SECTION 3. REPRESENTATIONS, WARRANTIES AND COVENANTS CONCERNING TRADEMARKS

3.1 Trademarks.

The Obligor represents, warrants and covenants that:

(a) to Obligor's knowledge, Schedule A hereto lists all of the trademarks, trademark applications and registrations in which the Obligor has any right, title or interest as of the date of the Obligor's execution and delivery of this Agreement;

(b) the Trademarks listed on Schedule A are subsisting and have not been adjudged invalid or unenforceable, in whole or in part;

(c) to Obligor's knowledge, each of the Trademarks is valid and enforceable;

(d) the Obligor is owner of the right, title and interest in and to each of the Trademarks listed on Schedule A, free and clear of any Liens, charges and encumbrances, other than Permitted Liens;

(e) to Obligor's knowledge, no claim has been made that the use of any of the Trademarks does or may violate the rights of any third person;

(f) the Obligor has the right to enter into this Agreement and perform its terms;

(g) the Obligor will use its best efforts to maintain in full force and effect the Trademarks that are or shall, in the Obligor's reasonable business judgment, be necessary or economically desirable in the operation of the Obligor's business; and

(h) the Obligor has used and will continue to use, for the duration of this Agreement, its best efforts to maintain standards of quality in its manufacture of products sold under the Trademarks, consistent with the standards which it has used prior to the date of this Agreement.

3.2 No Inconsistent Agreements.

Until all of the Secured Obligations shall have been satisfied in full, the Obligor will not, without the Trustee's prior written consent, enter into any agreement (including, without limitation, a license agreement) that is inconsistent with the Obligor's obligations under this Agreement.

3.3 After-Acquired Trademarks Subject to this Agreement.

(a) If, after the date of this Agreement while any Secured Obligation is outstanding, the Obligor shall obtain rights to any new Trademarks, or become entitled to the benefit of any rights to any Trademark, the same shall automatically be deemed subject to this Agreement and included within the definition "Trademark" herein, and the Obligor shall give to the Trustee prompt notice thereof in writing.

(b) The Obligor grants the Trustee the right, irrevocable so long as any Secured Obligations remain outstanding, to modify this Agreement from time to time by amending Schedule A (without requirement of any consent or further action on the part of the Obligor) to include any future trademarks, trademark applications and registrations that are Trademarks under the definition of such term in Section 1.1 or under Section 3.3(a).

3.4 Trademark Applications.

Until the Secured Obligations shall have been paid in full, the Obligor shall, where appropriate in its reasonable business judgment, prosecute any trademark application pending as of the date of this Agreement or thereafter and preserve and maintain all rights in the Trademarks. Any expenses incurred in connection with such an application shall be borne by the Obligor. The Obligor may abandon the right to file a trademark application, any pending trademark application, any trademark and any trademark registration without the consent of the Trustee if the Obligor determines, in its good faith and sound business judgment, that such right, application, trademark or registration is no longer material or necessary to its business. The Obligor shall take such measures, as in its reasonable business judgment are necessary to ensure that the Obligor shall have and enjoy all rights to apply for, register and use, subject to Section 3.3 of this Agreement, trademarks designed or created by its employees in the ordinary course of their employment.

3.5 Further Assurances.

So long as any of the Secured Obligations shall be outstanding, the Obligor, at its expense, will timely execute, acknowledge, deliver, file and record, or will cause to be executed, acknowledged, delivered, filed or recorded, all such further instruments, agreements, assignments and assurances as may be necessary or appropriate in its reasonable business judgment (and, in any event, as may be reasonably requested by the Trustee):

(a) to preserve and continue in force each of the trademark applications (subject to the Obligor's right to abandon such trademark applications pursuant to Section 3.4), trademark registrations and trademarks contained in the Trademarks and to pay any and all fees and out of pocket expenses in connection therewith (including,

without limitation, payment of such maintenance fees, if any, as may be imposed by the United States Patent and Trademark Office); and

(b) to subject to this Agreement, and to preserve, continue and protect the Lien of this Agreement on, and the rights of the Trustee in and to, the Trademarks (subject to the Obligor's right to abandon trademark applications pursuant to Section 3.4), including, without limitation, any Trademarks acquired after the date of this Agreement (as set forth in Section 3.3 of this Agreement).

