Dear Mr. Pyne:

Enclosed for recording please find a Corrective Assignment for a document previously recorded at Reel/Frame 1937/0458. The original Schedule A to the Recordation Cover Sheet and assignment document contained a trademark registration number (for ROADWARRIOR) that was duplicative of the registration number for FLAG in the same recording. The registration number inadvertently omitted is 1,949,486.

Per your instructions in our December 3 conversation, I enclose the following: (1) a new Recordation Cover Sheet reflecting the corrective assignment and (2) a copy of the Notice of Recordation of Assignment Document (attached to a copy of the original Recordation Cover Sheet and assignment document). Please note that Schedule A to the original assignment document has been updated to reflect the correct registration number for ROADWARRIOR. Also, per your instruction, I have updated Block 7 of the

new Recordation Cover Sheet to reflect that a sufficient fee for 30 titles was paid for the prior recording at Reel/Frame 1937/0458, when only 29 titles were recorded. Thus, no fee is enclosed with this new Recordation Cover Sheet.

Finally, the brief in the Notice of Recordation is currently noted as "Conditional Assignment of and Security Interest in Trademark Rights." It should be corrected to read "Conditional Assignment of and Security Interest in Trademark **Rights**."

Please return confirmation of the filing to me at my firm's address as listed above. Should you require any additional information, please contact me at (212) 455-2799.
