This **TRADEMARK SECURITY AGREEMENT** ("Agreement"), dated as of March 23, 2000, is entered into between **TJR INDUSTRIES, INC.**, a California corporation ("Debtor") and **U.S. BANK NATIONAL ASSOCIATION**, ("Bank"), in light of the following:

B. Debtor is the owner of certain intellectual property, identified below, in which Debtor is granting a security interest to Bank.

NOW THEREFORE, in consideration of the mutual promises, covenants, conditions, representations, and warranties hereinafter set forth and for other good and valuable consideration, the parties hereto mutually agree as follows:

1. DEFINITIONS AND CONSTRUCTION.

1.1 Definitions. The following terms, as used in this Agreement, have the following meanings:

"Code" means the California Uniform Commercial Code, as amended and supplemented from time to time, and any successor statute.

"Collateral" means:

(i) Each of the trademarks and rights and interest which are capable of being protected as trademarks (including trademarks, service marks, designs, logos, indicia, tradenames, corporate names, company names, business names, fictitious business names, trade styles, and other source or business identifiers, and applications pertaining thereto), which are presently, or in the future may be, owned, created, acquired, or used (whether pursuant to a license or otherwise) by Debtor, in whole or in part, and all trademark rights with respect thereto throughout the world, including all proceeds thereof (including license royalties and proceeds of infringement suits), and rights to renew and extend such trademarks and trademark rights;

(ii) All of Debtor's right, title, and interest in and to the trademarks and trademark registrations listed on Schedule A, attached hereto, as the same may be updated hereafter from time to time;

(iii) All of Debtor's rights to register trademark claims under any state or federal trademark law or regulation of any foreign country and to apply for, renew, and extend the trademark registrations and trademark rights, the

right (without obligation) to sue or bring opposition or cancellation proceedings in the name of Debtor or in the name of Bank for past, present, and future infringements of the trademarks, registrations, or trademark rights and all rights (but not obligations) corresponding thereto in the United States and any foreign country, and the associated goodwill;

(iv) All general intangibles relating to the foregoing; and

(v) All proceeds of any and all of the foregoing (including, without limitation, license royalties and proceeds of infringement suits) and, to the extent not otherwise included, all payments under insurance, or any indemnity, warranty, or guaranty payable by reason of loss or damage to or otherwise with respect to the Collateral.

"Obligations" means all obligations, liabilities, and indebtedness of Debtor to Bank, whether direct, indirect, liquidated, or contingent, and whether arising under this Agreement, the Loan Agreement, any other of the Loan Documents, or otherwise, including all costs and expenses described in Section 11.8 hereof.

1.2 Construction. Unless the context of this Agreement clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, and the term "including" is not limiting. The words "hereof," "herein," "hereby," "hereunder," and other similar terms refer to this Agreement as a whole and not to any particular provision of this Agreement. Any initially capitalized terms used but not defined herein shall have the meaning set forth in the Loan Agreement. Any reference herein to any of the Loan Documents includes any and all alterations, amendments, extensions, modifications, renewals, or supplements thereto or thereof, as applicable. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed or resolved against Bank or Debtor, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by Debtor, Bank, and their respective counsel, and shall be construed and interpreted according to the ordinary meaning of the words used so as to fairly accomplish the purposes and intentions of Bank and Debtor.

2. GRANT OF SECURITY INTEREST.

Debtor hereby grants to Bank a first-priority security interest in all of Debtor's right, title, and interest in and to the Collateral to secure the Obligations.

