**ASSIGNMENT AND RELEASE OF SECURITY INTEREST
IN INTELLECTUAL PROPERTY ASSETS**

THIS ASSIGNMENT AND RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY ASSETS ("Agreement") is effective on the 12th day of April, 2002, by and between the Bank of America, N.A., as successor to NationsBank of Texas, N.A. ("Releasor") and Credit Managers Association of California, a California corporation d/b/a CMA Business Credit Services ("CMA"), solely in its capacity as the assignee for the benefit of the creditors of Rembrandt Photo Services ("Rembrandt") (collectively, CMA and Rembrandt are referred to herein as "Seller"), on the one hand, and Ultra Pro LP, a California limited partnership ("Buyer"), on the other hand;

WHEREAS, Rembrandt previously executed a Security Agreement on July 24, 1997, in favor of Releasor to provide financing to Rembrandt secured by, among other assets, certain Intellectual Property Assets as defined below (the "Security Agreement") and through such Security Agreement acquired rights as a secured party in those United States and foreign registered and pending patents, trademarks, service marks, slogans, logos and designs, as listed on Schedule A attached hereto, and all trade names, all common law rights appertenant thereto on a worldwide basis (the "Intellectual Property Assets"), all worldwide goodwill of or associated with the business conducted by Seller with respect to the use of such Marks, and the internet URL "www.ultra-pro.com", all computer programs, computer software (including all source and object codes, all media of any type or nature on which such source or object codes are reproduced, copied stored or maintained), technology processes and other technology documentation, proprietary information, copyrights, copyright applications, trade secrets, customer lists, the entire goodwill of Seller's business associated with the foregoing rights and all enhancements, improvements or derivative works relating thereto, and all books and records, including electronic records, associated with the foregoing rights, (inclusive of the Intellectual Property Assets, collectively referred to as the "Rights");

WHEREAS, Releasor previously recorded such Security Agreement perfecting its interest in the Rights in various governmental offices and jurisdictions, including but not limited to the United States Patent and Trademark Office, and now wishes to release such security interest in the Rights; and

WHEREAS, Buyer desires to purchase all the Rights from each Seller through an assignment from Rembrandt passing through CMA to Buyer, pursuant to a concurrently executed Asset Purchase Agreement dated April 12, 2002 (the "APA"), and each Seller wishes to assign such Rights according to the terms thereof.

NOW THEREFORE, for and in consideration of the mutual covenants and undertakings of the parties, the receipt and sufficiency of which is hereby acknowledged, Releasor and Seller hereby quitclaims any interest in the Rights, Releasor releases the security interest in the Rights, and each Seller assigns, transfers and conveys to Buyer any of such Seller's right, title and interest in and to the Rights together with all goodwill related thereto on a worldwide basis, with the right to recover for damages and profits and all other remedies for

past infringements thereof. This assignment and release of security interest constitutes a release of all of Releasor's rights and interests and a transfer of all of Sellers' right, title and interest in the Rights, subject to the terms of the APA. Releasor, Rembrandt, and CMS each further agrees to execute such documents or instruments, or perform such acts as may be necessary, upon the written request of Buyer, necessary to further the assignment and release of security interest relating to Rights as contemplated in this Agreement and the APA.
