AGREEMENT

To secure its obligations under the Loan Agreement and under any other agreement now existing or hereafter arising between Lender and Grantor, Grantor grants and pledges to Lender, a security interest in all of Grantor's right, title and interest in, to and under its intellectual property collateral (including without limitation those Copyrights, Patents and Trademarks listed on Exhibits A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof and all goodwill associated therewith (the "Intellectual Property Collateral").

exercise by Lender of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement, the Loan Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including a Lender, of any or all other rights, powers or remedies.

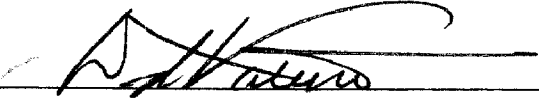

Grantor represents and warrants that Exhibits A, B, and C attached hereto set forth any and all material intellectual property in which Grantor has an interest. Grantor shall register or cause to be registered on an expedited basis with the United States Patent and Trademark Office or the United States Copyright Office, as applicable, the intellectual property rights listed on such exhibits. From time to time hereafter, Grantor shall register on an expedited basis such additional intellectual property, of a material nature, developed or acquired by Grantor in connection with any product prior to the sale or licensing of such product to any third party or inclusion of such product in any other product sold or licensed to any third party.
