it may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), among Grantors and Administrative Agent, each Grantor granted to the Administrative Agent a security interest and continuing lien on all of such Grantor's right, title and interest in, to and under all Collateral, including the Trademark Collateral (as defined below), and all Collateral in each case whether now owned or existing or hereafter acquired or arising and wherever located to secure the prompt and complete payment and performance of all Secured Obligations (as defined in the Credit Agreement) including the obligations of the Loan Parties under the Credit Agreement;

WHEREAS the parties to the Credit Agreement contemplate and intend that, if an Event of Default (as defined in the Credit Agreement) shall occur and be continuing, the Administrative Agent shall have all rights of a secured party in and to the Trademark Collateral and any proceeds thereof, including, without limitation, the right to exercise its remedies under the Credit Agreement in connection with all of the Grantors' right, title and interest in such Trademark Collateral; and

WHEREAS pursuant to the Credit Agreement, the Grantors are required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, each Grantor agrees as follows:

Section 1. Defined Terms

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

Section 2. Grant of Security Interest in Trademarks

Each Grantor hereby grants to the Administrative Agent a security interest and continuing lien on all of such Grantor's right, title and interest in, to and under the Trademarks, including the Trademarks listed in Schedule A, in each case whether now owned or existing or hereafter acquired or arising and wherever located (collectively, the "Trademark Collateral").

Section 3. Security for Obligations

This Agreement secures, and the Trademark Collateral is collateral security for, the prompt and complete payment or performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including the payment of amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. §362(a) (and any successor provision thereof)), of all Secured Obligations.

Section 4. Security Agreement

The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to the Administrative Agent pursuant to the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any irreconcilable conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall control.

Section 5. Recordation

The Grantors hereby authorize and request that the The Commissioner of the United States Patent and Trademark Office and any other applicable United States government officer record this Agreement.

Section 6. Miscellaneous

This Agreement shall be governed by, and construed in accordance with the laws of the State of New York.

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single agreement.

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be duly executed and delivered by its duly authorized officer as of the date first set forth above.
