(vi) the goodwill of such Obligor's business connected with and symbolized by the Marks;

provided that in no event shall the Collateral include, or the security interest granted under this Section 2 attach to, the Excluded Property

3. Restrictions on Future Agreements. Each Obligor agrees and covenants that until the Liabilities shall have been satisfied in full and the Credit Agreement shall have been terminated, such Obligor will not, without Lender's prior written consent, take any action or enter into any agreement, including, without limitation entering into any license agreement, which is inconsistent in a material respect with such Obligor's obligations under this Agreement, and each Obligor further agrees and covenants that without Lender's prior written consent it will not take any action, or authorize any action to be taken by others subject to its control, including its licensees, or fail to take any action which would reasonably be expected to have a material adverse effect on the validity or enforcement or nature of the rights transferred to Lender under this Agreement. Except as expressly permitted by the Credit Agreement, each Obligor agrees and covenants not to sell or assign its interest in, or grant any license under, the Patents, Marks, Copyrights or Licenses, except for non-exclusive license agreements granted by Obligor in the Ordinary Course of Business, without receiving the prior written consent of Lender thereto.

4. Certain Covenants, Representations and Warranties of each Obligor. Each Obligor covenants, represents and warrants (to the best of such Obligor's knowledge with respect to any Patents, Marks and Copyrights which are licensed by third parties to such Obligor under the Licenses) that, except as disclosed on Schedule 4.16 to the Credit Agreement: (i) the Patents, Marks, Copyrights and Licenses are subsisting, have not been finally adjudged invalid or unenforceable in whole or in part, and are not currently being formally challenged in any way in a proceeding before a governmental authority; (ii) none of the Patents, Marks, Copyrights and Licenses have lapsed or expired or have been abandoned, whether due to any failure to pay any maintenance or other fees or make any filing or otherwise, except to the extent the same is no longer material to such Obligor's business as determined by such Obligor in its reasonable business judgment; (iii) to the knowledge of such Obligor, each of the Patents, Marks, Copyrights and Licenses is valid and enforceable and such Obligor is unaware of any invalidating prior art (including public uses and sales) relative to the Patents, and is unaware of any impairments to the Patents, Marks, Copyrights or Licenses which would have a material adverse effect on the validity and/or enforceability of the Patents, Marks, Copyrights or Licenses; (iv) to such Obligor's knowledge, no unresolved claim has been made in writing that the use of any of the Patents, Marks, Copyrights or Licenses constitutes an infringement; (v) such Obligor owns the entire right, title and interest in and to each of the Patents, Marks and Copyrights (other than those being licensed to such Obligor pursuant to the Licenses) free and clear of any Liens, and the Licenses are valid and subsisting licenses with respect to the Patents, Marks, Copyrights described therein, free and clear of any Liens arising by, through or under such Obligor, in each case except for (A) rights granted by such Obligor pursuant to the applicable licenses listed on Schedules C and E, and (B) Permitted Liens; (vi) the Patents, Marks and Copyrights and Licenses listed on Schedules A, B, C, D and E constitute all such applications and registrations in which such Obligor has any right, title or interest as of the Effective Date; (vii) such Obligor has all necessary rights to enter into this Agreement and

perform its terms; (viii) such Obligor will use proper statutory notice in connection with its use of the Patents, Marks and Copyrights (except as to any thereof which is no longer material to such Obligor's business); and (ix) such Obligor will use reasonable standards of quality in its manufacture of products sold under the Marks consistent in all material respects with those currently employed by it.

5. New Patents, Marks, Copyrights and Licenses. If, before the Liabilities shall have been satisfied in full and the Credit Agreement shall have been terminated, any Obligor shall (i) obtain rights to any new patentable inventions, trademarks, service marks, trademark or service mark registrations, copyrights, copyright registrations, trade names or licenses, or (ii) become entitled to the benefit of any patent, trademark or service mark application, trademark, service mark, trademark or service mark registration, copyrights, copyright registrations, license or license renewal, or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement on any Patent, the provisions of Section 2 above shall automatically apply thereto and such Obligor shall give to Lender prompt written notice thereof. Each Obligor hereby authorizes Lender to modify this Agreement by noting any future acquired Patents, Marks, Copyrights on Schedule A, B or D and any Licenses and licensed Patents, Marks or Copyrights on Schedules C or E, as applicable with respect to any application or registration for which Obligor gives Lender notice hereunder; provided, however, that the failure of Lender to make any such notation shall not limit or affect the obligations of any Obligor or rights of Lender hereunder.

6. Royalties; Terms. Each Obligor hereby agrees that the security interest of Lender in all Patents, Marks, Copyrights and Licenses as described above shall be worldwide (or in the case of the Patents, Marks and Copyrights licensed to an Obligor such smaller geographic location if any is specified for such Obligor's use in the applicable License) and, without any liability for royalties or other related charges from Lender to such Obligor. The term of the security interest granted herein shall extend until the earlier of (i) the expiration of each of the respective Patents, Marks, Copyrights and Licenses assigned hereunder, or (ii) satisfaction in full of the Liabilities and termination of the Credit Agreement.