3. REPRESENTATIONS, WARRANTIES AND COVENANTS.

Debtor hereby represents, warrants, and covenants that:

3.1 Trademarks; Service Marks.

3.2 Validity; Enforceability. Each of Debtor's service marks and trademarks is valid and enforceable, and Debtor is not presently aware of any past, present, or prospective claim by any third party that any of its service marks, or trademarks are invalid or unenforceable, or that its use of any service marks, or trademarks violates the rights of any third person, or of any basis for any such claims;

3.3 Title. Debtor is the sole and exclusive owner of the entire and unencumbered right, title, and interest in and to each of the service marks, service mark registrations, trademarks, and trademark registrations set forth on Schedule A, free and clear of any liens, charges, and encumbrances, including pledges, assignments, licenses, shop rights, and covenants by Debtor not to sue third persons;

3.4 Notice. Debtor has used and will continue to use proper statutory notice in connection with its use of each of its service marks, and trademarks;

3.5 Quality. 3.6 Perfection of Security Interest. Except for the filing of a financing statement with the Secretary of State of California and filings with the United States Patent and Trademark Office necessary to perfect the security interests created hereunder, no authorization, approval, or other action by, and no notice to or filing with, any governmental authority or regulatory body is required either for the grant by Debtor of the security interest hereunder or for the execution, delivery, or performance of this Agreement by Debtor or for the perfection of or the exercise by Bank of its rights hereunder to the Collateral in the United States.

4. AFTER-ACQUIRED SERVICE MARK, OR TRADEMARK RIGHTS.

If Debtor shall obtain rights to any new service mark or trademarks, the provisions of this Agreement shall automatically apply thereto. Debtor shall give prompt notice in writing to Bank with respect to any such new service marks or trademarks or renewal or extension of any service mark or trademark registration. Debtor shall bear any expenses incurred in connection with future service mark or trademark registrations.

Bank shall provide at Debtor's expense all necessary cooperation in connection with any such suits, proceedings, or action, including, without limitation, joining as a necessary party. Following Debtor's becoming aware thereof, Debtor shall notify Bank of the institution of, or any adverse determination in, any proceeding in the United States Patent and Trademark Office or any United States, state, or foreign court regarding Debtor's claim of ownership in any of the service marks or trademarks, its right to apply for the same, or its right to keep and maintain such service mark or trademark rights.

6. POWER OF ATTORNEY.

Debtor grants Bank power of attorney, having the full authority, and in the place of Debtor and in the name of Debtor, from time to time following an Event of Default in Bank's discretion, to take any action and to execute any instrument which Bank may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, as may be subject to the provisions of this Agreement: to endorse Debtor's name on all applications, documents, papers, and instruments necessary for Bank to use or maintain the Collateral; to ask, demand, collect, sue for, recover, impound, receive, and give acquittance and receipts for money due or to become due under or in respect of any of the Collateral; to file any claims or take any action or institute any proceedings that Bank may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce Bank's rights with respect to any of the Collateral and to assign, pledge, convey, or otherwise transfer title in or dispose of the Collateral to any person.

8.3 Breach. Debtor fails to observe or perform any covenant, condition, or agreement to be observed or performed pursuant to the terms hereof which failure continues for 15 days and which failure materially and adversely affects Bank.

9. SPECIFIC REMEDIES.

9.1 Notification. Bank may notify licensees to make royalty payments on license agreements directly to Bank;

9.2 Sale. Bank may sell or assign the Collateral and associated goodwill at public or private sale for such amounts, and at such time or times as Bank deems advisable. Any requirement of reasonable notice of any disposition of the Collateral shall be satisfied if such notice is sent to Debtor ten days prior to such disposition. Debtor shall be credited with the net proceeds of such sale only when they are actually received by Bank, and Debtor shall continue to be liable for any deficiency remaining after the Collateral is sold or collected. If the sale is to be a public sale, Bank shall also give notice of the time and place by publishing a notice one time at least ten days before the date of the sale in a newspaper of general circulation in the county in which the sale is to be held. To the maximum extent permitted by applicable law, Bank may be the purchaser of any or all of the Collateral and associated goodwill at any public sale and shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any public sale, to use and apply all or any part of the Obligations as a credit on account of the purchase price of any collateral payable by Bank at such sale.
