WHEREAS, the Assignor desires to release its security interest in the Trademark and assign the Trademark to Assignee;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound, the parties hereto agree as follows:

1. Release and Assignment. 2. Trademark Filing. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks or other authority responsible for effectuating and/or recording assignment of the Trademark, to indicate in its records that Assignee is the assignee of the entire right, title and interest in, to and under the Trademark set forth in the attached Schedule A.

3. Further Assurances. Assignor agrees to execute whatever documents are deemed necessary or desirable by Assignee, its successors, assigns or legal representatives to record transfer of ownership of the Trademark from Assignor to Assignee. Assignor further agrees that it will, at any time, upon request by Assignee, its successors, assigns or legal representatives, deliver any and all papers that may be necessary or desirable to perfect the title to the Trademark or inventions or to enable

Assignee or its successors, assigns or legal representatives to obtain and enforce protection for the Trademark.

4. Attorney-In-Fact. Assignor hereby irrevocably constitutes and appoints Assignee its true and lawful attorney with full power of substitution, in its name, reasonably to take any of the actions described in Section 3 hereof if Assignor shall not promptly take such actions upon request.

5. Successors and Assigns. This Assignment shall be binding upon Assignor and its successors and permitted assigns and shall inure to the benefit of Assignee and its successors and permitted assigns.

6. Applicable Law. This Assignment and the legal relations between Assignee and Assignor will be governed by and construed in accordance with the substantive laws of the State of Illinois, without giving effect to the principles of conflict of laws thereof.
