(b) Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable federal and state laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 2.2).

(c) Each Guarantor agrees that the Borrower Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing the guarantee contained in this Section 2 or affecting the rights and remedies of the Agent or any Lender hereunder.

(d) The guarantee contained in this Section 2 shall remain in full force and effect until all the Borrower Obligations and the obligations of each Guarantor under the guarantee contained in this Section 2 shall have been satisfied by payment in full and the Commitments shall be terminated, notwithstanding that from time to time during the term of the Credit Agreement the Borrower may be free from any Borrower Obligations.

(e) No payment made by the Borrower, any of the Guarantors, any other guarantor or any other Person or received or collected by the Agent or any Lender from the Borrower, any of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in

Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 2.3. The provisions of this Section 2.2 shall in no respect limit the obligations and liabilities of any Guarantor to the Agent and the Lenders, and each Guarantor shall remain liable to the Agent and the Lenders for the full amount guaranteed by such Guarantor hereunder.

Notwithstanding any payment made by any Guarantor hereunder or any set-off or application of funds of any Guarantor by the Agent or any Lender, no Guarantor shall be entitled to be subrogated to any of the rights of the Agent or any Lender against the Borrower or any other Guarantor or any collateral security or guarantee or right of offset held by the Agent or any Lender for the payment of the Borrower Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Agent and the Lenders by the Borrower on account of the Borrower Obligations are paid in full and the Commitments are terminated. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Borrower Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Agent and the Lenders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Agent, if required), to be applied against the Borrower Obligations, whether matured or unmatured, in such order as the Agent may determine.

2.4 Amendments, etc. with respect to the Borrower Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Borrower Obligations made by the Agent or any Lender may be rescinded by the Agent or such Lender and any of the Borrower Obligations continued, and the Borrower Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Agent or any Lender, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Agent (or the Required Lenders or all Lenders, as the case may be) may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by the Agent or any Lender for the payment of the Borrower Obligations may be sold, exchanged, waived, surrendered or released. Each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrower or any of the Guarantors with respect to the Borrower Obligations. Each Guarantor understands and agrees that the guarantee contained in this Section 2 shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity or enforceability of the Credit Agreement or any other Loan Document, any of the Borrower Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Agent or any Lender, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by the Borrower or any other Person against the Agent or any Lender, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Borrower Obligations, or of such Guarantor under the guarantee contained in this Section 2, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, the Agent or any Lender may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any other Guarantor or any other Person or against any collateral security or guarantee for the Borrower Obligations or any right of offset with respect thereto, and any failure by the Agent or any Lender to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Agent or any Lender against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

2.6 Reinstatement. The guarantee contained in this Section 2 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Borrower Obligations is rescinded or must otherwise be restored or returned by the Agent or any Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

2.7 Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to the Agent without set-off or counterclaim in Dollars at the office of the Agent located at 677 Washington Boulevard, Stamford, Connecticut 06901.

(a) Schedule 5 lists all Intellectual Property owned or licensed by such Grantor in its own name on the date hereof.

(b) On the date hereof, all material Intellectual Property is valid, subsisting, unexpired and enforceable, has not been abandoned and, to the Grantor's knowledge, does not infringe upon the intellectual property rights of any other Person.

(c) Except as set forth in Schedule 5, on the date hereof, none of the Intellectual Property is the subject of any licensing or franchise agreement pursuant to which such Grantor is the licensor or franchisor.

(d) No holding, decision or judgment has been rendered by any Governmental Authority which would limit, cancel or question the validity of, or such Grantor's rights in, any Intellectual Property in any respect that could reasonably be expected to have a Material Adverse Effect.

(e) No action or proceeding is pending, or, to the knowledge of such Grantor, threatened, on the date hereof (i) seeking to limit, cancel or question the validity of any Intellectual Property or such Grantor's ownership interest therein, or (ii) which, if adversely determined, would have a material adverse effect on the value of any Intellectual Property.

SECTION V

COVENANTS

Each Grantor covenants and agrees with the Agent and the Lenders that, from and after the date of this Agreement until the Obligations shall have been paid in full and the Commitments shall have terminated:

5.1 Covenants in Credit Agreement. In the case of each Guarantor, such Guarantor shall take, or shall refrain from taking, as the case may be, each action that is necessary to be taken or not taken, as the case may be, so that no Default or Event of Default is caused by the failure to take such action or to refrain from taking such action by such Guarantor or any of its Subsidiaries.

5.2 Delivery of Instruments, Chattel Paper and Certificated Securities. If any amount payable under or in connection with any of the Collateral shall be or become evidenced by any Instrument, Chattel Paper or certificated security having a value in excess of \$100,000, such Instrument, Chattel Paper or certificated security shall be immediately delivered to the Agent, duly indorsed in a manner satisfactory to the Agent, to be held as Collateral pursuant to this Agreement.

5.3 Maintenance of Insurance.

(a) Such Grantor will maintain, with financially sound and reputable companies, insurance policies (i) insuring the Inventory and Equipment against loss by fire, explosion, theft and such other casualties as may be reasonably satisfactory to the Agent and (ii) insuring such Grantor, the Agent and the Lenders against liability for personal injury and property damage relating to such Inventory and Equipment, such policies to be in such form and amounts and having such coverage as may be reasonably satisfactory to the Agent and the Lenders;

(b) All such insurance shall (i) provide that no cancellation, material reduction in amount or material change in coverage thereof shall be effective until at least 30 days after receipt by the Agent of written notice thereof, (ii) name the Agent as insured party or loss payee, (iii) if reasonably requested by the Agent, include a breach of warranty clause and (iv) be reasonably satisfactory in all other respects to the Agent.

