(2) The Pledged Stock identified under the name of such Obligor on Part A of Annex 3 constitutes all of the issued and outstanding shares of Pledged Stock beneficially owned by such Obligor on the date hereof (whether or not registered in the name of such Obligor), and Part A of Annex 3 correctly identifies, as at the date hereof, the respective Issuers of such Pledged Stock, whether such Pledged Stock is certificated or uncertificated, the respective class and par value of the shares constituting such Pledged Stock, the respective number of shares (and registered owners thereof) of each certificate representing such Pledged Stock and, if such Pledged Stock is uncertificated, the total number of shares (and registered owners) thereof.

Section 4. Cash Proceeds of Collateral.

4.01 Collateral Account. Upon enforcement of the security interest created hereunder or as otherwise provided herein, the Collateral Agent shall deposit into the Collateral (General) Account all Cash Proceeds and proceeds consisting of Financial Assets (other than Stock Collateral) received as a result of the collection or disposition of any Collateral, unless such Cash Proceeds shall directly be applied to the Senior Obligations with the consent of the Required Senior Creditors. Each Obligor agrees that, at any time after the occurrence and during the continuance of an Event of Default, if Cash Proceeds of any Collateral (including payments made in respect of Accounts, Chattel Paper, General Intangibles or Instruments) shall be received by it, such Obligor shall immediately transfer such Cash Proceeds to the Collateral Agent for deposit into the Collateral (General) Account. Until so transferred, all such Cash Proceeds shall be held in trust by such Obligor for and as the property of the Collateral Agent and shall not be commingled with any other funds or property of such Obligor. The Collateral Agent may at any time and from time to time arrange for any or all Certificated Securities (other than Stock Collateral) that constitute Collateral to be credited to Collateral (General) Account. The Financial Assets and other property and balances credited to the Collateral Account from time to time (a) shall constitute part of the Collateral hereunder and shall not constitute payment of the Senior Obligations until applied, and (b) shall be subject to withdrawal and application only, as provided in Sections 10.05, 10.06 and 10.07, as applicable, of the Intercreditor Agreement.

4.02 Proceeds of Accounts. If so requested by the Collateral Agent at any time after the occurrence and during the continuance of an Event of Default, each Obligor shall promptly instruct (and such Obligor hereby authorizes the Collateral Agent to instruct) all account debtors in respect of Accounts, Chattel Paper and General Intangibles and all obligors on Instruments, in each case which constitutes Collateral, to make all payments in respect thereof either (a) directly to the Collateral Agent (by instructing that such payments be remitted to a post office box which shall be in the name and under the control of the Collateral Agent) or (b) to one or more other banks in the United States of America (by instructing that such payments be remitted to a post office box which shall be in the name and under the control of the Collateral Agent) under arrangements, in form and substance satisfactory to the Collateral Agent, pursuant to which such Obligor shall have irrevocably instructed such other bank (and such other bank shall have agreed) to remit all proceeds of such payments directly to the Collateral Agent for deposit into the Collateral (General) Account. All payments made to the Collateral Agent, as provided in the preceding sentence, shall be immediately deposited in the Collateral (General) Account.

Section 5. Further Assurances; Remedies. In furtherance of the pledge and grant of security interest pursuant to Section 3, the Obligors hereby agree with the Collateral Agent for the benefit of the Senior Creditors as follows:

5.01 Delivery and Other Perfection. Each Obligor shall:

(a) deliver to the Collateral Agent all Chattel Paper, Documents, Instruments, and Security Certificates that constitute Collateral, indorsed and/or accompanied by such instruments of assignment and transfer in such form and substance as the Collateral Agent may request; provided that, so long as no Default shall have occurred and be continuing, the Collateral Agent shall, promptly upon request of the Company or the applicable Obligor, make appropriate arrangements for making any Instrument or Security Certificate (other than Stock Collateral) pledged by such Obligor available to such Obligor for purposes of presentation, collection, enforcement, renewal or ~~registration of transfer (any such arrangement to be effected, to the extent deemed~~ appropriate by the Collateral Agent, against indemnity or trust receipt or like document);

