Unless the context of this Agreement clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, and the term "including" is not limiting. The words "hereof," "herein," "hereby," "hereunder," and other similar terms refer to this Agreement as a whole and not to any particular provision of this Agreement. Any initially capitalized terms used but not defined herein shall have the meaning set forth in the Loan Agreement. Any reference herein to any of the Loan Documents includes any and all alterations, amendments, extensions, modifications, renewals, or supplements thereto or thereof, as applicable. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed or resolved against Bank or Debtor, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by Debtor,

Bank, and their respective counsel, and shall be construed and interpreted according to the ordinary meaning of the words used so as to fairly accomplish the purposes and intentions of Bank and Debtor.

2. GRANT OF SECURITY INTEREST.

Debtor hereby grants to Bank a first-priority security interest in all of Debtor's right, title, and interest in and to the Collateral to secure the Obligations.

3. REPRESENTATIONS, WARRANTIES AND COVENANTS.

Debtor hereby represents, warrants, and covenants that:

3.1 Copyrights; Trademarks; Service Marks; Patents.

(ii) A true and complete schedule setting forth all patent and patent applications owned or controlled by Debtor and licensed to APC, together with a summary description and full information in respect of the filing or issuance thereof and expiration dates is set forth on Schedule B; and

(iii) A true and complete schedule setting forth all federal copyright registrations owned or controlled by Debtor and licensed to APC, together with a summary description and full information in respect of the filing or issuance thereof and expiration dates is set forth on Schedule C.

3.2 Validity; Enforceability. Each of Debtor's copyrights, patents, service marks and trademarks is valid and enforceable, and Debtor is not presently aware of any past, present, or prospective claim by any third party that any of its copyrights, patents, service marks, or trademarks are invalid or unenforceable, or that its use of any copyrights, patents, service marks, or trademarks violates the rights of any third person, or of any basis for any such claims;

3.3 Title. Except for the Licensing Agreement, Debtor is the sole and exclusive owner of the entire and unencumbered right, title, and interest in and to each of the copyrights, copyright registrations, patents, patent applications, service marks, service mark registrations, trademarks, and trademark registrations set forth on Schedules A, B, and C, free and clear of any liens, charges, and encumbrances, including pledges, assignments, licenses, shop rights, and covenants by Debtor not to sue third persons;

3.4 Notice. Debtor has used and will continue to use proper statutory notice in connection with its use of each of its copyrights, patents, service marks, and trademarks;

3.5 Quality. Debtor has used and will continue to use consistent standards of high quality (which may be consistent with Debtor's past practices) in the manufacture, sale, and delivery of products and services sold or delivered under or in connection with its service marks

and trademarks, including, to the extent applicable, in the operation and maintenance of its merchandising operations, and will continue to maintain the validity of its service marks and trademarks;

3.6 Perfection of Security Interest. Except for the filing of a financing statement with the Secretary of State of California and filings with the United States Patent and Trademark Office and the United States Copyright Office necessary to perfect the security interests created hereunder, no authorization, approval, or other action by, and no notice to or filing with, any governmental authority or regulatory body is required either for the grant by Debtor of the security interest hereunder or for the execution, delivery, or performance of this Agreement by Debtor or for the perfection of or the exercise by Bank of its rights hereunder to the Collateral in the United States.

3.7 License Agreement. Debtor hereby covenants and agrees that it shall not terminate the License Agreement until the Obligations are indefeasibly paid in full in cash. Debtor further agrees to recognize Bank as the assignee of APC's rights under the License Agreement in the event that Bank exercises its rights and remedies under the Loan Documents with respect to the Collateral.

4. FUTURE INTELLECTUAL PROPERTY USE AND SECURITY

In the event that APC engages in the use or commercial exploitation of any intellectual property hereinafter developed and owned by Debtor, if Debtor has not entered into a separate prior addendum to the License Agreement setting forth the terms of such use (a copy of which addendum shall be forwarded to Bank), the intellectual property shall automatically become subject to License Agreement on the terms set forth therein. Upon the granting of any such license to APC either by operation of this provision or pursuant to an addendum to the License Agreement, such intellectual property shall automatically be incorporated in the definition of Collateral as set forth in Section 1.1(iv) and upon the request of Bank, Debtor shall further enter into a modification of this Agreement which can be recorded to perfect a security interest in such additional intellectual property. Nothing contained in this provision shall be interpreted as requiring Debtor to license or otherwise transfer any hereinafter acquired or developed intellectual property of Debtor to APC.

5. LITIGATION AND PROCEEDINGS.

Debtor shall commence and diligently prosecute in its own name, as the real party in interest, for its own benefit, and its own expense, such suits, administrative proceedings, or other action for infringement or other damages as are in its reasonable business judgment necessary to protect the Collateral. Debtor shall provide to Bank any information with respect thereto requested by Bank. Bank shall provide at Debtor's expense all necessary cooperation in connection with any such suits, proceedings, or action, including, without limitation, joining as a necessary party. Following Debtor's becoming aware thereof, Debtor shall notify Bank of the institution of, or any adverse determination in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office, or any United States, state, or foreign court regarding Debtor's claim of ownership in any of the copyrights, patents, service marks or trademarks, its right to apply for the same, or its right to keep and maintain such copyright, patent, service mark or trademark rights.

6. POWER OF ATTORNEY.

Debtor grants Bank power of attorney, having the full authority, and in the place of Debtor and in the name of Debtor, from time to time following an Event of Default in Bank's discretion, to take any action and to execute any instrument which Bank may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, as may be subject to the provisions of this Agreement: to endorse Debtor's name on all applications, documents, papers, and instruments necessary for Bank to use or maintain the Collateral; to ask, demand, collect, sue for, recover, impound, receive, and give acquittance and receipts for money due or to become due under or in respect of any of the Collateral; to file any claims or take any action or institute any proceedings that Bank may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce Bank's rights with respect to any of the Collateral and to assign, pledge, convey, or otherwise transfer title in or dispose of the Collateral to any person.

7. RIGHT TO INSPECT.

Debtor grants to Bank and its employees and agents the right to visit Debtor's plants and facilities which manufacture, inspect, or store products sold under any of the patents or trademarks, and to inspect the products and quality control records relating thereto at reasonable times during regular business hours.

9. SPECIFIC REMEDIES.

Upon the occurrence of any Event of Default, Bank shall have, in addition to, other rights given by law or in this Agreement, the Loan Agreement, or in any other Loan Document, all of the rights and remedies with respect to the Collateral of a secured party under the Code, including the following:

9.1 Notification. Bank may notify licensees to make royalty payments on license agreements directly to Bank;

9.2 Sale. Bank may sell or assign the Collateral and associated goodwill at public or private sale for such amounts, and at such time or times as Bank deems advisable. Any

requirement of reasonable notice of any disposition of the Collateral shall be satisfied if such notice is sent to Debtor five days prior to such disposition. Debtor shall be credited with the net proceeds of such sale only when they are actually received by Bank, and Debtor shall continue to be liable for any deficiency remaining after the Collateral is sold or collected. If the sale is to be a public sale, Bank shall also give notice of the time and place by publishing a notice one time at least five days before the date of the sale in a newspaper of general circulation in the county in which the sale is to be held. To the maximum extent permitted by applicable law, Bank may be the purchaser of any or all of the Collateral and associated goodwill at any public sale and shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any public sale, to use and apply all or any part of the Obligations as a credit on account of the purchase price of any collateral payable by Bank at such sale.