SECTION 4. DEFAULTS -- REMEDIES

4.1 Default Remedies.

(a) All of the Trustee's rights and remedies with respect to the Trademarks, whether established hereby or by the Security Agreement, or by any other agreement or by law, shall be cumulative and may be exercised singularly or concurrently. Without limiting the foregoing, this Agreement is executed in furtherance of, and supplementary to, the provisions of the Security Agreement, the terms and conditions of which are incorporated hereby as if set forth in full herein. In the event any provision of the Security Agreement conflicts with any provision of this Agreement, the provisions of the Security Agreement shall prevail and this Agreement shall be deemed to have been modified to the extent necessary to conform to the provisions of the Security Agreement.

(b) If an Event of Default exists, the Trustee may exercise all of the rights and remedies of a secured party under the Code and all of the rights and remedies conferred in this Agreement, in the Security Agreement or in any other Transaction Document, it being expressly understood that no such remedy is intended to be exclusive of any other remedy or remedies, but each and every remedy shall be cumulative and shall be in addition to every other remedy given in this Agreement, in the Security Agreement or in any other Transaction Document or now or hereafter existing at law or in equity or by statute, and may be exercised from time to time as often as may be deemed expedient by the Trustee. Without limiting the generality of the foregoing, the Obligor further authorizes the Trustee and hereby irrevocably makes, constitutes and appoints the Trustee and any officer or agent thereof, with full power of substitution, as the Obligor's true and lawful attorney-in-fact with full power, in its own name or in the name of the Debenture Stockholders, upon the occurrence and continuance of an Event of Default, to

(i) immediately take ownership of the Trademarks and exercise all rights associated with the ownership of the Trademarks;

(ii) pay or discharge any taxes, liens, security interests or other encumbrances in respect of the Trademarks;

(iii) receive payment of, receipt for, settle, compromise or adjust and give discharges and releases for or in respect of any and all moneys, claims and other amounts due and to become due at any time under or in respect of the Trademarks; and

(iv) without demand of performance and without other notice (except as set forth next below), or demand whatsoever to the Obligor, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, in New York or elsewhere, the whole or from time to time any part of the Trademarks, or any interest that the Obligor may have therein.

(c) The Obligor and the Trustee agree that ten (10) days' notice to the Obligor of any public or private sale or other disposition of the Trademarks shall be reasonable notice thereof, and such sale shall be at such locations as the Trustee shall designate in such notice. Any other requirement of notice, demand or advertisement for sale is, to the extent permitted by law, waived by the Obligor. Proceeds arising from any such sale shall be applied in the manner set forth in Section 4.4 of the Security Trust.

(d) If any Event of Default exists, the Trustee shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and any license thereunder, in which event the Obligor shall at the request of the Trustee do any and all lawful acts and execute any and all proper documents reasonably required by the Trustee in aid of such enforcement, and the Obligor shall promptly, upon demand, reimburse and indemnify the Trustee for all reasonable out of pocket costs and expenses incurred by the Trustee in the exercise of its rights under this Section 4.1(d).

(e) If any Event of Default exists, the Trustee may at all reasonable times, have access to, examine, audit, make copies (at the Obligor's expense) and extracts from and inspect the Obligor's premises and examine its books, records and operations relating to the Trademarks, including, without limitation, the Obligor's quality control processes; provided that, in conducting such inspections and examinations, the Trustee shall use reasonable efforts not to unnecessarily disturb the conduct of the Obligor's ordinary business operations. From and after the occurrence of any Event of Default, the Obligor agrees that the Trustee, or a conservator appointed by the Trustee, shall have the right to establish such reasonable additional product quality controls as the Trustee or such conservator, in its sole and absolute judgment, may deem necessary to assure maintenance of the quality of products sold by the Obligor under the Trademarks.

(f) The Obligor will pay to the Trustee, its agents, attorneys and counsel all of their respective reasonable out of pocket expenses (including court costs and reasonable attorneys' fees and expenses) of, or incident to, the enforcement of any of the provisions of this Agreement and all other charges due against the Trademarks including, without limitation, taxes, assessments, security interests, Liens or encumbrances upon the Trademarks and any expenses, including transfer or other taxes, arising in connection with any sale, transfer or other disposition of the Trademarks.