(b) give, execute, deliver, file, record, authorize or obtain all such financing statements, notices, instructions, memoranda, acknowledgements, instruments, agreements, consents or other documents as may be necessary or reasonably desirable in the judgment of the Collateral Agent to create, preserve, perfect or validate the security interest granted pursuant hereto or to enable the Collateral Agent to exercise and enforce its rights hereunder or under the UCC or other applicable law with respect to such security interest, including (after the occurrence of an Event of Default) causing any or all of the Stock Collateral to be transferred of record into the name of the Collateral Agent or its nominee (and the Collateral Agent agrees that if any such Stock Collateral is transferred into its name or the name of its nominee, the Collateral Agent will thereafter promptly give to the Obligor that pledged such Stock Collateral copies of any notices and communications received by it with respect to such Stock Collateral); provided that notices to account debtors in respect of any Accounts, Chattel Paper or General

Intangibles and to obligors on Instruments may only be given when an Event of Default has occurred and is continuing;

(c) without limiting or otherwise affecting the obligations of such Obligor under Section 5.05(c), upon the acquisition after the date hereof by such Obligor of any Collateral covered by a certificate of title or ownership (other than a Motor Vehicle), cause the Collateral Agent to be listed as the lienholder on such certificate of title and take such other steps as may be required under the law applicable to perfection of a security interest in such property to perfect such security interest, and within 10 days of the acquisition thereof deliver evidence of the same to the Collateral Agent;

(d) without limiting or otherwise affecting the obligations of such Obligor under Section 6.04 of the Intercreditor Agreement, cause each insurer in respect of the policies of insurance that constitute Collateral (other than workers' compensation insurance) to name the Collateral Agent as loss payee (to the extent covering risk of loss or damage to tangible property) and as an additional named insured as its interests may appear (to the extent covering any other risk) under such policies;

(e) take such other action as the Collateral Agent shall deem necessary or reasonably desirable to acquire a prior, perfected Lien on the Collateral under the UCC or other applicable law (including Federal law), with respect to any type of property, including vessels, aircraft and rolling stock;

(f) keep full and accurate books and records relating to the Collateral, and stamp or otherwise mark such books and records in such manner as the Collateral Agent may reasonably require in order to reflect the security interests granted by this Agreement; and

(g) permit representatives of the Collateral Agent, upon reasonable notice, at any time during normal business hours to inspect and make abstracts from its books and records pertaining to the Collateral, and permit representatives of the Collateral Agent to be present at such Obligor's place of business to receive copies of all communications and remittances relating to the Collateral, and forward copies of any notices or communications received by such Obligor with respect to the Collateral, all in such manner as the Collateral Agent may reasonably require.

5.02 Financing Statements. Each Obligor hereby authorizes the Collateral Agent to file, and to have filed prior to the date hereof, one or more financing statements in respect of such Obligor and/or all Obligors as debtors in such filing offices in such jurisdictions with which such a filing is (a) required to perfect the security interest granted hereunder by such Obligor or (b) reasonably desirable (in the Collateral Agent's discretion) to give notice of the security interest granted hereunder by such Obligor and/or the other Obligors, in each case containing a description of the Collateral in substantially the form set forth on Annex 10.

5.03 Other Financing Statements and Control. Except with respect to any Permitted Lien, without the prior written consent of the Collateral Agent, no Obligor shall (a) authorize the filing in any jurisdiction of any financing statement or like instrument with

respect to the Collateral in which the Collateral Agent is not named as the sole secured party or (b) cause or permit any Person other than such Obligor or the Collateral Agent to acquire "control" (as defined in Section 8-106 of the UCC or as otherwise construed for purposes of Article 8 or 9 of the UCC) over any Deposit Account, Electronic Chattel Paper, Investment Property or Letter of Credit Right.

5.04 Preservation of Rights. No Senior Creditor shall be required to take steps necessary to preserve any rights against prior parties to any of the Collateral.

