ASSIGNMENT OF SECURITY INTEREST IN PATENTS AND TRADEMARKS

This Assignment is made as of this 20 day of March, 1990 by and between Heller Financial, Inc., a Delaware corporation ("Heller") with offices at 505 North Brand Boulevard, Glendale, California 91203 and Bridgeport Machines, Inc., a Delaware corporation ("Bridgeport"), with offices at 500 Lindley Street, Bridgeport, Connecticut 06606.

Recitals

1. To secure certain indebtedness owed by Bridgeport to Heller, Bridgeport and Heller entered into a document entitled Collateral Assignment of Copyrights, Patents and Trademarks dated July 3, 1986 (the "Collateral Assignment") which was recorded with the Commissioner of Patents and Trademarks on Reel 4576 Frame 043-056 of the Patent office and on Reel 0538 Frame 423-436 of the Trademark office.

2. The Collateral Assignment concerned the patents, patent applications and trademarks as identified on the attached Schedules "B" and "C" (the "Collateral").

3. To the extent the title to the Collateral appeared to pass to Heller pursuant to the Collateral Assignment, Heller hereby assigns all right, title and interest, including the goodwill attendant the trademarks, to Bridgeport Machines, Inc., *nunc pro tunc* July 3, 1986. Heller confirms that it was and continues to be the intent of Heller and Bridgeport that all right, title and interest in all patents and trademarks was to remain in Bridgeport unless and until an "Event of Default" (as defined in the Loan Agreement) had occurred and Heller had exercised its rights as a secured party holding a security interest in the copyrights.

4. Heller has agreed to release its interest in the Collateral by reassigning same to Bridgeport.

Now, Therefore, in consideration of the sum of One Dollar (\$1.00) paid by Bridgeport to Heller together with other good and valuable consideration, the receipt and sufficiency of which is hereby expressly acknowledged, Heller does hereby sell, assign, transfer, and convey to Bridgeport, its successors and assigns, the entire right, title and interest in and to the Collateral together with the goodwill of the business in connection with which the
