6. Assignor's Covenants. On a continuing basis, Assignor shall make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments, including, without limitation, appropriate financing and continuation statements and security agreements, and take all such action as may reasonably be deemed necessary or advisable by Assignee to carry out the intent and purposes of this Agreement, or for assuring and confirming to Assignee the grant or perfection of a security interest in all Collateral. Without limiting the generality of the foregoing sentence, Assignor:

(i) shall not enter into any agreement which would materially impair or conflict with Assignor's obligations hereunder without Assignee's prior written consent (which consent shall not be unreasonably withheld);

(ii) upon the written request of Assignee, shall use reasonable efforts to obtain any necessary consents of third parties to the grant or perfection of a security interest to Assignee with respect to the Collateral;

(iii) authorizes Assignee in its sole discretion to modify this Agreement without first obtaining Assignor's approval of or signature to such modification by amending Schedule A hereof to include a reference to any right, title or interest in any existing U.S. Registration and any U.S. Registration acquired by Assignor after the execution hereof or to delete any reference to any right, title or interest in any U.S. Registration in which Assignor no longer has or claims any right, title or interest;

(iv) shall, from time to time upon Assignee's reasonable request, cause its books and records to be marked with such legends or segregated in such manner as Assignee may reasonably specify, and take or cause to be taken such other action and adopt such procedures as Assignee may reasonably specify to give notice of or to perfect the security interest in the Collateral intended to be created hereby;

(v) shall at all times keep at least one complete set of its records concerning substantially all of the Trademarks at its chief executive office as set forth above and shall not change the location of its chief executive office or such records without giving Assignee at least thirty (30) days' prior written notice thereof;

(vi) shall promptly, following its becoming aware thereof, notify Assignee of the institution of, or any adverse determination in, any proceeding in the United States Patent and Trademark Office or any United States or foreign court

regarding Assignor's claim of ownership or Assignee's security interest in any of the Collateral;

(vii) concurrently with the filing of an application for registration of any Trademark, shall execute, deliver and record in all places where this Agreement is recorded an appropriate Trademark Collateral Security Agreement, substantially in the form hereof, with appropriate insertions to the extent of its interest therein;

(viii) shall not permit the inclusion in any contract to which it becomes a party of any provisions which would impair or prevent the creation of a security interest in Assignor's rights and interest acquired under such contracts in any property included within the definition of the Collateral;

(ix) shall properly maintain and care for the Collateral;

(x) shall not grant any security interest in any Collateral except in the name of Assignee or as otherwise permitted under the \$60M Credit Agreement;

(xi) except as permitted under the \$60M Credit Agreement, shall not sell or contract for sale or otherwise dispose of any Collateral;

(xii) upon any officer of Assignor obtaining knowledge thereof, shall promptly notify Assignee of any event which materially adversely affects the value of any Collateral, the ability of Assignor or Assignee to dispose of any of the Trademarks or the rights and remedies of Assignee in relation thereto including, without limitation, the levy of any legal process against any of the Collateral;

(xiii) until Assignee exercises its rights to make collection, shall diligently keep reasonable records respecting the Collateral;

(xiv) shall promptly notify Assignee of any suspected material infringement of any of the Trademarks by any third party and of all steps, including the commencement and course of litigation, taken to remedy such infringement; and

(xv) shall use proper statutory notice in conjunction with each of the U.S. Registrations

7. Amounts Payable in Respect of the Trademarks. Except as otherwise provided in this Section 7 or in the \$60M Credit Agreement, Assignor shall continue to collect, at its own expense, all amounts due or to become due to Assignor in respect of the Trademarks. Upon the occurrence of and during the continuance of an

Event of Default, Assignee is hereby given full power and authority, without notice or demand, (subject, however, to the rights of the Agent under the Citicorp Trademark Collateral Security Agreement) (i) to notify any and all obligors of Assignor with respect to any Trademark obligation which Assignor, except for the execution hereof, could ask for, and (ii) to demand, take, collect, sue for and receive for its own use all amounts due or to become due Assignor in respect of the Trademarks, and in connection therewith to enforce all rights and remedies with respect to any Trademark which Assignor could enforce if this Agreement had not been made; and Assignor hereby ratifies any action which Assignee shall lawfully take to enforce Assignee's rights hereunder. Whether or not Assignee shall have so notified any obligors, Assignor shall at its expense render all reasonable assistance to Assignee in enforcing claims against such obligors.

8. Trademark Applications, Renewal and Litigation. Assignor shall have the duty to prosecute diligently any application for trademark registration of the U.S. Registrations specifically identified in Schedule A attached hereto pending as of the date of this Agreement or thereafter during the term of the \$60M Credit Agreement, to make U.S. application on any existing or future unregistered but registrable Trademark (except those having negligible commercial value) and to preserve, renew and maintain all Trademarks as to which a security interest has been granted pursuant to this Agreement. Any expenses incurred in connection with such an application, or in protecting, maintaining or preserving the Trademarks, shall be borne by Assignor. Assignor shall have the right and obligation to commence and diligently prosecute in its own name, as real party in interest, for its own benefit and at its own expense, such suits, proceedings or other actions for infringement, or other damage or opposition or cancellation proceedings as are reasonable to protect any of the Trademarks. However, no such suit, proceeding or other action shall be settled or voluntarily dismissed, nor shall any party be released or excused of any claims of or liability for infringement, without the prior written consent of Assignee, which consent shall not be unreasonably withheld.

