- SPECIFIED DEBTORS

THIS MATTER came before the Court for hearing on Wednesday, April 17, 2002, at 2:30 p.m. (Phoenix time), upon the Motion Seeking Entry of Order (i) Authorizing The Sale Of Certain Of Debtors' Remaining Assets, Free And Clear Of Liens, Claims And Encumbrances; (ii) Approving Asset Purchase Agreement; (iii) Authorizing Assumption And Assignment Of Certain Executory Contracts In Connection With Such Sale; and (iv) The Exemption Of The Sale From Stamp Or Similar Taxes (the "Motion"), filed on March 28, 2002, by Styling Technology Corporation ("STC"), debtor and debtor in possession, together with its debtor subsidiaries,

1 Styling Technology Nail Corporation, STYL Institute, Inc., U.K. ABBA Products Inc., Beauty  
2 Products Inc., Cosmetics International Inc., European Touch, Ltd. II, Styling Technology (UK)  
3 Limited, Styling Technology Export Corporation, Ft. Pitt Acquisition, Inc., and Ft. Pitt-Framesi,  
4 Ltd. (collectively, the "Subsidiaries," and with STC, the "Debtors" or "Sellers").

5 As set forth in the Motion, Debtors have reached an agreement to sell substantially all of  
6 their remaining assets, including substantially all the assets relating to their Framesi and ABBA  
7 brands and product lines and all of the Debtors' other personal care brands and product lines,  
8 including, but not limited to, such brands as Alpha 9, ET Nail (a/k/a Revivanail), ProFinish, and  
9 Kizmit (but excluding Roffler) (as defined in the Purchase Agreement (defined below), the  
10 "Purchased Assets"), to Roux Laboratories, Inc. ("Roux" or "Buyer") for a purchase price of  
11 \$20.8 million in cash, subject to certain adjustments set forth in paragraph 6 of the Purchase  
12 Agreement (the "Purchase Price") and subject to higher and better offers. The terms of this sale  
13 are memorialized in the Asset Purchase Agreement, dated March 26, 2002, filed separately with  
14 the Court on March 27, 2002 (the "Purchase Agreement"), which was extensively negotiated  
15 between Debtors and Roux and which the Debtors believe is entirely reasonable and in the best  
16 interests of their respective estates and creditors, as the highest and best current offer for the  
17 Purchased Assets. A copy of the Purchase Agreement (without exhibits) was also attached as  
18 Exhibit A to the Motion. Roux has placed into escrow a cash deposit of \$750,000 (the  
19 "Deposit") pursuant to the terms of the Purchase Agreement. The proposed sale of the Purchased  
20 Assets to Roux and the parties' entry into the Purchase Agreement were negotiated in accordance  
21 with the Court's July 30, 2001 Order Establishing Bidding and Sale Procedures Governing  
22 Potential Strategic Transactions (the "Sale Procedure Order") and the Order To (1) Approve Bid  
23 Protections In Favor Of Roux Laboratories, Inc; (2) Establish Sale Hearing And Related Dates In  
24  
25  
26

Connection With Section 363(b) Sale Of Assets; And (3) Approve Form Of Notice And Bidding Procedures entered by the Court on March 27, 2002 (the "Bid Procedure Order").

By way of the Motion, the Debtors seek an order pursuant to Sections 105(a), 363(b), (f) and (m), and 1146 of the Bankruptcy Code, Rules 6004 and 9014 of the Federal Rules of Bankruptcy Procedure, the Sale Procedure Order, and the Bid Procedure Order, (a) authorizing the Debtors' sale of the Purchased Assets free and clear of liens, claims, and encumbrances to Roux pursuant to the terms of the Purchase Agreement (the "Roux Sale"); and (b) approving the assumption and assignment of certain executory contracts (the "Designated Contracts"), including the Cure Amounts (as defined below) related to such contracts, in connection with such sale. No objection to the Motion having been filed by General Electric Capital Corporation ("GECC"), in its capacity as agent (in such capacity, "Agent") for the lenders from time to time party to the prepetition senior secured revolving credit facility provided to the Debtors (the "Lenders"), or any Lender; the Official Committee of Unsecured Creditors (the "Committee") having consented to the Motion; and no objection to the Motion having been filed or asserted by the United States Trustee (the "Trustee"); and adequate notice of the Motion having been given and it appearing that no further notice need be given; and after considering the Motion, the record in these proceedings and arguments of counsel at the hearing to consider the Motion (the "Sale Hearing"); and being otherwise fully advised, the Court makes the following findings of fact and conclusions of law and, pursuant thereto, enters the following orders:

THE COURT FINDS THAT:

(A) The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Federal Rules of Bankruptcy Procedure (collectively, the

1 "Bankruptcy Rules" or individually, the "Bankruptcy Rule") Rule 7052, made applicable to this  
2 proceeding pursuant to Bankruptcy Rule 9014.

3 (B) To the extent any of the following findings of fact constitute conclusions of law,  
4 they are adopted as such.

5 (C) Capitalized terms used herein and not otherwise defined herein shall have the  
6 meanings ascribed thereto in the Purchase Agreement.

7 (D) On August 31, 2000 (the "Petition Date"), the Debtors each filed a voluntary  
8 petition in this Court for reorganization relief under Chapter 11 of the United States Bankruptcy  
9 Code, 11 U.S.C. §§ 101-1330 (as amended, the "Bankruptcy Code"). They are now operating  
10 their businesses and managing their properties as debtors in possession pursuant to  
11 Sections 1107(a) and 1108 of the Bankruptcy Code. No request has been made for the  
12 appointment of a trustee or examiner, and no trustee or examiner has been appointed in the  
13 Debtors' Chapter 11 cases.

14 (E) On September 12, 2000, the Trustee appointed the Committee.

15 (F) This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and  
16 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This is a *core proceeding*  
17 pursuant to 28 U.S.C. § 157(b)(2).

18 (G) The statutory predicates for the relief requested herein are Sections 363, 365, 105  
19 and 1146 of the Bankruptcy Code.

20 (H) On January 17, 2002, the Debtors and Roux executed a letter of intent describing  
21 the terms of the sale of the Purchased Assets to Roux, and on March 26, 2002, the Debtors and  
22 Roux executed the Purchase Agreement providing for the sale of the Purchased Assets.  
23  
24  
25  
26

1 (I) The Purchased Assets included in the Roux Sale consist of the remaining assets of  
 2 the Debtors which are those primarily relating to their Framesi and ABBA brands and product  
 3 lines and all of the Debtors' other personal care brands and product lines, including, but not  
 4 limited to, such brands as Alpha 9, ET Nail (a/k/a Revivanail), ProFinish, and Kizmit (but  
 5 excluding Roffler). The Purchase Price for the Purchased Assets is \$20.8 million in cash, subject  
 6 to certain adjustments set forth in the Purchase Agreement. The Purchase Price is subject to a  
 7 true-up under the terms set forth in paragraph 6 of the Purchase Agreement (the "Inventories  
 8 Adjustment True-Up").

9 (J) Both the Purchase Agreement and the Bid Procedure Order provide for a  
 10 termination fee to Roux of \$ 728,000 (the "Termination Fee").

11 (K) The Debtors have determined that the Roux offer to purchase the Purchased Assets  
 12 presents the "highest and best" opportunity to realize the highest value for the Purchased Assets.

13 (L) The Purchase Agreement and the transactions related thereto were negotiated and  
 14 have been and are undertaken by the Debtors and Roux at arm's length, without collusion and in  
 15 good faith within the meaning of Section 363(m) of the Bankruptcy Code. As a result of the  
 16 foregoing, the Debtors and Roux are entitled to the protections of Section 363(m) of the  
 17 Bankruptcy Code.  
 18

19 (M) Sound business reasons exist for the Debtors' sale of the Purchased Assets  
 20 pursuant to the Purchase Agreement. Entry into the Purchase Agreement and consummation of  
 21 the transactions contemplated thereby constitute the exercise by the Debtors of sound business  
 22 judgment and such acts are in the best interests of the Debtors, their estates and creditors. The  
 23 Court finds that the Debtors have articulated good and sufficient business reasons justifying the  
 24 sale of the Purchased Assets pursuant to Sections 105 and 363 of the Bankruptcy Code. Such  
 25  
 26

1 business reasons include, but are not limited to, the fact that (i) there is substantial risk of  
2 deterioration of the value of the Purchased Assets if the sale is not consummated quickly; (ii) the  
3 Purchase Agreement constitutes the highest and best offer for the Purchased Assets; (iii) the  
4 Purchase Agreement and the closing thereon (the "Closing") will present the best opportunity to  
5 realize the value of the Debtors on a going concern basis and avoid decline and devaluation of the  
6 Debtors' businesses; and (iv) any plan of reorganization would have most likely yielded the same  
7 economic result, i.e., the sale of a substantial portion of the Debtors' assets.