5.05 Special Provisions Relating to Certain Collateral.

(a) Stock Collateral.

(1) Without limiting or otherwise affecting the security interest granted under Section 3, the Obligors, together with the Parent Pledgor, will at all times cause such security interest to be a perfected first-priority security interest on 100% of the total number of shares of each class of Pledged Stock then outstanding, except with respect to the Lien on the Pledged Stock identified on Part D of Annex 9 so long as such Lien shall be in effect (it being understood that this exception shall not be an agreement to subordinate, or otherwise effect a subordination of, the security interest in favor of the Collateral Agent).

(2) So long as no Event of Default shall have occurred and be continuing, the Obligors shall have the right to exercise all voting, consensual and other powers of ownership pertaining to the Stock Collateral for all purposes not inconsistent with the terms of this Agreement or any other Senior Debt Document, provided that the Obligors jointly and severally agree that they will not vote the Stock Collateral in any manner that is inconsistent with the terms of this Agreement or any other Senior Debt Document; and the Collateral Agent shall execute and deliver to the Obligors or cause to be executed and delivered to the Obligors all such proxies, powers of attorney, dividend and other orders, and all such instruments, without recourse, as the Obligors may reasonably request for the purpose of enabling the Obligors to exercise the rights and powers that they are entitled to exercise pursuant to this Section 5.05(a)(2).

(3) Unless and until an Event of Default has occurred and is continuing, the Obligors shall be entitled to receive and retain any and all dividends and distributions on the Pledged Stock (it being understood and agreed that such Proceeds shall continue to be part of the Collateral).

(4) If any Event of Default shall have occurred, then so long as such Event of Default shall continue, and whether or not the Collateral Agent or any Senior Creditor exercises any available right to declare any Senior Obligation due and payable or seeks or pursues any other relief or remedy available to it under applicable law or under this Agreement, the Intercreditor Agreement or any other agreement relating to such Senior Obligation, all dividends and other distributions on the Stock Collateral shall be paid or distributed directly to the Collateral Agent for deposit to the Collateral (General) Account, and shall be retained, applied or released therefrom pursuant to the terms of the Intercreditor Agreement (as provided in

Section 4.01 of this Agreement), and, if the Collateral Agent shall so request in writing, the Obligors jointly and severally agree to execute and deliver to the Collateral Agent appropriate additional dividend, distribution and other orders and documents to that end.

(b) Intellectual Property.

(1) For the purpose of enabling the Collateral Agent to exercise its rights and remedies under Section 5.06, each Obligor hereby grants to the Collateral Agent, to the extent enforceable, a non-exclusive license (exercisable without payment of royalty or other compensation to such Obligor) to use, solely during such period as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies under Section 5.06, any of the Intellectual Property now owned or hereafter acquired by such Obligor, with the right to sublicense as necessary to enable the Collateral Agent to exercise its rights and remedies under Section 5.06.

(2) Notwithstanding anything contained herein to the contrary, but subject to the provisions of the Intercreditor Agreement that limit the rights of the Obligors to dispose of their property, so long as no Event of Default shall have occurred and be continuing, the Obligors have the sole right to exploit, use, enjoy, protect, license, sublicense, assign, sell, dispose of or take any other actions the Obligors deem appropriate in their sole discretion with respect to the Intellectual Property in the ordinary course of their businesses. In furtherance of the foregoing, unless an Event of Default shall have occurred and be continuing, the Collateral Agent shall, from time to time, upon the request of any Obligor, execute and deliver any instruments, certificates or other documents, in the form so requested, that such Obligor determines are appropriate (in its sole judgment) to allow it to take any action permitted above (including relinquishment of the rights provided pursuant to Section 5.05(b)(1) as to any specific Intellectual Property). The exercise of rights and remedies under Section 5.06 by the Collateral Agent shall not alter or terminate the rights of the holders of any licenses or sublicenses theretofore granted by the Obligors in accordance with the first sentence of this Section 5.05(b)(2).

