None of the Patents, Marks, Copyrights or Licenses is Excluded Property on the date hereof. At all times after the date hereof, Debtor shall use reasonable efforts to eliminate all restrictions that would cause its property or assets to constitute Excluded Property prior to the incurrence thereof.

3. Restrictions on Future Agreements. Debtor agrees and covenants that until the Liabilities shall have been satisfied in full and the Credit Agreement shall have been terminated, Debtor will not, without Lender's prior written consent, take any action or enter into any agreement, including, without limitation entering into any license agreement, which is inconsistent with Debtor's obligations under this Agreement, and Debtor further agrees and covenants that without Lender's prior written consent it will not take any action, or permit any action to be taken by others subject to its control, including its licensees, or fail to take any action which would affect the validity or enforcement or nature of the rights transferred to Lender under this Agreement. Debtor agrees and covenants not to sell or assign its interest in, or grant any license under, the Patents, Marks, Copyrights or Licenses, except as permitted under the Credit Agreement, without receiving the prior written consent of Lender thereto.

4. Certain Covenants, Representations and Warranties of Debtor. Debtor covenants, represents and warrants (to the best of Debtor's knowledge with respect to any Patents, Marks and Copyrights which are licensed by third parties to Debtor) that (a) except to the extent the same is reasonably determined by Debtor to no longer material to Debtor's business: (i) the Patents, Marks, Copyrights and Licenses are subsisting, have not been adjudged invalid or unenforceable in whole or in part, and are not currently being challenged in any way; (ii) none of the Patents, Marks, Copyrights and Licenses have lapsed or expired or have been abandoned, whether due to any failure to pay any maintenance or other fees or make any filing or otherwise; (iii) each of the Patents, Marks, Copyrights and Licenses is valid and enforceable and Debtor is unaware of any invalidating prior art (including public uses and sales) relative to the Patents, and is unaware of any impairments to the Patents, Marks, Copyrights or Licenses which would have a material adverse effect on the validity and/or enforceability of the Patents, Marks, Copyrights or Licenses; (iv) to the best of Debtor's knowledge, no claim has been made that the use of any of the Patents, Marks, Copyrights or Licenses constitutes a material infringement; (v) Debtor owns the entire right, title and interest in and to each of the Patents, Marks and Copyrights (other than those being licensed to Debtor pursuant to the Licenses) free and clear of any Liens and encumbrances of every kind and nature, and the Licenses are valid and subsisting licenses with respect to the Patents, Marks, Copyrights described therein, free and clear of any Liens and encumbrances of every kind and nature arising by, through or under Debtor, in each

case except for (A) rights granted by Debtor pursuant to the applicable licenses listed on Schedules C and E, and (B) Liens and encumbrances in favor of Lender pursuant to this Agreement or the other Financing Agreements; (vi) Debtor will use proper statutory notice in connection with its use of the Patents, Marks and Copyrights (except as to any thereof which is no longer material to Debtor's business); and (vii) Debtor will use standards of quality in its manufacture of products sold under the Marks consistent with those currently employed by it (b) the Patents, Marks and Copyrights and Licenses listed on Schedules A, B, C, D and E constitute all such items which are registered and in which Debtor has any right, title or interest on the Closing Date; and (c) Debtor has the unqualified right to enter into this Agreement and perform its terms.

5. New Patents, Marks, Copyrights and Licenses.

(a) If, before the Liabilities shall have been satisfied in full and the Credit Agreement shall have been terminated, Debtor shall (i) create or obtain rights to any new patentable inventions, trademarks, service marks, trademark or service mark registrations, copyrights, copyright registrations, trade names or licenses, or (ii) become entitled to the benefit of any patent, trademark or service mark application, trademark, service mark, trademark or service mark registration, copyrights, copyright registrations, license or license renewal, or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement on any Patent, the provisions of Section 2 above shall automatically apply thereto. Debtor hereby authorizes Lender to modify this Agreement by noting any future acquired Patents, Marks, Copyrights on Schedule A, B or D and any Licenses and licensed Patents, Marks or Copyrights on Schedules C or E, as applicable; provided, however, that the failure of Lender to make any such notation shall not limit or affect the obligations of Debtor or rights of Lender hereunder.

(b) Debtor shall upon the reasonable request of Lender execute such documents as Lender may reasonably request to maintain the perfection and priority of its security interest in any applications or registrations with respect to any Patents, Marks or Copyrights with the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

6. Royalties; Terms. Debtor hereby agrees that the security interest of Lender in all Patents, Marks, Copyrights and Licenses as described above shall, to the extent applicable, be worldwide (or in the case of the Patents, Marks and Copyrights licensed to Debtor such smaller geographic location if any is specified for Debtor's use in the applicable License) and, without any liability for royalties or other related charges from Lender to Debtor. The term of the security interest granted herein shall extend until the earlier of (i) the expiration of each of the respective Patents, Marks, Copyrights and Licenses assigned hereunder, or (ii) satisfaction in full of the Liabilities (except Unasserted Contingent Indemnification Claims) and termination of the Credit Agreement.

7. Inspection. In accordance with the terms of the Credit Agreement, Lender shall have the right to inspect Debtor's premises and to examine Debtor's books, records and operations, including, without limitation, Debtor's quality control processes. From and after the occurrence and during the continuance of a Default and notice by Lender to Debtor of Lender's

intention to enforce its rights and claims against any of the Patents, Marks, Copyrights and Licenses, Debtor agrees that Lender, or a conservator appointed by Lender, shall have the right to establish such additional product quality controls as Lender or said conservator, in its sole judgment, may deem necessary to assure maintenance of the quality of products sold by Debtor under the Marks consistent with the quality of products now manufactured by Debtor.

