## 2. Security Interest.

(a) Assignment and Grant of Security in respect of the Secured Obligations. To secure the prompt payment and performance of the Secured Obligations, Debtor hereby grants to Agent, for the benefit of the Lender Group, a continuing security interest in all of Debtor's right, title and interest in and to the following property, whether now existing or hereafter acquired or arising and whether registered or unregistered (collectively, the "Trademark Collateral"):

(i) all state (including common law) and federal trademarks, service marks and trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, together with and including all licenses therefor held by Debtor, and all registrations and recordings thereof, and all applications filed or to be filed in connection therewith, including registrations and applications in the PTO, any State of the United States (but excluding each application to register any trademark, service mark, or other mark prior to the filing under applicable law of a verified statement of use (or the equivalent) for such trademark or service mark) and all extensions or renewals thereof, including without limitation any of the foregoing identified on Schedule A hereto (as the same may be amended, modified or supplemented from time to time), and the right (but not the obligation) to register claims under any state or federal trademark law or regulation and to apply for, renew and extend any of the same, to sue or bring opposition or cancellation proceedings in Debtor's name or in the name of Agent or in the name of Agent for the benefit of the Lender Group for past, present or future infringement or unconsented use thereof, and all rights arising therefrom throughout the world (collectively, the "Trademarks");

(ii) all claims, causes of action and rights to sue for past, present or future infringement or unconsented use of any Trademarks and all rights arising therefrom and pertaining thereto;

(iii) all general intangibles related to or arising out of any of the Trademarks and all the goodwill of Debtor's business symbolized by the Trademarks or associated therewith; and

(iv) all Proceeds of any and all of the foregoing.

(b) Continuing Security Interest. Debtor hereby agrees that this Agreement shall create a continuing security interest in the Trademark Collateral which shall remain in effect until terminated in accordance with Section 18.

(c) Incorporation into Loan Agreement. Without limiting the foregoing, the Trademark Collateral described in this Agreement shall constitute part of the Collateral in the Loan Agreement.

(d) Licenses. Anything in the Loan Agreement or this Agreement to the contrary notwithstanding, Debtor may grant non-exclusive licenses of the Trademark Collateral (subject to the security interest of Agent therein) in the ordinary course of business consistent with past practice.

3. Further Assurances; Appointment of Agent as Attorney-in-Fact. Debtor at its expense shall execute and deliver, or cause to be executed and delivered, to Agent any and all documents and instruments, in form and substance reasonably satisfactory to Agent, and take any and all action, which Agent, in the exercise of its discretion, may request from time to time, to perfect and continue the perfection or to maintain the priority of, or provide notice of the security interest in the Trademark Collateral held by Agent for the benefit of the Lender Group and to accomplish the purposes of this Agreement. If Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Agent in accordance with the foregoing, Agent shall have the right, in the name of Debtor, or in the name of Agent or otherwise, without notice to or assent by Debtor, and Debtor hereby irrevocably constitutes and appoints Agent (and any of Agent's officers or employees or agents designated by Agent) as Debtor's true and lawful attorney-in-fact with full power and authority, (i) to sign the name of Debtor on all or any of such documents or instruments and perform all other acts that Agent in the exercise of its discretion deems necessary in order to perfect or continue the perfection of, maintain the priority or enforceability of or provide notice of the security interest in the Trademark Collateral held by Agent for the benefit of the Lender Group, and (ii) to execute any and all other documents and instruments, and to perform any and all acts and things for and on behalf of Debtor, which Agent, in the exercise of its discretion, may deem necessary or advisable to maintain, preserve and protect the Trademark Collateral and to accomplish the purposes of this Agreement, including (A) after the occurrence and during the continuance of any Event of Default, to defend, settle, adjust or institute any action, suit or proceeding with respect to the Trademark Collateral, (B) after the occurrence and during the continuation of any Event of Default, to assert or retain any rights under any license agreement for any of the Trademark Collateral, and (C) after the occurrence and during the continuance of any Event of Default, to execute any and all applications, documents, papers and instruments for Agent to use the Trademark Collateral, to grant or issue any exclusive or non-exclusive license with respect to any Trademark Collateral, and to assign, convey or otherwise transfer title in or dispose of the Trademark Collateral in connection with the sale of the business represented by such Trademark Collateral. The power of attorney set forth in this Section 3, being

coupled with an interest, is irrevocable so long as this Agreement shall not have terminated in accordance with Section 18; provided that the foregoing power of attorney shall terminate when all of the Secured Obligations have been fully and finally repaid and performed and the Lender Group's obligation to extend credit under the Loan Agreement is terminated.

4. Representations and Warranties. Debtor represents and warrants to each member of the Lender Group, in each case to the best of its knowledge, information, and belief, as follows:

(a) No Other Trademarks. Schedule A sets forth a true and correct list of all of Debtor's existing Trademarks that are registered, or for which any application for registration has been filed with the PTO or any corresponding or similar trademark office of any other U.S. jurisdiction, and that are owned or held (whether pursuant to a license or otherwise) and used by Debtor.

(b) Trademarks Subsisting. Each of Debtor's Trademarks listed in Schedule A is subsisting and has not been adjudged invalid or unenforceable, in whole or in part, and, to the best of Debtor's knowledge, each of the Trademarks set forth on Schedule A is valid and enforceable.