8 (N) The Debtors have full corporate power and authority to execute the Purchase  
9 Agreement and all other documents contemplated thereby, and the sale of the Purchased Assets  
10 has been duly and validly authorized by all necessary corporate power and authority necessary to  
11 consummate the transactions contemplated by the Purchase Agreement. No consents or  
12 approvals, other than those expressly provided for in the Purchase Agreement, are required for the  
13 Debtors to consummate such transactions.  
14

15 (O) The consideration to be realized by the Debtors pursuant to the Purchase  
16 Agreement is fair and constitutes reasonably equivalent value for the assets proposed to be sold  
17 thereunder. The Purchase Price under the Purchase Agreement is fair and reasonable and is  
18 sufficient value for the Purchased Assets.  
19

20 (P) A sale of the Purchased Assets other than one free and clear of all liens, claims,  
21 and encumbrances would impact materially and adversely on Debtors' estates, would yield  
22 substantially less value for the Debtors' estates, with less certainty than the available alternatives  
23 and thus the alternatives would be of substantially less benefit to the Debtors' estates. Therefore,  
24 the sale contemplated by the Purchase Agreement is in the best interests of the Debtors and their  
25 estates, creditors and other parties in interest.  
26

(Q) Pursuant to the Motion and the Purchase Agreement, the Debtors have sought the authority to assume and assign to Roux the executory contracts set forth on Exhibit A attached hereto (the "Designated Contracts"). The cure amounts identified on Exhibit A hereto are the true and correct cure amounts necessary to cure any existing defaults prior to the Closing (the "Cure Amounts"). The assumption and assignment of the Designated Contracts shall only be effective as to those parties to whom Debtors send an assignment notice (the "Assignment Notice") on or before the Closing Date, indicating that the Designated Contract has been assumed by Debtors and assigned to Roux upon Closing, (such Designated Contracts shall be referred to as the "Assumed Contracts"). Notice of the Motion was provided to all known creditors. The Debtors are able to pay the Cure Amounts arising from the Designated Contracts as set forth on Exhibit A, and the Buyer has furnished adequate assurance of future performance of the contracts.

(R) A copy of the Motion and the proposed form of Order substantially in the form of this Order was served on (a) all persons on the Master Service List; (b) all counterparties to the Designated Contracts identified on Exhibit A hereto; (d) all relevant taxing authorities; and (e) all creditors that the Debtors believe may have a security interest in the Purchased Assets.

THE COURT CONCLUDES THAT:

(A) To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

(B) The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and Local District Court Rule 9.01(B)(1). This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). The statutory predicates for relief sought herein are Sections 105(a), 363 and

1 1146(c) of the Bankruptcy Code. Venue of the Debtors' chapter 11 cases and the Motion in this  
2 district is proper pursuant to 28 U.S. C. §§ 1408 and 1409.

3 (C) All requirements of Section 363(b) and (f) and Section 365(b) and (c) of the  
4 Bankruptcy Code and any other applicable law relating to the sale of the Purchased Assets and  
5 the assumption and assignment of the Designated Contracts contemplated by the Purchase  
6 Agreement have been satisfied. Those parties asserting liens or other interests in the Purchased  
7 Assets who did not object to the sale of the Purchased Assets, or who have withdrawn their  
8 objections, are deemed to have consented pursuant to Section 363(f)(2) of the Bankruptcy Code.

9 (D) The transaction reflected in the Purchase Agreement represents the highest and  
10 best offer received by the Debtors for the Purchased Assets. The Debtors are authorized under  
11 Section 363 of the Bankruptcy Code to determine in their business judgment the highest and best  
12 offer, taking into account all relevant factors. This determination was made in good faith, in a  
13 fair manner, and without the presence of fraud.

14 (E) The transactions contemplated by the Purchase Agreement have been bargained  
15 for and are undertaken at arm's length, without collusion, and in good faith as that term is used in  
16 Section 363(m) of the Bankruptcy Code. Buyer is a bona fide purchaser for value. Buyer and the  
17 Debtors have not engaged in any conduct that would cause or permit the Purchase Agreement to  
18 be avoided pursuant to Section 363(n) of the Bankruptcy Code. In the absence of a stay pending  
19 appeal, if Buyer elects to consummate the Purchase Agreement at any time after entry of this  
20 Order, Buyer shall be entitled to the protections of Section 363(m) of the Bankruptcy Code if this  
21 Order or any authorization contained herein is reversed or modified on appeal.

22 (F) The transfer of the Purchased Assets and the assumption and assignment of the  
23 Designated Contracts by the Debtors to Buyer (a) are or will be a legal, valid and effective  
24  
25  
26

1 transfer of the Purchased Assets, (b) vests or will vest Buyer with all right, title and interest  
 2 (including common law right) of Debtors in and to the Purchased Assets, including but not  
 3 limited to the Designated Contracts, free and clear of all liens, security interests, claims, charges,  
 4 liabilities, encumbrances and adverse interests of any nature whatsoever, including claims of  
 5 governmental authorities, pursuant to Sections 363(b) and (f) of the Bankruptcy Code, with all  
 6 such liens, claims, charges, liabilities, encumbrances, adverse interests and security interests to  
 7 attach to the Purchase Price; and (c) constitutes a transfer for reasonably equivalent value and fair  
 8 consideration under the Bankruptcy Code and applicable state law fraudulent conveyance or  
 9 fraudulent transfer laws.

10 (G) The Debtors have demonstrated that it is an exercise of their sound business  
 11 judgment to assume and assign the Designated Contracts to the Buyer in connection with the  
 12 consummation of the sale under the Purchase Agreement, and the assumption and assignment of  
 13 the Designated Contracts is in the best interests of the Debtors, their estates, and their creditors.  
 14 The Designated Contracts being assigned to, and the liabilities being assumed by, the Buyer are  
 15 an integral part of the Business being purchased by the Buyer and, accordingly, such assumption  
 16 and assignment is reasonable, and enhances the value of the Debtors' estates.

18 (H) Upon or before consummation of the sale pursuant to the Purchase Agreement and  
 19 this Order (i) the Debtors will have cured, or have provided adequate assurance of cure, of any  
 20 default existing prior to the date hereof under any of the Designated Contracts, within the  
 21 meaning of 11 U.S.C. § 365(b)(1)(A); (ii) the Debtors will have provided compensation or  
 22 adequate assurance of compensation to any party for any actual pecuniary loss to such party  
 23 resulting from a default prior to the date hereof under any of the Designated Contracts, within the  
 24 meaning of 11 U.S.C. § 365(b)(1)(B); and (iii) the Buyer will have provided adequate assurance  
 25  
 26

1 of its future performance of and under the Designated Contracts, within the meaning of 11 U.S.C.  
2 § 365(b)(1)(C).

3 (I) The parties (other than the Debtors) to the Amended and Restated Master  
4 Agreement by and among Roberto Franchina, on behalf of himself and of Framesi-Italy and the  
5 equity holders of Framesi-Italy, Frank B. Fuhrer Holdings, Inc., Frank Fuhrer International, Inc  
6 and Framesi of USA, Inc., as has been amended by the amended agreement dated July 24, 1986,  
7 amended second agreement dated March 21, 1990, assignment agreement dated June 8, 1990, and  
8 the letter agreements dated January 3, 1996 and January 11, 1996 (executed in both English and  
9 Italian) (the "Framesi License") have (a) unconditionally and irrevocably consented in writing in  
10 a letter agreement dated April 15, 2002 to the assumption and assignment under Section 365 of  
11 the Bankruptcy Code to Buyer of the manufacturing, distributorship, licensee and other rights of  
12 Debtors under the Framesi License, as well as under the letter agreement dated January 2, 1996,  
13 extending the term of the Framesi License until July 2036; this consent specifically acknowledged  
14 that Buyer, as assignee, shall only have obligations under the executory portions of the Framesi  
15 License and will not have any obligations or duties under Articles I and II of the Framesi License;  
16 and (b) confirmed in writing the Buyer's exclusive rights to use the "Framesi" trademark  
17 (including as a corporate name) in the United States of America for the extended term of the  
18 Framesi License, from and after the date of assumption and assignment thereof.

19 (J) The Purchase Price is subject to the Inventories Adjustment True-Up. The  
20 Inventories Adjustment True-Up is an actual and necessary expense of the Debtors pursuant to  
21 Section 503(b) of the Bankruptcy Code.

22 (K) The transactions contemplated by the Purchase Agreement are determined to be  
23 under or in contemplation of a plan of reorganization or liquidation to be confirmed under Section  
24  
25  
26

1129 of the Bankruptcy Code, and therefore, the transfer of the Purchased Assets to Buyer and the related transactions are exempt under Section 1146(c) of the Bankruptcy Code from any transfer, stamp, sales, use or similar tax or any so-called "bulk-sale" law in all necessary jurisdictions related to the sale and transfer of the Purchased Assets to Buyer.

(L) Adequate and appropriate notice of the Motion and the terms of the Purchase Agreement was given.

(M) All provisions of this Order are nonseverable and mutually dependent.

THEREFORE, IT IS HEREBY ORDERED AND DECREED THAT:

1. The relief requested in the Motion is granted in all respects.

2. To the extent that any objections have not been withdrawn or resolved by stipulation prior to the entry of this Order or are not resolved by the relief granted herein, all such objections are hereby overruled.

