Notwithstanding anything to the contrary in this Agreement, no Grantor shall be required to pledge to the US Administrative Agent, in its capacity as such, more than 65% of the shares of the capital stock of any Foreign Subsidiary (as defined below) to secure the US Secured Obligations (it being understood and agreed that 100% of the shares of capital stock of any such Foreign Subsidiary shall be pledged hereunder to the Canadian Administrative Agent to secure the Canadian Secured Obligation, subject to the terms of the Intercreditor Agreement). For the purposes of this Section, "Foreign Subsidiary" means any "controlled foreign corporation" within the meaning of Section 957(a) of the Internal Revenue Code, as to which such Grantor is a "United States shareholder" as defined in Section 951(b) of the Internal Revenue Code.

Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts that constitute part of the Secured Obligations and would be owed by any Grantor to any Secured Party under the Loan Documents or the Canadian Loan Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding. Notwithstanding anything to the contrary herein or in any other Loan Document, the pledge by Holdings of the Capital Stock of Group shall secure only the obligations of Panolam US under the Guaranty.

Section 4. Delivery of Security Collateral and Account Collateral.

All certificates or instruments, if any, representing or evidencing Security Collateral or Account Collateral shall be delivered to and held by or on behalf of the Acting Administrative Agent pursuant hereto (a) on or prior to the Closing Date, with respect to such Collateral in existence on the Closing Date, and (b) within 3 Business Days of any Grantor obtaining rights thereto with respect to any other such Collateral. All such Collateral when so delivered shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank and, with respect to the Security Collateral of Panolam Canada, such irrevocable resolutions of the Borrower as the Canadian Administrative Agent may require to give effect to any transfer under this Agreement, all in form and substance satisfactory to the Acting Administrative Agent (provided, however, without limiting any of the other provisions herein, upon the board of directors of Panolam Canada obtaining the discretion or powers to manage or supervise the management of the business and affairs of Panolam Canada, in order to better perfect the Canadian Administrative Agent's security therein, all Pledged Shares of Panolam Canada required to be delivered hereunder shall be registered in the name of the Canadian Administrative Agent, or at the Canadian Administrative Agent's option, the name of its nominee, and delivered to the Canadian Administrative Agent with a certified copy of the share register of Panolam Canada showing the Canadian Administrative Agent, or its nominee, as applicable, as the registered owner of such Pledged Shares). The Acting Administrative Agent shall have the right, at any time in its discretion and without notice to any Grantor, to transfer to or to register in the name of the Acting Administrative Agent or any of its nominees any or all of the Security Collateral and Account Collateral, subject only to the revocable rights specified in Section 10(a). In addition, the Acting Administrative Agent shall have the right at any time to exchange certificates or instruments representing or evidencing Security Collateral or Account Collateral for certificates or instruments of smaller or larger denominations.

Section 5. Representations and Warranties.

Each Grantor represents and warrants as follows:

(a) All of the Equipment and Inventory are located at the places specified in Schedule VI hereto. The chief place of business and chief executive office of such Grantor and the office where such Grantor keeps its records concerning the Accounts, and the original copies of the Related Contracts and all originals of all Chattel Paper, are located at the address first specified above for such Grantor or in the Amendment to Security Agreement pursuant to which it became a party hereto, and the original copies of each Related Contract and all originals of all Chattel Paper that evidence Accounts, are located at the address first specified above or in such Amendment to Security Agreement for such Grantor. None of the Accounts or the Account Collateral is evidenced by a promissory note or other instrument.

(b) Such Grantor is the legal and beneficial owner of the Collateral of such Grantor free and clear of any Lien, except for the security interests created by this Agreement and Permitted Liens. No effective financing statement or other instrument similar in effect covering all or any part of the Collateral is on file in any recording office, except such as may have been filed in favor of the US Administrative Agent and the Canadian Administrative Agent relating to this Agreement and except as otherwise permitted under the US Credit Agreement and the Canadian Credit Agreement. Such Grantor has the trade names listed on Part I of Schedule III.

(c) Such Grantor has exclusive possession and control of the Equipment constituting Collateral and Inventory constituting Collateral.

(d) The Pledged Shares have been duly authorized and validly issued and are fully paid and non-assessable. The Pledged Debt has been duly authorized, authenticated or issued and delivered, is the legal, valid and binding obligation of the issuers thereof and is not in default.

(e) The Pledged Shares constitute the percentage of the issued and outstanding shares of stock of the issuers thereof indicated on Schedule I. The Pledged Debt is, as of the date hereof, outstanding in the principal amount indicated on Schedule I.

