(b) No Transferor shall be responsible to Agent or any Assignee, as an assignee of Assigned Loans and Commitments or Purchased Loans and Commitments (in such capacity, a "Transferee") as the case may be, for the execution, effectiveness, genuineness, validity, enforceability, collectibility or sufficiency of any of the Existing Loan Documents, the Credit Agreement or any of the Loan Documents (collectively, the "Transaction Documents") or for any representations, warranties, recitals or statements made therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by such Transferor to any Transferee or by or on behalf of Company or any of its Subsidiaries to any Transferor or any Transferee in connection with the Transaction Documents and the transactions contemplated thereby or for the financial condition or business affairs of Company, Sun Gro Canada, Lakeland Canada or any other Person liable for the payment of any obligations thereunder, nor shall any Transferor be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Transaction Documents or as to the use of the proceeds of the loans or the use of the letters of credit under the Transaction Documents or as to the existence or possible existence of any event of default or potential event of default under the Transaction Documents.

(c) Each Transferee represents and warrants that it is an eligible assignee under the Existing Credit Agreements or the Credit Agreement, as the case may be; that it has experience and expertise in the making or purchasing of loans such as the loans under the Existing Credit Agreements or the Credit Agreement, as the case may be; that it has acquired the Assigned Loans and Commitments or the Purchased Loans and Commitments, as the case may be, for its own account in the ordinary course of its business and without a view to distribution of such loans within the meaning of the Securities Act or the Exchange Act or other federal securities laws (it being understood

(d) Each Transferee represents and warrants that it has received such financial information regarding Company and its Subsidiaries as such Transferee has requested, that it has made its own independent investigation of the financial condition and affairs of Company and its Subsidiaries in connection with the assignments evidenced by this Agreement, and that it has made and shall continue to make its own appraisal of the creditworthiness of Company and its Subsidiaries. No Transferor shall have any duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such appraisal on behalf of any Transferee, or to provide any Transferee, with any other credit or other information with respect thereto, whether coming into its possession before the making of the initial Loans or at any time or times thereafter, and no Transferor shall have any responsibility with respect to the accuracy of or the completeness of any information provided to any Transferee.

(e) Each party to this Agreement represents and warrants to the other parties hereto that it has full power and authority to enter into this Agreement and to perform its obligations hereunder in accordance with the provisions hereof, that this Agreement has been duly authorized, executed and delivered by such party and that this Agreement constitutes a legal, valid and binding obligation of such party, enforceable against such party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and by general principles of equity.

(g) Borrowers hereby acknowledge and agree that any and all obligations arising pursuant to subsection 10.3 of the Hines I Existing Credit Agreement or subsection 10.3 of the Hines II Existing Credit Agreement in favor of BTCC, as agent thereunder, shall remain in full force and effect for the benefit of BTCC without regard to the assignments set forth in this Agreement to the extent that such obligations otherwise survive the termination of the Existing Credit Agreements in accordance with subsection 10.9 of each of the Existing Credit Agreements.
