# TRADEMARK COLLATERAL ASSIGNMENT AND SECURITY AGREEMENT

**THIS TRADEMARK COLLATERAL ASSIGNMENT AND SECURITY AGREEMENT** (this "Agreement") dated as of January 15, 1999, is between EDWARD DON & COMPANY" (the "Company") and LASALLE NATIONAL BANK in its capacity as agent for the Lender Parties referred to below (in such capacity, the "Agent").

## W I T N E S S E T H:

**WHEREAS**, the Company has entered into a Credit Agreement dated as of January 15, 1999 (as amended or otherwise modified from time to time, the "Credit Agreement") with various financial institutions and the Agent, pursuant to which such financial institutions have agreed to make loans to, and issue or participate in letters of credit for the account of, the Company; and

**WHEREAS**, the obligations of the Company under the Credit Agreement are to be secured pursuant to this Agreement;

**NOW, THEREFORE**, for and in consideration of any loan, advance or other financial accommodation heretofore or hereafter made to the Company under or in connection with the Credit Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

### 1. Defined Terms.

a. Unless otherwise defined herein, the capitalized terms used herein which are defined in the Credit Agreement shall have the meanings specified in the Credit Agreement.

b. The following terms have the following meanings:

"Collateral" means all property and rights of the Company in which a security interest is granted under the Security Agreement and the other Loan Documents:

"Lender Party" means each Bank under and as defined in the Credit Agreement and any Affiliate of such a Bank which is a party to a Hedging Agreement with the Company.

"Liabilities" means all obligations (monetary or otherwise) of the Company under the Credit Agreement, any Note, any other Loan Document or any other document or instrument executed in connection therewith and all Hedging Obligations owed to any Lender Party, in each case howsoever created, arising or evidenced, whether direct

or indirect, absolute or contingent, now or hereafter existing, or due or to become due.

c. The words "hereof," "herein" and "hereunder" and words of like import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and section and schedule references are to this Agreement unless otherwise specified.

d. All terms defined in this Agreement in the singular shall have comparable meanings when used in the plural, and vice versa, unless otherwise specified.

2. **Security Interest in Trademarks**. To secure the complete and timely payment, performance and satisfaction of all of the Liabilities, the Company hereby grants to the Agent for the benefit of the Lender Parties, a continuing security interest in, having priority over all other security interests, with power of sale to the extent permitted by applicable law, all of the Company's now owned or existing and hereafter acquired or arising:

a. trademarks, registered trademarks and trademark applications, trade names, trade styles, service marks, unregistered service marks, registered service marks and service mark applications including, without limitation, the unregistered trademarks, the registered trademarks, trademark applications, registered service marks and service mark applications listed on Schedule A attached hereto and made a part hereof, and (i) all renewals thereof, (ii) all accounts receivable, income, royalties, damages and payments now and hereafter due and/or payable with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (iii) the right to sue for past, present and future infringements and dilutions thereof, and (iv) all of the Company's rights corresponding thereto throughout the world (all of the foregoing unregistered trademarks, registered trademarks, trademark applications, trade names, trade styles, unregistered service marks, registered service marks and service mark applications, together with the items described in clauses (i)-(iv) in this paragraph 2(a), being sometimes hereinafter individually and/or collectively referred to as the "Trademarks");

b. the goodwill of the Company's business connected with and symbolized by the Trademarks; and

c. license agreements with any other party now or hereafter entered into in connection with any Trademarks or such other party's trademarks, registered trademarks and trademark applications, trade names, trade styles, service marks, registered service marks and service mark applications, whether the Company is a licensor or licensee under any such license agreement, including, but not limited to, the license agreements listed on Schedule B attached hereto and made a part hereof, and the right upon the occurrence and during the continuance of an Event of Default to use the foregoing in connection with the enforcement of the rights of the Agent and the Lender Parties under the Credit Agreement or any other Loan Document executed in connection therewith (all of the foregoing being hereinafter referred to collectively as the "Licenses"). Notwithstanding

the foregoing provisions of this Section 2, the Licenses shall not include any license agreement under which the Company is licensee which by its terms prohibits the grant of the security interest contemplated by this Agreement.

3. **Restrictions on Future Agreements.** The Company will not, without the Agent's prior written consent, enter into any agreement, including, without limitation, any license agreement, which is inconsistent with this Agreement, and the Company further agrees that it will not take any action, and will use reasonable efforts not to permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which could reasonably be expected to affect in any material respect the validity or enforcement of the rights transferred to the Agent under this Agreement or the rights associated with those Trademarks and Licenses which are necessary or desirable in the operation of the Company's business.