3. The terms and conditions of the Purchase Agreement are approved and the sale of the Purchased Assets is authorized under Sections 105, 363(b) and 365 of the Bankruptcy Code, and the Debtors and Buyer are authorized and directed to perform their respective obligations under the Purchase Agreement and related documents. The transactions contemplated by the Purchase Agreement were undertaken by the Debtors and Buyer at arm's length, without collusion and in good faith within the meaning of Section 363(m) of the Bankruptcy Code and the Buyer is entitled to the protections of Section 363(m) of the Bankruptcy Code.

4. The Purchase Price is subject to the Inventories Adjustment True-Up as set forth in the Purchase Agreement. The Inventories Adjustment True-Up is an actual and necessary expense of the Debtors pursuant to Section 503(b) of the Bankruptcy Code.

5. Pursuant to Sections 363(b), 363(f), 365(b) and 365(f) of the Bankruptcy Code, the Debtors are hereby authorized (but not required) to assume and assign each of the Designated Contracts listed on Exhibit A attached hereto to Buyer at the Closing <sup>under the terms of a</sup> subject to the payment of ~~the Cure Amounts~~ <sup>properly incurred, arising out of or from the operation of the business</sup> by the Debtors. Buyer is authorized to receive the assignment of the Designated Contracts listed on Exhibit A attached hereto at the Closing in accordance with Sections 363 and 365 of the Bankruptcy Code as of the Closing. The Cure Amounts shall be paid by the Debtors pursuant to the terms of the Purchase Agreement on or before the Closing.

*CAC* 6. The Designated Contracts <sup>and assumed liabilities, the franchise license</sup> and Assumed Liabilities shall be transferred to, and shall remain in full force and effect and deemed valid and binding for the benefit of the Buyer in accordance with their respective terms, notwithstanding any provision in such Designated Contract or Assumed Liability (including those of the type described in 11 U.S.C. § 365(b)(2) and (f)) that prohibits, restricts, or conditions such assignment or transfer.

7. The Cure Amounts set forth on Exhibit A attached hereto shall be final and binding. Any party that failed to assert a cure claim in accordance with the procedure for filing such claims in the Motion has waived any right to seek any cure amount other than the Cure Amount set forth in Exhibit A and is hereby deemed to have consented to such Cure Amount. Buyer shall assume all obligations of the Debtors arising from and after the Closing under the Designated Contracts and shall not assume any obligation under the Designated Contracts accruing thereunder prior to the Closing. Debtors are ordered to pay any Cure Amounts payable to the other parties to the assigned Designated Contracts consistent with the terms of the Purchase Agreement, and all parties to the Designated Contracts shall have no claim against Buyer for such Cure Amounts. Upon assumption and assignment of any of the Designated Contracts, the Debtors and their estates shall be relieved of any liability for breach of such contract whether

1 occurring before or after such assumption and assignment in accordance with Section 365(k) of  
 2 the Bankruptcy Code, subject to the Debtors' obligation to pay Cure Amounts provided for herein  
 3 and to comply with the terms of Section 4(c) of the Purchase Agreement.

4 8. The Court's findings as to the Cure Amounts set forth on Exhibit A shall not be  
 5 subject to further dispute or audit based on performance prior to the time of assumption and  
 6 assignment, irrespective of whether such assumed executory contract contains an audit clause.  
 7 Non-debtor parties to such Designated Contracts are enjoined from raising after the date of  
 8 assumption and assignment the existence of any uncured defaults under such contracts that arose  
 9 or accrued prior to the date of the assumption and assignment thereof.

10 9. The Debtors may assign and transfer to Buyer each of their right, title and interest  
 11 (including common law rights) to all of their intangible property included in the Designated  
 12 Contracts. There shall be no rent accelerations, assignment fees, increases or any other fees  
 13 charged to Buyer as a result of the assignment of the Designated Contracts, and the validity of the  
 14 assumption, assignment and sale to Buyer shall not be affected by any dispute between Debtors  
 15 and any party to a Designated Contract regarding the payment of any Cure Amount.

16 10. All parties to the Designated Contracts are forever barred and enjoined from  
 17 raising or asserting against Buyer or Buyer's affiliates any assignment fee, default or breach  
 18 under, or any claim or pecuniary loss, or condition to assignment, arising under or related to the  
 19 Designated Contracts existing as of the Closing or arising by reason of the Closing. Without  
 20 prejudice to Section 10(a) of the Purchase Agreement, any party that may have had the right to  
 21 consent to the assignment of its Contract is deemed to have consented to such assignment as  
 22 required by Section 365(c) of the Bankruptcy Code if it failed to object to the assumption and  
 23 assignment.