(f) This Agreement, the pledge of the Security Collateral pursuant hereto and the pledge and assignment of the certificates, if any, representing the Account Collateral pursuant hereto create a valid and perfected first priority security interest in such Collateral, securing the payment of the Secured Obligations, and all filings and other actions necessary or desirable to perfect and protect such security interests have been duly taken. Upon the filing of financing statements under the Uniform Commercial Code in each of the filing offices listed on Schedule V with respect to each Grantor, which financing statements have been duly filed or executed in appropriate form for filing and

delivered to the US Administrative Agent, the security interest of each of the US Administrative Agent and the Canadian Administrative Agent in respect of all other Collateral will be perfected to the extent a security interest in such Collateral may be perfected by the filing of financing statements.

(g) No consent of any other Person and no authorization, approval or other action by, and no notice to or filing with, any governmental authority or regulatory body or other third party is required either (i) for the grant by such Grantor of the assignment and security interest granted or purported to be granted hereby, for the pledge by such Grantor of the Security Collateral pursuant hereto or for the execution, delivery or performance of this Agreement by such Grantor, (ii) for the perfection or maintenance of the pledge, assignment and security interest created or purported to be created hereby (including the first priority nature of such pledge, assignment or security interest), except for the filing of financing and continuation statements under the Uniform Commercial Code, which financing statements have been duly filed or executed in appropriate form for filing and delivered to the US Administrative Agent, and the recording of this Agreement in the United States Patent and Trademark Office, which Agreement has been duly filed or executed in appropriate form for filing and delivered to the US Administrative Agent, or (iii) for the exercise by the Acting Administrative Agent of its voting or other rights provided for in this Agreement or the remedies in respect of the Collateral pursuant to this Agreement, except as may be required in connection with the disposition of any portion of the Security Collateral by laws affecting the offering and sale of securities generally.

(h) The Inventory has been produced by such Grantor in compliance with all requirements of the Fair Labor Standards Act.

(i) None of the Collateral constitutes, or is the proceeds of, farm products.

Without limiting the generality of the foregoing, such Grantor will: (i) mark conspicuously all Chattel Paper, each Related Contract, and, at the request of the Acting Administrative Agent, each of its records pertaining to the Collateral with a legend, in form and substance satisfactory to the Acting Administrative Agent, indicating that such document, Chattel Paper, Related Contract or Collateral is subject to the security interest granted hereby; (ii) if any Collateral shall be evidenced by a promissory note or other instrument, deliver and pledge to the Acting Administrative Agent hereunder such note or instrument duly indorsed and accompanied by duly

executed instruments of transfer or assignment, all in form and substance satisfactory to the Acting Administrative Agent; and (iii) execute and file such financing or continuation statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as the Acting Administrative Agent may request, in order to perfect and preserve the pledge, assignment and security interest granted or purported to be granted hereby.

(b) Each Grantor hereby authorizes the US Administrative Agent and the Canadian Administrative Agent to file one or more financing or continuation statements, and amendments thereto, relating to all or any part of the Collateral without the signature of such Grantor where permitted by law. A photocopy or other reproduction of this Agreement or any financing statement covering the Collateral or any part thereof shall be sufficient as a financing statement where permitted by law.

(c) Each Grantor will furnish to the US Administrative Agent and the Canadian Administrative Agent from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Acting Administrative Agent may reasonably request, all in reasonable detail.

Section 7. As to Equipment and Inventory.

(a) Each Grantor shall keep the Equipment and Inventory (other than Inventory sold in the ordinary course of business) at the places therefor specified in Section 5(a) or, upon 30 days' prior written notice to the US Administrative Agent and the Canadian Administrative Agent, at such other places in a jurisdiction where all action required by Section 6 shall have been taken with respect to the Equipment and Inventory.

(b) Each Grantor shall promptly furnish to the Acting Administrative Agent a statement respecting any material loss or damage to any Equipment.

Section 8. Insurance.

(a) Each Grantor (or the Borrower, on behalf of each Grantor) shall, at its own expense, maintain the insurance required pursuant to the Credit Agreements and with such insurers, as shall be reasonably satisfactory to the Acting Administrative Agent from time to time. Each policy for liability insurance shall provide for all losses to be paid on behalf of the Acting Administrative Agent and such Grantor as their interests may appear, and each policy for property damage insurance shall provide for all losses (except for losses of less than \$10,000,000 per occurrence) to be paid directly to the Acting Administrative Agent in accordance with Section 6.01(d) of each Credit Agreement. Each such policy shall be subject to such loss payee endorsements and additional insured provisions as the Acting Administrative Agent may reasonably require. Each Grantor shall, if so requested by the Acting Administrative Agent, deliver to the Acting Administrative Agent original or duplicate policies of such insurance and, as often as the Acting Administrative Agent may reasonably request, a report of a reputable insurance broker with respect to such insurance. Further, each Grantor shall, at the request of the Acting Administrative Agent, duly exercise and deliver instruments of assignment of such

insurance policies to comply with the requirements of Section 6 and cause the insurers to acknowledge notice of such assignment.

