**COLLATERAL ASSIGNMENT AND  
TRADEMARK SECURITY AGREEMENT**

**THIS COLLATERAL ASSIGNMENT AND TRADEMARK SECURITY AGREEMENT** (this "Agreement") made as of the 27<sup>th</sup> day of June, 1999, by CASTLEBERRY'S FOOD COMPANY, a Delaware corporation (the "Grantor"), in favor of SUNTRUST BANK, ATLANTA ("SunTrust"), as administrative agent under the Credit Agreement (defined below) (SunTrust, in such capacity, the "Administrative Agent") and SunTrust and the various other financial institutions as are, or may become, parties to the Credit Agreement from time to time (collectively, the "Lenders").

W I T N E S S E T H:

WHEREAS, the Grantor owns certain trademarks and trademark licenses which are registered in the United States Patent and Trademark Office, all as more fully described on Exhibit A attached hereto and by reference made part hereof (hereinafter, together with all rights, benefits and privileges derived therefrom, the goodwill of the business symbolized thereby, all registrations and renewals thereof, and all proceeds of the foregoing, called the "Trademark Rights"); and

WHEREAS, the Grantor, the Administrative Agent and the Lenders have entered into a Revolving Credit and Term Loan Agreement, dated as of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), pursuant to which and subject to the terms and conditions set forth therein, the Lenders have agreed to establish the Commitments in favor of, and make Loans to, the Grantor. Capitalized terms used herein and not defined herein shall have the meanings ascribed to such capitalized terms in the Credit Agreement; and

WHEREAS, as a condition precedent to the extension of such financial accommodations to the Grantor pursuant to the Credit Agreement, the Lenders have required that the Grantor grant to the Administrative Agent, for the benefit of the Lenders, a security interest in and collateral assignment of the Trademark Rights.

NOW, THEREFORE, in order to induce the Lenders to consummate the financial accommodations to the Grantor provided for in the Credit Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby grants to the Administrative Agent, for its benefit and for the benefit of the Lenders, a security interest in, and collectively assigns to the Administrative Agent for its benefit and the benefit of the Lenders, the entire right, title, and interest of the Grantor in and to the Trademark Rights.

The Trademark Rights shall serve as collateral security to the Administrative Agent and the Lenders for the payment of all the Obligations, shall constitute a part of the Collateral and shall be subject to all of the terms and conditions of the Credit Agreement.

Notwithstanding the foregoing, unless and until the Administrative Agent exercises the rights and remedies accorded to it under the Credit Agreement, and by law with respect to the realization upon its security interest in and collateral assignment of the Trademark Rights, the Grantor shall own, and may use and enjoy the Trademark Rights in connection with its business operations, but only in a manner consistent with the preservation of their current substance, validity, registration and the security interest herein granted.

The Grantor further agrees (a) that the Administrative Agent shall not have any obligation or responsibility to protect or defend the Trademark Rights and the Grantor at its own expense shall protect, defend and maintain the same to the extent advisable for its business, (b) that it shall forthwith advise the Administrative Agent in writing of infringements of the Trademark Rights detected by it and which may reasonably be expected to have a material adverse effect on such Trademark Rights and (c) that if the Grantor fails to comply with the requirements of the preceding clause (a), the Administrative Agent may do so in the Grantor's name or in the Administrative Agent's name but at the Grantor's expense, and the Grantor hereby agrees to reimburse the Administrative Agent for all reasonable expenses, including reasonable attorneys' fees, incurred by the Administrative Agent in protecting, defending and maintaining the Trademark Rights owned by the Grantor.

The security interest in and collateral assignment of the Trademark Rights granted hereunder shall remain in full force and effect until the termination of the Credit Agreement and the payment and satisfaction in full of the Obligations. At such time the Administrative Agent shall, upon request by the Grantor, execute and deliver to the Grantor, or to a third party upon the Grantor's instructions, for filing with the United States Patent and Trademark Office and in each office in which any financing statement relative to the security interest granted hereby may have been filed, (i) documentation in accordance with the rules and regulations of said office, (ii) termination statements under the Uniform Commercial Code and (iii) any other documentation reasonably requested by the Grantor, all as may be necessary to release the Administrative Agent's interest in the Trademark Rights, all at the cost and expense of the Grantor.

This Agreement shall inure to the benefit of the Administrative Agent and its successors and assigns and bind the Grantor and its successors and assigns.

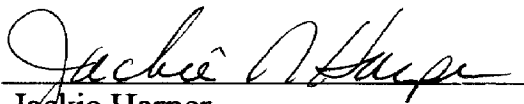

IN WITNESS WHEREOF, the Grantor has caused this Agreement to be executed by its officers thereunto duly authorized, under seal as of the date first above written.