11. Buyer is hereby granted and is entitled to the protections provided to a good faith purchaser under Section 363(m) of the Bankruptcy Code, including with respect to any transfer of any executory contracts that subsequently may be assumed, sold and assigned as part of the sale of the Purchased Assets pursuant to Sections 363 and 365 of the Bankruptcy Code and a separate order or orders of the Court, and the Buyer is deemed a bona fide purchaser for value with respect to the Purchased Assets acquired by it.

12. The transactions contemplated by the Purchase Agreement constitute transfers for reasonably equivalent value and fair consideration under the Bankruptcy Code, the Laws of the State of Arizona and all other applicable state Laws, including those relating to fraudulent conveyance and fraudulent transfers.

13. At the Closing, the sale and assignment of the Purchased Assets to Buyer is or will constitute legal, valid and effective transfers of the Purchased Assets and all rights, title, and interest of Sellers in and to the Purchased Assets shall be immediately vested in Buyer free and clear of all liens, claims, charges, liabilities, encumbrances, adverse interests and security interests of any nature whatsoever, including, in particular, Excluded Liabilities provided for in the Purchase Agreement, including without limitation, claims of governmental authorities, tax claims, product liability claims, and claims held by any of Debtors' creditors, vendors, suppliers, employees or lessors, and any other Person that is the holder of any such lien, claim, charge, liability, encumbrance, adverse interest or security interest, pursuant to Sections 363(b) and (1) of the Bankruptcy Code, with all such liens, claims, charges, liabilities, encumbrances, adverse interests and security interests to attach to the Purchase Price. Appropriate notice has been provided to all parties who hold liens, claims, encumbrances and interests in the Purchased Assets. The Debtors may sell the Purchased Assets free and clear of any interest in the Purchased

Assets of an entity other than the estates under Section 363(b) and (f) of the Bankruptcy Code on  
 1 the grounds, inter alia, that such entity could be compelled, in a legal or equitable proceeding, to  
 2 accept a money satisfaction of such interest. The Roux Sale could not be consummated, or could  
 3 be consummated only on terms substantially less favorable to the Debtors' estates than those  
 4 stated in the Purchase Agreement, absent such a release.  
 5

14. In compliance with Section 363(f) of the Bankruptcy Code, the Purchased Assets  
 6 subject to valid and enforceable liens, claims, interests and encumbrances will be sold free and  
 7 clear of all liens, claims, interests and encumbrances and the liens, claims, interests and  
 8 encumbrances will attach to the net proceeds of the sale with the same validity, priority, force and  
 9 effect as such liens, claims, interests and encumbrances had upon the Purchased Assets  
 10 immediately prior to the Closing, subject to any claims and defenses of the Debtors, the Lenders,  
 11 or the Agent.  
 12

15. Buyer shall not be liable in any way (as successor entity or otherwise) for any  
 13 present or future Claims (as defined in Section 101(5) of the Bankruptcy Code) that any third  
 14 party may have against Debtors, including, without limitation, Excluded Liabilities, product  
 15 liability, and any environmental liability Claims. Buyer shall not assume liabilities of any Debtor  
 16 other than the Assumed Liabilities. Third parties are permanently enjoined and restrained from  
 17 asserting and prosecuting such present or future Claims, or any Claims which such third party has  
 18 solely against any Debtor or any Debtor's affiliates, against Buyer or its affiliates and the  
 19 ownership, conduct and operations of the Business (as provided for in the Purchase Agreement),  
 20 other than Claims on account of the Assumed Liabilities. Absent such exculpation provisions in  
 21 favor of Buyer, the Roux Sale could not be consummated, or could be consummated only on  
 22  
 23  
 24  
 25  
 26

terms substantially less favorable to the Debtors' estates than those stated in the Purchase Agreement.

16. The net proceeds of the Purchase Price of the sale of the Purchased Assets (after payment of commissions to Chanin Capital Partners, and other actual and direct expenses of sale as may be approved by Agent) shall be paid immediately to Agent, for the benefit of Agent and Lenders, to be applied to reduce the claims of Agent and Lenders against the Debtors' estates.

