RECITALS:

WHEREAS, reference is made to that certain Security Agreement, dated as of December 23, 2019 (as it may be amended, restated, supplemented, extended or otherwise modified from time to time, the “**Security Agreement**”), between the Grantors, Western’s Smokehouse, a Missouri limited liability company, Thrushwood Holdco, Inc., a Delaware corporation, Western Smokehouse Partners, a Delaware limited liability company, and the Agent and that certain Credit Agreement, dated as of December 23, 2019 (as it may be amended, restated, supplemented, extended, refinanced or otherwise modified from time to time, the “**Credit Agreement**”), between the Borrowers, the several banks and other lenders from time to time party thereto (the “**Lenders**”), and the Agent; and

WHEREAS, under the terms of the Security Agreement, the Grantors have (i) as collateral security for the Obligations, granted to the Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of the Grantors’ rights, title and interest in, to and under the Collateral (as defined in the Security Agreement), including, without limitation, certain intellectual property of the Grantors and (ii) agreed to execute this Agreement for recording with the United States Patent and Trademark Office and other applicable Governmental Authorities.

NOW, THEREFORE, in consideration of the promises and the agreements, provisions and covenants herein contained, the Grantors and the Agent agree as follows:

Section 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement or the Credit Agreement, as applicable. The rules of construction specified in Section 1.2 of the Credit Agreement also apply to this Agreement.

Section 2. Grant of Security. As collateral security for the Obligations, the Grantors hereby grant to the Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of the Grantors’ rights, title and interest in, to and under the following:

(1) all trademarks, trademark registrations, trade names, trademark applications, service marks, business names, fictitious business names, trade styles, trade dress, trade secrets, designs, logos and other source or business identifiers, all registrations thereof, and all registration and recording applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule L, (2) all income, royalties, damages and payments now and hereafter due and/or

The security interest granted hereby has been granted to the Agent, for the benefit of the Secured Parties, in connection with the Security Agreement and the Credit Agreement and is expressly subject to the terms and conditions thereof. The security interest granted by each Grantor hereunder shall terminate simultaneously with any termination of the security interests in the Trademarks granted by such Grantor under the Security Agreement in accordance with its terms.

Notwithstanding anything to the contrary herein, no security interest granted hereby shall include any Excluded Assets.

Section 3. Recordation. The Grantors authorize and request that the Commissioner of Patents and Trademarks and any other applicable government officer record this Agreement.

Section 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (*i.e.*, "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 5. Governing Law. This Agreement and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York without regard to conflict of laws principles thereof.

The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Security Agreement and the Credit Agreement, all terms and provisions of which are incorporated herein by reference.
