## TRADEMARK SECURITY AGREEMENT

**THIS TRADEMARK SECURITY AGREEMENT** (this “Trademark Security Agreement”) is entered into as of August 26, 2022, by and between CELLNETIX LABS, LLC, a Washington limited liability company (the “Grantor”), and JPMORGAN CHASE BANK, N.A., in its capacity as administrative agent (the “Administrative Agent”) for the lenders party to the Credit Agreement referred to below.

### RECITALS

**WHEREAS**, the Grantor as Borrower, the Administrative Agent, the other Loan Parties party thereto, and the lenders party thereto (the “Lenders”) entered into a certain Credit Agreement of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”). As a condition to the effectiveness of the Credit Agreement, the Administrative Agent and Lenders required that the Grantor grant to the Administrative Agent, on behalf of and for the ratable benefit of the Secured Parties, a security interest in certain trademark to secure the Secured Obligations.

**WHEREAS**, pursuant to the terms of the Security Agreement, the Grantor has granted to the Administrative Agent a security interest in all of the Grantor’s right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral.

**NOW, THEREFORE**, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of the Secured Obligations, the Grantor hereby represents, warrants, covenants and agrees as follows:

### AGREEMENT

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Credit Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. The Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations, hereby mortgages, pledges and hypothecates to the Administrative Agent on behalf of and for the ratable benefit of the Secured Parties, and grants to Administrative Agent on behalf of and for the ratable benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of the Grantor (the “Trademark Collateral”):

(a) all of its Trademarks (as defined in the Security Agreement) included in the Collateral, including, without limitation, those referred to on Schedule 1 hereto;

(b) all reissues, reexaminations, continuations, continuations-in-part, divisionals, renewals and extensions of the foregoing; and

(c) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, violation or other impairment thereof.

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and the Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement. In the event of a conflict between the provisions of this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

Section 4. Grantor Remains Liable. The Grantor hereby agrees that, anything herein to the contrary notwithstanding, the Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and IP Licenses (as defined in the Security Agreement) subject to a security interest hereunder.

Section 5. Termination. This Trademark Security Agreement shall terminate and the Lien on and security interest in the Trademarks shall be released upon the Payment in Full of all Secured Obligations under the Loan Documents. Upon the termination of this Trademark Security Agreement, the Administrative Agent shall execute all documents, make all filings, take all other actions reasonably requested by the Grantor to evidence and record the release of the Lien on and security interests in the Trademarks granted herein.

Section 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 7. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.
