Dear Ms. Lasalle:

As per my telephone conversation with Paula McCray, the attached copy of Assignment that was filed by BASF Corporation on September 5, 2000 was still not received in our office on December 28, 2000. At that time I called the Assignment Branch to determine the current status of the assignment. I spoke to Ms. Dorothy Riley who confirmed that the Assignment still had not been processed. Ms. Riley asked me to fax her a copy of the Assignment, which I did the same day. Apparently this resulted in a duplication of efforts by the Assignment Branch. Last week I received a completed Assignment document from your office dated December 28, 2000 (Reel/Frame 002166/0550 – prepared by Paula McCray). However, today I received another completed Assignment document from your office dated January 4, 2001 (Reel/Frame 002168/0922 – prepared by Sonya Johnson) for the same trademarks. Ms. McCray asked me to submit a new cover sheet noting that the nature of conveyance is a correction (attached).

Since the State of Incorporation for American Cyanamid on the Assignment dated January 4, 2001 (Reel/Frame 002168/0922) is incorrect, Ms. McCray told me to mention this in my request for correction. The correct State of Incorporation for American Cyanamid is Maine.

There is also a correction to be made to the Assignment resulting from an incorrect Serial No. noted on the Schedule of trademarks. Serial No. 75/018500 (Tribes TLC) should be Serial No. 76/018500 (Masterkey). Please make this correction and charge the \$40.00 fee to our Deposit Account #09-0425.

Could you please also confirm that the fee for this Assignment (\$2,890.00) was only charged "once" to our Deposit Account #09-0425.

Please expedite the processing of this Correction to Assignment as this matter has been pending in the Trademark Office since September 5, 2000.

Should you have any questions or concerns about any of the above-referenced matters, please contact me at (973) 426-3294. Thank you in advance for your kind assistance in these regards.

Very truly yours,
