AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

THIS AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT is made and entered into as of August 23, 1999 by each of Florsheim Group Inc. ("Florsheim" or "Borrower") in favor of BT COMMERCIAL CORPORATION, a Delaware corporation (in its individual capacity, "BTCC"), acting in its capacity as agent for the Lenders (in such capacity, together with its successors in such capacity, the "Agent"). Capitalized terms not otherwise defined herein shall be assigned the meanings assigned in the Credit Agreement (defined below).

RECITALS:

A. Florsheim is a party to that certain Credit Agreement dated as of May 9, 1997, as amended prior to the date hereof by amendments dated as of April 22, 1998, August 19, 1998, and February 4, 1999 and July 1, 1999 (the "Existing Credit Agreement"), among Florsheim as borrower, the financial institutions parties thereto (the "Banks") as lenders, and Bankers Trust Company as agent.

B. In connection with the Existing Credit Agreement, Florsheim executed and delivered a Security Agreement dated May 9, 1997 (the "Existing Security Agreement") and the related Trademark Assignment of even date (such assignment, together with the Existing Security Agreement is herein called the "Existing Trademark Security Agreement").

C. Pursuant to various Assignment and Assumption Agreements dated as of the date hereof (the "Assignments"), each of the Banks has assigned to BTCC its respective interest in the Existing Credit Agreement, the "Notes" and all "Obligations" (as defined in the Existing Credit Agreement), and BTCC has assumed the respective commitments of each of the Banks under the Existing Credit Agreement.

D. Immediately after giving effect to the Assignments, Bankers Trust Company ("BTCo.") has resigned as agent under the Existing Credit Agreement, and BTCC has been appointed as successor agent in accordance with the provisions of Section 12.09(b) of the Existing Credit Agreement, and with the approval of Florsheim, in accordance with those same provisions.

E. BTCC as successor agent under the Existing Credit Agreement, BTCC as the sole Bank under the Existing Credit Agreement, and Florsheim as borrower under the Existing Credit Agreement, desired to amend and restate the Existing Credit Agreement, in connection with which amendment and restatement the "Subsidiary Guarantors" (as defined in the Existing Credit Agreement), being irrevocably, jointly and severally liable, along with Florsheim, with respect to the "Obligations" (as defined in the Existing Credit Agreement), shall join in the amendment and restatement of the Existing Credit Agreement as co-borrowers and shall join in all evidence of the Obligations under such amendment and restatement of the Existing Credit Agreement as co-makers and co-obligors.

F. The Existing Credit Agreement has been amended and restated in its entirety, on the date hereof (such Amended and Restated Credit Agreement is hereinafter referred to as the "Credit Agreement").

G. The Existing Security Agreement has been amended and restated in its entirety, on the date hereof (the Amended and Restated Security Agreement is hereinafter referred to as the "Security Agreement").

H. As a condition to its entering into the Credit Agreement, BTCC as Agent and Lender thereunder has required, among other things, that Florsheim amend and restate the Existing Trademark Security Agreement.

I. The Existing Trademark Security Agreement is hereby amended and restated in its entirety as herein set forth.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Borrower and Agent agree as follows:

1. Borrower hereby grants to the Agent for the benefit of the Agent and the Lenders a continuing security interest in (i) all of the Borrower's right, title and interest in and to all of the Borrower's trademarks, tradenames, service marks, and related intellectual property (the "Trademark Collateral"), including, but not limited to, those trademarks listed on the schedules attached hereto, (ii) the right (but not the obligation) to register claims under any state or federal trademark law or regulation or any trademark law or regulation of any foreign country and to apply for, renew and extend the Trademark Collateral, (iii) the right (but not the obligation) to bring opposition or cancellation proceedings in the name of the Borrower or in the name of the Agent or to sue or bring like proceedings for past, present and future infringements of the Trademark Collateral and (iv) all rights (but not obligations) corresponding thereto in the United States and any foreign country, and any goodwill associated with any of the foregoing. Borrower hereby further acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

2. Upon the occurrence of an Event of Default (as defined in the Credit Agreement), the Borrower shall, in connection with any disposition of collateral that includes goodwill associated with the Trademark Collateral, execute and deliver to the Agent an Assignment of Trademark Registrations and Applications substantially in the form attached as Exhibit A hereto. If the Borrower fails to provide such document within ten days after it has been requested by the Agent, then the Agent may complete such document by exercise of a power of attorney hereby granted by the Borrower. Such power of attorney is coupled with an interest and is irrevocable.

3. All notices, demands, consents, statements, requests, approvals or other communications which are permitted or required to be given by either party to the other hereunder shall be in writing and shall be given as provided in Section 11.7 of the Credit Agreement.

4. This Agreement cannot be modified, changed or discharged except by an agreement in writing signed by the Borrower and the Agent.

5. This Agreement shall be construed and enforced in accordance with the laws of the State of Illinois without giving effect to the conflicts of law principles thereof.

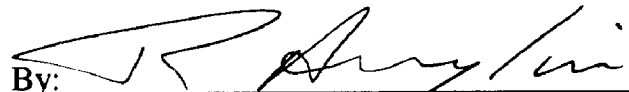

6. This Agreement is subject in all respects to the Security Agreement, the terms of which are incorporated herein by this reference.

7. The security interests created hereunder and under the Security Agreement in the Trademark Collateral shall cease and be released in accordance with the terms of the Security Agreement and the Credit Agreement.

8. The terms defined in the Credit Agreement or Security Agreement and not otherwise defined herein shall have the respective meanings provided for therein unless the context otherwise requires. If any provision hereof conflicts with any provision of the Credit Agreement or the Security Agreement, the terms of the Credit Agreement or Security Agreement shall control to the extent of such inconsistency.

IN WITNESS WHEREOF, the Borrower and the Agent have caused this Agreement to be executed as of the day and year first above written.