(c) The Borrower shall deliver to the Agent and the Lenders a report of a reputable insurance broker with respect to such insurance during the month of December in each calendar year and such supplemental reports with respect thereto as the Agent may from time to time reasonably request.

5.4 Payment of Obligations. Such Grantor will pay and discharge or otherwise satisfy at or before maturity or before they become delinquent, as the case may be, all taxes, assessments and governmental charges or levies imposed upon the Collateral or in respect of income or profits therefrom, as well as all claims of any kind (including, without limitation, claims for labor, materials and supplies) against or with respect to the Collateral, except that no such charge need be paid if the amount or validity thereof is currently being contested in good faith by appropriate proceedings, reserves in conformity with GAAP with respect thereto have been provided on the books of such Grantor and such proceedings could not reasonably be expected to result in the sale, forfeiture or loss of any material portion of the Collateral or any interest therein.

5.5 Maintenance of Perfected Security Interest; Further Documentation.

(a) Such Grantor shall maintain the security interest created by this Agreement as a perfected security interest having at least the priority described in Section 4.3 and shall defend such security interest against the claims and demands of all Persons whomsoever.

(b) Such Grantor will furnish to the Agent and the Lenders from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Agent may reasonably request, all in reasonable detail.

(c) At any time and from time to time, upon the written request of the Agent, and at the sole expense of such Grantor, such Grantor will promptly and duly execute and deliver, and have recorded, such further instruments and documents and take such further actions as the Agent may reasonably request for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including, without limitation, the filing of any financing or continuation statements under the Uniform Commercial Code (or other similar laws) in effect in any jurisdiction with respect to the security interests created hereby.

(d) From time to time subsequent to the date hereof, additional Persons may become additional Grantors, by executing a counterpart agreement in a form satisfactory to the Agent. Upon delivery of any such counterpart agreement to the Agent, notice of which is hereby waived by Grantors, each additional Grantor shall be a Grantor and shall be as fully a party hereto as if such additional Grantor were an original signatory hereto. Each Grantor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Grantor hereunder, nor by any election of Agent not to cause any Subsidiary of the Borrower to become an additional Grantor hereunder. This Agreement shall be fully effective as to any Grantor that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder.

5.6 Changes in Locations, Name, etc. Such Grantor will not, except upon 30 days' prior written notice to the Agent and prior delivery to the Agent of (a) all additional executed financing statements and other documents reasonably requested by the Agent to maintain the validity, perfection and priority of the security interests provided for herein and (b) if applicable, a written supplement to Schedule 5 showing any additional location at which Inventory or Equipment shall be kept:

(i) permit any of the Inventory or Equipment to be kept at a location other than in one of the 50 States of the United States or the District of Columbia (unless such Inventory is conveyed, sold, leased, transferred, assigned or otherwise disposed of as permitted by the Credit Agreement);

(ii) change its name, identity or corporate structure to such an extent that any financing statement filed by the Agent in connection with this Agreement would become misleading (unless such change is permitted by the Credit Agreement; provided that, in connection therewith, the Grantor shall have (a) notified the Agent in writing, by executing and delivering to the Agent a completed Pledge Supplement, substantially in the form of Exhibit A attached hereto, together with all Supplements to Schedules thereto, at least thirty (30) days prior to any such change or establishment, identifying such new proposed name, identity or corporate structure and providing such other

information in connection therewith as the Agent may reasonably request and (b) taken all actions necessary or advisable to maintain the continuous validity, perfection and the same or better priority of the Agent's security interest in the Collateral intended to be granted and agreed to hereby); or

(iii) change its jurisdiction of organization or establish any trade names unless it shall have (a) notified the Agent in writing, by executing and delivering to the Agent a completed Pledge Supplement, substantially in the form of Exhibit A attached hereto, together with all Supplements to Schedules thereto, at least thirty (30) days prior to any such change or establishment, identifying such new proposed jurisdiction of organization or trade name and providing such other information in connection therewith as the Agent may reasonably request and (b) taken all actions necessary or advisable to maintain the continuous validity, perfection and the same or better priority of the Agent's security interest in the Collateral intended to be granted and agreed to hereby.

5.7 Notices. Such Grantor will advise the Agent and the Lenders promptly, in reasonable detail, of:

(a) any Lien (other than security interests created hereby or Liens permitted under the Credit Agreement) on any of the Collateral which would adversely affect the ability of the Agent to exercise any of its remedies hereunder, and

(b) of the occurrence of any other event which could reasonably be expected to have a material adverse effect on the aggregate value of the Collateral or on the security interests created hereby.

5.8 Investment Related Property.

(a) If such Grantor shall, as a result of its ownership of Pledged Securities, become entitled to receive or shall receive any certificate (including, without limitation, any certificate representing a stock dividend or a distribution in connection with any reclassification, increase or reduction of capital or any certificate issued in connection with any reorganization), option or rights in respect of the Capital Stock of any Issuer, whether in addition to, in substitution of, as a conversion of, or in exchange for, any shares of the Pledged Equity Interests, or otherwise in respect thereof, such Grantor shall accept the same as the agent of the Agent and the Lenders, hold the same in trust for the Agent and the Lenders and deliver the same forthwith to the Agent in the exact form received, indorsed in blank by an "effective indorsement" (as defined in Section 8-107 of the UCC), to be held by the Agent, subject to the terms hereof, as additional collateral security for the Obligations. To the extent resulting from a sale or disposition of assets not permitted under the Credit Agreement, any sums paid upon or in respect of the Pledged Securities upon the liquidation or dissolution of any Issuer shall be paid over to the Agent to be held by it hereunder as additional collateral security for the Obligations, and in case any distribution of capital shall be made on or in respect of the Pledged Securities or any property shall be distributed upon or with respect to the Pledged Securities pursuant to the recapitalization or reclassification of the capital of any Issuer or pursuant to the reorganization thereof, the property so distributed shall, unless otherwise subject to a perfected security interest in favor of the Agent, be delivered to the Agent to be held by it hereunder as additional collateral security for

the Obligations. If any sums of money or property so paid or distributed in respect of the Pledged Securities shall be received by such Grantor, such Grantor shall, until such money or property is paid or delivered to the Agent, hold such money or property in trust for the Lenders, segregated from other funds of such Grantor, as additional collateral security for the Obligations.

