## COLLATERAL ASSIGNMENT AND TRADEMARK SECURITY AGREEMENT

THIS COLLATERAL ASSIGNMENT AND TRADEMARK SECURITY AGREEMENT (this "Agreement"), made as of the 23rd day of February, 2001 by GAMMA BIOLOGICALS, INC., a Texas corporation ("Grantor"), in favor of WACHOVIA BANK, NATIONAL ASSOCIATION, a national bank ("Lender");

### WITNESSETH THAT:

WHEREAS, Grantor owns and uses certain trademarks which are registered in the United States Patent and Trademark Office, all as more fully described on Exhibit "A" attached hereto and by reference made part hereof (hereinafter, together with all rights, benefits and privileges derived therefrom, the goodwill of the business symbolized thereby, all registrations thereof, all reissues, divisions, continuations, renewals and extensions thereof, and all proceeds of the foregoing, called the "Trademark Rights"); and

WHEREAS, Grantor has executed and delivered to Lender its certain Guaranty Agreement, dated as of even date herewith (herein, as it may be supplemented, amended or modified from time to time, called the "Guaranty"), pursuant to which Grantor has guaranteed the payment and performance by Immucor, Inc. and certain of its subsidiaries (collectively, "Borrowers") of their obligations under that certain Loan Agreement, dated as of even date herewith (herein, as it may be supplemented, amended, amended and restated or modified from time to time, called the "Loan Agreement"; capitalized terms used herein, but not expressly defined herein, shall have the meanings given to such terms in the Loan Agreement), between Borrowers and Lender; and

WHEREAS, Grantor has secured its obligations to Lender by executing and delivering to Lender the Security Agreement, and this Agreement is being executed in supplementation thereof;

NOW, THEREFORE, in consideration of the foregoing premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby grants to Lender a security interest in, and makes to Lender a collateral assignment of, the entire right, title, and interest of Grantor in and to the Trademark Rights. The Trademark Rights shall serve as collateral security for the payment of all Obligations and all "Guaranteed Obligations" (as defined in the Guaranty), shall constitute a part of the "Collateral" (as defined in the Security Agreement), and shall be subject to all of the terms and conditions of the Security Agreement applicable thereto.

Notwithstanding the foregoing, unless and until Lender exercises the rights and remedies accorded to it under the Security Agreement and by law with respect to the realization upon its security interest in and collateral assignment of the Trademark Rights, Grantor shall own, and may use and enjoy, the Trademark Rights in connection with its business operations, but only in a

manner consistent with the preservation of their current substance, validity, registration and the security interest herein granted.

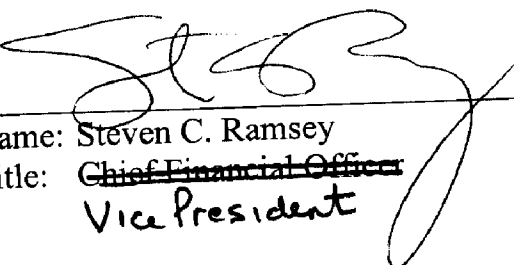

Grantor further agrees (a) that Lender shall not have any obligation or responsibility to protect or defend the Trademark Rights and Grantor shall at its own expense protect, defend and maintain the same to the extent advisable for its business, (b) that it shall forthwith advise Lender in writing of infringements of the Trademark Rights detected by it and (c) that if Grantor fails to comply with the requirements of the preceding clause (a), Lender may do so in Grantor's name or in Lender's name but at Grantor's expense, and Grantor hereby agrees to reimburse Lender for all expenses, including attorneys' fees, incurred by Lender in protecting, defending and maintaining the Trademark Rights owned by Grantor.

The security interest in and collateral assignment of the Trademark Rights granted hereunder shall remain in full force and effect until the termination of the Loan Agreement and the payment and satisfaction in full of the Obligations. At such time Lender shall, if requested by Grantor, execute and deliver to Grantor, or to a third party upon Grantor's instructions, for filing with the United States Patent and Trademark Office and in each office in which any financing statement relative to the security interest granted hereby may have been filed, (i) documentation in accordance with the rules and regulations of said office, (ii) termination statements under the Uniform Commercial Code and (iii) any other documentation reasonably requested by Grantor, all as may be necessary to release Lender's interest in the Trademark Rights, all at the cost and expense of Grantor.

This Agreement shall inure to the benefit of Lender and its successors and assigns and bind Grantor and its successors and assigns.

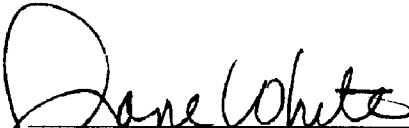

IN WITNESS WHEREOF, Grantor has caused this Agreement to be executed by its officer thereunto duly authorized under seal as of the date first above written.

GAMMA BIOLOGICALS, INC.

By:
