(c) inure, together with the rights and remedies of the Agent hereunder, to the benefit of the Agent and each other Lender Party.

Without limiting the generality of the foregoing clause (c), any Lender may assign or otherwise transfer (in whole or in part) any Credit Extension held by it to any other Person, and such other Person shall thereupon become vested with all the rights and benefits in respect thereof granted to such Lender under any Loan Document (including this Agreement) or otherwise, subject, however, to any contrary provisions in such assignment or transfer, and to the provisions of Section 10.11 and Article IX of the Credit Agreement. Upon the indefeasible payment in full in cash of all Secured Obligations and the termination of the Revolving Loan Commitment, the security interest granted herein shall terminate and all rights to the Collateral shall revert to the Grantors. Upon any such termination or release, the Agent will, at each Grantor's sole expense, execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

**SECTION 2.4. Grantors Remains Liable.** Anything herein to the contrary notwithstanding

(a) each Grantor shall remain liable under the contracts and agreements included in the Collateral (including the Assigned Agreements) to the extent set forth therein, and shall perform all

of its duties and obligations under such contracts and agreements to the same extent as if this Agreement had not been executed,

(b) the exercise by the Agent of any of its rights hereunder shall not release any Grantor from any of its duties or obligations under any such contracts or agreements included in the Collateral, and

(c) neither the Agent nor any other Lender Party shall have any obligation or liability under any such contracts or agreements included in the Collateral by reason of this Agreement, nor shall the Agent or any other Lender Party be obligated to perform any of the obligations or duties of any Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

**SECTION 2.5. Security Interest Absolute.** All rights of the Agent and the security interests granted to the Agent hereunder, and all obligations of each Grantor hereunder, shall be absolute and unconditional, irrespective of

(a) any lack of validity or enforceability of the Credit Agreement, any Note or any other Loan Document;

(b) the failure of any Lender Party

(i) to assert any claim or demand or to enforce any right or remedy against the Borrower, any Obligor or any other Person under the provisions of the Credit Agreement, any Note, any other Loan Document or otherwise, or

(ii) to exercise any right or remedy against any other guarantor of, or collateral securing, any Secured Obligation;

(c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations or any other extension, compromise or renewal of any Secured Obligation, including any increase in the Secured Obligations resulting from the extension of additional credit to any Grantor or any other Obligor or otherwise;

(d) any reduction, limitation, impairment or termination of any Secured Obligation for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to (and each Grantor hereby waives any right to or claim of) any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality, nongenuineness, irregularity, compromise, unenforceability of, or any other event or occurrence affecting, any Secured Obligation or otherwise;

(e) any amendment to, rescission, waiver, or other modification of, or any consent to departure from, any of the terms of the Credit Agreement, any Note or any other Loan Document;

(f) any addition, exchange, release, surrender or non-perfection of any collateral (including the Collateral), or any amendment to or waiver or release of or addition to or consent to departure from any guaranty, for any of the Secured Obligations; or

(g) any other circumstances which might otherwise constitute a defense available to, or a legal or equitable discharge of, the Borrower, any other Obligor or otherwise.

**SECTION 2.6. Waiver of Subrogation.** Each Grantor hereby irrevocably waives to the extent permitted by applicable law any claim or other rights which it may now or hereafter acquire against any other Obligor that arises from the existence, payment, performance or enforcement of such Grantor's obligations under this Agreement, including any right of subrogation, reimbursement, exoneration, or indemnification, any right to participate in any claim or remedy against any other Obligor or any collateral which the Agent now has or hereafter acquires, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including the right to take or receive from any other Obligor, directly or indirectly, in cash or other property or by set-off or in any manner, payment or security on account of such claim or other rights, until such time as the Secured Obligations shall have been indefeasibly paid in full in cash and the Commitments have irrevocably terminated. If any amount shall be paid to any Grantor in violation of the preceding sentence and the Secured Obligations shall not have been terminated, such amount shall be deemed to have been paid to the Lender Parties, and shall forthwith be paid to the Agent to be credited and applied upon the Secured Obligations, whether matured or unmatured. Each Grantor acknowledges that it will receive direct and indirect benefits for the financing arrangements contemplated by the Credit Agreement and that the waiver set forth in this Section is knowingly made in contemplation of such benefits.

### **ARTICLE III REPRESENTATIONS AND WARRANTIES**

**SECTION 3.1. Representations and Warranties.** Each Grantor represents and warrants unto each Lender Party as set forth in this Article.

**SECTION 3.1.1. Location of Collateral, etc.** All of the Equipment and Inventory of such Grantor are located at the places specified in Item A and Item B, respectively, of Schedule I hereto. None of the Equipment and Inventory has, within the four months preceding the date of this Agreement, been located at any place other than the places specified in Item A and Item B, respectively, of Schedule I hereto. No effective financing statement or other instrument similar in effect covering all or any part of the Collateral is on file in any recording office, except (i) such as may have been filed in favor of the Agent relating to this Agreement, (ii) financing statements in respect of Liens permitted under Section 7.2.3 of the Credit Agreement and (iii) financing statements for which duly

executed UCC-3 termination statements have been delivered to the Agent pursuant to Section 9.1.16 of the Credit Agreement.

**SECTION 3.1.3. Possession and Control.** Such Grantor has exclusive possession and control of the Equipment and Inventory, except to the extent any such Equipment or Inventory is located on leased property.

**SECTION 3.1.4. Negotiable Documents, Instruments, Chattel Paper and Assigned Agreements.** Such Grantor has, contemporaneously herewith, delivered to the Agent possession of all originals of all negotiable documents, instruments and chattel paper currently owned or held by such Grantor (duly endorsed in blank, if requested by the Agent) and original copies of each Assigned Agreement.

**SECTION 3.1.5. Intellectual Property Collateral.** With respect to any Intellectual Property Collateral that is material to the operations of any Grantor:

(b) such Grantor has made all necessary filings and recordations to protect its interest in such Intellectual Property Collateral, including recordations of all of its interests in the Patent Collateral and Trademark Collateral in the United States Patent and Trademark Office and in corresponding offices throughout the world and its claims to the Copyright Collateral in the United States Copyright Office and in corresponding offices throughout the world;

(c) in the case of any such Intellectual Property Collateral that is owned by such Grantor, such Grantor is the exclusive owner of the entire and unencumbered right, title and interest in and to such Intellectual Property Collateral and no claim has been made that the use of such Intellectual Property Collateral does or may violate the asserted rights of any third party;

(d) in the case of any such Intellectual Property Collateral that is licensed by such Grantor, such Grantor is in compliance with all the material terms of such license; and

(e) the Grantor has performed and will continue to perform all acts and has paid and will continue to pay all required fees and taxes to maintain each and every item of Intellectual Property Collateral in full force and effect throughout the world, as applicable.

Such Grantor owns directly or is entitled to use by license or otherwise, all patents, Trademarks, Trade Secrets, copyrights, licenses, technology, know-how, processes and rights with respect to any of the foregoing used in or necessary for the conduct of such Grantor's business.

**SECTION 3.1.6. **SECTION 3.1.7. (a) for the grant by such Grantor of the security interest granted hereby or for the execution, delivery and performance of this Agreement by such Grantor, or

(b) for the perfection of or the exercise by the Agent of its rights and remedies hereunder.

**SECTION 3.1.8. Due Execution, Validity, Etc.** Such Grantor has full power and authority, and holds all requisite governmental licenses, permits and other approvals, to enter into and perform its obligations under this Agreement. The execution, delivery and performance by such Grantor of this Agreement does not contravene or result in a default under such Grantor's Organic Documents or contravene or result in a default under any material contractual restriction, Lien or governmental regulation or court decree or order binding on such Grantor. This Agreement has been duly executed and delivered on behalf of each Grantor and constitutes the legal, valid and binding obligation of each Grantor enforceable in accordance with its terms, subject to the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or similar law affecting creditor's right generally, and subject to the effect of general principles of equity (regardless of whether considered in a proceeding in equity or at law). In addition, each representation and warranty of each Grantor contained in each Loan Document to which it is a party is true and correct in all material respects (unless such representation and warranty is stated to relate solely to an earlier date, in which case such representation and warranty is true and correct as of such earlier date).

**SECTION 3.1.10. Assigned Agreements.** The Assigned Agreements of such Grantor, true and complete copies of which have been furnished to each Lender, have been duly authorized, executed and delivered by such Grantor, are in full force and effect and are binding upon and enforceable against such Grantor in accordance with their terms. To the knowledge of such Grantor, there exists no default under any Assigned Agreement by any party thereto. With respect to each Assigned Agreement for which the Agent has requested such Grantor to obtain a written consent to assignment, each party to such Assigned Agreement other than such Grantor has executed and delivered to such Grantor a consent, in substantially the form of Exhibit D, to the assignment of such Assigned Agreement to the Agent pursuant to this Agreement.

#### ARTICLE IV COVENANTS

**SECTION 4.1. Certain Covenants.** Each Grantor covenants and agrees that, so long as any portion of the Secured Obligations shall remain unpaid or the Revolving Loan Commitment shall be outstanding, such Grantor will, unless the Required Lenders shall otherwise consent in writing, perform the obligations set forth in this Section.
