1. The undersigned, E. D. Smith & Sons, Limited/E. D. Smith & Fils, Limitee, a company incorporated under the laws of the Province of Ontario (hereinafter called the "Debtor"), hereby enters into this Security Agreement with Bank of Montreal (hereinafter called the "Secured Party") for valuable consideration and as security for the payment of all present and future indebtedness of the Debtor to the Secured Party and interest thereon both before and after demand and for the payment and discharge of all other present and future liabilities and obligations, direct or indirect, absolute or contingent, joint or several, of the Debtor to the Secured Party whether as principal or surety (all such indebtedness, interest, liabilities and obligations being hereinafter collectively called the "Obligations"). Insofar as it affects personal property located in Ontario, this Security Agreement is governed by the *Personal Property Security Act* (Ontario) (the "PPSA").

**B. GRANT OF MORTGAGES, CHARGES AND SECURITY INTERESTS**

2. The Debtor hereby:

(a) assigns, transfers and conveys to the Secured Party, and grants to the Secured Party a security interest in all of its present and future intellectual property including without limitation, (i) copyrights, (ii) trade-marks, trade names, business names, trade styles, logos and all other forms of business identifiers, and (iii) trade secrets and other confidential information and data in any form or format, including without limitation, all know-how obtained, developed or used in or contemplated at any time for use in the business, affairs, undertaking and operations of the Debtor now or hereafter owned generated or acquired, including in each instance all related additions, improvements and accessories thereto and replacements thereof (hereinafter referred to as the "Intellectual Property Collateral") (whether registered or unregistered) including without limitation the intellectual property described in Schedule "A" hereto; and

(b) assigns, mortgages and charges in favour of the Secured Party and grants to the Secured Party a security interest in the proceeds arising from any of the assets referred to in this section 2.

For the purposes of this Security Agreement, the Intellectual Property Collateral, the proceeds arising therefrom and all other property and assets of the Debtor referred to in this section 2 are hereinafter collectively called the "Collateral".

**C. AGREEMENTS OF THE DEBTOR**

3. The Debtor and the Secured Party agree that they have not agreed to postpone the time for attachment of the security interests granted hereby with respect to presently existing Collateral of the Debtor and that such security interests shall attach to the Collateral acquired after the date hereof as soon as the Debtor has rights in such Collateral.
  
4. The Debtor agrees with the Secured Party that, until the Obligations have been satisfied or paid in full:
  - (a) it will not, without the prior written consent of the Secured Party, create or suffer to exist any liens upon or assign or transfer as security or pledge or hypothecate any of the Collateral, except to the Secured Party; and
  
  - (b) it will:
    - (i) hold the proceeds received from any direct or indirect dealing with the Collateral in trust for the Secured Party after the security interests granted in this Security Agreement become enforceable;
  
    - (ii) keep the then existing Collateral in good repair, working order and condition according to the nature and description thereof, and the Secured Party may, whenever it deems necessary, either in person or by agent, enter upon the property of the Debtor and inspect the Collateral and the right, title and interest of the Debtor in and to the Intellectual Property Collateral and the reasonable cost of such inspection shall be payable on demand and added to the Obligations and the Secured Party may make repairs as it deems necessary, and the cost thereof shall be payable on demand and added to the Obligations;
  
    - (iii) make all necessary filings, registrations and other recordations to protect the interest of the Debtor in the Collateral, including without limitation recordations of all its interests in all patents, trade-marks, and copyrights comprised in the Intellectual Property Collateral;

- (iv) perform all covenants required under any third party agreement, including, *inter alia*, promptly paying all required fees, royalties and taxes, to maintain each and every item of Intellectual Property Collateral in full force and effect throughout as applicable;
- (v) maintain all filings, registrations and other recordations relating to any of the Intellectual Property Collateral, including without limitation, timely payment of any renewal and/or maintenance fees;
- (vi) vigorously protect, preserve and maintain all of the right, title and interest of the Debtor in the Intellectual Property Collateral, including without limitation, the duty to prosecute and/or defend against any and all suits concerning validity, infringement, enforceability, ownership or other aspects affecting any of the Intellectual Property Collateral (any expenses incurred in protecting, preserving and maintaining any of the Intellectual Property Collateral shall be borne by the Debtor);
- (vii) upon written request by the Secured Party, execute and deliver any and all agreements, instruments, documents and papers as the Secured Party may reasonably request to evidence the security interest of the Secured Party in the Collateral, including without limiting the foregoing, the Intellectual Property Collateral;
- (viii) refrain from selling, assigning, disposing, licensing or otherwise transferring to any third party any of the right, title or interest of the Debtor in any of the Collateral, including without limitation, the Intellectual Property Collateral other than in the normal course of the business of the Debtor;
- (ix) after default refrain from either directly or indirectly filing any application for registration affecting any of the Intellectual Property Collateral without the prior written consent of the Secured Party;
- (x) strictly comply with every covenant and undertaking given by it to the Secured Party; and
- (xi) comply with valid requirements of any governmental authority pertaining to the operation by the Debtor of its business.