(b) Without the prior written consent of the Agent, such Grantor will not (i) vote to enable, or take any other action to permit, any Issuer to issue any stock or other equity securities of any nature or to issue any other securities convertible into or granting the right to purchase or exchange for any stock or other equity securities of any nature of any Issuer, (ii) sell, assign, transfer, exchange, or otherwise dispose of, or grant any option with respect to, the Pledged Securities or Proceeds thereof (except pursuant to a transaction expressly permitted by the Credit Agreement), (iii) create, incur or permit to exist any Lien or option in favor of, or any claim of any Person with respect to, any of the Pledged Securities or Proceeds thereof, or any interest therein, except for the security interests created by this Agreement or as permitted by the Credit Agreement, (iv) enter into any agreement or undertaking restricting the right or ability of such Grantor or the Agent to sell, assign or transfer any of the Pledged Securities or Proceeds thereof or (v) cause any issuer of any Pledged LLC Interests which are not securities (for purposes of the UCC) on the date hereof to elect or otherwise take any action to cause such Pledged LLC Interests to be treated as securities for purposes of the UCC; provided, however, notwithstanding the foregoing, if any issuer of any Pledged LLC Interests takes any such action in violation of the foregoing in this clause (v), such Grantor shall promptly notify the Agent in writing of any such election or action and, in such event, shall take all steps necessary or advisable to establish the Agent's "control" thereof.

(c) In the case of each Grantor which is an Issuer, such Issuer agrees that (i) it will be bound by the terms of this Agreement relating to the Pledged Securities issued by it and will comply with such terms insofar as such terms are applicable to it, (ii) it will notify the Agent promptly in writing of the occurrence of any of the events described in Section 5.8(a) with respect to the Pledged Securities issued by it and (iii) the terms of Sections 6.3(c) and 6.7 shall apply to it, mutatis mutandis, with respect to all actions that may be required of it pursuant to Section 6.3(c) or 6.7 with respect to the Pledged Securities issued by it.

(d) In addition to the foregoing, in the event any Grantor acquires rights in any Investment Related Property after the date hereof, it shall deliver to the Agent a completed Pledge Supplement, substantially in the form of Exhibit A attached hereto, together with all Supplements to Schedules thereto, reflecting such new Investment Related Property and all other Investment Related Property. Notwithstanding the foregoing, it is understood and agreed that the security interest of the Agent shall attach to all Investment Related Property immediately upon any Grantor's acquisition of rights therein and shall not be affected by the failure of any Grantor to deliver a supplement to Schedule 1 as required hereby.

(e) Each Grantor agrees that with respect to any Investment Related Property in which it currently has rights (other than any Securities Accounts, any Securities Entitlements and any Deposit Accounts) it shall comply with the provisions of this Section 5.8(e) on or before the Closing Date and with respect to any Investment Related Property hereafter acquired by such Grantor it shall comply with the provisions of this Section 5.8(e) promptly upon acquiring rights therein, in each case in form and substance satisfactory to the Agent; provided that each Grantor further agrees that with respect to any Securities Accounts and any Deposit Accounts in which it currently has rights, it shall comply with the provisions of this Section 5.8(e) promptly upon the Agent's request therefor. With respect to any Investment Related Property that is represented by a certificate or that is an "instrument" (other than any Investment Related

Property credited to a Securities Account) it shall cause such certificate or instrument to be delivered to the Agent, indorsed in blank by an "effective indorsement" (as defined in Section 8-107 of the UCC), regardless of whether such certificate constitutes a "certificated security" for purposes of the UCC. With respect to any Investment Related Property that is an "uncertificated security" for purposes of the UCC (other than any "uncertificated securities" credited to a Securities Account), it shall cause the issuer of such uncertificated security to either (i) register the Agent as the registered owner thereof on the books and records of the issuer or (ii) execute an agreement in form and substance satisfactory to the Agent, pursuant to which such issuer agrees to comply with the Agent's instructions with respect to such uncertificated security without further consent by such Grantor. With respect to any Investment Related Property consisting of Securities Accounts or Securities Entitlements, it shall cause the securities intermediary maintaining such Securities Account or Securities Entitlement to enter into an agreement substantially in the form of Exhibit B hereto pursuant to which it shall agree to comply with the Agent's "entitlement orders" without further consent by such Grantor. With respect to any Investment Related Property that is a "Deposit Account," it shall cause the depository institution maintaining such account to enter into an agreement substantially in the form of Exhibit B hereto, pursuant to which the Agent shall have both sole dominion and control over such Deposit Account (within the meaning of the common law) and "control" (as defined in Section 9-104 of Revised Article 9) over such Deposit Account. In addition to the foregoing, if any issuer of any Investment Related Property is located in a jurisdiction outside of the United States, each Grantor shall take such additional actions, including, without limitation, causing the issuer to register the pledge on its books and records or making such filings or recordings, in each case as may be necessary or advisable, under the laws of such issuer's jurisdiction to insure the validity, perfection and priority of the security interest of the Agent. Upon the occurrence and during the continuance of an Event of Default, the Agent shall have the right, without notice to any Grantor, to transfer all or any portion of the Investment Related Property to its name or the name of its nominee or agent. In addition, the Agent shall have the right at any time, without notice to any Grantor, to exchange any certificates or instruments representing any Investment Related Property for certificates or instruments of smaller or larger denominations.