7. Inspection. In accordance with the terms of the Credit Agreement, Lender shall have the right to inspect any Obligor's premises and to examine any Obligor's books, records and operations, including, without limitation, any Obligor's quality control processes. From and after the occurrence and during the continuance of a Default and prior written notice by Lender to each Obligor of Lender's intention to enforce its rights and claims against any of the Patents, Marks, Copyrights and Licenses, each Obligor agrees that Lender, or a conservator appointed by Lender, shall have the right to establish such additional product quality controls as Lender or said conservator, in its commercially reasonable judgment, may deem reasonably necessary to assure maintenance of the quality of products sold by such Obligor under the Marks consistent in all material respects with the quality of products now manufactured by such Obligor.

8. Termination of Each Obligor's Interest. This Agreement is made for collateral purposes only. Upon satisfaction in full of the Liabilities and termination of the Credit Agreement, subject to any disposition thereof which may have been made by Lender pursuant hereto or pursuant to any of the other Financing Agreements, the security interest granted

hereunder shall automatically be extinguished. Lender shall, at the request of any Obligor and at each Obligor's reasonable expense, execute and deliver to such Obligor, all termination statements and other instruments as may be necessary or proper to evidence the termination of Lender's security interest granted to Lender pursuant to this Agreement, subject to any disposition thereof which may have been made by Lender pursuant hereto or pursuant to any of the other Financing Agreements. Any such termination statements and instruments shall be without recourse upon or warranty by Lender.

9. Duties of the Obligors. Except to the extent the same is no longer material to such Obligor's business as determined by such Obligor in its reasonable business judgment, each Obligor shall have the duty (i) to prosecute diligently any application with respect to Patents, Marks and Copyrights, in each case pending as of the date hereof or hereafter, (ii) to file an application on unpatented but patentable inventions and on registerable but unregistered trademarks, service marks and copyrights, and (iii) to preserve, maintain and enforce against material third-party infringement all rights in patent applications and issued patents constituting the Patents, in trademark or service mark applications, and trademark or service mark registrations constituting the Marks, and in copyright applications, and copyright registrations constituting the Copyrights. Any expenses incurred in connection with the foregoing (including, but not limited to, maintenance or renewal fees) shall be borne by the Obligors.

10. Lender's Right to Sue. From and after the occurrence and during the continuance of a Default, Lender shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Patents, the Marks, the Copyrights and the Licenses, and any licenses thereunder, and, if Lender shall commence any such suit, each Obligor shall, at the request of Lender, do any and all lawful acts and execute any and all proper documents reasonably required by Lender in aid of such enforcement.

11. Waivers. No course of dealing between any Obligor and Lender, nor any failure to exercise, nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

12. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

13. Modification. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

14. Further Assurances. Each Obligor shall execute and deliver to Lender, at any time or times hereafter at the request of Lender, all papers (including, without limitation, any as may be deemed desirable by Lender for filing or recording with any Patent and Trademark

Office, and any successor thereto) and take all such actions (including, without limitation, paying the cost of filing or recording any of the foregoing in all public offices reasonably deemed desirable by Lender), as Lender may reasonably request, to evidence Lender's interest in the Patents, Marks, Copyrights and Licenses and the goodwill associated therewith and enforce Lender's rights under this Agreement.

15. Cumulative Remedies; Power of Attorney; Effect on Financing Agreements.

All of Lender's rights and remedies with respect to the Patents, Marks, Copyrights and Licenses, whether established hereby, by any of the Financing Agreements or otherwise, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Obligor hereby constitutes and appoints Lender as such Obligor's true and lawful attorney-in-fact, with full power of substitution in the premises, with power at any time after the occurrence and during the continuance of a Default, to, as Lender reasonably deems necessary to protect, preserve or realize upon the Patents, Marks, Copyrights and Licenses and Lender's security interest therein in order to effect the intent and purposes of this Agreement, (i) endorse such Obligor's name on all applications, documents, papers and instruments determined by Lender as necessary or desirable for Lender to maintain, enforce and protect the Patents, Marks, Copyrights and Licenses, (ii) take any other actions with respect to the Patents, Marks, Copyrights and Licenses as Lender deems in good faith to be in the best interest of Lender in such manner as is permitted by law, (iii) [intentionally omitted], or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Patents, Marks, Copyrights or Licenses to any Person. Each Obligor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Liabilities shall have been satisfied in full and the Credit Agreement shall have been terminated. Each Obligor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Lender under the Credit Agreement or any of the Financing Agreements but rather is intended to facilitate the exercise of such rights and remedies. Lender shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Marks, Copyrights or Licenses may be enforced.

16. Binding Effect; Benefits. This Agreement shall be binding upon each Obligor and its respective successors and assigns and shall inure to the benefit of Lender and its respective successors, assigns and nominees.

17. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH, AND ANY DISPUTE BETWEEN THE PARTIES HERETO ARISING OUT OF, CONNECTED WITH, RELATED TO, OR INCIDENTAL TO THE RELATIONSHIP ESTABLISHED BETWEEN THEM IN CONNECTION WITH THIS AGREEMENT, AND WHETHER ARISING IN CONTRACT, TORT, EQUITY, OR OTHERWISE, SHALL BE RESOLVED IN ACCORDANCE WITH THE INTERNAL LAWS AND NOT THE CONFLICTS OF LAW PROVISIONS OF THE STATE OF ILLINOIS.

18. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. The delivery of an executed counterpart of a signature page or acceptance to

this Agreement by telecopier or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.
