TRADEMARK COLLATERAL AGREEMENT

This 25th day of August, 2000, Linden Oaks Corporation, a Delaware corporation ("Pledgor") with its principal place of business and mailing address at 103 Foulk Road, Suite 290, Wilmington, Delaware 19803, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, assigns, mortgages and pledges to Harris Trust and Savings Bank, an Illinois banking corporation with its mailing address at 111 West Monroe Street, Chicago, Illinois 60690 ("Harris"), acting as agent hereunder for the Secured Creditors identified and defined in the Security Agreement described below (Harris acting as such agent and any successor or successors to Harris acting in such capacity being hereinafter referred to as the "Agent"), and grants to Agent a continuing security interest in, the following property:

(i) Each trademark, trademark registration and trademark application listed on Schedule A-1 hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration and trademark application; and

(ii) All proceeds of the foregoing, including without limitation any claim by Pledgor against third parties for damages by reason of past, present or future infringement of any trademark or trademark registration listed on Schedule A-1 hereto or by reason of injury to the goodwill associated with any such trademark or trademark registration, in each case together with the right to sue for and collect said damages;

to secure performance of all Obligations as defined in that certain Security Agreement Re: Intellectual Property dated as of September 23, 1998 between Pledgor and the Agent as amended from time to time (the "Security Agreement"). Notwithstanding anything herein to the contrary, this Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to Agent of any applications by Pledgor for a Trademark based on an intent to use the same if and so long as such application is pending and not matured into a registered Trademark (such pending applications which are based on intent to use being hereinafter referred to collectively as "Intent-To-Use Applications"), but rather, if and so long as Pledgor's Intent-To-Use Application is pending this Trademark Collateral Agreement shall operate only to create a security interest for collateral purposes in favor of Agent on such Intent-To-Use Application as collateral security for the Obligations.

Pledgor does hereby further acknowledge and affirm that the rights and remedies of Agent with respect to the assignment, mortgage, pledge and security interest in the trademarks, trademark registrations, trademark applications and trademark licenses made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

All terms defined in the Security Agreement, whether by reference or otherwise, when used herein, shall have their respective meanings set forth therein, unless the context requires otherwise.

IN WITNESS WHEREOF, Pledgor has caused this Trademark Collateral Agreement to be duly executed as of the date and year last above written.
