AGREEMENT
(Trademark)

THIS AGREEMENT (TRADEMARK) (this "Agreement"), dated as of January 31, 2001, between Rand McNally & Company, a Delaware corporation (the "Grantor") and The Bank of Nova Scotia, as administrative agent (together with any successor(s) thereto in such capacity, the "Administrative Agent") for each of the Secured Parties.

W I T N E S S E T H:

WHEREAS, pursuant to a Credit Agreement, dated as of November 6, 1997 (together with all amendments and other modifications, if any, from time to time thereafter made thereto, the "Credit Agreement"), among the Grantor, the various commercial lending institutions as are, or may from time to time become, parties thereto (the "Lenders"), and the Administrative Agent, the Lenders and the Issuer have extended Commitments to make Credit Extensions to the Grantor;

WHEREAS, as a condition precedent to the making of Credit Extensions (including the initial Credit Extensions) under the Credit Agreement, the Grantor has executed and delivered a Security Agreement, dated as of the date of the Credit Agreement (together with all amendments and other modifications, if any, from time to time thereafter made thereto, the "Security Agreement");

WHEREAS, as a condition precedent to the making of the Credit Extensions (including the initial Credit Extensions) under the Credit Agreement, the Grantor is required to execute and deliver this Agreement and to grant to the Administrative Agent a continuing security interest in all of the Trademark Collateral (as defined below) to secure all Obligations; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders and the Issuer to make Credit Extensions to the Grantor pursuant to the Credit Agreement, and to induce the Secured Parties to enter into Rate Protection Agreements, the Grantor agrees, for the benefit of each Secured Party, as follows.

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided (or incorporated by reference) in the Security Agreement.

SECTION 2. Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure all of the Obligations, the Grantor does hereby mortgage, pledge and hypothecate to the Administrative Agent, and grant to the Administrative Agent a security interest in, for its benefit and the benefit of each Secured Party, all of the following property (the "Trademark Collateral"), whether now owned or hereafter acquired or existing:

(a) all trademarks, trade names, trade dress, design mark, service marks, logos and other source of business identifiers (all of the foregoing items in this clause (a) being collectively called a "Trademark"), now existing anywhere in the world or hereafter adopted or acquired, and all registrations and recordings thereof and all applications in connection therewith, including registrations, recordings and applications in the United States Patent and Trademarks Office, including those referred to in Attachment 1 attached hereto, and all renewals thereof;

(b) all licenses and other agreements providing the Grantor with the right to use any items of the type described in clause (a);

(c) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clause (a);

(d) the right to sue third parties for past, present and future infringements of any Trademark Collateral described in clause (a) and, to the extent applicable, clause (b); and

(e) all proceeds of, and rights associated with, the foregoing, including any claim by the Grantor against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration or Trademark license, including any Trademark, Trademark registration and applications referred to in Attachment 1 attached hereto, or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark license.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Grantor for the purpose of registering the security interest of the Administrative Agent in the Trademark Collateral with the United States Patent and Trademark Office and, to the extent required by the Security Agreement, all offices in other countries of the world. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Administrative Agent for its benefit and the benefit of each Secured Party under the Security Agreement. The Security Agreement (and all rights and remedies of the

Administrative Agent and each Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Release of Security Interest. Upon payment in full of all Obligations (other than Unasserted Indemnities), the termination or expiration of all Letters of Credit, the termination of all Rate Protections Agreements and the termination of all Commitments or as otherwise provided in the Security Agreement, the Administrative Agent shall, at the Grantor's expense, execute and deliver to the Grantor all instruments and other documents as may be necessary or proper to release the lien on and security interest in the Trademark Collateral which has been granted hereunder.

SECTION 5. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 6. Loan Document, etc. This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Credit Agreement.

SECTION 7. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