(b) Reimbursement under any liability insurance maintained by any Grantor pursuant to this Section 8 may be paid directly to the Person who shall have incurred liability covered by such insurance. In case of any loss involving damage to Equipment or Inventory when no Event of Default has occurred and is continuing, the applicable Grantor shall make or cause to be made the necessary repairs to or replacements of such Equipment or Inventory, and any proceeds of insurance maintained by such Grantor pursuant to this Section 8 shall be paid to such Grantor as reimbursement for the costs of such repairs or replacements in accordance with Section 6.01(d) of the US Credit Agreement or the Canadian Credit Agreement, as applicable.

(c) Upon the occurrence and during the continuance of any Event of Default under either Credit Agreement and the actual or constructive total loss of any Equipment or Inventory, all insurance payments in respect of such Equipment or Inventory shall be paid to and applied by the Acting Administrative Agent as specified in Section 16(b).

Section 9. Place of Perfection; Records; Collection of Accounts.

(a) Each Grantor shall keep its chief place of business and chief executive office and the office where it keeps its records concerning the Collateral, and the original copies of the Related Contracts and all originals of all Chattel Paper, at the location therefor specified in Section 5(a) or, upon 30 days' prior written notice to the US Administrative Agent and the Canadian Administrative Agent, at such other locations in a jurisdiction where all actions required by Section 6 shall have been taken with respect to the Collateral. Each Grantor will hold and preserve such records, Related Contracts and Chattel Paper and will permit representatives of the US Administrative Agent and the Canadian Administrative Agent at any time during normal business hours to inspect and make abstracts from such records, Related Contracts and Chattel Paper.

(b) Each Grantor will not change its name, identity or corporate structure to such an extent that any financing statement filed by the US Administrative Agent or the Canadian Administrative Agent in connection with this Agreement would become seriously misleading, unless it shall have given the US Administrative Agent and the Canadian Administrative Agent at least 30 days' prior written notice of such change and shall have taken any action required by the US Administrative Agent or the Canadian Administrative Agent in connection therewith.

(c) Except as otherwise provided in this subsection (c), each Grantor shall continue to collect, at its own expense, all amounts due or to become due such Grantor under the Accounts. In connection with such collections, each Grantor may take (and, at the Acting Administrative Agent's direction, shall take) such action as such Grantor or the Acting Administrative Agent may reasonably deem necessary or advisable to enforce collection of the Accounts; provided, however, that the Acting Administrative Agent shall have the right at any time after the occurrence and during the continuance of an Event of Default under either Credit

Agreement, upon written notice to such Grantor of its intention to do so, to notify the Obligors under any Accounts of the assignment of such Accounts to the Acting Administrative Agent and to direct such Obligors to make payment of all amounts due or to become due to such Grantor thereunder directly to the Acting Administrative Agent and, upon such notification and at the expense of such Grantor, to enforce collection of any such Accounts, and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done. After receipt by such Grantor of the notice from the Acting Administrative Agent referred to in the proviso to the preceding sentence, (i) all amounts and proceeds (including instruments) received by such Grantor in respect of the Accounts shall be received in trust for the benefit of the Acting Administrative Agent hereunder, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Acting Administrative Agent in the same form as so received (with any necessary or requested indorsement) and either (A) released to such Grantor so long as no Default or Event of Default shall have occurred and be continuing or (B) if any Default or Event of Default shall have occurred and be continuing, applied as provided by Section 16(b) and (ii) such Grantor shall not adjust, settle or compromise the amount or payment of any Account, release wholly or partly any obligor thereof, or allow any credit or discount thereon. At the Acting Administrative Agent's request such Grantor shall deliver to the Acting Administrative Agent all original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Accounts, including, without limitation, all original orders, invoices and shipping receipts.

Section 10. Voting Rights; Dividends; Etc.