9. Certain Remedies. If any Event of Default shall have occurred and be continuing:

(a) Assignee may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or in the Loan Documents or otherwise available to it, all the rights and remedies of a secured party in default under the UCC in effect in the State of New York at that time (whether or not the UCC applies to the affected Collateral) and also may, subject to the rights of the Agent under the Citicorp Trademark Collateral Security Agreement:

(i) require Assignor to, and Assignor hereby agrees that it shall at its own expense and upon request of Assignee, forthwith assemble all or part of the Collateral as directed by Assignee and make it available to Assignee at a place to be designated by Assignee which is reasonably convenient to both parties;

(ii) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of Assignee's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as Assignee may deem commercially reasonable;

(iii) occupy any premises owned or leased by Assignor where the Collateral or any part thereof is located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to Assignor in respect of such occupation; and

(iv) exercise any and all rights and remedies of Assignor under or in connection with the contracts related to Collateral or otherwise in respect of the Collateral, including, without limitation, any and all rights of Assignor to demand or otherwise require payment of any amount under, or performance of any provision of, such contracts.

Assignor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days' written notice to Assignor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. Assignee shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. Assignee may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) Any cash held by Assignee as Collateral and all cash proceeds received by Assignee in respect of any sale of, collection from or other realization upon all or any part of the Collateral may, in the discretion of Assignee, subject to the rights of the Agent under the Citicorp Trademark Collateral Security Agreement, be held by Assignee as collateral for, and then, or at any time thereafter, applied in whole or in part by Assignee against all or any part of the Obligations of Assignor in such order as is provided in Section 2.8(b) of the \$60M Credit Agreement. Any surplus of such cash or cash proceeds held by Assignee and remaining after payment in full of all such Obligations shall be paid over to Assignor or to whomsoever may be lawfully entitled to receive such surplus.

10. Power of Attorney. Assignor hereby authorizes and empowers Assignee, upon the occurrence and during the continuance of an Event of Default, to make, constitute and appoint any officer or agent of Assignee as Assignor's true and lawful attorney-in-fact, with power (i) to endorse Assignor's name on all applications, documents, papers and instruments necessary for Assignee in the use or maintenance of the Collateral, (ii) to take any other actions with respect to the Collateral, including, without limitation, commencement or continuation of any litigation or administrative proceeding as Assignee deems in its best interest, (iii) to grant or issue on terms which Assignee in its reasonable judgment deems commercially reasonable an exclusive or non-exclusive license to the Trademarks to anyone (but in the case of Trademark licenses in existence on the Agreement Date, only to the extent permitted by such Trademark licenses), or (iv) to assign, pledge, convey or otherwise transfer title in or dispose of the Collateral to anyone on terms which Assignee in its reasonable judgment deems commercially reasonable.

11. Amendments, etc. No amendment or waiver of any provision of this Agreement nor consent to any departure by Assignor herefrom, shall in any event be effective unless the same shall be in writing and signed by the parties hereto, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given, except as provided in Section 6, in which case the writing need only be signed by Assignee.

12. Address for Notices. All notices and other communications to any party provided for hereunder shall be in writing (including telecommunications) and shall be given in the form and manner, and shall be effective, as provided in Section 9.1 of the \$60M Credit Agreement.

13. Continuing Security Interest.

(a) This Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect until payment in full of the Obligations and the termination of the \$60M Credit Agreement, (ii) be binding upon Assignor, its successors and assigns and (iii) inure to the benefit of Assignee and its successors, transferees and assigns. Upon payment in full of the Obligations and the termination of the \$60M Credit Agreement, the security interest granted hereby shall terminate and all rights to the Collateral shall revert to Assignor, subject to any disposition thereof which may have been made by Assignee pursuant hereto or pursuant to the \$60M Credit Agreement. Upon any such termination, Assignee shall, at Assignor's expense, execute and deliver to Assignor such documents as Assignor shall reasonably request to evidence such termination.

(b) The Liens under this Agreement with respect to any or all of the Collateral sold, transferred, assigned, disposed or released in accordance with the provisions of the \$60M Credit Agreement (the “Released Collateral”) shall terminate, and upon the request of the Assignor, the Assignee shall execute and deliver such instrument or document as may be necessary to release the Liens granted hereunder; provided, however, that (i) the Assignee shall not be required to execute any such documents on terms which, in the Assignee’s opinion, would expose the Assignee to liability and (ii) such release shall not in any manner discharge, affect or impair the Obligations of Assignor or any Liens on (or obligations of the Assignor in respect of) all interests retained by the Assignor, including without limitation, the proceeds of any sale, all of which shall continue to constitute part of the Collateral.

14. Cumulative Remedies; Effect on Credit Agreement. All of Assignee’s rights and remedies with respect to the Collateral, whether established hereby or by the \$60M Credit Agreement or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Assignor hereby acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Assignee under the \$60M Credit Agreement, but rather is intended to facilitate the exercise of such rights and remedies.

15. Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

16. Severability. Any provision of this Assignment which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

17. Governing Law. THIS ASSIGNMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

18. Subordination Agreement. Notwithstanding anything to the contrary set forth herein, Assignee acknowledges that its rights and interests set forth in this Agreement, including, without limitation, its rights and interests in the Collateral, and the Assignor’s covenants hereunder, are subject to the terms and conditions of the Subordination Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers thereunder duly authorized, as of the date first above written.