5.9 Receivables.

(a) Other than in the ordinary course of business consistent with its past practice, such Grantor will not (i) grant any extension of the time of payment of any Receivable, (ii) compromise or settle any Receivable for less than the full amount thereof, (iii) release, wholly or partially, any Person liable for the payment of any Receivable, (iv) allow any credit or discount whatsoever on any Receivable or (v) amend, supplement or modify any Receivable in any manner that could adversely affect the value thereof.

(b) Such Grantor will deliver to the Agent a copy of each material demand, notice or document received by it that questions or calls into doubt the validity or enforceability of more than 5% of the aggregate amount of the then outstanding Receivables.

5.10 Intellectual Property.

(a) Such Grantor (either itself or through licensees) will, except with respect to any Trademark that such Grantor shall reasonably determine is of negligible economic value to it, (i) continue to use each material Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any claim of abandonment for non-use, except as permitted by the Credit Agreement, (ii) use its best efforts to maintain as in the past the

quality of products and services offered under such Trademark, (iii) use such Trademark with the appropriate notice of registration or notice of trademark, as applicable, and all other notices and legends required by applicable Requirements of Law, (iv) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless the Agent, for the ratable benefit of the Lenders, shall obtain a perfected security interest in such mark pursuant to this Agreement, and (v) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby such Trademark may become invalidated or impaired in any way.

(b) Such Grantor (either itself or through licensees) will not do any act, or omit to do any act, whereby any material Patent may become forfeited, abandoned or dedicated to the public.

(c) Such Grantor (either itself or through licensees) (i) will employ each material Copyright and (ii) will not (and will not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any material portion of the Copyrights may become invalidated or otherwise impaired. Such Grantor will not (either itself or through licensees) do any act whereby any material portion of the Copyrights may fall into the public domain.

(d) Such Grantor (either itself or through licensees) will not do any act that knowingly uses any material Intellectual Property to infringe the intellectual property rights of any other Person.

(e) Such Grantor will notify the Agent and the Lenders immediately if it knows, or has reason to know, that any application or registration relating to any material Intellectual Property may become forfeited, abandoned or dedicated to the public, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court or tribunal in any country) regarding such Grantor's ownership of, or the validity of, any material Intellectual Property or such Grantor's right to register the same or to own and maintain the same.

(f) Whenever such Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for the registration of any Intellectual Property with the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, such Grantor shall report such filing to the Agent within five Business Days after the last day of the fiscal quarter in which such filing occurs. Upon request of the Agent, such Grantor shall execute and deliver, and have recorded, any and all agreements, instruments, documents, and papers as the Agent may reasonably request to evidence the Agent's and the Lenders' security interest in any Copyright, Patent or Trademark and the goodwill and general intangibles of such Grantor relating thereto or represented thereby.

(g) Such Grantor will take all reasonable and necessary steps as it shall deem appropriate under the circumstances, in accordance with its reasonable business judgment, including, without limitation, in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain, to the extent permitted by law, each registration of the

material Intellectual Property, including, without limitation, filing of applications for renewal, affidavits of use and affidavits of incontestability.

(h) In the event that any material Intellectual Property is infringed, misappropriated or diluted by a third party, such Grantor shall (i) take such actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Intellectual Property and (ii) if such Intellectual Property is of material economic value, promptly notify the Agent after it learns thereof and sue for infringement, misappropriation or dilution or take such other action as the Grantor shall deem appropriate under the circumstances, to seek injunctive relief where appropriate and to recover any and all damages for such infringement, misappropriation or dilution.

SECTION VI

REMEDIAL PROVISIONS

6.1 Certain Matters Relating to Receivables.

(a) The Agent shall at any time upon reasonable advance notice to the Grantor and at reasonable intervals, have the right to make test verifications of the Receivables in any manner and through any medium that it reasonably considers advisable, and each Grantor shall furnish all such assistance and information as the Agent may reasonably require in connection with such test verifications. At any time and from time to time, upon the Agent's request, at reasonable intervals, and at the expense of the relevant Grantor, such Grantor shall cause independent public accountants or others satisfactory to the Agent to furnish to the Agent reports showing reconciliations, aging and test verifications of, and trial balances for, the Receivables.

(b) The Agent hereby authorizes each Grantor to collect such Grantor's Receivables and the Agent may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default. If required by the Agent at any time after the occurrence and during the continuance of an Event of Default, any payments of Receivables, when collected by any Grantor, (i) shall be forthwith (and, in any event, within two Business Days) deposited by such Grantor in the exact form received, duly indorsed by such Grantor to the Agent if required, in a Collateral Account maintained under the sole dominion and control of the Agent, subject to withdrawal by the Agent for the account of the Lenders only as provided in Section 6.5, and (ii) until so turned over, shall be held by such Grantor in trust for the Agent and the Lenders, segregated from other funds of such Grantor. Each such deposit of Proceeds of Receivables shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

(c) At the Agent's request, each Grantor shall deliver to the Agent all original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Receivables, including, without limitation, all original orders, invoices and shipping receipts.