(3) The Obligors will furnish to the Collateral Agent from time to time (but, unless a Default shall have occurred and be continuing, no more frequently than quarterly) amendments to Annexes 4, 5 and/or 6, as the case may be, to include any letters patents of the United States of America or other Governmental Authorities and applications therefor, copyright registrations and applications therefor and trademark registrations and applications therefor that are material to the business of the Obligor and owned by such Obligor that become part of the Collateral under this Agreement.

(c) Motor Vehicles.

(1) Upon notice from the Collateral Agent to the Company, each Obligor shall promptly (and in any event within 10 days of such notice) deliver to the Collateral Agent originals of the certificates of title or ownership for the Motor Vehicles (or, if such notice is limited to specified Motor Vehicles, such specified Motor Vehicles) owned by it with the Collateral Agent listed as lienholder and take such other action as the Collateral Agent shall

deem appropriate to perfect the security interest created hereunder in all such Motor Vehicles (or such specified Motor Vehicles, as the case may be).

(2) Without limiting the generality of the foregoing, upon the acquisition after the date hereof by any Obligor of any Motor Vehicle, such Obligor shall, to the extent any notice pursuant to Section 5.05(c)(1) shall specify that it applies to future acquisitions, deliver to the Collateral Agent originals of the certificates of title or ownership for such Motor Vehicles, together with the manufacturer's statement of origin with the Collateral Agent listed as lienholder.

(3) Without limiting Section 5.11, each Obligor hereby appoints the Collateral Agent as its attorney-in-fact, effective the date hereof and terminating upon the termination of this Agreement, for the purpose of (i) executing on behalf of such Obligor title or ownership applications for filing with appropriate Governmental Authorities to enable Motor Vehicles now owned or hereafter acquired by such Obligor to be retitled and the Collateral Agent listed as lienholder thereon, (ii) filing such applications with such state agencies and (iii) executing such other documents and instruments on behalf of, and taking such other action in the name of, such Obligor as the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof (including the purpose of creating in favor of the Collateral Agent a perfected lien on the Motor Vehicles and exercising the rights and remedies of the Collateral Agent under Section 5.06). This appointment as attorney-in-fact is irrevocable and coupled with an interest. To the extent that the laws of the State of Louisiana govern any provision of this Agreement, any power of attorney or similar powers granted in this Agreement shall be deemed given pursuant to the provisions of La. R.S. § 9:5388.

(4) Any certificates of title or ownership delivered pursuant to the terms hereof shall be accompanied by odometer statements for each Motor Vehicle covered thereby.

(d) Commodity, Deposit and Securities Accounts. At the request of the Collateral Agent at any time that an Event of Default has occurred and is continuing, each Obligor shall at its own expense cause the Collateral Agent to acquire and maintain "control" (as defined in Section 8-106 or as otherwise construed for purposes of Article 8 or 9 of the UCC) over each Commodity Account, Deposit Account and Securities Account in which such Obligor shall have any beneficial interest within 10 days after the date of the Collateral Agent's request (or after the first time that such Obligor shall have a beneficial interest in such Commodity Account, Deposit Account or Securities Account, as the case may be), in each case pursuant to a written agreement in form and substance acceptable to the Collateral Agent; provided that the Collateral Agent shall at all times have control over the Collateral Account.

(e) Commercial Tort Claims. Within 10 days after the date that an Obligor shall acquire any interest in a Commercial Tort Claim, and in each such case, a Responsible Officer of such Obligor shall sign and date, and deliver to the Collateral Agent, an addendum to Annex 8 that describes in reasonable detail such Commercial Tort Claim and the nature of such Obligor's interest therein, and such addendum shall automatically supplement and become part of Annex 8 (and thereby this Agreement) without further action of any party. So long as no Event of Default has occurred and is continuing, the applicable Obligor shall retain all of its rights and privileges

with respect to a Commercial Tort Claim (except for the security interest created hereunder) and sole discretion with respect to any and all decisions to prosecute, dismiss or compromise or otherwise pursue or abandon such Commercial Tort Claim in any manner not inconsistent with the terms of this Agreement or any other Senior Debt Document and, at any time that Event of Default has occurred and is continuing, such Obligor shall be required to obtain the consent of the Collateral Agent (or waiver of the right of consent of the Collateral Agent, which in each instance the Collateral Agent may give or withhold in its sole discretion) prior to any Obligor's consenting to, or otherwise directly causing (as a result of any willful action or omission), (i) the dismissal of any legal proceedings in respect of, (ii) the compromise of, or (iii) the commencement of legal proceedings being time barred based on the applicable statute of limitations with respect to, such Commercial Tort Claim if the asserted amount or value thereof equals or exceeds \$2,500,000 (or, upon notice to the Company, such lesser amount as may be determined by the Collateral Agent in its sole discretion from time to time).

(f) Investment Property. Each Obligor that owns or otherwise has an interest in Investment Property (except to the extent provided in Section 5.05(d) with respect to Commodity Accounts and Securities Accounts, and Security Entitlements arising thereunder) shall, at all times and at its own expense, cause the Collateral Agent to acquire and maintain "control" (as defined in Section 8-106) over all such Investment Property in form, manner and substance reasonably acceptable to the Collateral Agent.

(g) Electronic Chattel Paper. Within 10 days after the request of the Collateral Agent, each Obligor that has any interest in Electronic Chattel Paper that constitutes Collateral shall at its own expense cause the Collateral Agent to acquire and at all times maintain "control" (within the meaning of Section 9-105 of the UCC) over such Electronic Chattel Paper.

(h) Letter of Credit Rights. Each Obligor that has a beneficial interest in a Letter of Credit shall, at all times and at its own expense, cause the Collateral Agent to acquire and maintain "control" (within the meaning of Section 9-107 of the UCC) over the Letter of Credit Rights with respect to such Letter of Credit.

5.06 Events of Default, Etc. During the period during which an Event of Default shall have occurred and be continuing:

(a) each Obligor shall, at the request of the Collateral Agent, assemble the Collateral owned by it at such place or places, reasonably convenient to both the Collateral Agent and such Obligor, designated in its request;

(b) the Collateral Agent may make any reasonable compromise or settlement deemed desirable with respect to any of the Collateral and may extend the time of payment, arrange for payment in installments, or otherwise modify the terms of, any of the Collateral;

(c) the Collateral Agent shall have all of the rights and remedies with respect to the Collateral of a secured party under the UCC (whether or not the UCC is in effect in the jurisdiction where the rights and remedies are asserted) and such additional rights and

remedies to which a secured party is entitled under the laws in effect in any jurisdiction where any rights and remedies hereunder may be asserted, including the right, to the fullest extent permitted by applicable law, to exercise all voting, consensual and other powers of ownership pertaining to the Collateral as if the Collateral Agent were the sole and absolute owner thereof (and each Obligor agrees to take all such action as may be appropriate to give effect to such right);

(d) the Collateral Agent in its discretion may, in its name or in the name of the Obligors or otherwise, demand, sue for, collect or receive any money or property at any time payable or receivable on account of or in exchange for any of the Collateral, but shall be under no obligation to do so; and

(e) the Collateral Agent may, upon ten Business Days' prior written notice to the Company, on behalf of all Obligors, of the time and place, with respect to the Collateral or any part thereof that shall then be or shall thereafter come into the possession, custody or control of any of the Senior Creditors or any of their respective agents, sell, lease, assign or otherwise dispose of all or any part of such Collateral, at such place or places as the Collateral Agent deems best, and for cash or for credit or for future delivery (without thereby assuming any credit risk), at public or private sale, without demand of performance or notice of intention to effect any such disposition or of the time or place thereof (except such notice as is required above or by applicable statute and cannot be waived), and any of the Senior Creditors or anyone else may be the purchaser, lessee, assignee or recipient of any or all of the Collateral so disposed of at any public sale (or, to the extent permitted by law, at any private sale) and thereafter hold the same absolutely, free from any claim or right of whatsoever kind, including any right or equity of redemption (statutory or otherwise), of the Obligors, any such demand, notice and right or equity being hereby expressly waived and released. In the event of any sale, assignment, or other disposition of any of the Trademark Collateral, the goodwill connected with and symbolized by the Trademark Collateral subject to such disposition shall be included, and the Obligors shall supply to the Collateral Agent or its designee, for inclusion in such sale, assignment or other disposition, all Intellectual Property relating to such Trademark Collateral. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for the sale, and such sale may be made at any time or place to which the sale may be so adjourned.