5. The Debtor hereby represents and warrants to the Secured Party (which representations and warranties shall survive until the Obligations have been completely performed and discharged) that:

- (a) all registrations and applications for registration in respect of the Intellectual Property Collateral including all relevant renewals have been duly and properly made, are in full force and effect and are not subject to dispute by any governmental authority or agency and all leases, licenses, and other agreements affecting any of the right, title or interest of the Debtor in any of the Intellectual Property Collateral (collectively, "Third Party Agreements") are in good standing;
- (b) the Debtor owns directly or is entitled to use by license or otherwise all patents, trademarks, trade secrets, copyrights, licenses, technology, know-how, processes and other information and rights with respect to the Collateral, including the Intellectual Property Collateral;
- (c) the Debtor has made all necessary filings, registrations and recordations to protect all of its right, title and interest in the Intellectual Property Collateral, including without limitation, recordations of all such rights, title and interest in related patents, trade-marks and copyrights;
- (d) to the best of the knowledge of the Debtor, no litigation is pending or threatened which contains allegations respecting the validity, enforceability, infringement or ownership of any of the Intellectual Property Collateral, including without limitation, any of the right, title or interest of the Debtor in the Intellectual Property Collateral;
- (e) Schedule "A" lists all of the registered present intellectual property of the Debtor, including without limitation, all registered patents, trademarks and copyrights of the Debtor; and
- (f) none of the Obligations nor the granting of the Security Interest by the Debtor in favour of the Secured Party constitutes a breach under any Third Party Agreement.

6. The Debtor hereby agrees that it will at all times, both before and after default, do or cause to be done such additional things and execute and deliver or cause to be executed and delivered all such further acts and documents as the Secured Party may reasonably require for the better

mortgaging, charging, transferring, assigning, confirming and granting of security interests in the present or future Collateral to the Secured Party.

**D. DEFAULT**

- 7. The Obligations shall, at the option of the Secured Party, become payable and the security granted pursuant to this Security Agreement shall become enforceable if the Debtor makes default in the observance or performance of any written agreement or undertaking heretofore or hereafter given by the Debtor to the Secured Party, whether contained herein or not including, without limiting the foregoing, upon the occurrence of a Default or Event of Default under that certain credit agreement between EDS Acquisition Inc., EDS Holdco Inc. and the Secured Party dated as of January 23, 2002 (the "Credit Agreement").
- 8. The Secured Party may in writing (and not otherwise) waive any breach by the Debtor of any of the provisions contained in this Security Agreement or any default by the Debtor in the observance or performance of any provision of this Security Agreement; provided always that no waiver by the Secured Party shall extend to or be taken in any manner whatsoever to affect any subsequent breach or default, whether of the same or a different nature, or the rights resulting therefrom.

**E. REMEDIES OF THE SECURED PARTY**

- 9. Whenever the security granted pursuant to this Security Agreement shall have become enforceable, and so long as it shall remain enforceable, the Secured Party may proceed to realize such security and to enforce its rights by:
  - (a) the appointment by instrument in writing of a receiver or receivers of the Collateral or any part thereof (which receiver or receivers may be any person or persons, whether an officer or officers or employee or employees of the Secured Party or not and the Secured Party may remove any receiver or receivers so appointed and appoint another or others in his or their stead);
  - (b) proceedings in any court of competent jurisdiction for the appointment of a receiver or receivers or for sale of the Collateral or any part thereof;
  - (c) any other action, suit, remedy or proceeding authorized or permitted hereby or by law or by equity;

- (d) exercising all of the Debtor's rights under all licenses, contracts, agreements or other instruments in writing relating to the Collateral as fully and effectually as if the Secured Party were the absolute owner thereof;
- (e) commencing legal proceedings for and on behalf of and in the name of the Secured Party and at the expense of the Debtor in order to enforce the rights of the Debtor under any licenses, contracts, agreements, or other instruments in writing which may relate to the Collateral.

In addition, the Secured Party may file such proofs of claim and other documents as may be necessary or advisable in order to have its claim lodged in any bankruptcy, winding-up or other judicial proceedings relating to the Debtor.

Any receiver or receivers so appointed shall have power to:

- (i) take possession of and to use the Collateral or any part thereof;
- (ii) borrow money required for the maintenance, preservation or protection of the Collateral or any part thereof or the carrying on of the business of the Debtor;
- (iii) further charge the Collateral in priority to the security interests of this Security Agreement as security for money so borrowed; and
- (iv) sell, lease or otherwise dispose of the whole or any part of the Collateral on such terms and conditions and in such manner as the receiver shall determine.