8. Termination of Debtor's Interest. This Agreement is made for collateral purposes only. Upon satisfaction in full of the Liabilities (except Unasserted Contingent Indemnification Claims) and termination of the Credit Agreement, subject to any disposition thereof which may have been made by Lender pursuant hereto or pursuant to any of the other Financing Agreements, the security interest granted hereunder shall automatically be extinguished. Lender shall, at the request of Debtor and at Debtor's reasonable expense, execute and deliver to Debtor, all termination statements and other instruments as may be necessary or proper to evidence the termination of Lender's security interest granted to Lender pursuant to this Agreement, subject to any disposition thereof which may have been made by Lender pursuant hereto or pursuant to any of the other Financing Agreements. Any such termination statements and instruments shall be without recourse upon or warranty by Lender.

9. Duties of the Debtor. Except to the extent the same is reasonably determined by Debtor to no longer material to Debtor's business, Debtor shall have the duty (i) to prosecute diligently any application with respect to Patents, Marks and Copyrights, in each case pending as of the date hereof or hereafter, except if in the good faith business judgment of Debtor such prosecution is not in the best business interests of Debtor, (ii) to make application on unpatented but patentable inventions and on registerable but unregistered trademarks, service marks and copyrights, except if in the good faith business judgment of Debtor failure to do same is in the best business interests of Debtor, and (iii) to preserve, maintain and enforce against infringement all rights in patent applications and patents constituting the Patents, in trademark or service mark applications, trademarks, service marks, and trademark or service mark registrations constituting the Marks, and in copyright applications, copyrights and copyright registrations constituting the Copyrights, except if in the good faith business judgment of Debtor such preservation, maintenance or enforcement is not in the best business interests of Debtor. Any expenses incurred in connection with the foregoing (including, but not limited to, maintenance or renewal fees) shall be borne by Debtor. Except to the extent the same is no longer material to Debtor's business, Debtor shall not abandon any pending patent application, trademark application, copyright application, service mark application, patent, trademark, service mark or copyright without the written consent of Lender.

10. Lender's Right to Sue. From and after the occurrence and during the continuance of a Default, Lender shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Patents, the Marks, the Copyrights and the Licenses, and any licenses thereunder, and, if Lender shall commence any such suit, Debtor shall, at the request of Lender, do any and all lawful acts and execute any and all proper documents reasonably required by Lender in aid of such enforcement, and Debtor shall promptly, upon demand, reimburse and indemnify Lender for all reasonable costs and expenses incurred by Lender in the exercise of its rights under this Section 10.

11. **Waivers.** No course of dealing between Debtor and Lender, nor any failure to exercise, nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

12. **Severability.** The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

13. **Modification.** This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

14. **Further Assurances.** Debtor shall execute and deliver to Lender, at any time or times hereafter at the request of Lender, all papers (including, without limitation, any as may be deemed desirable by Lender for filing or recording with any Patent and Trademark Office, and any successor thereto) and take all such actions (including, without limitation, paying the cost of filing or recording any of the foregoing in all public offices reasonably deemed desirable by Lender), as Lender may request, to evidence Lender's interest in the Patents, Marks, Copyrights and Licenses and the goodwill associated therewith and enforce Lender's rights under this Agreement.

15. **Cumulative Remedies; Power of Attorney; Effect on Financing Agreements.** All of Lender's rights and remedies with respect to the Patents, Marks, Copyrights and Licenses, whether established hereby, by any of the Financing Agreements or otherwise, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Debtor hereby constitutes and appoints Lender as Debtor's true and lawful attorney-in-fact, with full power of substitution in the premises, with power at any time after the occurrence and during the continuance of a Default, to (i) endorse Debtor's name on all applications, documents, papers and instruments determined by Lender as necessary or desirable for Lender in the use of the Patents, Marks, Copyrights and Licenses, (ii) take any other actions with respect to the Patents, Marks, Copyrights and Licenses as Lender deems in good faith to be in the best interest of Lender, (iii) grant or issue any exclusive or non-exclusive license under the Patents, Marks or Copyrights to any Person, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Patents, Marks, Copyrights or Licenses to any Person. Debtor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Liabilities shall have been satisfied in full and the Credit Agreement shall have been terminated. This power of attorney is coupled with an interest and is irrevocable by Debtor. Debtor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Lender under the Credit Agreement or any of the Financing Agreements but rather is intended to facilitate the exercise of such rights and remedies. Lender shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured

party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Marks, Copyrights or Licenses may be enforced. Debtor hereby releases the Lender from any and all claims, causes of action and demands at any time arising out of or with respect to any actions taken or omitted to be taken by the Lender under the powers of attorney granted herein.

16. **Binding Effect; Benefits.** This Agreement shall be binding upon Debtor and its respective successors and assigns and shall inure to the benefit of Lender and its respective successors, assigns and nominees.

17. **Governing Law.** THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH, AND ANY DISPUTE BETWEEN THE PARTIES HERETO ARISING OUT OF, CONNECTED WITH, RELATED TO, OR INCIDENTAL TO THE RELATIONSHIP ESTABLISHED BETWEEN THEM IN CONNECTION WITH THIS AGREEMENT, AND WHETHER ARISING IN CONTRACT, TORT, EQUITY, OR OTHERWISE, SHALL BE RESOLVED IN ACCORDANCE WITH THE INTERNAL LAWS AND NOT THE CONFLICTS OF LAW PROVISIONS OF THE STATE OF ILLINOIS.

18. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. The delivery of an executed counterpart of a signature page or acceptance to this Agreement by telecopier or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.