The Proceeds of each collection, sale or other disposition under this Section 5.06, including by virtue of the exercise of the license granted to the Collateral Agent in Section 5.05(b), shall be applied in accordance with Sections 10.05, 10.06 and 10.07, as applicable, of the Intercreditor Agreement.

The Obligors recognize that, by reason of certain prohibitions contained in the Securities Act of 1933 and applicable state securities laws, the Collateral Agent may be compelled, with respect to any sale of all or any part of the Collateral, to limit purchasers to those who will agree, among other things, to acquire the Collateral for their own account, for investment and not with a view to the distribution or resale thereof. The Obligors acknowledge

Pledge and Security Agreement

that any such private sales may be at prices and on terms less favorable to the Collateral Agent than those obtainable through a public sale without such restrictions, and, notwithstanding such circumstances, agree that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Collateral Agent shall have no obligation to engage in public sales and no obligation to delay the sale of any Collateral for the period of time necessary to permit the issuer thereof to register it for public sale.

5.07 Deficiency. If the proceeds of sale, collection or other realization of or upon the Collateral pursuant to Section 5.06 are insufficient to cover the costs and expenses of such realization and the payment in full of the Senior Obligations, the Obligors shall remain liable for any deficiency in respect of the Senior Obligations.

5.08 Locations; Names. Without at least 30 days' prior notice to the Collateral Agent, no Obligor shall change the location of its chief executive office, the jurisdiction or form of its organization or its name from the same shown on Annex 1 or any Guaranty Assumption Agreement to which it is a party.

5.09 Private Sale. No Senior Creditor shall incur liability as a result of the sale of the Collateral, or any part thereof, at any private sale pursuant to Section 5.06 conducted in a commercially reasonable manner. Each Obligor hereby waives to the fullest extent permitted by applicable law any claims against any Senior Creditor arising by reason of the fact that the price at which the Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale or was less than the aggregate amount of the Senior Obligations, even if the Collateral Agent accepts the first offer received and does not offer the Collateral to more than one offeree.

5.10 Application of Proceeds. Except as otherwise herein expressly provided, the Proceeds of any collection, sale or other realization of all or any part of the Collateral pursuant hereto, and any other cash at the time held by the Collateral Agent under Section 4 or this Section 5, shall be applied by the Collateral Agent in accordance with Sections 10.05, 10.06 and 10.07, as applicable, of the Intercreditor Agreement.

5.11 Attorney-in-Fact. Without limiting any rights or powers granted by this Agreement to the Collateral Agent while no Event of Default has occurred and is continuing, upon the occurrence and during the continuance of any Event of Default the Collateral Agent is hereby appointed the attorney-in-fact of each Obligor for the purpose of carrying out the provisions of this Section 5 and taking any action and executing any instruments that the Collateral Agent may deem necessary or reasonably advisable to accomplish the purposes hereof, which appointment as attorney-in-fact is irrevocable and coupled with an interest. Without limiting the generality of the foregoing, so long as the Collateral Agent shall be entitled under this Section 5 to make collections in respect of the Collateral, the Collateral Agent shall have the right and power to receive, endorse and collect all checks made payable to the order of any Obligor representing any dividend, payment or other distribution in respect of the Collateral or any part thereof and to give full discharge for the same.

5.12 No Marshalling. Upon the occurrence and continuance of an Event of Default, the Collateral Agent may in its discretion enforce the security interest granted hereunder by sale, lease, license, collection or other realization or disposition in all or any type or portion of the Collateral at one time or from time to time, and shall not be required to marshal the order of its enforcement of such security interest in any part of the Collateral for the benefit of any Person.