6.2 Communications with Obligors; Grantors Remain Liable.

(a) The Agent in its own name or in the name of others may at any time after the occurrence and during the continuance of an Event of Default communicate with

obligors under the Receivables to verify with them to the Agent's satisfaction the existence, amount and terms of any Receivables.

(b) Upon the request of the Agent at any time after the occurrence and during the continuance of an Event of Default, each Grantor shall notify obligors on the Receivables that the Receivables have been assigned to the Agent for the ratable benefit of the Lenders and that payments in respect thereof shall be made directly to the Agent.

(c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable under each of the Receivables to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. Neither the Agent nor any Lender shall have any obligation or liability under any Receivable (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Agent or any Lender of any payment relating thereto, nor shall the Agent or any Lender be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Receivable (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

6.3 Pledged Securities.

(a) Unless an Event of Default shall have occurred and be continuing and the Agent shall have given notice to the relevant Grantor of the Agent's intent to exercise its corresponding rights pursuant to Section 6.3(b), each Grantor shall be permitted to receive all cash dividends paid in respect of the Pledged Equity Interests and all payments made in respect of the Pledged Notes, in each case paid to the extent permitted in the Credit Agreement, and to exercise all voting and corporate rights with respect to the Pledged Securities; provided, however, that no vote shall be cast or corporate right exercised or other action taken which, in the Agent's reasonable judgment, would impair the Collateral or which would be inconsistent with or result in any violation of any provision of the Credit Agreement, this Agreement or any other Loan Document.

(b) If an Event of Default shall occur and be continuing and the Agent shall give notice of its intent to exercise such rights to the relevant Grantor or Grantors, (i) the Agent shall have the right to receive any and all cash dividends, payments or other Proceeds paid in respect of the Pledged Securities and make application thereof to the Obligations then due and payable in such order as the Agent may determine, and (ii) any or all of the Pledged Securities shall be registered in the name of the Agent or its nominee, and the Agent or its nominee may thereafter exercise (x) all voting, corporate and other rights pertaining to such Pledged Securities at any meeting of shareholders of the relevant Issuer or Issuers or otherwise and (y) any and all rights of conversion, exchange and subscription and any other rights, privileges or options pertaining to such Pledged Securities as if it were the absolute owner thereof (including, without limitation, the right to exchange at its discretion any and all of the Pledged Securities upon the merger, consolidation, reorganization, recapitalization or other fundamental change in the corporate structure of any Issuer, or upon the exercise by any Grantor or the Agent of any right, privilege or option pertaining to such Pledged Securities, and in connection therewith, the right to deposit and deliver any and all of the Pledged Securities with any committee, depository, transfer agent, registrar or other designated agency upon such terms and conditions as the Agent may determine), all without liability except to account for property actually received by it, but the

Agent shall have no duty to any Grantor to exercise any such right, privilege or option and shall not be responsible for any failure to do so or delay in so doing. All Proceeds received by the Agent hereunder shall be held by the Agent for the benefit of the Lenders in a Collateral Account. All Proceeds while held by the Agent in a Collateral Account (or by a Grantor in trust for the Agent or the Lenders) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied as provided in Section 6.5.

(c) Each Grantor hereby authorizes and instructs each Issuer of any Pledged Securities pledged by such Grantor hereunder to (i) comply with any instruction received by it from the Agent in writing that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each Issuer shall be fully protected in so complying, and (ii) unless otherwise expressly permitted hereby, pay any dividends or other payments with respect to the Pledged Securities directly to the Agent.

6.4 Proceeds to be Turned Over To Agent. In addition to the rights of the Agent and the Lenders specified in Section 6.1 with respect to payments of Receivables, if an Event of Default shall occur and be continuing, upon request of the Agent, all Proceeds received by any Grantor consisting of cash, checks and other near-cash items shall be held by such Grantor in trust for the Agent and the Lenders, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Agent in the exact form received by such Grantor (duly indorsed by such Grantor to the Agent, if required). All Proceeds received by the Agent hereunder shall be held by the Agent in a Collateral Account maintained under its sole dominion and control. All Proceeds while held by the Agent in a Collateral Account (or by such Grantor in trust for the Agent and the Lenders) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied as provided in Section 6.5.

6.5 Application of Proceeds. At such intervals as may be agreed upon by the Borrower and the Agent, or, if an Event of Default shall have occurred and be continuing, at any time at the Agent's election, the Agent may apply all or any part of Proceeds held in any Collateral Account in payment of the Obligations then due and payable in such order as the Agent may elect, and any part of such funds which the Agent elects not so to apply and deems not required as collateral security for the Obligations shall be paid over from time to time by the Agent to the Borrower or to whomsoever may be lawfully entitled to receive the same. Any balance of such Proceeds remaining after the Obligations shall have been paid in full and the Commitments shall have terminated shall be paid over to the Borrower or to whomsoever may be lawfully entitled to receive the same.

6.6 Code and Other Remedies. If an Event of Default shall occur and be continuing, the Agent, on behalf of the Lenders, may exercise, in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the UCC or any other applicable law. Without limiting the generality of the foregoing, the Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Grantor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived to the extent permitted by applicable law), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at

public or private sale or sales, at any exchange, broker's board or office of the Agent or any Lender or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Agent or any Lender shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. Each Grantor further agrees, at the Agent's request, to assemble the Collateral and make it available to the Agent at places which the Agent shall reasonably select, whether at such Grantor's premises or elsewhere. The Agent shall apply the net proceeds of any action taken by it pursuant to this Section 6.6, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Agent and the Lenders hereunder, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations, in such order as the Agent may elect, and only after such application and after the payment by the Agent of any other amount required by any provision of law, including, without limitation, Section 9-504(l)(c) of the UCC, need the Agent account for the surplus, if any, to any Grantor. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against the Agent or any Lender arising out of the exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition.