The Secured Party shall not be responsible for any actions or errors of omission by the receiver or receivers in exercising any such powers.

In addition, the Secured Party may use and possess the Collateral or any part thereof, free from all encumbrances, liens and charges, without hindrance, interruption or denial of the same by the Debtor or by any other person or persons and may lease or sell the whole or any part or parts of the Collateral. Any sale hereunder may be made by public auction, by public tender or by private contract, with or without notice and with or without advertising and without any other formality (except as required by law), all of which are hereby waived by the Debtor to the fullest extent permitted by applicable law. Such sale shall be on such terms and conditions as to credit or otherwise and as to upset or reserve bid or price as to the

Secured Party in its sole discretion may seem advantageous. Such sale may take place whether or not the Secured Party has taken possession of the Collateral.

The Debtor agrees to pay to the Secured Party forthwith on demand all expenses incurred by the Secured Party in the preparation, perfection, administration and enforcement of this Security Agreement (including without limitation expenses incurred in considering and protecting or improving the position of the Secured Party, or attempting to do so, whether before or after default), all amounts borrowed by the receiver from the Secured Party as hereinbefore provided and all costs, charges, expenses and fees (including, without limiting the generality of the foregoing, the fees and expenses of any receiver and legal fees on a solicitor and client basis) of or incurred by the Secured Party and by any receiver or receivers or agent or agents appointed by the Secured Party in connection with the recovery or enforcing of payment of any moneys owing hereunder, whether by realization, by taking possession or otherwise. All such sums, together with interest thereon at the rate applicable to the Obligations, shall form part of the Obligations and shall be secured by the security interests granted herein.

No remedy for the realization of the security interests granted herein or for the enforcement of the rights of the Secured Party shall be exclusive of or dependent on any other such remedy, but any one or more of such remedies may from time to time be exercised independently or in combination. The term "receiver" as used in this Security Agreement includes a receiver and manager.

10. Any and all payments made in respect of the Obligations from time to time and moneys realized from any securities held therefor (including moneys realized on any enforcement of this Security Agreement) may be applied to such part or parts of the Obligations as the Secured Party may see fit, and the Secured Party shall at all times and from time to time have the right to change any appropriation as the Secured Party may see fit.

**F. RIGHTS OF THE SECURED PARTY**

11. The Secured Party may pay and satisfy the whole or any part of any liens, taxes, rates, charges or encumbrances now or hereafter existing in respect of any of the Collateral and such payments together with all costs, charges and expenses which may be incurred in connection with making such payments shall form part of the Obligations and shall be secured by the security interests granted herein. In the event of the Secured Party satisfying any such lien, charge or encumbrance, it shall be entitled to all the equities and securities of the person or persons so paid and is hereby authorized to obtain any discharge thereof and hold such discharge without registration for so long as it may deem advisable to do so.

- 12. The Debtor grants to the Secured Party the right to set off against any and all accounts, credits or balances maintained by it with the Secured Party, the aggregate amount of any of the Obligations.

The Secured Party, without exonerating in whole or in part the Debtor, may grant time, renewals, extensions, indulgences, releases and discharges to, may take securities from and give the same and any or all existing securities up to, may abstain from taking securities from or from perfecting securities of, may accept compositions from, and may otherwise deal with the Debtor and all other persons and securities as the Secured Party may see fit.
- 14. Nothing herein shall obligate the Secured Party to extend or amend any credit to the Debtor.
- 15. The Secured Party may absolutely or otherwise assign, transfer and deliver to any transferee any of the Obligations or any security or any documents or instruments held by the Secured Party in respect thereof to any person, including without limitation to any creditor of the Secured Party by way of security for the obligations owed by the Secured Party to any such creditor, provided that no such assignment, transfer or delivery shall release the Debtor from any of the Obligations; and in the case of any such absolute assignment the Secured Party shall be fully discharged from all responsibility with respect to the Obligations and the security, documents and instruments so assigned, transferred or delivered. Such transferee shall be vested with all powers and rights of the Secured Party under such security, documents or instruments but the Secured Party shall retain all rights and powers with respect to any such security, documents or instruments not so assigned, transferred or delivered. The Debtor shall not assign any of its rights or obligations hereunder without the prior written consent of the Secured Party.
- 16. The Debtor hereby irrevocably constitutes and appoints the Secured Party and each of its directors, officers, employees, agents and representatives as the true and lawful attorney of the Debtor with power of substitution in the name of the Debtor to do, upon the occurrence of a default hereunder, any and all such acts and things or execute and deliver all such agreements, documents and instruments as the Secured Party, in its sole discretion, considers necessary or desirable to carry out the provisions and purposes of this agreement, or to exercise any of its rights and remedies hereunder, and the Debtor hereby ratifies and agrees to ratify all acts of any such attorney taken or done in accordance with this section 16.
