TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT dated as of May 2, 2013 (this "Agreement") is entered into by **MARKET STRATEGIES, INC.**, a Michigan corporation (the "Company"), **VSS-MSI HOLDINGS LLC**, a Delaware limited liability company, **COGENT RESEARCH, LLC**, a Massachusetts limited liability company, and **MARKET STRATEGIES QUALITATIVE, LLC**, a Delaware limited liability company (collectively, including the Company, the "Grantors"), in favor of **THE PRIVATEBANK AND TRUST COMPANY**, as administrative agent for itself, all Lenders party to the Credit Agreement (as hereafter defined) and (to the extent set forth in the Collateral Agreement (as hereafter defined)) certain Affiliates of the Lenders (in such capacity, the "Agent").

The Company, the other Loan Parties party thereto, the Lenders, and the Agent have entered into a Credit Agreement dated as of the date hereof (as amended, supplemented, restated or otherwise modified from time to time, the "Credit Agreement"), pursuant to which the Lenders have severally agreed to extend credit to the Company.

In connection with the Credit Agreement, the Grantors and the Agent have entered into a Guaranty and Collateral Agreement dated as of the date hereof (as amended, supplemented, restated or otherwise modified from time to time, the "Collateral Agreement"), pursuant to which certain Obligations owed to the Lenders are guaranteed and secured.

Pursuant to the terms of the Collateral Agreement, the Grantors have pledged, assigned and granted to the Agent a first-priority security interest (subject only to Permitted Liens) in substantially all of the assets of the Grantors, including all right, title and interest of the Grantors in, to and under all now owned and hereafter acquired Trademarks (as defined in the Collateral Agreement), all Trademark Licenses (as defined in the Collateral Agreement), and all products and proceeds thereof, to secure the prompt and complete payment and performance of the Secured Obligations (as defined in the Collateral Agreement).

Pursuant to the terms of the Collateral Agreement, the Grantors are required to execute and deliver to the Agent this Agreement.

In consideration of the premises and the mutual agreements contained herein and in the Credit Agreement and the other Loan Documents, the Grantors hereby grant to the Agent a continuing security interest in all of each Grantor's right, title and interest in, to and under the following, whether now owned by or owing to, or hereafter acquired by or arising in favor of any Grantor (including any trade name or derivations thereof):

- (1) each trademark and trademark application, including without limitation, each trademark and trademark application referred to in **Schedule 1** attached hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;
- (2) each trademark license, including without limitation, each trademark license listed on **Schedule 1** attached hereto, together with all goodwill associated therewith; and
- (3) all products and proceeds of the foregoing, including without limitation, any claim by any Grantor against third parties for past, present or future infringement of any trademark, including without limitation, any trademark referred to in **Schedule 1** attached hereto, any trademark issued pursuant to a trademark application referred to in **Schedule 1** and any trademark licensed under any trademark license listed on **Schedule 1** attached hereto (items 1 through 3 being herein collectively referred to as the "Trademark Collateral").

The security interests granted to the Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Agent pursuant to the Collateral Agreement; provided, however, that nothing in this Agreement shall expand, limit or otherwise modify the security interests granted in the Collateral Agreement. Grantors acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern. All capitalized terms used but not defined herein shall have the respective meanings ascribed thereto in the Credit Agreement.