(a) So long as no Event of Default shall have occurred and be continuing:

(i) Each Grantor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Security Collateral or any part thereof for any purpose not inconsistent with the terms of this Agreement, the other Loan Documents or the Canadian Loan Documents; provided, however, that no Grantor shall exercise or refrain from exercising any such right if could reasonably be expected to have a Material Adverse Effect on the value of the Security Collateral or any part thereof or adversely affect (A) the validity, perfection or priority of the security interest and pledge granted or purported to be granted by this Agreement or (B) the right and remedies of the Acting Administrative Agent or the Secured Parties hereunder;

(ii) Each Grantor shall be entitled to receive and retain any and all dividends and interest paid in respect of the Security Collateral; provided, however, that any and all

(A) dividends and interest paid or payable other than in cash in respect of, and instruments and other property received, receivable or otherwise distributed in respect of, or in exchange for, any Security Collateral,

(B) dividends and other distributions paid or payable in cash in respect of any Security Collateral in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid-in-surplus and

(C) cash paid, payable or otherwise distributed in respect of principal of, or in redemption of, or in exchange for, any Security Collateral

shall be, and shall be forthwith delivered to the Acting Administrative Agent to hold as, Security Collateral and shall, if received by such Grantor, be received in trust for the benefit of the Acting Administrative Agent, be segregated from the other property or funds of such Grantor and be forthwith delivered to the Acting Administrative Agent as Security Collateral in the same form as so received (with any necessary or requested indorsement).

(iii) The Acting Administrative Agent shall execute and deliver (or cause to be executed and delivered) to any Grantor all such proxies and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above and to receive the dividends or interest payments that it is authorized to receive and retain pursuant to paragraph (ii) above.

(b) Upon the occurrence and during the continuance of a Default or Event of

Default:

(i) All rights of each Grantor (x) to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 10(a)(i) shall, upon notice to such Grantor by the Acting Administrative Agent, cease and (y) to receive the dividends and interest payments that it would otherwise be authorized to receive and retain pursuant to Section 10(a)(ii) shall automatically cease, and all such rights shall thereupon become vested in the Acting Administrative Agent, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights and to receive and hold as Security Collateral such dividends and interest payments.

(ii) All dividends and interest payments that are received by any Grantor contrary to the provisions of paragraph (i) of this Section 10(b) shall be received in trust for the benefit of the Acting Administrative Agent and the Secured Parties, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Acting Administrative Agent as Security Collateral in the same form as so received (with any necessary or requested indorsement).

Section 11. As to Patents, Trademarks and Copyrights.

- (a) Schedule II includes all Patents and Patent Licenses owned by each Grantor in its own name on the date hereof.
- (b) Schedule III includes all Trademarks and Trademark Licenses owned by each Grantor in its own name on the date hereof.
- (c) Schedule IV includes all Copyrights and Copyright Licenses owned by each Grantor in its own name on the date hereof.
- (d) Except as set forth on Schedule II, III or IV, to the best of each Grantor's knowledge, each Patent, Trademark and Copyright is on the date hereof valid, subsisting, unexpired, enforceable and has not been abandoned.
- (e) Except as set forth in Schedule II, III or IV, none of such Patents, Trademarks or Copyrights is on the date hereof the subject of any licensing or franchise agreement.
- (f) Except as set forth on Schedule II, III or IV, no holding, decision or judgment has been rendered by any governmental authority which would limit, cancel or question the validity of any Patent, Trademark or Copyright in any respect that could reasonably be expected to have a Material Adverse Effect.
- (g) Except as set forth on Schedule II, III or IV, no action or proceeding is pending on the date hereof (i) seeking to limit, cancel or question the validity of any Patent, Trademark or Copyright, or (ii) which, if adversely determined, would have a material adverse effect on the value of any material Patent, Trademark or Copyright.
- (h) Each Grantor (either itself or through licensees) will (i) continue to use each material Trademark of such Grantor on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any claim of abandonment for non-use, (ii) maintain as in the past the quality of products and services offered under such material Trademark, (iii) employ such material Trademark with the appropriate notice of registration, (iv) not adopt or use any mark which is confusingly similar or a colorable imitation of such material Trademark unless the Acting Administrative Agent, for the ratable benefit of the Secured Parties (subject to the terms of the Intercreditor Agreement), shall obtain a perfected first priority security interest in such mark pursuant to this Agreement, and (v) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby such material Trademark may become invalidated.
- (i) No Grantor will do any act, or omit to do any act, whereby any material Patent may become abandoned or dedicated.

(j) Each Grantor will notify the Acting Administrative Agent and the Secured Parties immediately if it knows, or has reason to know, that any application or registration relating to any material Patent or Trademark may become abandoned or dedicated, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or any court or tribunal in any country) regarding such Grantor's ownership of any material Patent or Trademark or its right to register the same or to keep and maintain the same.

(k) Whenever any Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for the registration of any Patent or Trademark with the United States Patent and Trademark Office or any similar office or agency in any other country or any political subdivision thereof, such Grantor shall report such filing to the Acting Administrative Agent within five Business Days after the last day of the fiscal quarter in which such filing occurs. Upon request of the Acting Administrative Agent, such Grantor shall execute and deliver any and all agreements, instruments, documents, and papers as the Acting Administrative Agent may request to evidence the Acting Administrative Agent's and the Secured Parties' security interest in any Patent or Trademark and the goodwill and general intangibles of such Grantor relating thereto or represented thereby.