17. The Debtors and each other person having duties or responsibilities to Buyer under the Purchase Agreement, and any additional agreements, documents or instruments reasonably necessary to consummate the transactions set forth in the Purchase Agreement (collectively, the "Related Documents"), or this Order and their respective directors, officers, general partners, members, agents, representatives, and attorneys, are authorized, empowered and directed to (a) execute and deliver the Purchase Agreement and to consummate the sale of the Purchased Assets to Buyer pursuant to the terms of the Purchase Agreement and the Related Documents, and the form and content of the Purchase Agreement and the exhibits attached thereto are approved; (b) negotiate, execute, issue, file, record, receive, exchange and deliver such other and further documents as may be necessary or appropriate to evidence, implement, effectuate and consummate the Purchase Agreement, any Related Documents, and the transactions contemplated thereby; and (c) perform their respective obligations under the Purchase Agreement and other Related Documents, take any and all actions contemplated by the Purchase Agreement, the Related Documents, or this Order, and to take all further actions as may reasonably be requested by Buyer for the purpose of assembling, transferring, granting or conveying to Buyer, or reducing to Buyer's possession, any and all of the Purchased Assets, or as may be necessary to insure the

1 performance of the Debtors' obligations contemplated by the Purchase Agreement, including  
 2 without limitation, satisfaction of all of the payment obligations required to be made by the  
 3 Debtors. Without limiting the generality of the foregoing, this Order shall constitute all approvals  
 4 and consents, if any, required by the applicable state corporation laws, and all other applicable  
 5 business corporation, trust, and other laws of the applicable governmental units with respect to  
 6 the implementation and consummation of the Purchase Agreement and this Order and the  
 7 transactions contemplated thereby and hereby.

8 18. This Order (a) shall be effective as a determination that, on the Closing, all liens,  
 9 claims, encumbrances or interests of any kind or nature whatsoever existing in, to or against the  
 10 Purchased Assets prior to the Closing (as defined in the Purchase Agreement) have been  
 11 unconditionally released, discharged and terminated, and that the conveyances described herein  
 12 have been effected, and (b) shall be binding upon and shall govern the acts of all entities  
 13 including without limitation, all filing agents, filing officers, title agents, title companies,  
 14 recorders of deeds, registrars of deeds, administrative agencies, governmental departments,  
 15 secretaries of state, federal, state, and local officials, and all other persons and entities who may  
 16 be required by operation of law, the duties of their office, or contract to accept, file, register or  
 17 otherwise record or release any documents or instruments, or who may be required to report or  
 18 insure any title or state of title in or to any of the Purchased Assets. Each and every federal, state  
 19 and local governmental agency or department is hereby directed to accept any and all documents  
 20 and instruments necessary and appropriate to consummate the transactions contemplated by the  
 21 Purchase Agreement. Buyer is hereby authorized to file, register, or otherwise record a certified  
 22 copy of this Order in any applicable filing office, which, once filed, registered or otherwise  
 23  
 24  
 25  
 26

1 recorded, shall constitute conclusive evidence of the release of all liens, claims, encumbrances  
2 and interests in the Purchased Assets of any kind or nature whatsoever.

3 19. All entities in possession of some or all of the Purchased Assets at the Closing are  
4 directed to surrender possession of the Purchased Assets to Buyer at the Closing.

5 20. The transfer of the Purchased Assets to Buyer is deemed to be part of a plan  
6 pursuant to Section 1146(c) of the Bankruptcy Code and does not and will not subject the Debtors  
7 or Buyer, its affiliates or its designees to any liability for a stamp tax or similar tax, including,  
8 without limitation, any transfer tax, or pursuant to any so-called bulk transfer law, to the fullest  
9 extent permitted by Section 1146(c) of the Bankruptcy Code. All filing officers shall be, and they  
10 hereby are, directed to accept for recording or filing, and to record or file those documents by  
11 which the Purchased Assets will be assigned and conveyed that are intended to be recorded or  
12 filed and that are presented to them for recording or filing, immediately upon presentation  
13 thereof, without payment of such taxes, and all recording officers are hereby directed to comply  
14 with the provisions of this Order.

15 21. All persons are enjoined from in any way pursuing Buyer, its affiliates or its  
16 designees to recover any present or future claims which such person has against the Debtors,  
17 except with respect to (1) Assumed Liabilities and (2) any claim which is independently  
18 assertable against Buyer or its affiliates.

19 22. After the Closing, the Debtors shall have no liability for the Assumed Liabilities  
20 and all persons are enjoined from in any way pursuing Debtors to recover any claim which such  
21 person had against the Debtors in respect of the Assumed Liabilities.

22 23. The Purchase Agreement and all other documents, agreements, and instruments  
23 necessary to effectuate and consummate the transactions contemplated by the Purchase  
24  
25  
26

1 Agreement, together with the terms and provisions of this Order, shall be binding upon and shall  
2 inure to the benefit of the Debtors, Buyer, and their respective successors and assigns,  
3 notwithstanding any subsequent appointment of a trustee for one or more of the Debtors, under  
4 any chapter of the Bankruptcy Code, as to which trustee such documents, agreements, and  
5 instruments (and the terms and provisions thereof) shall be binding in all respects.

