GRANT OF A SECURITY INTEREST – PATENTS

As of July 19, 2023

WHEREAS, the grantors listed on the signature pages to the Secured Promissory Note (as defined below) (each, a “Grantor” and collectively the “Grantors”) hold all right, title and interest in the letter patents, design patents and utility patents listed on the attached Schedule A, which patents are issued or applied for in the United States Patent and Trademark Office (the “Patents”);

WHEREAS, the Grantors have entered into a Super Senior Secured Promissory Note, dated July 19, 2023 (as amended, restated, supplemented, modified or otherwise changed from time to time, the “Secured Promissory Note”), in favor of Jefferies Capital Services, LLC., (in such capacity, together with its successors and permitted assigns, if any, the “Grantee”); and

WHEREAS, pursuant to the Secured Promissory Note, the Grantors have granted to the Grantee, for the benefit of the Grantee (as such term is defined in the Secured Promissory Note), a continuing security interest in all right, title and interest of the Grantors in, to and under the Patents and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the “Collateral”), to secure the payment, performance and observance of the Obligations (as defined in the Secured Promissory Note).

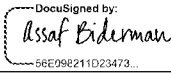

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors party hereto do hereby grant to the Grantee for the benefit of the Secured Parties, a continuing security interest in the Collateral to secure the prompt payment, performance and observance of the Secured Obligations.

The Grantors party hereto do hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the Collateral are more fully set forth in the Secured Promissory Note.

[Remainder of page intentionally left blank]

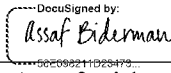

IN WITNESS WHEREOF, the undersigned have caused this Grant of a Security Interest - Patents to be duly executed by its officer thereunto duly authorized as of the date first set forth above.
