## TRADEMARK SECURITY AGREEMENT

**THIS TRADEMARK SECURITY AGREEMENT** is made as of January 31, 2000, by **AVADO BRANDS, INC.**, a Georgia corporation ("**Pledgor**") to and in favor of **WACHOVIA BANK, N.A.** ("**Wachovia**"), not individually, but in its capacity as agent for the Banks defined below (Wachovia, acting in such capacity herein called the "**Agent**");

### WITNESSETH:

**WHEREAS**, pursuant to a certain Credit Agreement (including all annexes, exhibits or schedules thereto, and as from time to time amended, restated, supplemented or otherwise modified, the "**Credit Agreement**"), dated June 22, 1999, among Pledgor, the financial institutions party thereto and defined therein as the "**Banks**" (the "**Banks**"), and the Agent, the Banks agreed to extend credit to Pledgor; and

**WHEREAS**, to induce Banks to continue to make Loans to Pledgor under the Credit Agreement, as provided therein, Pledgor (among others) has executed and delivered in favor of the Agent a Master Security Agreement, dated as of January 20, 2000 (the "**Master Security Agreement**") pursuant to which Pledgor has granted security interests to Agent, for the benefit of itself and all Banks, in all, or substantially all, of its assets; and

**WHEREAS**, as a condition precedent to any continued extension of credit to Pledgor under the Credit Agreement, Pledgor is required to execute and deliver this Agreement and to grant to the Agent a continuing security interest in all of the Trademark Collateral (as defined below), to secure repayment of the Secured Obligations pursuant to, and as defined under, the Master Security Agreement; and

**WHEREAS**, Pledgor has duly authorized the execution, delivery, and performance of this Agreement;

**NOW, THEREFORE**, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Banks to continue to make Loans to Pledgor pursuant to the Credit Agreement, Pledgor agrees with Lender as follows:

1. **Definitions.** Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Credit Agreement or, as applicable, the Master Security Agreement.

2. **Grant of Security Interest.** For good and valuable consideration, receipt of which is hereby acknowledged, to secure all of the Secured Obligations (hereinafter defined), Pledgor does hereby mortgage, pledge, hypothecate, and grant to Agent, for the benefit of itself and all Banks, a continuing security interest in, to, and under, all rights, titles and interests of Pledgor in, to and under the following property (the "**Trademark Collateral**"), whether now existing or hereafter arising or acquired:

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other source of business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of like nature, all registrations and recordings thereof, and all applications in connection therewith, including registrations, recordings, and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States or any State thereof, including those referred to in Item A (“Trademarks”) of Attachment 1 hereto;

(b) all trademark licenses, including each trademark license referred to in Item B (“Trademark Licenses”) of Attachment 1 hereto;

(c) all renewals of any of the items described in clauses (a) and (b);

(d) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clauses (a) and (b); and

(e) all products and proceeds of, and rights associated with, the foregoing, including (i) any claim by any Pledgor against third parties for past, present, or future infringement or dilution of any trademark, trademark registration, or trademark license, including any trademark, trademark registration, trademark license or trade name referred to in Item A and Item B of Attachment 1 hereto, or for any injury to the goodwill associated with any trademark, trademark registration, trademark license, or trade name, and (ii) rights to royalties and other payments with respect to the foregoing.

3. **Secured Obligations.** This Agreement and the security interest granted hereunder to the Agent is given as security for all Secured Obligations.

4. **Master Security Agreement.** This Agreement has been executed and delivered by Pledgor for the purpose of registering the security interest of Agent in the Trademark Collateral with the United States Patent and Trademark Office and perfecting the security interest therein. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interests granted to the Agent under the Master Security Agreement and the other Loan Documents. The Credit Agreement and the other Loan Documents, including the Master Security Agreement (and all rights and remedies of the Agent thereunder) shall remain in full force and effect in accordance with their respective terms, notwithstanding the execution and delivery of this Agreement.

5. **Release of Security Interest.** At such time as the Secured Obligations have been paid in full and the Credit Agreement has been terminated, the Agent shall, at Pledgor’s expense, execute and deliver to Pledgor all instruments and other documents as may be necessary or proper to release the lien on and security interest in the Trademark Collateral which has been granted thereunder.

6. **Acknowledgment.** Pledgor does hereby further acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Financing Documents, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

7. **Collateral Document, Etc.** This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Credit Agreement.

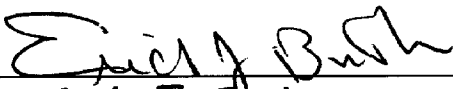

8. **Counterparts.** This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

9. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Georgia and applicable federal laws.

IN WITNESS WHEREOF, Pledgor has caused this Agreement to be duly executed and delivered by its officers thereunto duly authorized as of the day and year first above written.