6.7 Registration Rights.

(a) If the Agent shall determine to exercise its right to sell any or all of the Pledged Equity Interests pursuant to Section 6.6, and if in the opinion of the Agent it is necessary or advisable to have the Pledged Equity Interests, or that portion thereof to be sold, registered under the provisions of the Securities Act, the relevant Grantor will use its best efforts to cause the Issuer thereof to (i) execute and deliver, and cause the directors and officers of such Issuer to execute and deliver, all such instruments and documents, and do or cause to be done all such other acts as may be, in the opinion of the Agent, necessary or advisable to register the Pledged Equity Interests, or that portion thereof to be sold, under the provisions of the Securities Act, (ii) use its best efforts to cause the registration statement relating thereto to become effective and to remain effective for a period of one year from the date of the first public offering of the Pledged Equity Interests, or that portion thereof to be sold, and (iii) make all amendments thereto and/or to the related prospectus which, in the opinion of the Agent, are necessary or advisable, all in conformity with the requirements of the Securities Act and the rules and regulations of the Securities and Exchange Commission applicable thereto. Each Grantor agrees to use its best efforts to cause such Issuer to comply with the provisions of the securities or "Blue Sky" laws of any and all jurisdictions which the Agent shall designate and to make available to its security holders, as soon as practicable, an earnings statement (which need not be audited) which will satisfy the provisions of Section 11(a) of the Securities Act. 19.

(b) Each Grantor recognizes that the Agent may be unable to effect a public sale of any or all the Pledged Equity Interests, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such

private sale shall be deemed to have been made in a commercially reasonable manner. The Agent shall be under no obligation to delay a sale of any of the Pledged Equity Interests for the period of time necessary to permit the Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Issuer would agree to do so.

(c) Each Grantor agrees to use its best efforts to do or cause to be done all such other acts as may be necessary to make such sale or sales of all or any portion of the Pledged Equity Interests pursuant to this Section 6.7 valid and binding and in compliance with any and all other applicable Requirements of Law. Each Grantor further agrees that a breach of any of the covenants contained in this Section 6.7 will cause irreparable injury to the Agent and the Lenders, that the Agent and the Lenders have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 6.7 shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses (to the extent permitted by law) against an action for specific performance of such covenants except for a defense that no Event of Default has occurred and is continuing under the Credit Agreement.

6.8 FCC Licenses.

(a) Notwithstanding anything herein to the contrary, to the extent this Agreement or any other Loan Document purports to grant or to require any Grantor to grant, to the Agent, on behalf of the Lenders, a security interest in the FCC Licenses of any such Grantor, the Agent, on behalf of the Lenders, shall only have a security interest in such FCC Licenses at such times and to the extent that a security interest in such FCC Licenses is permitted under applicable law. Notwithstanding anything to the contrary set forth herein, the Agent, on behalf of the Lenders, agrees that to the extent prior FCC approval is required pursuant to the Communications Act for (a) the operation and effectiveness of any grant, right or remedy hereunder or under the other Loan Documents or (b) taking any action that may be taken by the Agent hereunder or under the other Loan Documents, such grant, right, remedy or actions will be subject to such prior FCC approval having been obtained by or in favor of the Agent, on behalf of the Lenders (and each Grantor will use its best efforts to obtain any such approval as promptly as possible). Each Grantor agrees that, upon and during the continuance of an Event of Default and at the Agent's request, such Grantor will, and will cause each License Sub to, promptly file, or cause to be filed, such applications for approval and shall take all other and further actions required by the Agent, on behalf of the Lenders, to obtain such governmental authorizations as are necessary to transfer ownership and control to the Agent, on behalf of the Lenders, or their successors or assigns, of the FCC Licenses held by it or its Subsidiaries, or its interest in any Person holding any such FCC License. To enforce the provisions of this Section 6.8, the Agent is empowered to request the appointment of a receiver from any court of competent jurisdiction. Such receiver shall be instructed to seek from the FCC and, to the extent applicable, any Governmental Authority an involuntary transfer of control of any FCC License for the purpose of seeking a bona fide purchaser to whom control will ultimately be transferred. Each Grantor hereby agrees to authorize, and to cause each License Sub to authorize, such an involuntary transfer of control upon the request of the receiver so appointed and, if any Grantor shall refuse to authorize or cause such License Sub so to authorize the transfer, its approval may be required by the court. Upon the occurrence and continuance of an Event of Default, each Grantor shall further use its best efforts to assist in obtaining approval of the FCC for any action or transactions contemplated by this Agreement or the other Loan Documents, including, without limitation, preparation, execution and filing with the FCC of the assignor's or transferor's portion of any application or applications for consent to the assignment of any FCC License or transfer of control necessary or appropriate under the Communications Act for approval of the transfer or

assignment of any portion of the Collateral, together with any FCC License or other authorization. Grantor acknowledges that the assignment or transfer of FCC Licenses is integral to the Lenders' realization of the value of the Collateral, that there is no adequate remedy at law for failure by Grantor to comply with the provisions of this Section 6.8 and that such failure would not be adequately compensable in damages, and therefore agree that the agreements contained in this Section 6.8 may be specifically enforced.

(b) Notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, neither the Agent nor any Lender shall, without first obtaining the approval of the FCC take any action pursuant to this Agreement or any other Loan Document, nor will any Grantor lose any voting power, which would constitute or result in any acquisition or transfer of ownership of any Grantor or its assets, assignment of any FCC License or any change of control of any Grantor or any other Person if such assignment, acquisition, transfer or change in control would require, under then existing law (including the Communications Act), the prior approval of the FCC.