4. **New Trademarks and Licenses.** The Company represents and warrants that the Trademarks and Licenses listed on Schedule A and Schedule B, respectively, include all of the trademarks, trademark registrations, trademark applications, trade names, trade styles, service marks, service mark registrations, service mark applications and license agreements in connection with trademarks, registered trademarks, trademark applications, trade names, trade styles, service marks, registered service marks and service mark applications now owned or held by the Company. If, prior to the termination of this Agreement, the Company shall (i) create or obtain rights to any new trademarks, trademark registrations, trademark applications, trade names, trade styles, service marks, service mark registrations, service mark applications or license agreements in connection with trademarks, registered trademarks, trademark applications, trade names, trade styles, service marks, registered service marks or service mark applications or (ii) become entitled to the benefit of any trademark, trademark registration, trademark application, trade name, trade styles, service mark, service mark registration or service mark application, the provisions of Section 2 above shall automatically apply thereto and the Company shall give to the Agent prompt written notice thereof. The Company hereby authorizes the Agent to modify this Agreement by (a) amending Schedules A or B, as the case may be, to include any future trademarks, trademark registrations, trademark applications, trade names, trade styles, service marks, service mark registrations, service mark applications, and license agreements in connection with trademarks, registered trademarks, trademark applications, trade styles, service marks, service mark registrations, service mark applications and trade names that are Trademarks or Licenses under Section 2 above, or under this Section 4 (whether or not any such notice from the Company has been sent or received), and (b) filing, in addition to and not in substitution for, this Agreement, a supplement or addendum to this Agreement containing on Schedules A or B thereto, as the case may be, such trademarks, trademark applications, trade names, trade styles, service marks, service mark applications and license agreements in connection with trademarks, registered trademarks, trademark applications, trade styles, service marks, registered service marks, service mark applications and trade names which are Trademarks or Licenses under Section 2 above or this Section 4 and to take any action the Agent otherwise deems appropriate to perfect or maintain the rights and interests of the Agent under this Agreement with respect to such Trademarks and Licenses. Any amendments to filings made by the Agent pursuant to this Section 4

at any time during which no Event of Default shall exist shall be subject to the prior approval of the Company.

5. **Royalties.** The Company hereby agrees that the use by the Agent of the Trademarks and Licenses as authorized hereunder shall be co-extensive with the Company's rights thereunder and with respect thereto and without any liability for royalties or other related charges from the Agent or the Lender Parties to the Company or anyone.

6. **Nature and Continuation of Security Interest.** This Agreement is made for collateral security purposes only. This Agreement shall create a continuing security interest in the Trademarks and Licenses and shall remain in full force and effect until the Liabilities have been paid in full and the Credit Agreement terminated. To the extent that the collateral assignment of the security interest in any one or more of the trademark or service mark intent to use applications would invalidate a specific trademark or service mark application or registration, then the collateral assignment of the security interest of such specific application shall be deemed without force or effect as if it had never been made.

7. **Right to Inspect; Further Assignments and Security Interests.** The Agent shall have the right, during normal business hours and upon reasonable prior notice (or at any time without notice if an Event of Default exists), to inspect the Company's premises and to examine the Company's books, records, and operations relating to the Trademarks, including, without limitation, the Company's quality control processes; provided, that in conducting such inspections and examinations, the Agent shall use reasonable efforts not to disturb unnecessarily the conduct of the Company's ordinary business operations, and such inspections shall otherwise be conducted in accordance with the provisions of Section 10.2 of the Credit Agreement. From and after the occurrence of an Event of Default, and during the continuation thereof, subject to the terms of the Credit Agreement and any other Loan Document executed in connection therewith, the Company agrees that the Agent, or a conservator appointed by the Agent, shall have the right to take any action to renew or to apply for registration of any Trademarks as the Agent or said conservator, in its sole judgment, may deem necessary or desirable in connection with the enforcement of the Agent's rights hereunder. Except as otherwise provided hereunder and in Section 10.11 of the Credit Agreement, the Company agrees (i) not to sell or assign its respective interests in, or grant any license under, the Trademarks without the prior written consent of the Agent and (ii) to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with the quality of said products as of the date hereof.

8. **Duties of The Company.** The Company shall have the duty, to the extent necessary or desirable in the normal conduct of the Company's business, (i) to prosecute diligently any trademark application or service mark application that is part of the Trademarks pending as of the date hereof or thereafter until the termination of this Agreement, (ii) to make application for trademarks and service marks as the Company deems appropriate, and (iii) to preserve and maintain all of the Company's rights in the trademark applications, service mark applications and trademark and service mark registrations that are part of the Trademarks and Licenses. Any expenses incurred in connection

with the foregoing shall be borne by the Company. The Company shall not abandon any trademark or service mark which is the subject of a registered trademark, service mark or application therefor and which is or shall be necessary or economically desirable in the operation of the Company's business. The Agent shall not have any duty with respect to the Trademarks and Licenses. Without limiting the generality of the foregoing, the Agent shall not be under any obligation to take any steps necessary to preserve rights in the Trademarks and Licenses against any other parties, but may do so at its option during the continuance of an Event of Default, and all expenses incurred in connection therewith shall be for the sole account of the Company and added to the Liabilities secured hereby.

