INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the "*IP Security Agreement*") dated as of March 22, 2002, is made by the Persons listed on the signature pages hereof (collectively, the "*Grantors*") in favor of State Street Bank and Trust Company, ("*State Street*") as collateral agent (the "*Collateral Agent*") for the Secured Parties (as defined in the Security Agreement referred to below).

WHEREAS, each Grantor has executed and delivered that certain Pledge and Security Agreement dated as of March 22, 2002 made by the Grantors to the Collateral Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the "*Security Agreement*").

WHEREAS, under the terms of the Security Agreement, Grantors have granted a security interest in, among other property, certain intellectual property of the Grantors to the Collateral Agent for the ratable benefit of the Secured Parties, and have agreed as a condition thereof to execute this IP Security Agreement covering such intellectual property for recording with the U.S. Patent and Trademark Office, corresponding national and international trademark offices and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the Collateral Agent for the equal and ratable benefit of the Secured Parties a security interest in and to all of such Grantor's right, title and interest in and to the following (the "*Collateral*"):

(i) the trademark and service mark registrations, applications, and licenses set forth in Schedule A hereto, (provided that no such security interest shall be granted in any United States intent-to-use trademark application to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity and enforceability of such intent-to-use trademark applications under applicable law) together with the goodwill symbolized thereby (the "*Trademarks*");

(ii) all extensions and renewals of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(iii) any and all claims for damages for past, present and future infringement, misappropriation or breach with respect to the Trademarks with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(iv) any and all proceeds of any and all of the Collateral including but not limited to all (a) payments under insurance with respect to the foregoing Collateral (whether or not the Collateral Agent is the loss payee thereof), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise with respect to any of the foregoing Collateral; and (b) income and royalties now or thereafter due and payable with respect to, and supporting obligations relating to any and all of the Collateral.

SECTION 2. Security for Obligations. The pledge and assignment of, and the grant of a security interest in, the Collateral by each Grantor under this IP Security Agreement secures, in the case of each Grantor, the payment of all obligations of each Grantor now or hereafter existing under the Debt Instruments (as defined in the Security Agreement), direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, fees, premiums, penalties, indemnifications, contract causes of action, costs, expenses or otherwise.

SECTION 3. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this IP Security Agreement.

SECTION 4. License in favor of Bank of America. The Collateral Agent hereby acknowledges that it has granted a non-exclusive, royalty-free license with respect to the Collateral to Bank of America, N.A., in its capacity as agent (the "Agent") for a syndicate of lenders (the "Lenders") from time to time party to that certain Amended and Restated Loan and Security Agreement dated as of March 26, 1999 among the Grantors, the Agent and the Lenders (as amended, restated or otherwise modified from time to time, the "Senior Credit Facility"), for the sole purpose of permitting the Agent and the Lenders to sell or otherwise dispose of inventory of any Grantor bearing the trademarks and/or related items of intellectual property that are a part of the Collateral in order to satisfy the Grantors' obligations under the Senior Credit Facility. Additionally, the Collateral Agent and the Grantors acknowledge that the Grantors have granted to the Agent a license to use the Grantors' trademarks and other intellectual property in connection with the exercise of remedies against the Grantors under the Senior Credit Facility, and the Collateral Agent has agreed that it shall not interfere with the Agent's use of such license. The Collateral Agent acknowledges that, in connection with any sale, assignment or other transfer of any Collateral by the Collateral Agent, the purchaser, assignee or other transferee of the Collateral shall take the Collateral subject to the Agent's licenses with respect to the Collateral as described herein.

SECTION 5. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 6. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth

in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

SECTION 7. Governing Law. This IP Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, each Grantor and the Collateral Agent has caused this Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