5.13 Louisiana Remedies. To the extent that the laws of the State of Louisiana govern any provision of this Agreement, or there is a provision of this Agreement related to an asset located in the State of Louisiana or in which a security interest is perfected under the laws of the State of Louisiana (and nothing in this Section 5.13 is intended to derogate from any choice of law provision contained in this Agreement), in addition to all other rights and remedies provided or permitted by Louisiana and other laws, if an Event of Default shall have occurred, the Collateral Agent shall have the right to cause the Collateral to be seized and sold under Louisiana executory or ordinary process, at the Collateral Agent's sole option, without appraisal, appraisal being hereby expressly waived, as an entirety or in portions as the Collateral Agent may determine, to the highest bidder for cash, and otherwise exercise the rights, powers and remedies afforded herein and under applicable Louisiana law. For purposes of Louisiana executory process, each Obligor acknowledges the liens and security interests herein created and the Senior Obligations, and each Obligor does hereby confess judgment in favor of the Collateral Agent and the Secured Creditors for the full amount of the Senior Obligations, whether now existing or hereafter arising. Any and all declarations of fact made by authentic act before a notary public in the presence of two witnesses by a person declaring that such facts lie within his or her knowledge shall constitute authentic evidence of such facts for the purpose of executory process. Each Obligor waives: (a) the benefit of appraisal as provided in Louisiana Code of Civil Procedure Articles 2332, 2336, 2723 and 2724, and all other laws conferring the same; (b) the demand and three days' delay accorded by Louisiana Code of Civil Procedure Articles 2639 and 2721; (c) the notice of seizure required by Louisiana Code of Civil Procedure Articles 2293 and 2721; (d) the three days' delay provided by Louisiana Code of Civil Procedure Articles 2331 and 2721; and (e) the benefit of the other provisions of Louisiana Code of Civil Procedure Articles 2331, 2722 and 2723, not specifically mentioned above. In the event the Collateral or any part thereof is seized as an incident to an action for the recognition or enforcement of this Agreement by executory process, ordinary process, sequestration, writ of *feri facias* or otherwise, each Obligor and the Collateral Agent agree that the court issuing any such order shall, if petitioned for by the Collateral Agent, direct the applicable marshal or sheriff to appoint as a keeper of the Collateral, the Collateral Agent or any agent designated by the Collateral Agent at the time such seizure is effected. This designation of a keeper will be pursuant to La. R.S. §§ 9:5136-9:5140.2. The Collateral Agent or its agent shall be entitled to all the rights and benefits of a keeper afforded thereunder as the same may be amended, and shall be entitled to reasonable compensation, in excess of its reasonable costs and expenses incurred in the administration or preservation of the Collateral (including, but not limited to, brokers' fees), which shall not exceed \$20,000 per month; provided that the combined total of the keeper fee provided for herein and the keeper fees provided for in the Mortgages shall not exceed \$40,000 in any given month. References in this Agreement to a "receiver" or words of similar import shall include a keeper appointed pursuant to the provisions of this Section. The Collateral Agent shall not be under any obligation to petition such court for the appointment of a keeper.

Pledge and Security Agreement

Section 6. Miscellaneous.

6.01 Notices. All notices, requests, consents and demands hereunder shall be in writing and telecopied or delivered to the intended recipient at its specified pursuant to Section 13.02 of the Intercreditor Agreement and shall be deemed to have been given at the times specified in said Section.

6.02 No Waiver. No failure on the part of any Senior Creditor to exercise, and no course of dealing with respect to, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise by any Senior Creditor of any right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein are cumulative and are not exclusive of any remedies provided by law.

6.03 Amendments, Etc. The terms of this Agreement may be amended, restated, supplemented or otherwise modified, or waived, only by an instrument in writing duly executed by the Company and the Collateral Agent (subject to its authority under the Intercreditor Agreement); provided that no such amendment, restatement, supplement or other modification or waiver shall be effective against any Obligor adversely affected thereby without the written agreement or consent of such Obligor thereto; provided, further, that each supplement to this Agreement delivered in accordance with Section 5.05(e) shall be effective notwithstanding that such supplement is not executed by any party hereto other than the Obligor specified in Section 5.05(e).