(l) Each Grantor will take all reasonable and necessary steps, including, without limitation, in any proceeding before the United States Patent and Trademark Office, or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of the material Patents and Trademarks, including, without limitation, filing of applications for renewal, affidavits of use and affidavits of incontestability.

(m) In the event that any material Patent or Trademark included in the Collateral is infringed, misappropriated or diluted by a third party, each Grantor shall (i) take such actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Patent or Trademark and (ii) if such Patent or Trademark is of material economic value, promptly notify the Acting Administrative Agent after it learns thereof and sue for infringement, misappropriation or dilution, to seek injunctive relief where appropriate and to recover any and all damages for such infringement, misappropriation or dilution.

(n) Each Grantor (either itself or through licensees) will (i) employ the appropriate notice of copyright for each published work which is or may be subject to copyright protection under Title 17 of the U.S. Code (each such published work, a "**Work**") subject to copyright protection to the extent necessary to protect the Copyright relating to such Work and (ii) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any material Copyright may become invalidated, except where the failure to take any such action would not reasonably be expected to have a Material Adverse Effect.

(o) No Grantor will (either itself or through licensees) do any act, or omit to do any act, whereby any material Copyright may become injected into the public domain, except where such action or the failure to take any such action would not have a Material Adverse Effect.

(p) Each Grantor will notify the Acting Administrative Agent immediately if it knows, or has reason to know, that any material Copyright may become injected into the public domain or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in any court or tribunal in any country) regarding such Grantor's ownership of any such Copyright or its validity and of any action such Grantor is taking in respect of such event.

(q) Whenever any Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for the registration of any Copyright with the United States Copyright Office or any similar office in any other country or political subdivision thereof, such Grantor shall report such filing to the Acting Administrative Agent within five Business Days after the last day of the fiscal quarter in which such filing occurs. Such Grantor shall execute and deliver any and all agreements, instruments, documents and papers as shall be necessary or appropriate or as the Acting Administrative Agent reasonably may request to evidence the security interest granted or purported to be granted to the Acting Administrative Agent for its benefit and the ratable benefit of the Secured Parties (subject to the Intercreditor Agreement) in such Copyright and shall deliver to the Acting Administrative Agent an officer's certificate of such Grantor, in form and substance satisfactory to the Acting Administrative Agent as to compliance with this Section 11(q).

(r) Each Grantor will take all reasonable and necessary steps, as it shall deem appropriate under the circumstances, in accordance with its reasonable business judgment, to maintain and pursue each application (and to obtain the relevant registration) and to maintain to the extent permitted by law each registration of each material Copyright owned by such Grantor including, without limitation, filing of applications for renewal, where necessary.

(s) Each Grantor will promptly notify the Acting Administrative Agent of any material infringement of any material Copyright owned by it of which it becomes aware and will take such actions as it shall reasonably deem appropriate under the circumstances to protect such Copyright, including, where appropriate in its reasonable business judgment, the bringing of suit or the settling of actual or potential suits for infringement, seeking injunctive relief and seeking to recover any and all damages for such infringement.

Section 12. Transfers and Other Liens; Additional Shares.

(a) Each Grantor shall not, except as otherwise permitted by the US Credit Agreement and the Canadian Credit Agreement (i) sell, assign (by operation of law or otherwise) or otherwise dispose of, or grant any option with respect to, any of the Collateral, or (ii) create or suffer to exist any Lien upon or with respect to any of the Collateral except for the pledges, assignments and security interests created by this Agreement.

(b) Each Grantor shall (i) cause each issuer of the Pledged Shares not to issue any stock or other securities in addition to or in substitution for the Pledged Shares issued by such issuer, except to such Grantor, and (ii) pledge hereunder, immediately upon its acquisition (directly or indirectly) thereof, any and all additional shares of stock or other securities of each issuer of the Pledged Shares.

Section 13. Acting Administrative Agent Appointed Attorney-in-Fact.

Each Grantor hereby irrevocably appoints the Acting Administrative Agent and any officer or agent thereof, with full power of substitution, such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, from time to time in the Acting Administrative Agent's discretion, to take any action and to execute any instrument that the Acting Administrative Agent may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation:

(a) to obtain and adjust insurance required to be paid to the Acting Administrative Agent pursuant to Section 8,

(b) to ask for, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral,

(c) to receive, indorse and collect any drafts or other instruments, documents and chattel paper, in connection with clause (a) or (b) above,

(d) in the case of any Patent, Trademark or Copyright, execute and deliver any and all agreements, instruments, documents, and papers as the Acting Administrative Agent may request to evidence the Acting Administrative Agent's and the Secured Parties' security interest in such Patent, Trademark or Copyright and the goodwill and general intangibles of such Grantor relating thereto or represented thereby; and

(e) to file any claims or take any action or institute any proceedings that the Acting Administrative Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce compliance with the terms and conditions of any Related Contract or the rights of the Acting Administrative Agent with respect to any of the Collateral.

