## SECURITY INTEREST IN TRADEMARKS

Silicon Graphics, Inc., a Delaware corporation, and Silicon Graphics Federal, Inc., a Delaware corporation (collectively, "*Grantor*"), for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, grant to Foothill Capital Corporation, a California corporation, as agent for and representative of (in such capacity herein called "*Secured Party*") the financial institutions ("*Lenders*") party to that certain Loan and Security Agreement, entered into by and among the Grantor, Agent, and Lenders, dated as of April 10, 2001 ( the "*Loan Agreement*"), a continuing security interest in the following property; provided, however that such grant of security interest will not include the Excluded Intellectual Property listed on **Schedule B** hereto:

(i) Each trademark, trademark registration and trademark application listed on **Schedule A** hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration and trademark application; and

(ii) All proceeds of the foregoing, including without limitation any claim by Grantor against third parties for damages (to the extent not effectively prohibited by an applicable and legally enforceable license agreement) by reason of past, present or future infringement of any trademark or trademark registration listed in **Schedule A** hereto or by reason of injury to the goodwill associated with any such trademark or trademark registration or trademark license, in each case together with the right to sue for and collect said damages:

to secure performance of all Obligations of Grantor under the Loan Agreement and as set out in that certain Intellectual Property Security Agreement dated as of November 9, 2001, by and among Grantor, Secured Party and Lenders (the "*Agreement*").

Grantor does hereby further acknowledge and affirm that the rights and remedies of Secured Party with respect to the security interest in the works of authorship, trademarks, trademark registrations and recordings, and trademark applications made and granted hereby are more fully set forth in the Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

All terms defined in the Agreement, whether by reference or otherwise, when used herein, shall have their respective meanings set forth therein, unless the context requires otherwise.

IN WITNESS WHEREOF, Grantor has caused this Security Interest in Trademarks to be duly executed as of November 9, 2001.
