GRANT OF TRADEMARK SECURITY INTEREST

WHEREAS, Levi Strauss & Co., a Delaware corporation, ("**Grantor**"), owns and uses in its business, and will in the future adopt and so use, various intangible assets, including the Trademark Collateral (as defined below); and

WHEREAS, Grantor has entered into a Credit Agreement dated as of February 1, 2001 (said Credit Agreement, as it may heretofore have been and as it may hereafter be amended, amended and restated, supplemented or otherwise modified from time to time, being the "**Credit Agreement**"; the terms defined therein and not otherwise defined herein being used herein as therein defined) with the financial institutions named therein (collectively, together with their respective successors and assigns party to the Credit Agreement from time to time, the "**Lenders**"), the financial institutions party thereto as Co-Lead Arrangers and Joint Book Managers, the financial institution party thereto as Syndication Agent, the financial institution party thereto as Documentation Agent, and Bank of America, N.A., as Administrative Agent for the Lenders (in such capacity, "**Secured Party**") pursuant to which the Lenders have made certain commitments, subject to the terms and conditions set forth in the Credit Agreement, to extend certain credit facilities to the Grantor; and

WHEREAS, the Grantor and Levi Strauss & Co. Europe Financial Services, S.C.A. or any successor thereto ("**FinServ**") may from time to time enter, or may from time to time have entered, into one or more Hedge Bank Hedge Agreements; and

WHEREAS, pursuant to the terms of a Pledge and Security Agreement dated as of February 1, 2001 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "**Security Agreement**"), among Grantor, Secured Party and the other grantors named therein, Grantor has agreed to create in favor of Secured Party a secured and protected interest in, and Secured Party has agreed to become a secured creditor with respect to, the Trademark Collateral;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Security Agreement, Grantor hereby grants to Secured Party a security interest in all of Grantor's right, title and interest in and to the following, in each case whether now or hereafter existing or in which Grantor now has or hereafter acquires an interest and wherever the same may be located (the "**Trademark Collateral**"):

all rights, title and interest (including rights acquired pursuant to a license or otherwise) in and to all trademarks, service marks, designs, logos, indicia, tradenames, trade dress, corporate names, company names, business names, fictitious business names, trade styles and/or other source and/or business identifiers and applications pertaining thereto, owned by such Grantor, or hereafter adopted and used, in its business (including the trademarks listed in Schedule A) (collectively, the "**Trademarks**"), all registrations that have been or may hereafter be issued or applied for thereon in the United States and any state thereof and in foreign countries (including the registrations and applications specifically identified in Schedule A) (the "**Trademark**

Registrations”), all common law and other rights in and to the Trademarks in the United States and any state thereof and in foreign countries (the **“Trademark Rights”**), and all goodwill of such Grantor’s business symbolized by the Trademarks and associated therewith (the **“Associated Goodwill”**); and

all proceeds, products, rents and profits of or from any and all of the foregoing Trademark Collateral and, to the extent not otherwise included, all payments under insurance (whether or not Secured Party is the loss payee thereof), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise with respect to any of the foregoing Trademark Collateral. For purposes of this Grant of Trademark Security Interest, the term **“proceeds”** includes whatever is receivable or received when Trademark Collateral or proceeds are sold, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary.

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include, and Grantor shall be not deemed to have granted a security interest in, any of Grantor’s rights or interests in any license, contract or agreement to which Grantor is a party or any of its rights or interests thereunder or any of its rights or interests in other property to the extent, but only to the extent, that such a grant would, under the terms of such license, contract or agreement or otherwise, result in a breach of the terms of, or constitute a default under, any license, contract or agreement to which Grantor is a party (other than to the extent that any such term would be rendered ineffective pursuant to the applicable Uniform Commercial Code or any other applicable law (including the Bankruptcy Code) or principles of equity) or any agreement prohibiting or conditioning the creation or assumption of any Lien upon its property or assets permitted by Section 5.02(1) of the Credit Agreement on such rights or interests; provided, that immediately upon the ineffectiveness, lapse or termination of any such provision, the Trademark Collateral shall include, and Grantor shall be deemed to have granted a security interest in, all such rights and interests as if such provision had never been in effect.

Grantor does hereby further acknowledge and affirm that the rights and remedies of Secured Party with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

[Remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, Grantor has caused this Grant of Trademark Security Interest to be duly executed and delivered by its officer thereunto duly authorized as of the 1st day of February, 2001.