Anything in this Section 13 to the contrary notwithstanding, the Acting Administrative Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 13 unless an Event of Default shall have occurred and be continuing. Each Grantor hereby ratifies all that said attorney shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

Section 14. Acting Administrative Agent May Perform.

If any Grantor fails to perform any agreement contained herein, the Acting Administrative Agent may itself perform, or cause performance of, such agreement, and the expenses of the Acting Administrative Agent incurred in connection therewith shall be payable by such Grantor and the Borrower under Section 17(b).

Section 15. The Acting Administrative Agent's Duties.

The powers conferred on the Acting Administrative Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Acting Administrative Agent shall have no duty, under Section 9-207 of the NY Uniform Commercial Code or otherwise, as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Security Collateral, whether or not the Acting Administrative Agent or any other Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Acting Administrative Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Acting Administrative Agent (in its individual capacity) accords its own property.

Section 16. Remedies.

If any Event of Default shall have occurred and be continuing:

(a) The Acting Administrative Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the NY Uniform Commercial Code (whether or not the NY Uniform Commercial Code applies to the affected Collateral) and also may (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Acting Administrative Agent forthwith, assemble all or part of the Collateral as directed by the Acting Administrative Agent and make it available to the Acting Administrative Agent at a place to be designated by the Acting Administrative Agent that is reasonably convenient to both parties and (ii) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Acting Administrative Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Acting Administrative Agent may deem commercially reasonable. Each Grantor agrees that, to the extent notice of sale shall be required by law, ten days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Acting Administrative Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Acting Administrative Agent may adjourn any public or private sale from time to time by

announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) All cash proceeds received by the Acting Administrative Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral may, in the discretion of the Acting Administrative Agent, be held by the Acting Administrative Agent as collateral for, and/or then or at any time thereafter applied (after payment of any amounts payable to the Acting Administrative Agent pursuant to Section 17) in whole or in part by the Acting Administrative Agent as set forth in the Intercreditor Agreement. Any surplus of such cash or cash proceeds held by the Acting Administrative Agent and remaining after payment in full of all the Secured Obligations shall be paid over to the Borrower or to whomsoever may be lawfully entitled to receive such surplus.

(c) The Acting Administrative Agent may exercise any and all rights and remedies of any Grantor under or in connection with the Related Contracts or otherwise in respect of the Collateral, including, without limitation, any and all rights of any Grantor to demand or otherwise require payment of any amount under, or performance of any provision of, any Related Contract.

(d) All payments received by any of the Grantors under or in connection with any Related Contract or otherwise in respect of the Collateral shall be received in trust for the benefit of the Acting Administrative Agent, shall be segregated from other funds of such Grantor and shall be forthwith paid over to the Acting Administrative Agent in the same form as so received (with any necessary or requested indorsement).

(e) The Acting Administrative Agent may, without notice to any Grantor except as required by law and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Secured Obligations against the Letter of Credit Cash Collateral Account or any part thereof.

Section 17. Indemnity and Expenses.

(a) Each Grantor agrees, jointly and severally, to indemnify the Acting Administrative Agent and each other Secured Party from and against any and all claims, losses and liabilities growing out of or resulting from this Agreement (including, without limitation, enforcement of this Agreement), except to the extent such claims, losses or liabilities result from the Acting Administrative Agent's or such Secured Party's gross negligence or willful misconduct as determined by a final judgment of a court of competent jurisdiction.

(b) Each Grantor agrees, jointly and severally, upon demand to pay to the US Administrative Agent and the Canadian Administrative Agent the amount of any and all reasonable expenses, including the reasonable fees and expenses of counsel and of any experts and agents, that the US Administrative Agent or the Canadian Administrative Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from or other realization upon, any of the Collateral,

(iii) the exercise or enforcement of any of the rights of the Acting Administrative Agent or any Secured Party hereunder or (iv) the failure by such Grantor to perform or observe any of the provisions hereof.

Section 18. Waivers; Deficiency.

Each Grantor waives and agrees not to assert any rights or privileges which it may acquire under Section 9–112 of the NY Uniform Commercial Code. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay the Secured Obligations and the fees and disbursements of any attorneys employed by the Acting Administrative Agent or any Secured Party to collect such deficiency.

Section 19. Amendments; Waivers; Etc.

