AMENDMENT NO. 1 TO TRADEMARK SECURITY AGREEMENT

AMENDMENT NO. 1 TO TRADEMARK SECURITY AGREEMENT (this "Amendment"), made as of November 8, 2019, by and among PLAYMONSTER LLC, a Delaware limited liability company ("PlayMonster"), ROOMINATE, LLC, a Delaware limited liability company ("Roominate", and together with PlayMonster, each, a "Grantor" and individually and collectively, jointly and severally, the "Grantors") and WELLS FARGO BANK, NATIONAL ASSOCIATION, a national banking association ("Wells Fargo"), in its capacity as administrative agent for each member of the Lender Group and the Bank Product Providers (in such capacity, together with its successors and assigns in such capacity, "Agent"). Unless otherwise defined herein, all capitalized terms used herein which are not defined shall have the meanings given to such terms in the Trademark Security Agreement (as defined below).

W I T N E S S E T H:

WHEREAS, Grantors and Agent are parties to the Trademark Security Agreement, dated as of November 16, 2018 and recorded with the United States Patent and Trademark Office on November 16, 2018 at Reel/Frame 6483/0569 (as amended hereby and as the same may hereafter be further amended, modified, supplemented, extended, renewed, restated or replaced, the "Trademark Security Agreement");

WHEREAS, pursuant to the Trademark Security Agreement, each Grantor has, among other things, granted to Agent a security interest in all present and future Trademarks and Trademark applications of such Grantor, together with certain related assets, and has agreed to execute and deliver to Agent all agreements and documents as requested by Agent to evidence the security interests of Agent therein;

WHEREAS, PlayMonster has adopted, used and is using, and is the owner of the entire right, title, and interest in and to the additional trademarks, trade names, trade styles, terms, service marks, designs and applications therefor and internet domain names registered or filed with the United States Patent and Trademark Office described in Schedule I hereto and made a part hereof (collectively, the "Additional Trademarks"); and

WHEREAS, PlayMonster is obligated to grant a security interest in and pledge all such Additional Trademarks and Additional Trademark Collateral (as hereinafter defined) to Agent, as provided by the terms and conditions of the Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantors and Agent hereby agree as follows:

1. Amendment to Trademark Security Agreement.

(a) Without limiting any of the Trademark Collateral otherwise described in the Trademark Security Agreement, Schedule I to the Trademark Security Agreement is hereby amended to include, in addition and not by way of limitation, the additional Trademark Collateral consisting of the Additional Trademarks and other Trademark Collateral related thereto (such Additional Trademarks and Trademark Collateral related thereto being referred to herein as the "Additional Trademark Collateral").

(b) All references to the term "Trademark Collateral" in the Trademark Security Agreement shall be deemed and each such reference is hereby amended to include, in addition and not in limitation, all of the Additional Trademark Collateral and the other assets described in Section 2 of this Amendment.

2. Confirmation of Grant of Security Interest. Without limiting the grant of the security interest to Agent set forth in Section 2 of the Trademark Security Agreement or any other provisions thereof, each Grantor hereby confirms, reaffirms and restates the prior grant of Trademark Collateral to Agent, and PlayMonster hereby grants to Agent a continuing security interest in and a general lien upon the Additional Trademark Collateral.

3. Representations, Warranties and Covenants. All of the representations, warranties and covenants with respect to the Trademark Collateral set forth in the Trademark Security Agreement shall apply to the Additional Trademark Collateral and other assets described in Section 2 of this Amendment.

4. Effect of this Amendment. Except as expressly amended pursuant hereto, no other changes or modifications to the Trademark Security Agreement or waivers of or consents under any provisions thereof are intended or implied, and in all other respects the Trademark Security Agreement is hereby specifically ratified, restated, and confirmed by all parties hereto as of the effective date hereof. To the extent any term or provision of this Amendment conflicts with any term or provision of the Trademark Security Agreement, the term or provision of this Amendment shall control. This Amendment and the Trademark Security Agreement shall be read and construed as one agreement.

5. Counterparts. This Amendment may be executed in any number of counterparts, but all of such counterparts shall together constitute but one and the same agreement. In making proof of this Amendment, it shall not be necessary to produce or account for more than one counterpart thereof signed by each of the parties hereto. This Amendment may be delivered by telecopier or other method of electronic transmission with the same force and effect as if it were a manually executed and delivered counterpart.
