TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of June 1, 2021 (as amended, supplemented or otherwise modified from time to time, the “Trademark Security Agreement”), is made by each of the signatories hereto (collectively, the “Grantors”) in favor of JPMorgan Chase Bank, N.A., as administrative agent (in such capacity, the “Administrative Agent”) for the Secured Parties (as defined in the Guarantee and Collateral Agreement referred to below).

WHEREAS, Deluxe Corporation, a Minnesota corporation (the “Borrower”) has entered into the Credit Agreement, dated as of the date hereof (as amended, supplemented or otherwise modified from time to time, the “Credit Agreement”), among the Borrower, the several banks and other financial institutions or entities from time to time parties thereto (the “Lenders”), certain other parties and the Administrative Agent;

WHEREAS, in connection with the Credit Agreement the Grantors have entered into the Guarantee and Collateral Agreement, dated as of the date hereof, in favor of the Administrative Agent for the benefit of the Secured Parties (as amended, supplemented or otherwise modified from time to time, the “Guarantee and Collateral Agreement”); and

WHEREAS, under the terms of the Guarantee and Collateral Agreement, the Grantors have granted a security interest in certain property, including, without limitation, certain Intellectual Property of the Grantors to the Administrative Agent for the ratable benefit of the Secured Parties.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Trademark Security Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement or the Guarantee and Collateral Agreement, as applicable.

SECTION 2. Grant of Security. Each Grantor hereby pledges, assigns and grants to the Administrative Agent, on behalf of and for the benefit of the Secured Parties, to secure the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of such Grantor’s Obligations, a security interest in and to all of such Grantor’s right, title and interest in, to and under the Trademarks listed on Schedule A.

SECTION 3. Recordation. This Trademark Security Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. Each Grantor authorizes and requests that the Commissioner for Trademarks record this Trademark Security Agreement.

SECTION 4. Execution in Counterparts. This Trademark Security Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by telecopy or electronic transmission shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 5. Governing Law. This Trademark Security Agreement shall be construed in accordance with and governed by the law of the State of New York.

SECTION 6. Conflict Provision. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Guarantee and Collateral Agreement and the Credit Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Guarantee and Collateral Agreement and the Credit Agreement, all terms and provisions of which are incorporated herein by reference.