6.04 Expenses. The Obligors jointly and severally agree to reimburse the Collateral Agent for all of its reasonable costs and expenses (including the reasonable fees and expenses of legal counsel) in connection with (i) any Default and any enforcement or collection proceeding resulting therefrom, including all manner of participation in or other involvement with (w) performance by the Collateral Agent of any obligations of the Obligors in respect of the Collateral that the Obligors have failed or refused to perform, (x) bankruptcy, insolvency, receivership, foreclosure, winding-up or liquidation proceedings, or any actual or attempted sale, or any exchange, enforcement, collection, compromise or settlement in respect of any of the Collateral, and for the care of the Collateral and defending or asserting rights and claims of the Collateral Agent in respect thereof, by litigation or otherwise, including expenses of insurance, (y) judicial or regulatory proceedings and (z) workout, restructuring or other negotiations or proceedings (whether or not the workout, restructuring or transaction contemplated thereby is consummated) and (ii) the enforcement of this Section 6.04, and all such costs and expenses shall be Senior Obligations entitled to the benefits of the collateral security provided pursuant to Section 3.

6.05 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the respective successors and assigns of each Obligor and the Senior Creditors, provided that no Obligor shall assign or transfer its rights or obligations hereunder without the prior written consent of the Collateral Agent (other than in connection with a merger permitted under Section 8.03 of the Intercreditor Agreement).

Pledge and Security Agreement

6.06 Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Agreement by signing any such counterpart.

6.07 Governing Law; Jurisdiction; Etc.

(a) Governing Law. This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) Submission to Jurisdiction. Each Obligor hereby irrevocably and unconditionally submits, for itself and its properties, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Collateral Agent may otherwise have to bring any action or proceeding relating to this Agreement against any Obligor or its properties in the courts of any jurisdiction.

(c) Waiver of Venue. The Parent Pledgor hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in Section 6.07(b). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Service of Process. Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 6.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

6.08 Captions. The captions and section headings appearing herein are included solely for convenience of reference and are not intended to affect the interpretation of any provision of this Agreement.

6.09 Agents and Attorneys-in-Fact. The Collateral Agent may employ agents and attorneys-in-fact in connection herewith and shall not be responsible for the negligence or misconduct of any such agents or attorneys-in-fact selected by it without gross negligence or willful misconduct and in good faith.

6.10 Severability. If any provision hereof is invalid and unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (a) the other provisions hereof shall

remain in full force and effect in such jurisdiction and shall be liberally construed in favor of the Senior Creditors in order to carry out the intentions of the parties hereto as nearly as may be possible and (b) the invalidity or unenforceability of any provision hereof in any jurisdiction shall not affect the validity or enforceability of such provision in any other jurisdiction.

6.11 Additional Subsidiary Guarantors. Each Subsidiary of the Company that shall be required to become a "Subsidiary Guarantor" pursuant to Section 6.06 of the Intercreditor Agreement shall contemporaneously become a "Subsidiary Guarantor" (and thereby an "Obligor") under this Agreement, by executing and delivering to the Collateral Agent a Guarantee Assumption Agreement in the form of Exhibit A to the Intercreditor Agreement and, upon the execution and delivery of any such Guarantee Assumption Agreement by any such Subsidiary, such Subsidiary shall automatically and immediately, and without any further action on the part of any Person, become a "Subsidiary Guarantor" (and thereby an "Obligor") for all purposes of this Agreement, and each of the Annexes shall be supplemented in the manner specified in such Guarantee Assumption Agreement.

6.12 Waiver of Jury Trial. Each party hereto hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in any legal proceeding directly or indirectly arising out of or relating to this Agreement or the transactions contemplated hereby (whether based on contract, tort or any other theory). Each party hereto (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 6.12.
