DECLARATION OF RELEASE OF SECURITY INTEREST IN TRADEMARKS

WHEREAS, PAR Technology Corporation, a Delaware corporation, StarTrak Logistics Management Solutions, LLC, a Delaware limited liability company, Startrak Information Technologies, LLC, a Delaware limited liability company, and ORBCOMM LLC, a Delaware limited liability company (each, a “**Grantor**” and, collectively, the “**Grantors**”), own and use in their respective businesses certain Trademark Collateral (as defined below), including without limitation the trademark registrations and trademark applications listed in Schedule A hereto and incorporated by this reference;

WHEREAS, Grantors are party to a Security Agreement, dated as of April 10, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), by and among the Grantors, the other grantors party thereto, and U.S. Bank National Association, solely in its capacity as Collateral Agent for the Secured Parties (in such capacity, the “**Collateral Agent**”);

WHEREAS, Grantors and the Collateral Agent are parties to that certain Trademark Security Agreement dated as of April 10, 2017, which was recorded on May 11, 2017 with the United States Patent and Trademark Office (“**USPTO**”) at Reel/Frame 6054/0782 (the “**Trademark Security Agreement**”);

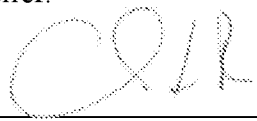

WHEREAS, pursuant to the Security Agreement and the Trademark Security Agreement, each Grantor granted to the Collateral Agent a security interest in all of each such Grantor’s right, title and interest in and to the following, in each case whether then-owned or existing or thereafter acquired, developed, created or arising and wherever located (collectively, the “**Trademark Collateral**”), other than the Excluded Property (as defined in the Security Agreement):

- (i) all trademarks, service marks, designs, logos, indicia of origin, trade names, trade dress, corporate names, company names, business names, fictitious business names, trade styles and/or other source and/or business identifiers and applications pertaining thereto, owned by such a Grantor, or thereafter adopted and used, in its business (including without limitation, the trademark registrations and trademark applications set forth on Schedule A to the Trademark Security Agreement and Schedule A to this Declaration of Release of Security Interest in Trademarks) (collectively, the “**Trademarks**”);
- (ii) all goodwill of each such Grantor’s business symbolized by the Trademarks associated therewith;
- (iii) all proceeds, products, rents and profits of or from any and all of the foregoing Trademark Collateral and, to the extent not otherwise included, all payments under insurance (whether or not the Collateral Agent is the loss payee thereof), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise with respect to any of the foregoing Trademark Collateral; and
- (iv) the right to sue or otherwise recover for any past, present and future infringement, dilution, misappropriation, or other violation or impairment of any of the foregoing; and

WHEREAS, each Grantor satisfied all of its obligations owed to the Collateral Agent under the Security Agreement and the Trademark Security Agreement (and any other instrument referenced in either of the foregoing).

NOW, THEREFORE, upon knowledge and belief, the Security Agreement and the Trademark Security Agreement (and any other instrument referenced in either of the foregoing) are no longer valid liens against the Trademark Collateral, including without limitation the trademark registrations and trademark applications set forth on Schedule A hereto, and should be recorded with the USPTO as released with respect to such Trademark Collateral.

The undersigned, being hereby warned that willful false statements are punishable by fine and/or imprisonment, under 18 U.S.C. 1001, and that any such willful false statements would jeopardize the validity of this Declaration of Release of Security Interest in Trademarks, declares that all statements made herein are true and accurate to the best of knowledge and belief.
