**ASSIGNMENT OF SECURITY INTEREST
IN UNITED STATES TRADEMARKS**

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, MECA SOFTWARE, L.L.C., a Delaware limited liability company (the "Assignor"), whose address is 115 Corporate Drive, Trumbull, Connecticut 06611, hereby assigns and grants to U.S. BANK NATIONAL ASSOCIATION, Commercial Loan Servicing, PL-7, 555 S.W. Oak, Portland, Oregon, 97204, ("Lender") a security interest in all of the Assignor's right, title and interest in and to (a) the United States trademarks set forth on attached Schedule A, all registrations and recordings thereof, and all applications in connection therewith; (b) the goodwill associated therewith; (c) all renewals thereof; (d) all rights to income, royalties, profits, awards, damages or other rights relating thereto, including, without limitation, the right to sue for past, present or future infringement; (e) all licenses and agreements, written or oral, providing for the grant by or to Grantor of any right to use any trademark; and (f) all products and proceeds thereof (collectively, the "Trademarks").

THIS ASSIGNMENT is made to secure the full and prompt performance and payment of all the Secured Obligations of the Assignor, as such term is defined in the Subsidiary Security and Pledge Agreement, dated as of May 18, 1999, among the Assignor and Lender (as amended, supplemented or modified from time to time, the "Security Agreement"). Upon termination of Lender's security interest, Lender shall execute, acknowledge, and deliver to the Assignor an instrument in writing releasing the security interest in the Trademarks acquired under this Assignment.

THIS ASSIGNMENT has been granted in conjunction with the security interest granted to the Lender under the Security Agreement. The rights and remedies of the Lender with respect to the security interest granted herein are without prejudice to, and are in addition to, those set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provision of this Assignment is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.