(c) The Agent acknowledges that after the occurrence of an Event of Default, all requisite consents of the FCC must be obtained prior to the exercise by the Agent and/or a purchaser, at a public or private sale, or any rights as an owner of any Collateral and/or as an equity holder in the Pledged Equity Interests.

(d) The Agent and each Grantor agree that, in the event of any changes in law (including, without limitation, changes in the Communications Act) occurring after the date hereof that affect in any manner the Agent's rights of access to, or use or sale of, the FCC Licenses, or the procedures necessary to enable the Agent to obtain such rights of access, use or sale (including, without limitation, changes allowing greater access), the Agent and each Grantor, upon request of the Agent, shall amend this Agreement and the other Loan Documents in such manner as the Agent shall reasonably request, in order to provide the Agent with such rights to the greatest extent possible consistent with then applicable law.

6.9 Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Obligations and the reasonable fees and disbursements of any attorneys employed by the Agent or any Lender to collect such deficiency.

SECTION VII

THE AGENT

7.1 Agent's Appointment as Attorney-in-Fact, etc. (a) Each Grantor hereby irrevocably constitutes and appoints the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) in the name of such Grantor or its own name, or otherwise, take possession of and indorse and collect any checks, drafts,

notes, acceptances or other instruments for the payment of moneys due under any Receivable or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Agent for the purpose of collecting any and all such moneys due under any Receivable or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Agent may reasonably request to evidence the Agent's and the Lenders' security interest in such Intellectual Property and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof,

(iv) execute, in connection with any sale provided for in Section 6.6 or 6.7, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral;

(v) (1) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Agent or as the Agent shall direct; (2) ask for or demand, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Agent may deem appropriate; (7) assign any Copyright, Patent or Trademark (along with the goodwill of the business to which any such Copyright, Patent or Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Agent shall in its sole discretion determine; and (8) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Agent were the absolute owner thereof for all purposes, and do, at the Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things which the Agent deems necessary to protect, preserve or realize upon the Collateral and the Agent's and the Lenders' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do; and

(vi) to file, or cause to be filed, to the extent permitted by law, such applications for approval and to take all other and further actions required to obtain any approvals or consents from the FCC required for the exercise of any right or remedy hereunder.

Anything in this Section 7.1(a) to the contrary notwithstanding, the Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 7.1(a) unless an Event of Default shall have occurred and be continuing.

(b) If any Grantor fails to perform or comply with any of its agreements contained herein, the Agent, at its option, but without any obligation so to do, may perform or comply with, or otherwise cause performance or compliance, with such agreement.

(c) The reasonable expenses of the Agent incurred in connection with actions undertaken as provided in this Section 7.1, together with interest thereon at a rate per annum equal to the rate per annum at which interest would then be payable on past due ABR Loans under the Credit Agreement, from the date of payment by the Agent to the date reimbursed by the relevant Grantor, shall be payable by such Grantor to the Agent on demand.

(d) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

7.2 Duty of Agent. The Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession shall be to deal with it in the same manner as the Agent deals with similar property for its own account. Neither the Agent, any Lender nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Agent and the Lenders hereunder are solely to protect the Agent's and the Lenders' interests in the Collateral and shall not impose any duty upon the Agent or any Lender to exercise any such powers. The Agent and the Lenders shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

7.3 Execution of Financing Statements. Each Grantor authorizes the Agent to file or record a Record or Records, including, without limitation, financing or continuation statements, and amendments thereto, and other filing or recording documents or instruments with respect to the Collateral without the signature of such Grantor in such form and in all jurisdictions and with all offices as the Agent may determine, in its sole discretion, are necessary or advisable to perfect the security interest granted to the Agent under this Agreement. A photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction. Such financing statements may describe the Collateral in the same manner as described herein or may contain an indication or description of collateral that describes such property in any other manner as the Agent may determine, in its sole discretion, is necessary, advisable or prudent to ensure the

perfection of the security interest in the Collateral granted to the Agent herein, including, without limitation, describing such property as "all assets" or "all personal property."

7.4 Authority of Agent. Each Grantor acknowledges that the rights and responsibilities of the Agent under this Agreement with respect to any action taken by the Agent or the exercise or non-exercise by the Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Agent and the Lenders, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Agent and the Grantors, the Agent shall be conclusively presumed to be acting as agent for the Lenders with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

SECTION VIII

MISCELLANEOUS

8.1 Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with subsection 9.1 of the Credit Agreement; provided that any provision of this Agreement for the benefit of the Agent and the Lenders may be waived by the Agent and the Lenders in a letter or agreement executed by the Agent or by facsimile transmission from the Agent.

8.2 Notices. All notices, requests and demands to or upon the Agent or any Grantor hereunder shall be effected in the manner provided for in subsection 9.2 of the Credit Agreement; provided that any such notice, request or demand to or upon any Guarantor shall be addressed to such Guarantor at its notice address set forth on the signature pages hereto.

8.3 No Waiver by Course of Conduct; Cumulative Remedies. Neither the Agent nor any Lender shall by any act (except by a written instrument pursuant to Section 8.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of the Agent or any Lender, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Agent or any Lender of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Agent or such Lender would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

8.4 Enforcement Expenses; Indemnification.

(a) Each Guarantor agrees to pay or reimburse each Lender and the Agent for all its reasonable costs and expenses incurred in collecting against such Guarantor under the guarantee contained in Section 2 or otherwise enforcing or preserving any rights under this Agreement and the other Loan Documents to which such Guarantor is a party, including, without limitation, the reasonable fees and disbursements of counsel to each Lender and of counsel to the Agent.