(c) Ownership of Trademark Collateral; No Violation. (i) Debtor has rights in and good and defensible title to the Trademark Collateral, (ii) Debtor is the sole and exclusive owner of the Trademark Collateral, free and clear of any Liens and rights of others (other than the security interest created hereunder and other than Permitted Liens), including licenses, registered user agreements and covenants by Debtor not to sue third persons, and (iii) with respect to any Trademarks for which Debtor is either a licensor or a licensee pursuant to a license or licensing agreement regarding such Trademark, each such license or licensing agreement is in full force and effect, Debtor is not in material default of any of its obligations thereunder and, (A) other than the parties to such licenses or licensing agreements, or (B) in the case of any non-exclusive license or license agreement entered into by Debtor or any such licensor regarding such Trademark, the parties to any other such non-exclusive licenses or license agreements entered into by Debtor or any such licensor with any other Person, no other Person has any rights in or to any of the Trademark Collateral. To the best of Debtor's knowledge, the past, present and contemplated future use of the Trademark Collateral by Debtor has not, does not and will not infringe upon or violate any right, privilege or license agreement of or with any other Person or give any such Person the right to terminate any such right, privilege or license agreement.

(d) No Infringement. To the best of Debtor's knowledge, (i) no material infringement or unauthorized use presently is being made of any of the Trademark Collateral by any Person, and (ii) the past, present, and contemplated future use of the Trademark Collateral by Debtor has not, does not and will not infringe upon or violate any right, privilege, or license arrangement of or with any other Person or give such Person the right to terminate any such license arrangement.

(e) Powers. Debtor has the unqualified right, power and authority to pledge and to grant to Agent security interests in the Trademark Collateral pursuant to this Agreement, and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person except as already obtained.

5. Covenants. So long as any of the Secured Obligations remain unsatisfied, Debtor agrees: (i) that it will comply in all material respects with all of the covenants, terms and provisions of this Agreement, and (ii) that it will promptly give Agent written notice of the occurrence of any event that could have a material adverse effect on any of the Trademarks and the Trademark Collateral, including any petition under the Bankruptcy Code filed by or against any licensor of any of the Trademarks for which Debtor is a licensee.

6. Future Rights. For so long as any of the Secured Obligations shall remain outstanding, or, if earlier, until Agent shall have released or terminated, in whole but not in part, its interest in the Trademark Collateral, if and when Debtor shall obtain rights to any new Trademarks, or any reissue, renewal or extension of any Trademarks, the provisions of Section 2 shall automatically apply thereto and Debtor shall give to Agent prompt notice of such new Trademark or such reissue, renewal or extension of any Trademark. Debtor shall do all things reasonably deemed necessary by Agent in the exercise of its discretion to ensure the validity, perfection, priority and enforceability of the security interests of Agent in such future acquired Trademark Collateral. If Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Agent in connection herewith, Debtor hereby authorizes Agent to modify, amend or supplement the Schedules hereto and to re-execute this Agreement from time to time on Debtor's behalf and as its attorney-in-fact to include any future Trademarks which are or become Trademark Collateral and to cause such re-executed Agreement or such modified, amended or supplemented Schedules to be filed with the PTO.

7. Duties of Agent and the Lender Group. Notwithstanding any provision contained in this Agreement, neither Agent nor any member of the Lender Group shall have any duty to exercise any of the rights, privileges or powers afforded to it and shall not be responsible to Debtor or any other Person for any failure to do so or delay in doing so. Except for the accounting for moneys actually received by Agent or any other member of the Lender Group hereunder or in connection herewith, neither Agent nor any member of the Lender Group shall have any duty or liability to exercise or preserve any rights, privileges or powers pertaining to the Trademark Collateral.

8. Events of Default. The occurrence of any "Event of Default" under the Loan Agreement shall constitute an Event of Default hereunder.

9. Remedies. From and after the occurrence and during the continuation of an Event of Default, Agent shall have all rights and remedies available to it under the Loan Agreement and applicable law (which rights and remedies are cumulative) with respect to the security interests in any of the Trademark Collateral. Debtor hereby agrees that such rights

and remedies include the right of Agent as a secured party to sell or otherwise dispose of the Trademark Collateral after default, pursuant to the UCC. Debtor hereby agrees that Agent shall at all times have such royalty-free licenses, to the extent permitted by law and the Loan Documents, for any Trademark Collateral that is reasonably necessary to permit the exercise of any of Agent's rights or remedies upon or after the occurrence of (and during the continuance of) an Event of Default with respect to (among other things) any tangible asset of Debtor in which Agent has a security interest, including Agent's rights to sell inventory, tooling or packaging which is acquired by Debtor (or its successor, assignee or trustee in bankruptcy). In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, Agent shall have the right but shall in no way be obligated to bring suit, or to take such other action as Agent, in the exercise of its discretion, deems necessary, in the name of Debtor or Agent, to enforce or protect any of the Trademark Collateral, in which event Debtor shall, at the request of Agent, do any and all lawful acts and execute any and all documents required by Agent necessary to such enforcement. To the extent that Agent shall elect not to bring suit to enforce such Trademark Collateral, Debtor, in the exercise of its reasonable business judgment, agrees to use all reasonable measures and its diligent efforts, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation or violation thereof by others and for that purpose agrees diligently to maintain any action, suit or proceeding against any Person necessary to prevent such infringement, misappropriation or violation.

10. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by Debtor and Agent for the benefit of the Lender Group and their respective successors and assigns.

11. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Loan Agreement.

12. Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the federal laws of the United States of America and the laws of the State of New York.

13. Entire Agreement; Amendment. This Agreement and the other Loan Documents, together with the Schedules hereto and thereto, contains the entire agreement of the parties with respect to the subject matter hereof and supersede all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties to this Agreement. Notwithstanding the foregoing, Agent may reexecute this Agreement or modify, amend or supplement the Schedules hereto as provided in Section 6 hereof.

14. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render

illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.