9. **Agent's Right to Sue.** From and after the occurrence and during the continuance of an Event of Default, the Agent shall have the right, but shall not be obligated, to bring suit or take any other action to enforce the Trademarks and the Licenses and, if the Agent shall commence any such suit or take any such action, the Company shall, at the request of the Agent, do any and all lawful acts and execute any and all proper documents required by the Agent in aid of such enforcement. The Company shall, upon demand, promptly reimburse and indemnify the Agent for all costs and expenses incurred by the Agent in the exercise of its rights under this Section 9 (including, without limitation, all Attorney Costs). If, for any reason whatsoever, the Agent is not reimbursed with respect to the costs and expenses referred to in the preceding sentence, such costs and expenses shall be added to the Liabilities secured hereby.

10. **Waivers.** No course of dealing between the Company and the Agent or the Lender Parties, and no failure to exercise or delay in exercising on the part of the Agent any right, power or privilege hereunder or under the Credit Agreement or any other Loan Document executed in connection therewith shall operate as a waiver of any of the Agent's or the Lender Parties' rights, powers or privileges. No single or partial exercise of any right, power or privilege hereunder or under the Credit Agreement or any other Loan Document executed in connection therewith shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

11. **Exercise of Rights and Remedies Upon Default.** Notwithstanding anything set forth herein to the contrary, it is hereby expressly agreed that upon the occurrence and during the continuance of an Event of Default, the Agent and the Lender Parties may exercise any of the rights and remedies provided in this Agreement, the Credit Agreement or any other Loan Document executed in connection therewith. Without limiting the generality of the foregoing, the Company acknowledges and agrees that (i) the Trademarks and Licenses comprise a portion of the Collateral and the Agent and the Lender Parties shall have the right to exercise their rights under the Credit Agreement and any other Loan Document executed in connection therewith with respect to the Trademarks and Licenses to the same extent as with respect to all other items of Collateral described therein, and (ii) from and after the occurrence and during the continuance of an Event of Default, the Agent or its nominee may use the Trademarks and Licenses to complete the manufacture of, assemble, package, distribute, prepare for sale and sell any and all inventory, or otherwise use or transfer such Collateral in connection with the conduct of the Company's business.

12. **Severability**. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

13. **Modification**. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 2 and Section 4 hereof or by a writing signed by the parties hereto.

14. **Cumulative Remedies; Power of Attorney**. All of the Agent's rights and remedies with respect to the Trademarks and the Licenses, whether established hereby, by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently. The Company hereby irrevocably appoints the Agent as the Company's attorney-in-fact, with full authority in the place and stead of the Company and in the name of the Company or otherwise to carry out the acts described below at the times described below. Subject to the terms of the Credit Agreement and any other Loan Document executed in connection therewith, the Company hereby authorizes the Agent to, in its sole discretion, upon the occurrence and during the continuance of an Event of Default, (i) endorse the Company's name on all applications, documents, papers and instruments necessary or desirable for the Agent in the use or transfer of the Trademarks and the Licenses, (ii) take any other actions with respect to the Trademarks and the Licenses as the Agent deems is in its best interest, (iii) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, and (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. The Company hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until this Agreement shall have been terminated pursuant to Section 6. The Company acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of the Agent or the Lender Parties under the Credit Agreement or any other Loan Document executed in connection therewith, but rather is intended to facilitate the exercise of such rights and remedies. The Agent shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks may be located or deemed located.

15. **Binding Effect; Benefits**. This Agreement shall be binding upon the Company and its successors and assigns, and shall inure to the benefit of the Agent and the Lender Parties and their respective nominees, successors and assigns. The Company's successors and assigns shall include, without limitation, a receiver, trustee or debtor-in-possession of or for the Company; provided, however, that the Company shall not voluntarily assign its obligations hereunder without the prior written consent of the Agent.

16. **Governing Law**. This Agreement shall be governed by, construed and interpreted in accordance with, the laws of the State of Illinois, except for its choice of law provisions.

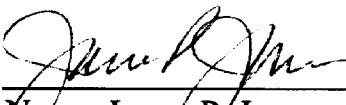

17. **Notices.** All notices or other communications hereunder shall be given in the manner and to the addresses set forth in the Credit Agreement.

18. **Section Headings.** The section headings herein are for convenience of reference only, and shall not affect in any way the interpretation of any of the provisions hereof.

19. **Execution in Counterparts.** This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

**IN WITNESS WHEREOF**, the parties hereto have duly executed this Agreement on the day and year first above written.