(b) Each Guarantor agrees to pay, and to save the Agent and the Lenders harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement.

(c) Each Guarantor agrees to pay, and to save the Agent and the Lenders harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, reasonable expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Borrower would be required to do so pursuant to subsection 9.5 of the Credit Agreement.

(d) The agreements in this Section 8.4 shall survive repayment of the Obligations and all other amounts payable under the Credit Agreement and the other Loan Documents.

8.5 Successors and Assigns. This Agreement shall be binding upon the successors and assigns of each Grantor and shall inure to the benefit of the Agent and the Lenders and their successors and assigns; provided that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Agent.

8.6 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

8.7 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.8 Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

8.9 Integration. This Agreement and the other Loan Documents represent the agreement of the Grantors, the Agent and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Agent or any Lender relative to subject matter hereof and thereof not expressly set forth or referred to herein or in the other Loan Documents.

8.10 **GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.**

8.11 Submission To Jurisdiction; Waivers. Each Grantor hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition

and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the Courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Grantor at its address referred to in Section 8.2 or at such other address of which the Agent shall have been notified pursuant thereto; and

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

Each Grantor, the Agent and the Lenders hereby irrevocably and unconditionally waive, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

8.12 Acknowledgements. Each Grantor hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party;

(b) neither the Agent nor any Lender has any fiduciary relationship with or duty to any Grantor arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Grantors, on the one hand, and the Agent and Lenders, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Grantors and the Lenders.

8.13 **WAIVER OF JURY TRIAL. EACH GRANTOR HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.**

8.14 Additional Grantors. Each Subsidiary of the Borrower that is required to become a party to this Agreement pursuant to subsection 5.10 of the Credit Agreement shall become a Grantor for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form of Annex 1 hereto.

8.15 Releases.

(a) At such time as the Loans and the other Obligations shall have been paid in full, and the Commitments shall have been terminated, the Collateral shall be released from the Liens created hereby, and this Agreement and the security interests created by this Agreement and all obligations (other than those expressly stated to survive such termination) of the Agent and each Grantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Grantors. At the request and sole expense of any Grantor following any such termination, the Agent shall deliver to such Grantor any Collateral held by the Agent hereunder, and execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

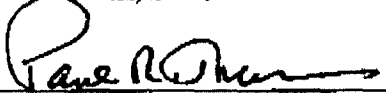

(b) If any of the Collateral shall be sold, transferred or otherwise disposed of by any Grantor in a transaction permitted by the Credit Agreement, then the Agent, at the request and sole expense of such Grantor, shall execute and deliver to such Grantor all releases or other documents reasonably necessary or desirable for the release of the Liens created hereby on such Collateral. At the request and sole expense of the Borrower, a Subsidiary Guarantor shall be released from its obligations hereunder in the event that all the Capital Stock of such Subsidiary Guarantor shall be sold, transferred or otherwise disposed of in a transaction permitted by the Credit Agreement; provided that the Borrower shall have delivered to the Agent, at least ten Business Days prior to the date of the proposed release, a written request for release identifying the relevant Subsidiary Guarantor and the terms of the sale or other disposition in reasonable detail, including the price thereof and any expenses in connection therewith, together with a certification by the Borrower stating that such transaction is in compliance with the Credit Agreement and the other Loan Documents.

IN WITNESS WHEREOF, each of the undersigned has caused this Second Amended and Restated Security Agreement to be duly executed and delivered as of the date first above written.

(b) Each of the Pledged Accounts are either a Securities Account (as defined in Section 8-501 of the UCC) or a "Deposit Account" as defined in Section 9-102(a)(29) of the UCC). The Financial Intermediary acknowledges and agrees that the ____ Account[s] are intended to be deposit accounts and the _____ Account[s] are intended to be securities accounts.

(c) All securities or other property underlying any financial assets credited to the Securities Account shall be registered in the name of the Financial Institution, indorsed to the Financial Institution or in blank or credited to another securities account maintained in the name of the Financial Institution and in no case will any financial asset credited to the Securities Account be registered in the name of the Grantor, payable to the order of the Grantor or specially indorsed to the Grantor except to the extent the foregoing have been specially indorsed to the Financial Institution or in blank.

Section 4. Subordination of Lien; Waiver of Set-Off. In the event that the Financial Institution has or subsequently obtains by agreement, by operation of law or otherwise a security interest in any Pledged Account or any security entitlement or cash credited thereto, the Financial Institution hereby agrees that such security interest shall be subordinate to the security interest of the Secured Party. The financial assets, money and other items credited to either Account will not be subject to deduction, set-off, banker's lien, or any other right in favor of any person other than the Secured Party (except that the Financial Institution may set off (i) all amounts due to the Financial Institution in respect of customary fees and expenses for the routine maintenance and operation of the respective Account and (ii) the face amount of any checks which have been credited to such Account but are subsequently returned unpaid because of uncollected or insufficient funds).

Section 5. Choice of Law. This Agreement, the Securities Account and the Deposit Account shall each be governed by the laws of the State of [New York]. (e) **Permitted Investments.** Until such time as the Financial Institution receives a Notice of Sole Control signed by the Secured Party, the Grantor shall direct the Financial Institution with respect to the selection of investments to be made for any Pledged Account that is a securities account; provided, however, that the Financial Institution shall not honor any instruction to purchase any investments other than investments of a type describe on Exhibit B hereto.]