(a) No amendment or waiver of any provision of this Agreement and no consent to any departure by any Grantor herefrom shall in any event be effective unless the same shall be in writing and signed by (i) the US Administrative Agent (with the consent or at the direction of the Required Lenders under the US Credit Agreement or, if required pursuant to the US Credit Agreement, all Lenders, in each case except as otherwise provided in this Section 19 and except as otherwise provided in the US Credit Agreement or the Intercreditor Agreement), and (ii) the Canadian Administrative Agent (with the consent or at the direction of the Required Lenders under the Canadian Credit Agreement or, if required pursuant to the Canadian Credit Agreement, all Lenders thereunder, in each case except as otherwise provided in this Section 19 and except as otherwise provided in the Canadian Credit Agreement or the Intercreditor Agreement), and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of the Acting Administrative Agent to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

(b) Upon the execution and delivery to the Acting Administrative Agent by any Person of an Amendment to Security Agreement in substantially the form of Exhibit XV to each Credit Agreement (each, an "**Amendment to Security Agreement**"), which Amendment to Security Agreement need not be executed by any other Grantor, and the acceptance thereof by the Acting Administrative Agent, such Person shall be and become a Grantor hereunder, and each reference in this Security Agreement to a "Grantor" shall include such Person and each reference in any other Loan Document to a "Grantor," "Credit Party" or a "Loan Party" shall include such Person.

Section 20. Addresses for Notices.

All notices and other communications provided for hereunder shall be in writing (including telecopier, telegraphic, telex or cable communication) and, mailed, telegraphed, telecopied, telexed, cabled or delivered to each Grantor or to the US Administrative Agent or the Canadian Administrative Agent, as the case may be, in each case addressed to it at its address

specified in the US Credit Agreement or the Canadian Credit Agreement or, if not specified therein, set forth opposite such Grantor's name on the signature page hereto or to its Amendment to Security Agreement or, as to any party, at such other address as shall be designated by such party in a written notice to each other party complying as to delivery with the terms of this Section 20. All such notices and other communications shall, when mailed, telecopied, telegraphed, telexed or cabled, respectively, be effective when deposited in the mails, telecopied, delivered to the telegraph company, confirmed by telex answerback or delivered to the cable company, respectively, addressed as aforesaid.

Section 21. Continuing Security Interest; Assignments Under the Credit Agreements.

This Agreement shall create a continuing security interest in the Collateral and shall (a) remain in full force and effect until the last to occur of (i) the payment in full in cash of the Secured Obligations, (ii) the Revolving Commitment Termination Date (as defined in the US Credit Agreement and the Canadian Credit Agreement), (iii) the Term A Termination Date (as defined in the US Credit Agreement and the Canadian Credit Agreement), (iv) the Term B Termination Date (as defined in the US Credit Agreement and the Canadian Credit Agreement), and (v) the expiration or termination of all Bank Hedge Agreements (as defined in the US Credit Agreement and the Canadian Credit Agreement), (b) be binding upon each Grantor, its successors and assigns and (c) inure, together with the rights and remedies of the Acting Administrative Agent hereunder, to the benefit of the US Administrative Agent, the Canadian Administrative Agent, the other Secured Parties and their respective successors, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Secured Party may assign or otherwise transfer all or any portion of its rights and obligations under the US Credit Agreement or the Canadian Credit Agreement (including, without limitation, all or any portion of its Commitments (as defined in the US Credit Agreement and the Canadian Credit Agreement), the Loans (as defined in the US Credit Agreement and the Canadian Credit Agreement) owing to it and the Note or Notes (as defined in the US Credit Agreement and the Canadian Credit Agreement) (if any) held by it to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise, in each case as provided in Section 9.07 of the US Credit Agreement or Section 9.07 of the Canadian Credit Agreement, as the case may be.

Section 22. Release and Termination.

(a) Upon any sale, lease, transfer or other disposition of any item of Collateral permitted in accordance with the terms of the Loan Documents and the Canadian Loan Documents (other than sales of Inventory in the ordinary course of business), the Acting Administrative Agent will, at the applicable Grantor's expense, execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted hereby; provided, however, that (i) at the time of such request and such release no Event of Default shall have occurred and be continuing, (ii) such Grantor shall have delivered to the Acting Administrative Agent, at least

ten Business Days prior to the date of the proposed release, a written request for release describing the item of Collateral and the terms of the sale, lease, transfer or other disposition in reasonable detail, including the price thereof and any expenses in connection therewith, together with a form of release for execution by the Acting Administrative Agent and a certification by such Grantor to the effect that the transaction is permitted in compliance with the Loan Documents and the Canadian Loan Documents and as to such other matters as the Acting Administrative Agent may request, and (iii) the proceeds of any such sale, lease, transfer or other disposition required to be applied in accordance with Section 2.04 of the US Credit Agreement or Section 2.04 of the Canadian Credit Agreement shall be paid to, or in accordance with the instructions of the Acting Administrative Agent.

