INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Agreement dated March 31, 2017, is made by and between:

Danby Products Limited and Intirion Corporation (collectively, the **Grantors** and each a **Grantor**)

and

JPMorgan Chase Bank, N.A., Toronto Branch (the **Agent**).

WHEREAS JPMorgan Chase Bank, N.A., Toronto Branch as Agent, for and on behalf of itself and the other Secured Parties and such other persons that may from time to time be parties to the Credit Agreement as lenders, have agreed to make certain credit facilities available to the Grantors upon the terms and conditions contained in a credit agreement among, among others, the Grantors and the Agent dated as of this date (such credit agreement as it may at any time or from time to time, be amended, supplemented, restated or replaced, the **Credit Agreement**);

AND WHEREAS each Grantor has agreed to execute and deliver this Agreement to and in favour of the Agent as security for the payment and performance of each of the Grantor's obligations to the Agent under the Credit Agreement and other Loan Documents (as defined in the Credit Agreement) to which it is a party.

NOW THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Grantors and the Agent agree as follows.

Article 1 - SECURITY

1.1 Grant of Security. Each Grantor hereby grants to the Agent, for its own benefit as a lender and as agent a security interest in, and charges, pledges and hypothecates to the Agent, for its own benefit as a lender and as agent:

- (a) all of its right, title and interest in and to all of each Grantor's trademarks, patents and industrial designs, whether registered or unregistered, now owned or hereafter acquired by such Grantor, including the trade-marks, patents and industrial designs registrations and applications set forth in Schedule "A" (the **Intellectual Property**);
- (b) together with the goodwill symbolized thereby; any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Intellectual Property,

(all of the foregoing, the **Collateral**).

1.2 Obligations Secured. The security interest, charge, hypothecation and pledge granted hereby (collectively, the **Security Interest**) secures the payment and performance of all debts, liabilities and obligations present or future, direct or indirect, absolute or contingent, matured or unmatured, at any time or from time to time due or accruing due, and owing by or otherwise payable by each Grantor to the Agent, however or wherever incurred, pursuant to or in connection with the Credit Agreement and each of the other Loan Documents to which such Grantor is a party (collectively, and together with the expenses, costs and charges set out in Section 1.2(b), the **Obligations**).

1.3 Attachment, Perfection, Possession and Control.

- (a) Each Grantor acknowledges that (i) value has been given, (ii) it has rights in the Collateral or the power to transfer rights in the Collateral to the Agent (other than after-acquired Collateral), (iii) it has not agreed to postpone the time of attachment of the Security Interest, and (iv) it has received a copy of this Agreement.
- (b) Each Grantor shall promptly inform the Agent in writing of the acquisition by such Grantor of any property which is not adequately described in this Agreement, and such Grantor shall execute and deliver, from time to time, at its own expense, amendments to this Agreement and its schedules or additional security agreements or schedules as may be required by the Agent in order to preserve, protect and perfect its Security Interest in such property.

1.4 Scope of Security Interest. The Security Interest with respect to the Intellectual Property constitutes a security interest in, and a charge, hypothecation and pledge of, such Collateral in favour of the Agent, but does not constitute an assignment or mortgage of such Collateral to the Agent. Until the Security Interest becomes enforceable, the grant of the Security Interest in the Collateral will not affect in any way each Grantors' rights to commercially exploit it or defend or enforce such Grantor's rights in it or with respect to it.

1.5 Amalgamation. In the event a Grantor amalgamates with any other corporation or corporations, it is the intention of the parties that the Security Interest will (a) extend to all Collateral that (i) any of the amalgamating corporations own, or (ii) the amalgamated corporation thereafter acquires, and (b) secure the payment and performance of all debts, liabilities and obligations, present or future, direct or indirect, absolute or contingent, matured or unmatured, at any time or from time to time due or accruing due and owing by or otherwise payable by any of the amalgamating corporations and the amalgamated corporation to the Agent pursuant to or in connection with the Credit Agreement and the other Loan Documents whether incurred prior to, or at the time of, or subsequent to, any amalgamation. The Security Interest will attach to the Collateral of the amalgamating corporations not previously subject to this Agreement at the time of amalgamation and to any Collateral thereafter owned or acquired by the amalgamated corporation when same becomes owned or is acquired. Upon any such amalgamation, the defined term "Grantor" means, collectively, each of the amalgamating corporations and the amalgamated corporation, the defined term Collateral means all of the property, assets, undertaking and interests described in (a) above, and the defined term Obligations means the obligations described in (b) above.

1.6 Recordation. Each Grantor authorizes and requests that the commissioner, registrar or any other applicable government officer of the Canadian Intellectual Property Office, record this Agreement.

1.7 Release of Security Interest. Upon payment in full of all obligations and the termination of the Credit Agreement and each Guarantee, the Agent shall, at the expense of the Grantors, execute and deliver to the Grantors all instruments and other documents as may be necessary or proper to release the lien on any Security Interest in the Collateral which has been granted hereunder.

Article 2 - GENERAL

2.5 Successors and Assigns. This Agreement is binding upon each Grantor, its successors and assigns, and enures to the benefit of the Agent and its respective successors and assigns.

2.6 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be illegal, invalid or unenforceable, that provision shall be severed from this Agreement and the remaining provisions will continue in full force and effect.

2.7 Conflict. In the event of any conflict between the provisions of this Agreement and the provisions of the Credit Agreement which cannot be resolved by both provisions being complied with, the provisions contained in the Credit Agreement will prevail to the extent of such conflict.

2.8 Governing Law and Submission to Jurisdiction.

- (a) This Agreement is governed by and is to be interpreted, construed and enforced in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein, without regard to conflict of law principles.
- (b) Each Grantor irrevocably and unconditionally (i) submits to the non-exclusive jurisdiction of the courts of Ontario located in Toronto, (ii) agrees that all claims in respect of any suit, action or proceeding may be heard and determined in such court, and (iii) waives, to the fullest extent permitted by law, any objection which it may have based upon doctrines of venue or *forum inconvienens*.