6 24. The Purchase Agreement and the Related Documents may be modified, amended,  
7 or supplemented by agreement of the Debtors and Buyer (the Debtors providing notice of such  
8 modifications, amendments and corrections to the Committee, the Lenders and the Agent)  
9 without further action of the Court, provided that any such modification, amendment, or  
10 supplement will not have any adverse effect upon the Debtors' bankruptcy estates, and provided  
11 that the Agent has consented to such changes in writing. The execution of the Purchase  
12 Agreement and the Related Documents, or the taking of any action contemplated thereunder, by  
13 any Person acting on behalf of any Debtor or the Buyer, shall be, and hereby is, deemed  
14 conclusive evidence of the authority of such Person to so act.

15  
16 25. The Court retains exclusive jurisdiction to interpret, construe and enforce the  
17 provisions of the Purchase Agreement and this Order in all respects, including, without limitation,  
18 retaining exclusive jurisdiction to (a) protect Buyer against any liability other than the Assumed  
19 Liabilities or otherwise in accordance with the Purchase Agreement or (b) determine or resolve  
20 any and all objections to or disputes among the parties to the Purchase Agreement regarding all  
21 issues or disputes with respect to the Purchase Agreement, provided, however, that in the event  
22 the Court abstains from exercising, or declines to exercise, jurisdiction with respect to any matter  
23 referred to in this paragraph or is without jurisdiction, such abstention, refusal, or lack of  
24  
25  
26

jurisdiction shall have no effect upon and shall not control, prohibit, or limit the exercise of jurisdiction of any other court having competent jurisdiction with respect to any such matter.

1  
2       26. The failure specifically to include any particular provisions of the Purchase  
3 Agreement or Related Documents in this Order shall not diminish or impair the effectiveness of  
4 such provisions, it being the intent of the Court that the Purchase Agreement be authorized and  
5 approved in its entirety.  
6

7       27. Any stay of orders authorizing the use, sale or lease of property or assignment of  
8 executory Designated Contracts as provided for in Fed. R. Bankr. Proc. 6004(g) or 6006(d),  
9 respectively, shall not apply to this Order and this Order is immediately effective and enforceable.  
10

11       28. Nothing contained in any chapter 11 plan confirmed in these cases or the order  
12 confirming such plan or any other order of the Court shall conflict with or deviate from the  
13 provisions of the Purchase Agreement, the Related Documents, or the terms of this Order.

14       29. This Order shall inure to the benefit of Buyer, the Debtors and their respective  
15 successors and assigns, including but not limited to any chapter 11 or chapter 7 trustee or other  
16 fiduciary that may be appointed in connection with these cases or any other or further cases  
17 involving the Debtors, whether under chapter 7 or chapter 11 of the Bankruptcy Code.  
18

19       30. The Buyer is not a successor in interest to the Debtors and shall not have any  
20 successor or transferee liability and shall not be liable in any way for any liabilities or product  
21 liabilities, present or future, of the Debtors (whether under federal or state law or otherwise) as a  
22 result of the sale of the Purchased Assets or the assignment of the Designated Contracts, in each  
23 such case, other than with respect to the Assumed Liabilities. The Buyer shall not be deemed a  
24 joint employer, co-employer or successor employer with the Debtors and shall have no obligation  
25 to pay wages, severance pay, WARN Act claims, benefits or any other payment to employees of  
26

1 the Debtors except as expressly set forth in the Purchase Agreement. By entering into the  
2 Purchase Agreement, the Buyer has not assumed or otherwise become obligated for any of the  
3 Debtors' liabilities other than as set forth in the Purchase Agreement. The Buyer shall not assume  
4 liabilities other than the Assumed Liabilities as set forth in the Purchase Agreement. The Buyer  
5 has not purchased any of the Excluded Assets, and shall not have successor or transferee liability  
6 or otherwise be liable in any way for the Excluded Liabilities (whether by contract, state law or  
7 otherwise), including any product liabilities. All persons are enjoined from taking any action  
8 against Buyer or its affiliates to recover any present or future claim which such person has solely  
9 against Debtors or any of its affiliates.

10 31. Any Termination Fees, Inventories Adjustment True-Up or any other obligation of  
11 Debtors owing to Buyer under the Purchase Agreement shall constitute administrative expenses  
12 under Section 503(b) and 507(a)(1) of the Bankruptcy Code, and shall be payable if and when  
13 they arise under the Purchase Agreement, in the manner and the time set forth in the Purchase  
14 Agreement, without any further order of the Bankruptcy Court.

15 32. The provisions of this Order are nonseverable and mutually dependent.