4.2 Other Enforcement Rights.

The Trustee may proceed to protect and enforce

(a) this Agreement by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement in this Agreement contained or in execution or aid of any power in this Agreement granted,

or for foreclosure under this Agreement, or for the appointment of a receiver or receivers for the Trademarks or any part thereof, for the recovery of judgment for the obligations secured by this Agreement or for the enforcement of any other proper, legal or equitable remedy available under applicable law; and

(b) the Trademarks by suits or proceedings in equity, at law or in bankruptcy and, if Trustee shall commence any such suit, the Obligor shall, at the request of the Trustee, take any and all lawful action and execute any and all proper documents required by the Trustee in aid of such protection or enforcement.

The Obligor shall, upon demand, promptly reimburse the Trustee for all reasonable costs and expenses incurred by the Trustee, its agents, attorneys and counsel in the exercise of its rights under this paragraph 4 (including, without limitation, reasonable fees and expenses of attorneys for the Trustee).

4.3 Application of Proceeds.

The proceeds of any exercise of rights with respect to the Trademarks, or any part thereof, and the proceeds and the avails of any remedy under this Agreement shall be paid to the Trustee and applied in accordance with the provisions of the Security Trust. If there is a deficiency, the Obligor shall remain liable therefor and shall forthwith pay the amount of any such deficiency to the Trustee.

SECTION 5. CUMULATIVE REMEDIES; POWER OF ATTORNEY

All of the Trustee's rights and remedies with respect to the Trademarks, whether established hereby, by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently. After the occurrence and during the continuance of an Event of Default, the Obligor hereby irrevocably designates, constitutes and appoints the Trustee (and all persons designated by the Trustee in its sole and absolute discretion) as the Obligor's true and lawful attorney-in-fact, and authorizes the Trustee and any of the Trustee's designees, in the Obligor's or the Trustee's name, to

(a) endorse the Obligor's names on all applications, documents, papers and instruments deemed necessary or desirable by the Trustee in the use of the Trademarks,

(b) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone on commercially reasonable terms,

(c) grant or issue any exclusive or nonexclusive license under the Trademarks or, to the extent permitted, under the Licenses, to anyone on commercially reasonable terms, and

(d) take any other actions with respect to the Trademarks as the Trustee deems in its best interest.

The Trustee shall take no action pursuant to subparagraphs (a), (b), (c) or (d) of this Section 5 without taking like action with respect to the entire goodwill of the Obligor's business connected

with the use of, and symbolized by, such Trademarks. The Obligor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until all of the Secured Obligations shall have been paid in full. The Obligor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Trustee under the Security Trust, but rather is intended to facilitate the exercise of such rights and remedies. The Trustee shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks may be located or deemed located.

SECTION 6. MISCELLANEOUS

6.3 *Survival.*

All warranties, representations and covenants made by the Obligor in this Agreement and in the other Transaction Documents or in any certificate or other document or instrument delivered by it or on behalf of it under this Agreement or any other Transaction Document shall be considered to have been relied upon by the Trustee and each holder of the Secured Obligations and shall survive the delivery to each holder of Secured Obligations of any instrument or other document evidencing the same. This Agreement shall be binding upon the Obligor and inure to the benefit of and be enforceable by the Trustee for the benefit of itself and the Debenture Stockholders.

6.4 *Waiver and Amendment.*

6.5 *Partial Invalidity.*

6.6 *Subject to Security Trust.*

Any and all rights granted to the Trustee under this Agreement are to be held and exercised by the Trustee, pursuant to the provisions of the Security Trust. Any and all obligations under this Agreement of the parties to this Agreement, and the rights and indemnities granted to the Trustee under this Agreement, are created and granted in furtherance (and not in limitation) of, the terms of the Security Trust and the rights and indemnities of the Trustee contained therein shall apply equally to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to give to any Person other than the Obligor, and the Debenture Stockholders the Trustee any legal or equitable right, remedy or claim under or in respect of this Agreement or any covenant, condition or provision herein contained, and all such covenants, conditions and provisions are and shall be held to be for the sole and exclusive benefit of the Obligor and the Trustee for the benefit itself and of the Debenture Stockholders. Notwithstanding anything herein to the contrary, the Trustee shall exercise its rights and powers only as directed by the Majority Financiers as provided in the Security Trust.