(b) Subject to Section 22(c) below, upon the last to occur of (i) the payment in full in cash of the Secured Obligations, (ii) the Revolving Commitment Termination Date (as defined in the US Credit Agreement and the Canadian Credit Agreement), (iii) the Term A Termination Date (as defined in the US Credit Agreement and the Canadian Credit Agreement), (iv) the Term B Termination Date (as defined in the US Credit Agreement and the Canadian Credit Agreement), and (v) the expiration or termination of all Bank Hedge Agreements (as defined in the US Credit Agreement and the Canadian Credit Agreement), the pledge, assignment and security interest granted hereby shall terminate and all rights to the Collateral shall revert to each applicable Grantor. Upon any such termination, the Acting Administrative Agent will, at the Borrower's or any Grantor's expense, execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

(c) This Agreement shall continue to be effective or be reinstated, as the case may be, if at any time any amount received by the Acting Administrative Agent or any Secured Party in respect of the Secured Obligations is rescinded or must otherwise be restored or returned by the Acting Administrative Agent or any Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Grantor or any other Person or upon the appointment of any receiver, intervenor, conservator, trustee or similar official for any Grantor or any other Person or any substantial part of its assets, or otherwise, all as though such payments had not been made.

(d) In the event the Canadian Administrative Agent shall become the Acting Administrative Agent hereunder, the US Administrative Agent shall, at the expense of the Borrower, take such action with respect to the delivery to the Canadian Administrative Agent of Collateral then in the possession of the US Administrative Agent, the execution and filing or recording of such financing statements, or amendments thereto or termination statements, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Canadian Administrative Agent may reasonably request, in order to continue the perfection of the Liens granted or purported to be granted hereunder and under the other Collateral Documents, and the Canadian Administrative Agent shall succeed to and become vested with all the rights, powers, discretion, privileges and duties of the Acting Administrative Agent, and the US Agent shall be discharged from its duties and obligations under this Agreement and the other Collateral Documents.

Section 23. Security Interest Absolute.

The obligations of each Grantor under this Agreement are independent of the Secured Obligations, and a separate action or actions may be brought and prosecuted against each Grantor to enforce this Agreement, irrespective of whether any action is brought against the Borrower or whether the Borrower is joined in any such action or actions. All rights of the Acting Administrative Agent and the other Secured Parties and the pledge, assignment and security interest hereunder, and all obligations of each Grantor hereunder, shall be absolute and unconditional, irrespective of:

- (a) any lack of validity or enforceability of any Loan Document or Canadian Loan Document or any other agreement or instrument relating thereto;
- (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations or any other amendment or waiver of or any consent to any departure from any Loan Document or Canadian Loan Document, including, without limitation, any increase in the Secured Obligations resulting from the extension of additional credit to the Borrower or any of its Subsidiaries or otherwise;
- (c) any taking, exchange, release or non-perfection of any other collateral, or any taking, release or amendment or waiver of or consent to departure from any guaranty, for all or any of the Secured Obligations;
- (d) any manner of application of collateral, or proceeds thereof, to all or any of the Secured Obligations, or any manner of sale or other disposition of any collateral for all or any of the Secured Obligations or any other assets of the Borrower or any of its Subsidiaries;
- (e) any change, restructuring or termination of the corporate structure or existence of the Borrower or any of its Subsidiaries; or
- (f) any other circumstance that might otherwise constitute a defense available to, or a discharge of, such Grantor (unless the Grantor is the Borrower) or a third party grantor of a security interest.

Section 24. Mortgages.

In the event that any of the Collateral hereunder is also subject to a valid and enforceable Lien under the terms of any Mortgage and the terms of such Mortgage are inconsistent with the terms of this Agreement, then with respect to such Collateral, the terms of such Mortgage shall be controlling in the case of Fixtures and leases, letting and licenses of, and contracts and agreements relating to the lease of, real property, and the terms of this Agreement shall be controlling in the case of all other Collateral.

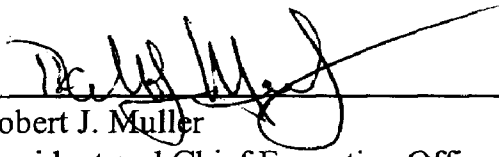

Section 25. Governing Law.

This Agreement shall be governed by and construed in accordance with the laws of the State of New York, except to the extent that the validity or perfection of the security interest hereunder, or remedies hereunder, in respect of any particular Collateral are governed by the laws of a jurisdiction other than the State of New York.
